DEDICATION

The 2014 Town of Exeter Annual Report is dedicated to Don J. Briselden.

Exeter owes much of its pride of place to volunteers working both for and around the Town. Don exemplifies how civic engagement can positively impact the functions and opportunities, both seen and unseen, that make Exeter such a special place.

Don has been a prodigious volunteer in Exeter since moving here in 1981. He has served us on the following boards, committees and commissions: the Conservation Commission; Historic District Commission; Transportation Committee; Open Space Committee; Zoning Ordinance Review Committee; Master Plan Committee and Train Station Committee. The list is long and may be incomplete but certainly Don has made lasting contributions.

Don came to Exeter bringing his experience as a Navy Captain, facilities manager at the Portsmouth Naval Shipyard and the University of Lowell, Massachusetts and ended his professional career as facilities manager at Phillips Exeter Academy before his retirement.

Along with his volunteer work for the Town, Don also served a broad variety of other organizations. He has been an active member of the Rotary Club, the Board of the American Independence Museum, a Trustee of Riverwoods CCRC community and the Board of the Southeast Land Trust of NH.

One of Don's most visible position is as a supporter for the Downeaster service. As an instrumental participant in gaining Exeter's presence as a station stop on the Downeaster route, Don can rattle off the ridership statistics that show the success and growth of the station over the past twelve years. He organizes volunteer station clean ups in spring and fall, assisting the Recreation Department and Department of Public Works in displaying our pride of place. In fact, one fall, a resident from the neighborhood saw the cleanup activity going on and joined the group right then and there. As a member of Trainriders Northeast, Don has his ear to the ground listening to trends and plans for future rail service that can be an advantage to Exeter and the State. He is still involved in projects to promote multi-modal transportation solutions for the Town. The proposed acquisition and renovation of the former baggage building connected to Gerry's Variety store is a goal of Don's in an effort to promote Exeter's attractions as well as providing a hub of welcome for visitors, commuters and residents from the train, COAST bus, on foot, bicycle and automobile. As a participant in the 2010 Plan NH design charrette of the Lincoln Street area, Don retains the energy gained from that event and does not let the Selectboard lose sight of the potential of how the area can be enhanced and grow.

You may see Don about town on his bicycle, at the station or the Town Office Building, always with a smile and a kind word. If you see him, ask him about his latest train ride across the country, or what's happening at the station, but more importantly, thank him for his service to the Town.

So, here is a hearty "Thank You!" to Don and his wife, Mary Jo, and their four children for sharing him with us.

ELECTED/APPOINTED COMMITTEE MEMBERS

MARGARET "PEG" DUHAMEL	1,689**

Article 2: Zoning Amendment #1: Are you in favor of the adoption of Amendment #1 as proposed by the Planning Board for the town zoning ordinance, as follows: Amend Article 4, District Regulations, Schedule I Notes: Conversions by revising subsection (b) to read as follows: "b) The minimum lot size required shall be such that each dwelling unit is provided with thirty percent (30%) of the minimum lot size (per unit) required for the district."

YES 1368** NO 471

Article 3: Zoning Amendment #2: Are you in favor of the adoption of Amendment #2 as proposed by the Planning Board for the town zoning ordinance, as follows: Amend Article 5.6.3 Off-Street Parking by adding the following language to subsection A: "The Planning Board may grant a reduction in the size of the space if circumstances on the site, such as perimeter parking which allows overhang, can be provided."

YES 1406** NO 490

Article 4: Zoning Amendment #3: Are you in favor of the adoption of Amendment #3 as proposed by the Planning Board for the town zoning ordinance, as follows: Amend Article 5.6.4 Shared Parking to read as follows: "Shared parking is parking on a single site utilized by two or more uses in a 24 hour period. It is an allowance to fulfill their individual parking requirements as their prime operational hours may not overlap and their parking demands may vary from specified standards due to the scale of the project. Shared parking recognizes complimentary parking characteristics that may be unique for each case and for the specific users of the site."

YES 1578** NO 378

Article 5: Zoning Amendment #4: Are you in favor of the adoption of Amendment #4 as proposed by the Planning Board for the town zoning ordinance, as follows: Amend Article 5.6.5 by revising the first sentence to read as follows: "The Planning Board may grant reductions in the number and size of required off-street parking spaces in conjunction with its site plan review."

YES 1343** NO 551

TOWN BALLOT (CONTINUED)

Article 6: Shall the Town raise and appropriate the sum of five million and zero dollars (\$5,000,000) for the engineering design of a Wastewater Treatment Facility, Main Pump Station, and CSO Abatement Upgrades. The Town will authorize the issuance of not more than (\$5,000,000) of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the Board of Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon; Debt service will be paid from the sewer fund (\$5,000,000). (3/5 ballot vote required for approval) Recommended by the Board of Selectmen 5-0
YES 1679 NO 487**

Article 7: Shall the Town raise and appropriate the sum of one-million six hundred thousand and zero dollars (\$1,600,000) for replacement and rehabilitation of water mains and sewer lines on Lincoln Street from Front Street to Main Street, Daniel Street, Tremont Street, and Winter Street. The Town will authorize the issuance of not more than (\$1,600,000) of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the Board of Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon; Debt service will be paid from the water fund (\$1,400,000) and the sewer fund (\$200,000). (3/5 ballot vote required for approval) Recommended by the Board of Selectmen 5-0
YES 1755 NO 410**

Article 8: On petition of Thomas Stanek and others, Shall the Town raise and appropriate the sum of one-million seven hundred eighty-six thousand seven hundred and fifty-eight dollars (\$1,786,758) for the purpose of removing the Great Dam and restoring the Exeter River, and to authorize the issuance of not more than (\$1,786,758) of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the Board of Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon; furthermore, to authorize the Board of Selectmen to accept any state, federal and other grants and gifts related to the project. (The purpose of this article is to restore the Exeter River back to its natural condition, stop environment damage, reduce flooding, correct and comply with all current deficiencies and orders pending against the Town) (3/5 ballot vote required for approval) Not Recommended by the Board of Selectmen 3-2
YES 1440 NO 753**

Article 9: Shall the Town choose all necessary Town Officers, Auditors or Committees for the ensuing year, including the following: BUDGET RECOMMENDATIONS COMMITTEE: Bill Campbell, Allan Corey, Rob Corson, Francine Hall, Phil Johnson, Bob Kelly, Peter Lennon, Nelson Lourence, Judy Rowan, Corey Stevens, Anne Surman, Harry Thayer, Robert Wentworth, Don Woodward, Anthony Zwaan; FENCE VIEWER: Doug Eastman; MEASURER OF WOOD & BARK: Doug Eastman; WEIGHER: Jay Perkins
YES 1746 NO 255**

Article 10: Shall the Town of Exeter raise and appropriate as an operating budget, not including appropriation by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$17,075,046. Should this article be defeated, the default budget shall be \$16,943,390 which is the same as last year, with certain adjustments required by previous action of the Town of Exeter or by law, or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. (Majority vote required) Recommended by the Board of Selectmen 4-1
YES 1285 NO 818**

Article 11: Shall the Town of Exeter raise and appropriate as a water operating budget, not including appropriation by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$2,538,457. Should this article be defeated, the water default budget shall be \$2,409,803 which is the same as last year, with certain adjustments required by previous action of the Town of Exeter or by law. (Majority vote required) Recommended by the Board of Selectmen 5-0
YES 1480 NO 627**

Article 12: Shall the Town of Exeter raise and appropriate as a sewer operating budget, not including appropriation by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$2,412,706. Should this article be defeated, the default budget shall be \$2,432,299 which is the same as last year, with certain adjustments required by previous action of the Town of Exeter or by law. (Majority vote required) Recommended by the Board of Selectmen 5-0
YES 1692 NO 418**

TOWN BALLOT (CONTINUED)

Article 13: Shall the Town approve the cost items included in the collective bargaining agreement reached between the Board of Selectmen and the Exeter SEIU 1984 (Public Works/Town Office unit) which calls for the following salaries and benefits at the current staffing levels:

Year	Estimated Salary and Benefits Increase	Health Insurance Savings
FY14	\$42,728	(\$35,904)
FY15	\$16,522	(\$71,809)

And further, to raise and appropriate the sum of six thousand eight hundred and twenty four dollars (\$6,824) for the 2014 fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits over those of the appropriation at current staffing levels. (Majority vote required) Recommended by the Board of Selectmen 5-0
YES 1519 NO 596**

Article 14 Shall the Town raise and appropriate, through special warrant article, the sum of one-hundred nine thousand five hundred and ninety five dollars (\$109,595), for the support of various human service agencies that will serve Exeter residents in 2014:

Agency	Amount
A Safe Place	\$5,500
Area Home Care	\$13,000
Big Brother/Big Sister	\$9,000
Child and Family Services	\$12,000
Crossroads House	\$3,500
Families First	\$3,000
Friends Program (formerly RSVP)	\$2,200
Great Bay Kids	\$2,495
Meals on Wheels – Food	\$9,200
New Generation Shelter	\$2,000
New Outlook Teen Center	\$2,700
Richie McFarland Center	\$9,000
Rockingham Community Action	\$11,000
Seacoast Family Promise	\$1,500
Seacoast Mental Health	\$8,500
Seacoast VNA	\$5,000
Sexual Assault Support Services (SASS)	\$3,000
St. Vincent De Paul	\$5,000
Womenade of Greater Squamscott	\$2,000
Total	\$109,595

(Majority vote required) Recommended by the Board of Selectmen 5-0
YES 1922 NO 291**

Article 15: Shall the Town vote to establish a capital reserve fund under RSA 35:1 for the purpose of making capital improvements to town sidewalks including construction and replacement of new town sidewalks, and repair and replacement of existing town sidewalks and to raise and appropriate the sum of eighty-thousand dollars (\$80,000) to be placed in this fund and further the Board of Selectmen shall be named agents of the fund and be authorized to make expenditures from the fund. (Majority vote required) Recommended by the Board of Selectmen 5-0
YES 1802 NO 423**

Article 16: Shall the Town raise and appropriate, through special warrant article, the sum of fifty-thousand dollars (\$50,000), for the purpose of conducting a Town-wide Facilities Plan, to include building use recommendations on short and long term needs for all town buildings. (Majority vote required) Recommended by the Board of Selectmen 5-0
YES 1306 NO 820**

TOWN BALLOT (CONTINUED)

Article 17: Shall the Town raise and appropriate, through special warrant article, the sum of twenty-six thousand four hundred and ninety dollars (\$26,490) for the purpose of purchasing for conservation the approximately 34-acre Elliott property (Tax Map 26, Lot 15) (known as the 'Growing Oaklands project) located east of Watson Road and abutting the western portion of the Oaklands Town Forest. The sum will be combined with \$33,510 from the 2003 Conservation Bond proceeds and \$25,000 from the Conservation Commission's Conservation Fund to fund the Town of Exeter's \$85,000 share of the total purchase price. The Growing Oaklands project adds a critical portion of a popular trail into town ownership and conserves wildlife habitat for several rare species. The balance of the total cost of the project is \$149,500, with the following funding sources: \$54,000 from a US Natural Resource Conservation Service grant; and \$10,500 to be privately raised by Southeast Land Trust of New Hampshire; furthermore, to authorize the Board of Selectmen to accept any state, federal and other grants and gifts related to the project. As part of this purchase, the property will be subject to a conservation easement granted to the US Natural Resources Conservation Service. (Majority vote required) Recommended by the Board of Selectmen 3-2

YES 1536** NO 635

Article 18: Shall the Town adopt the Community Revitalization Tax Relief Incentive outlined in Chapter 79-E of state law and to designate four commercial areas as meeting the standards for an eligible district as set forth in RSA 79-E:2? (The four districts will consist of areas zoned C-1 "Central Area Commercial" and WC "Waterfront Commercial". A map of these districts is available on the Town's website and Town Clerk's Office.) Majority vote required. Recommended by the Board of Selectmen 5-0

YES 1579** NO 457

Article 19: Shall the Town vote to adopt RSA 162-K of the New Hampshire Revised Statutes, which if adopted will allow the Town to establish tax increment financing districts upon approval of the legislative body. Majority vote required. Recommended by the Board of Selectmen 3-2

YES 878 NO 1024**

Article 20: Shall the Town increase the current motor vehicle local option fee from \$3.25 to \$4.00 to fund transportation services for senior and disabled residents and transportation service needs consistent with RSA 261:153 VI. Proceeds from the fee will be deposited into the Town's Municipal Transportation Improvement Fund. This article will not impact the property tax rate. Majority vote required. Recommended by the Board of Selectmen 3-2

YES 1575** NO 588

Article 21: Shall the Town vote to authorize the Board of Selectmen to negotiate a long term lease with Great Bay Kids Company on Town owned property located on Hampton Road (Tax Map 69, Lot 4) with terms and conditions to be determined by the Board of Selectmen. Majority vote required. Recommended by the Board of Selectmen 3-2

YES 848 NO 1353**

Article 22: By petition of Stephanie Marshall and others, Shall the Town express its opposition to the transport of toxic tar sands oil through New Hampshire, and further, to (1) communicate this opposition to the Governor and NH General Court and to the New Hampshire delegation in the US Congress requesting they take all reasonable steps to oppose the transport of tar sands oil through New Hampshire, and (2) to send a copy of this resolution and the official results from the Town Meeting vote to all relevant state and federal officials, including the NH Office of Energy and Planning, the N.H. Site Evaluation Committee and the U.S. State Department, as well as the chief executive officers of those companies directly involved in the production and proposed transportation of tar sands oil including Portland Pipe Line Corporation, Montreal Pipe Line Limited, Imperial Oil, ExxonMobil, and Enbridge, Inc. Majority vote required.

YES 1158** NO 872

Article 23: By petition of Herb Moyer and other eligible voters of the Town of Exeter, NH, Shall the town vote to urge: That the New Hampshire State Legislature join nearly 500 municipalities and 16 other states, including all other New England states, in calling upon Congress to move forward a constitutional amendment that: 1) guarantees the right of our elected representatives and of the American people to safeguard fair elections through authority to regulate political spending, and 2) clarifies that constitutional rights were established for people, not corporations. That the New Hampshire Congressional delegation support such a constitutional amendment. That the New Hampshire State Legislature support such an amendment once it is approved by Congress and sent to the State for ratification. And furthermore, that this Town Meeting vote be a record that, We the People want Congress and our state legislature to:

TOWN BALLOT (CONTINUED)

- Institute full, effective and immediate electronic disclosure of all election-related spending by any individual group, corporation, party or institution.
- Provide for fair, nonpartisan and vigorous enforcement of existing campaign laws and regulations by federal and state agencies.
- Enact an absolute ban on campaign contributions by foreign governments, foreign agencies, foreign corporations or their subsidiaries and employees in the U.S.
- Enact legislation that would cut down on the influence of big bankroll donors by multiplying the power of small donations through the use of voter vouchers, tax credits and matching public funds.

The record of the vote approving this article shall be transmitted by written notice to Exeter's congressional delegation, and to Exeter's state legislators, and to the President of the United States informing them of the instructions from their constituents by the Board of Selectmen within 30 days of the vote. Majority vote required.

YES 1529** NO 527

Article 24: By petition of Jill and Allan Mayo and others, Shall the Town vote to help lessen our nation's dependence on fossil fuels and to promote the use of solar energy in our town, by adopting the provisions of RSA 72:61 through RSA 72:64 inclusively, which allows for each New Hampshire city and town, to adopt an exemption from the assessed value of the solar-related equipment, for property tax purposes, for persons owning real property, which is equipped with solar energy systems intended for use at the immediate site. The property tax exemption shall only be in the amount equal to 100% of the assessed value of qualifying solar related equipment under these statutes. Per RSA 72:61, a "solar energy system" means a system which utilizes solar energy to heat or cool the interior of a building or to heat water for use in a building and which includes one or more collectors and a storage container. "Solar energy system" also means a system which provides electricity for a building by the use of photovoltaic panels. (A majority vote of yes would continue the Town's current practice of not increasing home valuation due to the solar installation for assessment purposes and would preclude the Town from, in the future, potentially collecting property tax on the assessed value of the solar-related equipment, as such a tax would reduce the benefit of installing such a system and would disincentivize installing one.) Majority vote required.

YES 1391** NO 678

2014 DELIBERATIVE SESSION

TOWN OF EXETER, NH FIRST SESSION OF ANNUAL TOWN MEETING DELIBERATIVE SESSION SATURDAY, FEBRUARY 1, 2014

The first session of the 2014 Town Meeting was held at Exeter Co-Operative High School, 1 Blue Hawk Drive, in the Arthur L. Hanson III Center for the Performing Arts. Town Moderator Paul Scafidi called the session to order at 9:05 AM. Moderator Scafidi asked attendees to join him in Pledging Allegiance to the American Flag. He introduced the Town Officials seated at the head tables – (from his left): Town Clerk Andrea Kohler, Acting Town Treasurer Allan Corey, Finance Director Doreen Ravell, Town Counsel Walter Mitchell, Town Manager Russell Dean, Selectman and Chair Don Clement, Selectman and Vice Chairman, Dan Chartrand, Selectman Matt Quandt, Selectwoman and Clerk, Julie Gilman and Selectman Frank Ferraro. Moderator Scafidi asked people coming into the auditorium sign in with Checklist Supervisors. It is custom for non-residents to be allowed to speak to certain Articles because of their expertise. A motion was made to allow these people to speak. The motion made, seconded and approved.

Moderator Scafidi will recognize one resident at a time, but will recognize the proponent of an Article to speak before any other resident. Each speaker is to state their name and address in Town. An amendment can be made to an Article, must be seconded, and then followed by discussion. Following discussion the Moderator will call for a voice vote, or a card vote, from the registered voters present at this Meeting.

Moderator Scafidi said the names of the candidates associated with Article 1 would be listed on the Ballot, as well as Articles 2 through 5, which are Zoning Articles. This meeting has no power to amend these Articles as previous public hearings have been held regarding the Zoning Articles. Moderator Scafidi said he and/or the Planning Director could address any questions or concerns relative to the Zoning Amendments following the meeting.

Article 6

To see if the Town will vote to raise and appropriate the sum of five million and zero dollars (\$5,000,000) for the engineering design of a Wastewater Treatment Facility, Main Pump Station, and CSO Abatement Upgrades. The Town will authorize the issuance of not more than (\$5,000,000) of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the Board of Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon; Debt service will be paid from the sewer fund (\$5,000,000). (3/5 ballot vote required for approval) Recommended by the Board of Selectmen 5-0

Moderator Scafidi called for discussion of the Article. Seeing none, Moderator Scafidi declared Article 6 would go on the ballot as presented.

Article 7

To see if the Town will vote to raise and appropriate the sum of one-million six hundred thousand and zero dollars (\$1,600,000) for replacement and rehabilitation of water mains and sewer lines on Lincoln Street from Front Street to Main Street, Daniel Street, Tremont Street, and Winter Street. The Town will authorize the issuance of not more than (\$1,600,000) of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the Board of Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon; Debt service will be paid from the water fund (\$1,400,000) and the sewer fund (\$200,000). (3/5 ballot vote required for approval) Recommended by the Board of Selectmen 5-0

Moderator Scafidi called for discussion of the Article. Seeing none, Moderator Scafidi declared Article 7 would go on the ballot as presented

Article 8

On petition of Thomas Stanek and others, to see if the Town will vote to raise and appropriate the sum of one-million seven hundred eighty-six thousand seven hundred and fifty-eight dollars (\$1,786,758) for the purpose of removing the Great Dam and restoring the Exeter River, and to authorize the issuance of not more than (\$1,786,758) of bonds

2014 DELIBERATIVE SESSION (CONTINUED)

or notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the Board of Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon; furthermore, to authorize the Board of Selectmen to accept any state, federal and other grants and gifts related to the project. (The purpose of this article is to restore the Exeter River back to its natural condition, stop environment damage, reduce flooding, correct and comply with all current deficiencies and orders pending against the Town) (3/5 ballot vote required for approval) Not recommended by the Board of Selectmen 3-2.

Moderator Scafidi called for discussion of the Article.

Mimi Becker presented a slide show with a summary of the river study that has been ongoing since 2007. The Summary of Impacts and Benefits is attached. See attachment. Residents Brian Grisct and Mike Lambert spoke in favor of the article and presented a poster with a picture of the last 50 year flood and its affects. Resident Jim Fellows questioned the discrepancy of the cost between the citizen petition article of 1.78 million and the presentation from the river committee of 1.24 million. Paul Vlasich, Town Engineer, explained the difference in cost of \$500,000 is the difference of cost to supply water to the Mills. Resident Jay Childs questions if there is any treatment or mitigation upstream from the damn. Town Engineer, Paul Vlasich explained that there was no major effort for restoration of the shore line and it will come naturally, however there may be funds available for sediment stabilization. Residents Julie Gilman and Eric Antisell spoke about the historical value of the damn. Ms. Gilman asks that residents read the historical portion of the study. Paul Vlasich spoke that if the warrant passed the project would take approximately two years. In applying for a grant from the Fish and Wildlife Federation, we had to compile a schedule for how the work was to be done in a two year time frame. Once the Water Treatment Plant is online it will open the door to remove the damn. Lionel Ingram, Chairman of the River Study Committee spoke to clarify the River Committee took no position on the Article as they were tasked to find solutions for damn removal versus damn modification. Resident Peter Richardson gave an email address exeterdamnstudy@gmail.com for any questions.

Moderator Scafidi called for further discussion of the Article. Seeing none, Moderator Scafidi declared Article 8 would go on the ballot as presented

Article 9

To choose all other necessary Town Officers, Auditors or Committees for the ensuing year.

Moderator Scafidi called for discussion of Article.

Selectman Dan Chartrand presented the following slate for the Budget Recommendations Committee as follows: Bill Campbell, Allan Corey, Rob Corson, Francine Hall, Phil Johnson, Bob Kelly, Peter Lennon, Nelson Lourenco, Judy Rowan, Corey Stevens, Anne Surman, Harry Thayer, Robert Wentworth, Don Woodward, Anthony Zwaan; FENCE VIEWER: Doug Eastman; MEASURER OF WOOD & BARK: Doug Eastman; WEIGHER: Jay Perkins

Moderator Scafidi called for any further nominations. Seeing none, Moderator Scafidi declared the names would go on the ballot as presented.

Article 10

Shall the Town of Exeter raise and appropriate as an operating budget, not including appropriation by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$17,075,046. Should this article be defeated, the default budget shall be \$16,943,390 which is the same as last year, with certain adjustments required by previous action of the Town of Exeter or by law, or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. (Majority vote required) Recommended by the Board of Selectmen 4-1

Moderator Scafidi called for any discussion of the Article.

Resident Bob Eastman made a motion to amend Article 10 to: amend the Town Budget MS-6, account number 4611-4612 administration & Purchase of Natural Resources from \$32,682 to \$10,682. The purpose of this \$22,000

2014 DELIBERATIVE SESSION (CONTINUED)

reduction is to remove the repairs of the Raynes barn roof from this line, as the voters have rejected it twice. By doing so, it will automatically amend Warrant Article 10 from \$17,075,046 to \$17,053,046. The motion was seconded and Moderator Scafidi asked for discussion of the amendment.

Resident Don Briselden gave a brief history of the barn and its importance to the Town of Exeter. He explained the Conservation Committee recommended putting this into the budget before the Budget Recommendations Committee, who recommended it to the Board of Selectmen through the budget process. Mr. Briselden urged voters to not vote for the amendment. Ann Surman spoke in favor of the amendment and questioned the process as it should be on the ballot for the voters to decide and not just moved into the budget. Bill Campbell spoke against the amendment as he feels the barn is a rich piece of history and he feels the Town needs to preserve it. Resident Dennis Brady questioned if the Conservation Committee has funds to replace the barn roof? Resident Briselden explained the monies in the Conservation Fund are designated for trail maintenance, yearly operations and land monitoring. The fund would be completely depleted if we used those funds. Resident Frank Ferraro feels the Conservation Committee has to set priorities and if replacement of the Raynes barn roof is essential the committee should dedicate funds for the project. Resident Allan Corey stated that most funds of the Conservation Committee are restricted and are mandated. Moderator Scafidi explained the amendment by Mr. Eastman would only reduce the bottom line of total budget. By law, specific statutory language must be used in the warrant article. Selectmen Ferraro argued RSA 32:10 specifically allows line items within the budget to be reduced. Town Attorney, Walter Mitchell explained voting can take place on a line item but it is not binding to the Selectmen unless you eliminate the purpose. To eliminate the purpose you would have to zero-out the line item on the MS-6. Moderator Scafidi explained the Selectmen do have the option to move money around within the budget if they find it elsewhere. Resident Robert Eastman asked if the amendment carries, would he need to make another amendment to reduce the total budget. Town Attorney, Walter Mitchell explained the amendment does two things, one, it reduces the bottom line of the budget and two, it expresses the consensus to the Selectmen where the reduction is to be taken. The commonly provision known as No Means No does not apply here unless you zero out the line item. Resident Virginia Raub, a member of the Conservation Committee explained to apply for Grant funding, you have to have matching funds and this would allow us to move forward in applying for available grants.

Selectman Dan Chartrand called the question. Moderator Scafidi called for a card vote. Ayes 35, Nays 85 the Nays have it. Moderator Scafidi declared the amendment does not carry. Moderator Scafidi called for further discussion of the article.

Resident Rob Corson made a motion to reduce the MS-6 line item of Economic Development from \$69,149 to \$1,500 reducing the budget to \$17,007,397. The motion was seconded and Moderator Scafidi called for discussion of amendment.

Resident Barry Sandberg, Chairperson of the Economic Develop Commission, spoke against the amendment as he feels this new position is important to bring new business into town, its part of the long range goal and important to the strategic plan. This position will help maintain the businesses we have now as well as reaching out and working with all segments of the community, business, art, health, education and the tourist community. Resident Kathy Corson, Clerk of the Economic Development commission spoke in favor of the amendment as she feels this work could be done on a contract basis. Town Treasurer, Allan Corey spoke in favor of the article. He feels the amount of business brought into Town would not cover the expense of the position nor would it lower the tax rate. Selectman, Dan Chartrand spoke against that amendment as he feels the creation of this position will help control the residential property tax by focusing on the revenue side of government. Resident Christine Soutter, the Economic Development Manager for the Town of Somersworth explained what her job does and her duties.

The voters called the question. Moderator Scafidi called for a card vote. Ayes 60, Nays 67, Moderator Scafidi declared the amendment does not carry. Moderator Scafidi called for further discussion of the article. Seeing none, Moderator Scafidi declared Article 10 would go on the ballot as presented. Selectman Dan Chartrand made a motion to restrict further consideration of this article. The motion was seconded. Moderator Scafidi called for a voice vote. They Ayes have it.

2014 DELIBERATIVE SESSION (CONTINUED)

Article 11

Shall the Town of Exeter raise and appropriate as a water operating budget, not including appropriation by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$2,538,457. Should this article be defeated, the water default budget shall be \$2,409,803 which is the same as last year, with certain adjustments required by previous action of the Town of Exeter or by law. (Majority vote required) Recommended by the Board of Selectmen 5-0

Russ Dean explained the water budget and the process.

Moderator Scafidi called for discussion of the Article. Seeing none, Moderator Scafidi declared Article 11 would go on the ballot as presented.

Article 12

Shall the Town of Exeter raise and appropriate as a sewer operating budget, not including appropriation by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$2,412,706. Should this article be defeated, the default budget shall be \$2,432,299 which is the same as last year, with certain adjustments required by previous action of the Town of Exeter or by law. (Majority vote required) Recommended by the Board of Selectmen 5-0

Moderator Scafidi called for discussion of the Article. Seeing none, Moderator Scafidi declared Article 12 would go on the ballot as presented.

Article 13

To see if the Town will vote to approve the cost items included in the collective bargaining agreement reached between the Board of Selectmen and the Exeter SEIU 1984 (Public Works/Town Office unit) which calls for the following salaries and benefits at the current staffing levels:

Year	Estimated Salary and Benefits Increase	Health Insurance Savings
FY14	\$42,728	(\$35,904)
FY15	\$16,522	(\$71,809)

And further, to raise and appropriate the sum of six thousand eight hundred and twenty four dollars (\$6,824) for the 2014 fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits over those of the appropriation at current staffing levels. (Majority vote required) Recommended by the Board of Selectmen 5-0

Moderator Scafidi called for discussion of the Article. Seeing none, Moderator Scafidi declared Article 13 would go on the ballot as presented.

Article 14

To see if the Town will vote to raise and appropriate, through special warrant article, the sum of one-hundred nine thousand five hundred and ninety five dollars (\$109,595), for the support of various human service agencies that will serve Exeter residents in 2014:

Agency	Amount
A Safe Place	\$5,500
Area Home Care	\$13,000
Big Brother/Big Sister	\$9,000
Child and Family Services	\$12,000
Crossroads House	\$3,500
Families First	\$3,000

2014 DELIBERATIVE SESSION (CONTINUED)

Friends Program (formerly RSVP)	\$2,200
Great Bay Kids	\$2,495
Meals on Wheels – Food	\$9,200
New Generation Shelter	\$2,000
New Outlook Teen Center	\$2,700
Richie McFarland Center	\$9,000
Rockingham Community Action	\$11,000
Seacoast Family Promise	\$1,500
Seacoast Mental Health	\$8,500
Seacoast VNA	\$5,000
Sexual Assault Support Services (SASS)	\$3,000
St. Vincent De Paul	\$5,000
Womenade of Greater Squamscott	\$2,000
Total	\$109,595

(Majority vote required) Recommended by the Board of Selectmen 5-0

Moderator Scafidi called for discussion of the Article. Seeing none, Moderator Scafidi declared Article 14 would go on the ballot as presented.

Article 15

To see if the Town will vote to establish a capital reserve fund under RSA 35:1 for the purpose of making capital improvements to town sidewalks including construction and replacement of new town sidewalks, and repair and replacement of existing town sidewalks and to raise and appropriate the sum of eighty-thousand dollars (\$80,000) to be placed in this fund and further the Board of Selectmen shall be named agents of the fund and be authorized to make expenditures from the fund. (Majority vote required) Recommended by the Board of Selectmen 5-0

Moderator Scafidi called for discussion of the Article. Seeing none, Moderator Scafidi declared Article 15 would go on the ballot as presented.

Article 16

To see if the Town will vote to raise and appropriate, through special warrant article, the sum of fifty-thousand dollars (\$50,000), for the purpose of conducting a Town-wide Facilities Plan, to include building use recommendations on short and long term needs for all town buildings. (Majority vote required) Recommended by the Board of Selectmen 5-0

Moderator Scafidi called for discussion of the Article. Seeing none, Moderator Scafidi declared Article 16 would go on the ballot as presented.

Article 17

To see if the Town will vote to raise and appropriate, through special warrant article, the sum of one-hundred forty-nine thousand five-hundred dollars (\$149,500) for the purpose of purchasing for conservation the approximately 34-acre Elliott property (Tax Map 26, Lot 15) (known as the 'Growing Oakland's' project) located east of Watson Road and abutting the western portion of the Oaklands Town Forest. The Growing Oaklands project adds a critical portion of a popular trail into town ownership and conserves wildlife habitat for several rare species. The total cost of the project is \$149,500, with the following revenue funding sources: \$26,490 from general taxation, \$33,510 from 2003 conservation bond proceeds; \$25,000 from the Conservation Commission's Conservation Fund; \$54,000 from a US Natural Resources Conservation Service grant; and \$10,500 to be privately raised by Southeast Land Trust of New Hampshire; furthermore, to authorize the Board of Selectmen to accept any state, federal and other grants and gifts related to the project. As part of this purchase, the property will be subject to a conservation easement granted to the US Natural Resources Conservation Service. (Majority vote required) Recommended by the Board of Selectmen 3-2

2014 DELIBERATIVE SESSION (CONTINUED)

Moderator Scafidi called for discussion of the Article Resident Virginia Raub made a motion to amend the article to read: To see if the Town will vote to raise and appropriate, through special warrant article, the sum of twenty-six thousand four hundred and ninety dollars (\$26,490) for the purpose of purchasing for conservation the approximately 34 acre Elliott property Tax Map 26 Lot15) known as the Growing Oaklands' project located east of Watson Road and abutting the eastern portion of the Oaklands' Town Forrest. The sum will be combined with \$33,510 remaining from the 2003 conservation bond proceeds and 25,000 from the conservation commission's conservation Fund to fund the Town of Exeter's \$85,000 share of the total purchase price. The Growing Oaklands' project adds a critical portion of a popular trail into town ownership and conserves wildlife habitat for several rare species. The balance of the total cost of the project is \$149,500 with the following funding sources: \$54,000 from a US Natural Resource Conservation Service grant; and \$10,500 to be privately raised by Southeast Land Trust of New Hampshire; furthermore, to authorize the Board of Selectmen to accept any state, federal and other grants and gifts related to the project. As part of the purchase, the property will be subject to a conservation easement granted to the US Natural Resources Conservation Service. The motion was seconded and Moderator Scafidi asked for discussion of the amendment. Seeing none, Moderator Scafidi called for a voice vote. They Ayes have it. Moderator Scafidi declared the amendment passed. He called for further discussion. Seeing none, Moderator Scafidi declared the Article 17 would go on the ballot as amended.

Article 18

To see if the Town will adopt the Community Revitalization Tax Relief Incentive outlined in Chapter 79-E of state law and to designate four commercial areas as meeting the standards for an eligible district as set forth in RSA 79-E:2? (The four districts will consist of areas zoned C-1 "Central Area Commercial" and WC "Waterfront Commercial". A map of these districts is available on the Town's website and Town Clerk's Office.) Majority vote required. Recommended by the Board of Selectmen

5-0

Moderator Scafidi called for discussion of the Article. Seeing none, Moderator Scafidi declared Article 18 would go on the ballot as presented.

Article 19

To see if the Town will vote to adopt RSA 162-K of the New Hampshire Revised Statutes, which if adopted will allow the Town to establish tax increment financing districts upon approval of the legislative body. Majority vote required. Recommended by the Board of Selectmen 3-2

Moderator Scafidi called for discussion of the Article. Seeing none, Moderator Scafidi declared Article 19 would go on the ballot as presented.

Article 20

To see if the Town will vote to increase the current motor vehicle local option fee from \$3.25 to \$4.00 to fund transportation services for senior and disabled residents and transportation service needs consistent with RSA 261:153 VI. Proceeds from the fee will be deposited into the Town's Municipal Transportation Improvement Fund. This article will not impact the tax rate. Majority vote required. Recommended by the Board of Selectmen 3-2

Moderator Scafidi called for discussion of the Article. Resident Harry Thayer made the motion to amend the article to remove the phrase, "This article will not impact the tax rate." The motion was seconded. Moderator Scafidi called for discussion of the amendment.

Resident Donna Schlachman reminded the voters that this is a user fee and does not affect the property tax rate. It is a fee charged on your vehicle registration.

Moderator Scafidi called for further discussion of the amendment. Seeing none, Moderator Scafidi called for a card vote. Ayes 35, Nays 71, Moderator Scafidi declared the amendment does not carry. Moderator Scafidi called for further discussion of the article.

2014 DELIBERATIVE SESSION (CONTINUED)

Resident Harry Thayer made a motion to amend the article by adding the word “property” in front of “tax rate”. The motion was seconded. Moderator Scafidi called for discussion of the amendment. Seeing none, he called for a voice vote of the amendment. The Ayes have it. Moderator Scafidi declared the amendment passed. He called for discussion of the Article as amended, seeing none he declared the Article 20 will go on the ballot as amended.

Article 21

To see if the Town will vote to authorize the Board of Selectmen to negotiate a long term lease with Great Bay Kids Company on Town owned property located on Hampton Road (Tax Map 69, Lot 4) with terms and conditions to be determined by the Board of Selectmen. Majority vote required. Recommended by the Board of Selectmen 3-2

Moderator Scafidi called for discussion of the Article.

Wendy Monroe, Director of the Great Bay Kids Company, spoke in favor of the Article. She explained that for the last 13 years, the company has had a lease through the Exeter School District, and due to the growing needs of the school district the lease will not be extended past May 2015. The Great Bay Kids Company has been searching for property to relocate or to build a new center in Exeter. We feel the property on Hampton Road is the perfect spot to build a new facility. This article will allow us to negotiate a fair market lease with the Exeter Selectmen. Resident Meg Bateman spoke in favor of the Article as she feels it will generate revenue, develop property at no cost to the Town, and meet the demand for quality child care in the community. Resident Bob Prior feels that although Great Bay Kids Company is great business and provides excellent child care he questions the process.

Mr. Prior made a motion to amend the Article as follows, To see if the Town will vote to authorize the Board of Selectmen to negotiate a long term lease with Great Bay Kids Company for Town owned property located on Hampton Road (Tax Map 69, Lot 4) which is a parcel of open land that is behind the Town pool and Recreation facility with terms and duration of the lease to be determined by the Board of Selectmen. Should Article 16 of this year’s warrant be approved, then no long-term lease agreement shall be executed between the Town and Great Bay Kids Company until the Town-wide Facilities Plan has been completed and it shows that this project is determined to be in the best interest of the Town. Further, prior to executing a lease with Great Bay Kids Company, the Town must do an analysis of current Town owned land that can be utilized for recreation to ensure adequate space is set aside for the future recreation needs of the citizens of Exeter. The results of this analysis shall be presented and discussed in a public forum. Finally, Great Bay Kids Company must obtain all necessary approvals from land use boards prior to entering into a long-term lease agreement with the Town. The motion was seconded. Moderator Scafidi called for discussion of the amendment.

Mike Favreau, Exeter Parks and Recreation Director, spoke against the amendment. He feels there is an implication that there has been no forethought to what can be done with this piece of property. The property has been surveyed and it is a buildable lot. The Parks and Recreation Department has all the field space it needs to run our programs. The Great Bay Kids Company will be able to develop the land to build a facility on this property which will increase the value of Town owned land. Mr. Favreau does not see expansion of the pool. Resident Donna Schlachman spoke in favor of the amendment pointing out the 2002 Town Master Plan which is specific to the process of this Town in regards to making decisions of our assets. The Master Plan establishes general policies and goals with which to guide development. She feels that building a new building it will change the nature of the Park and Recreation facility. According to the Future Land Use section of the 2002 Master Plan, the land use is intended to describe and establish the Town’s broad vision for its future land development. It requires careful evaluation and synthesis of all other parts of the Master Plan and to take into account many factors including community goals, capability of land use, etc. and she feels the amendment speaks to the process.

The voters called the amendment to vote. The motion was seconded. Moderator Scafidi called for a card vote. Ayes 36, Nays 60, Moderator Scafidi declared the amendment does not carry. Moderator Scafidi called for further discussion of the Article.

2014 DELIBERATIVE SESSION (CONTINUED)

Resident and Town Treasurer Allen Corey feels there are a large number of questions regarding how this transaction is going to take place. Several residents spoke in favor of the Article. Resident Brian Griset questions if the Board of Selectmen can only negotiate with Great Bay Kids Company for this parcel of land. Town Attorney Walter Mitchell said yes.

Resident Jeff Martin made a motion to amend the Article to add the words “or other entity” after Great Bay Kids Company. The motion was seconded. Moderator Scafidi asked for discussion of the amendment.

Several residents spoke against the amendment.

A motion was made to call the amendment to a vote. It was seconded. Moderator Scafidi called for a voice vote. The Nays have it. Moderator Scafidi declared the amendment does not carry. Moderator Scafidi called for further discussion of the Article. Resident Nora Arico made a motion to amend the Article to substitute the word “negotiate” to “discuss” and to add the words “behind the Exeter pool” after the words “Hampton Road”. The motion was seconded and Moderator Scafidi called for discussion of the amendment.

Selectman Don Clement spoke against the amendment as it changes the content or meaning.

The residents call the vote of the amendment. Moderator Scafidi called for a voice vote of the amendment. The Nays have it. Moderator Scafidi declared the amendment does not carry. Moderator Scafidi called for discussion of the Article. A motion was made to call the vote of the Article. Moderator Scafidi called for a voice vote of the Article. The Ayes have it. Moderator Scafidi declared Article 21 will go on the ballot as written. A motion was given not to reconsider all Articles voted on. The Moderator called for a voice vote. The Ayes have it.

Article 22

On petition of Stephanie Marshall and others, “to see if the Town will vote to express its opposition to the transport of toxic tar sands oil through New Hampshire, and further, to (1) communicate this opposition to the Governor and NH General Court and to the New Hampshire delegation in the US Congress requesting they take all reasonable steps to oppose the transport of tar sands oil through New Hampshire, and (2) to send a copy of this resolution and the official results from the Town Meeting vote to all relevant state and federal officials, including the NH Office of Energy and Planning, the N.H. Site Evaluation Committee and the U.S. State Department, as well as the chief executive officers of those companies directly involved in the production and proposed transportation of tar sands oil including Portland Pipe Line Corporation, Montreal Pipe Line Limited, Imperial Oil, ExxonMobil, and Enbridge, Inc.” Majority vote required.

Moderator Scafidi called for discussion of the Article. Eric Antisell made a motion to add the words “via existing pipelines” after the word transport under #1. The motion was seconded. Moderator Scafidi called for discussion of the amendment.

Resident Bob Prior spoke against the amendment as we do not know exactly how the tar sands oil is being transported through Exeter and urges to vote against the amendment.

Moderator Scafidi called for further discussion of the amendment. Seeing none, Moderator Scafidi called for a voice vote. The Nays have it. Moderator Scafidi declared the amendment does not carry. Moderator Scafidi called for further discussion of the Article. Seeing none, he declared Article 22 to go on the ballot as written.

Article 23

By petition of Herb Moyer and other eligible voters of the Town of Exeter, NH, “to see if the town will vote to urge: That the New Hampshire State Legislature join nearly 500 municipalities and 16 other states, including all other New England states, in calling upon Congress to move forward a constitutional amendment that: 1) guarantees the right of our elected representatives and of the American people to safeguard fair elections through authority to regulate political spending, and 2) clarifies that constitutional rights were established for people, not corporations. That the New Hampshire Congressional delegation supports such a constitutional amendment. That the New Hampshire State

2014 DELIBERATIVE SESSION (CONTINUED)

Legislature support such an amendment once it is approved by Congress and sent to the State for ratification. And furthermore, that this Town Meeting vote be a record that We the People want Congress and our state legislature to:

- Institute full, effective and immediate electronic disclosure of all election-related spending by any individual, group, corporation, party or institution.
- Provide for fair, nonpartisan and vigorous enforcement of existing campaign laws and regulations by federal and state agencies.
- Enact an absolute ban on campaign contributions by foreign governments, foreign agencies, foreign corporations or their subsidiaries and employees in the U.S.
- Enact legislation that would cut down on the influence of big bankroll donors by multiplying the power of small donations through the use of voter vouchers, tax credits and matching public funds.

The record of the vote approving this article shall be transmitted by written notice to Exeter's congressional delegation, and to Exeter's state legislators, and to the President of the United States informing them of the instructions from their constituents by the Board of Selectmen within 30 days of the vote. Majority vote required.

Moderator Scafidi called for discussion of the article. Nora Arico made a motion to amend the Article to take out the word "individual". It was seconded and Moderator Scafidi called for discussion of the amendment. Seeing none, he called for a voice vote. The Nays have it. Resident Nora Arico made a motion to remove the comma after the word "individual". The motion was seconded and the Moderator called for discussion of the amendment. Seeing none, the Moderator called for a voice vote. The Ayes have it. Moderator Scafidi declared the amendment carries. Moderator Scafidi called for more discussion of the Article as amended. Seeing none, Moderator Scafidi declared Article will go on the ballot as amended.

Article 24

By petition of Jill and Allan Mayo and others, "to see if the Town will vote to help lessen our nation's dependence on fossil fuels and to promote the use of solar energy in our town, by adopting the provisions of RSA 72:61 through RSA 72:64 inclusively, which allows for each New Hampshire city and town, to adopt an exemption from the assessed value of the solar-related equipment, for property tax purposes, for persons owning real property, which is equipped with solar energy systems intended for use at the immediate site. The property tax exemption shall only be in the amount equal to 100% of the assessed value of qualifying solar related equipment under these statutes. Per RSA 72:61, a "solar energy system" means a system which utilizes solar energy to heat or cool the interior of a building or to heat water for use in a building and which includes one or more collectors and a storage container. "Solar energy system" also means a system which provides electricity for a building by the use of photovoltaic panels. (A majority vote of yes would continue the Town's current practice of not increasing home valuation due to the solar installation for assessment purposes and would preclude the Town from, in the future, potentially collecting property tax on the assessed value of the solar-related equipment, as such a tax would reduce the benefit of installing such a system and would disincentivize installing one.)

Moderator Scafidi called for discussion of the Article. Seeing none, Moderator Scafidi declared the Article will go on the ballot as written.

There being no further business to come before the meeting, Moderator Scafidi entertained a motion to adjourn the Deliberative Session of the Annual Town Meeting. So moved and seconded with no opposition. Moderator Scafidi declared the meeting adjourned at 3:42 PM and the meeting to resume at 7:00 AM on Tuesday March 11, 2013 at the Talbot Gym on Linden Street for voting purposes.

Respectfully Submitted,

Andrea Kohler
Exeter Town Clerk

BOARD OF SELECTMEN

As Chair of the Board during 2014, I have seen a great many changes to Exeter without changes to what makes Exeter special. Perhaps the changes can best be covered by the word “improvements”.

First, I’d like to thank former Selectmen Matt Quandt and Frank Ferraro for their past service to the Town and welcome new Selectwomen, Anne Surman and Nancy Belanger. While a great deal of attention was paid to the fact that we now have a majority of women on the Board, the work load hasn’t changed and gender hasn’t played any part of Board processes and decisions.

We accomplished a great deal of both physical and abstract projects.

The Selectboard issued communications to our Federal Congressional Delegation voicing the Town’s position to stop the mining of tar sands and to get “big money” out of politics. These communications were done at the direction of voters’ approval of citizen’s petitions. Another successful petitioned article approved tax incentive legislation for installing solar power generating equipment on personal property.

The Select Board continued our goal setting process with a meeting facilitated by our insurer, Primex, to identify, prioritize and set a timeline for specified projects and interests. Here’s what we accomplished:

Our second All Boards meeting was held to again give the opportunity for land use boards such as the Planning Board and Historic District Commission to communicate directly and to discuss successes, problems and approaches for the future in order to work towards the same goals. This meeting was facilitated by the Rockingham Planning Commission, which is very excited to see this new process that they can recommend to other municipalities. Residents should be proud that although these boards and commissions are often overlooked they are setting good precedents, putting Exeter on different maps, while they do their work.

Goal #1: Lead the update of the Master Plan with pro-development strategies with the following chapters to be reviewed and updated - Chapter 1 “Current and Future Land Use”, Chapter 2 “Housing” and to add an economic development chapter. This turned out to be a little too ambitious to accomplish in one year; however, a housing committee is being developed to identify, analyze and make recommendations regarding housing matters.

Goal #2: Develop strategies to diversify tax base: One subject that fell under this goal is the Waste Water Municipal Agreement. We are currently exploring a joint venture with the Town of Stratham to coordinate expansion of their waste water treatment needs and our treatment plant. This discussion started as part of the solution for offsetting costs to build a new waste water treatment facility to meet new EPA standards. The discussion now includes Portsmouth and Greenland.

We also set a new 2 hour parking limit on much of Lincoln Street to ensure residents have access to the businesses located there. This decision led to more discussion regarding the purchase of the baggage building and its renovation to a welcome center to offer visitors a gracious welcome and Downeaster riders an all-weather waiting facility. While purchase of the building had been approved by voters and a grant for the development of the project had been awarded, changes to the grant process became too burdensome to complete the project. Voters will have another opportunity after the Town receives an appraisal.

Goal #3: Review current land use rules and process to ensure efficiency and ease. This is an ongoing conversation by different groups. Anticipated outcomes included: Zoning changes, improvement, recommendations and joint meetings with boards. For example, the Historic District Commission was awarded a grant to hire consultants to review and revise its regulations and guidelines in order to be more efficient, offer education to members and potential members, make the process easier and to achieve higher visibility;

SELECTBOARD (CONTINUED)

an ad-hoc committee has been working on the Portsmouth Avenue Flexible Zoning Initiative, a tool that offers developers on the street an opportunity to use different regulations in return for more attention to architectural detail and pedestrian/bicycle friendliness.

Goal #4: Organizational Alignment. Anticipated outcomes were: review the efficiency of delivery of services; set classification of non-union employees formalizing position grades (the new plan was set in place in July; hire an Economic Development Director (we welcomed Darren Winham in July); determine consistent grant writing and grant management across departments and volunteer boards. We contracted tax assessments with Municipal Resources Inc. to replace retired Assessor John Devittori. We have begun consideration of an acting pay policy to ensure department absences are covered at all times. The Budget Recommendation Committee formalized its mission and set procedures to ensure consistent practices each year. This year the process was efficient, thoughtful and concise. The resultant 2015 recommendations lead to a less than 1% increase over the 2014.

Goal #5: Project Execution: the finalizing of the Stadium Well acquisition is still in process; finalized the Great Dam removal schedule (by DPW) as well as accepting various small grants to complete the project and establish a committee regarding mitigation of the dam's loss through the review of Section 106 of the National Historic Preservation Act of 1966 required for federally funded projects involving identified historical properties; development of a Downtown Revitalization Committee Charge was deferred; the new groundwater plant began construction in July; Exeter Sportsmen's Club finished berm construction in December; a Municipal Facility Plan, reviewing Town property for efficiency of use, highest best use for departments, building code compliance and suggested changes is going forward; We issued bond notes for the Great Dam removal as well as those for water and sewer projects; the Department of Public Works finalized a sidewalk replacement and repair schedule; we reviewed plans for the proposed Waste Water Treatment Plant; application for a grant to build a project, long listed in our Master Plan, to provide sidewalks/bike paths on Kingston Road from Westside Drive to Pickpocket Road was done with the award announcement in April 2015; updated the Health Ordinance to comply with changing regulations; we approved two renewals of historic barn easements at properties on High Street and Linden Street; we retired debts from bonds issued for some sewer projects which will save money on the interest for future budgets.

None of the work detailed above could have been accomplished without the hard work of our staff and leadership of the Town Manager. The Board especially recognizes the contribution of our citizen volunteers on our municipal boards and commissions and others who give back to our community and make Exeter such a wonderful home.

I would like to take this time to thank my fellow Board members for their diligence and leadership towards the accomplishments of this year which will carry over for years to come.

Let's keep the action rolling in 2015!

Respectfully submitted,

Julie D. Gilman, Chair

Left to right: Anne Surman, Clerk; Dan Chartrand, Vice Chair; Julie Gilman, Chair; Don Clement; Nancy Belanger

TOWN MANAGER

As 2014 comes to a close, this is my tenth report as Town Manager. The Town Manager is appointed by the Board of Selectmen and functions as the chief administrative officer of the Town under RSA 37.

Exeter continues to be a great place to live and work. Our school system, our recreational facilities, our public safety services, our downtown, our train station, and our sense of true community spirit continue to thrive. Here are some of the highlights from 2014:

- In January 2014, the Board of Selectmen approved a temporary two hour parking limit along a stretch of Lincoln Street to alleviate issues with spillover parking from the train station.
- In February 2014 longtime assessor John DeVittori retired after 26 years of service. We wish John all the best in his retirement. In March, 2014, the Town signed a contract with MRI to provide assessing services. In July of 2014, the Town extended this contract through 2020 to cover two statistical update cycles required by the State of New Hampshire.
- At the March 2014 election, Town voters approved a 17.075 million dollar general fund operating budget with a 61% approval margin. In addition, the Town approved the water and sewer budgets as separate items for the first time under a new law allowing default budgets for water and sewer. The water and sewer budgets passed with 70% and 80% of the vote.
- At the March 2014 election, voters approved a bond for \$5,000,000 for design and construction of a new Wastewater Facility to meet the requirements of an EPA administrative order. The Wastewater Facilities Plan was presented to the Board of Selectmen and Water/Sewer Advisory Committee in December of 2014 and will be further vetted in 2015, along with a potential regional wastewater option involving the Towns of Stratham, Greenland, and the City of Portsmouth on a joint facility that would be built at the Pease Tradeport.
- Voters approved a bond issue in the amount of \$1,600,000 at the 2014 Town Election to fund water and sewer line replacements on Lincoln, Tremont and Daniel Streets. This project will get underway in 2015.
- Voters also passed an article in March of 2014 to authorize bonding for the removal of the Great Dam. This article passed by 66% at the ballot box and it is expected removal will be complete sometime around September 2015.
- Voters also passed an article in March of 2014 establishing a sidewalk capital reserve fund with \$80,000 to begin work on upgrading town sidewalks. These funds allowed for the installation of brand new concrete sidewalks along the lower level of High Street to Portsmouth Avenue in October of 2014.
- During 2014, the Town also began construction on the new Groundwater Plant on Lary Lane. This project will provide over 1.0 million gallons of water per day to the Town system when operational. In addition, its construction will mean bringing the Lary Lane well back online full time and avoid costs necessary for arsenic remediation.
- During 2014, a significant sewer line replacement was completed on Portsmouth Avenue. This sorely needed upgrade was the result of a 2013 Town approved vote and had been on the capital improvement list for many years.
- During 2014, CMA Engineers completed their design work associated with the replacement of defective culverts/bridges under Linden Street at the Little River and Court Street at the Little River, near Bell Avenue. Pending voter approval it is expected that construction will begin on the Linden Street culvert/bridges in 2015.

TOWN MANAGER (CONTINUED)

- After several years of discussion, the Raynes Barn roof on Newfields Road was replaced in 2014.
- During the summer of 2014, the Parks/Recreation Department performed a needs assessment survey and worked with UNH on an update of a master recreation plan for the Town.
- In August of 2014, a new Great Bay Kids facility planned for 64-70 Epping Road (the old Nautilus site) was approved by the Planning Board. Construction is expected to be completed in 2015.
- In September of 2014, the new YMCA planned for Linden Street at the old Junior High site broke ground. We wish the Y well in all of their efforts in constructing what is sure to be a long term community asset.
- New FEMA maps were released by the federal government in 2014 for the Town. Residents were advised to contact FEMA with any questions and/or concerns.
- The Board of Selectmen adopted a new classification plan for non union town positions in July of 2014 as recommended by MRI consultants.
- In August of 2014, the Town hired its first Economic Development Director, Darren Winham. Darren joins the Town from Waterbury, Vermont where he acted as head of the local development corporation. Darren's main focus for the first few months of his employment was the further development of Epping Road.
- In November 2014, the Town's share of the tax rate was set at \$7.77 per 1,000 of assessed valuation, a decrease of 4 cents per 1,000 from the 2013 rate of \$7.81. The total tax rate was set at \$26.06, a 3 cent per 1,000 increase from 2013. As a result residents saw very little change in their property tax bills.
- In December 2014, the Town retired two significant sewer debt issues early (Outfall, Langdon Avenue pump station). These early retirements will save over \$30,000 in interest for sewer ratepayers. In addition, the Selectboard approved a budget for FY15 that results in a .84% increase over FY14.

I'd like to thank all of the citizen volunteers, board and commission members, and others who put in long hours and gave back in 2014. I'd also like to thank the Board of Selectmen for their leadership throughout the year, and our employees who work hard to execute the Town's mission. 2014 was certainly a year where working together showed just how much we can accomplish.

Respectfully submitted,

Russell Dean
Town Manager

TOWN CLERK

The Town Clerk's Office continues to be a place of much activity and 2014 was no exception. We made a few changes and updates during the past year.

In April, we introduced boat registrations. Now, all local boat fees collected from boat registrations processed in our town remain in our town. Over \$2,700 boat fees were collected in 2014 and we are hoping to increase that number.

In July, the Clerk's Office began accepting credit cards. Our residents can now pay for any transaction with check, cash or credit card. Transactions can be performed at our counter, online or through the mail. More and more of our residents are taking advantage of our online services, whether it is processing a vital record, registering a dog, or a motor vehicle. We are very excited about providing these services to our residents and our customers and hope they are too.

In 2014, we had a position change in our office. Sonya Batchelder, who accepted a position with our office as an Assistant Town Clerk in 2013 was promoted to Deputy Town Clerk in December 2014. Sonya has a tremendous amount of experience and is a welcomed asset to our team. Eve Quinn and LeeAnn Simpson, long time employees of the Town Clerks Office, continue to serve and support our Town as Assistant Town Clerks.

It was a busy year for the Checklist Supervisors as they prepared for three elections this year. The Town Election in March followed by the State Primary in September and the General Election in November. The Supervisors of the Checklist did not escape staff changes in 2014. Vicky Nawoicyk was elected in March for her first 6 year term. Also in March, after 21 years of service, Margaret "Peg" Duhamel retired. Peg was elected in 1992 and later served as chair of the Checklist Supervisors. Paula Hamel accepted the challenge of chair and with the help of Vicky appointed Robert "Bob" Eastman. The supervisors worked long hours and continue to keep our voter checklist current and accurate, protecting the integrity of our voters.

Once again, it has been a very progressive and rewarding year. We would like to thank our residents and customers for their patience and support during the inconvenient times we were closed for training. It is important to us that the Town Clerk's Office offer and assist you with new progression, so we may better serve you.

I would like to thank the Board of Selectmen, Town Manager, Department Heads and all Town employees for their encouragement, support and assistance. I am genuinely thankful and grateful for my staff: Sonya, Eve, and LeeAnn. The Town Clerk's Office would not run as smoothly as it does without their experience, knowledge, teamwork and support. Most of all, I would like to thank our residents of this great community for your support, your patience and for giving me the opportunity to be your Town Clerk.

Respectfully,

Andrea Kohler

ASSESSOR'S REPORT

The Town's assessing office saw some significant changes in 2014. Longtime Assessor John DeVittori announced his retirement and departed the Town in February after serving in the assessor capacity since 1988. We wish John all the best in his retirement.

In March of 2014, the Town formalized a contract with Municipal Resources, Inc. to take over the Town's assessing duties. Joe Lessard of MRI conducted a review of assessing operations in house and offered his advice and guidance on updating our assessing methods and identifying issues. In July of 2014, the Selectboard, as the Town's Board of Assessors, formalized a long term agreement with MRI to continue the assessing services through 2020, saving the Town considerable dollars over the term of the contract as well as covering the need for a statistical update in 2015, and again in 2020.

Exeter's tax base grew from new growth in 2014, net valuation of \$1,609,946,683 compared to 2013's base of \$1,606,450,382, or an increase of \$3,496,301. Exeter's equalization ratio for **2013 was 100.2%**.

One of the main functions of the assessing office is to prepare the MS1, which is the report of the total valuation of Town property. This report is filed with the Department of Revenue Administration each year and is used to set the tax rate. The report captures changes in the year to year valuation of the Town. The most recent report is available online at exeternh.gov for interested citizens.

The 2014 MS1 listed a total of 2,983.03 acres in current use, 17 acres in discretionary easements (RSA 79C) and .32 acres in discretionary easements per RSA 79D. Of the total value base, the MS1 indicates 1,222,435,306 in residential land and buildings, with 355,885,724 listed as commercial value of land and buildings. Thus commercial to residential base ratio is approximately 22% commercial, 78% residential.

Assessing Clerk Janet Whitten continued to support the in-house assessing efforts through responding to customer requests, keeping the valuation database updated, and supporting the MRI team in their review of the assessing functions. Janet is an excellent resource for residents, property owners, and other departments and we are grateful for her efforts during the transition in 2014. In addition, Janet completed courses in assessing certification in 2014 and is on her way to becoming a certified assessor in her own right.

Respectfully submitted,

Russell Dean

FINANCE

Finance is responsible for recording, monitoring and analyzing all revenue and expenditures of the Town. The Finance Department prepares monthly financial statements. Quarterly financial statements are formally presented to the Board of Selectmen and the public. Finance assists the Town Manager in the preparation of the annual budget, manages all financial audits, works with Department Managers, Board and Committee members, prepares all related municipal reports, reconciles general ledger accounts, performs account maintenance, ensures financial compliance with GAAP, GASB and all local, state and federal governments. Finance works closely with the Board of Selectmen, Town Manager, all Town Department Managers, Committee and Subcommittee Members and provides financial information and reporting that are critical for operations.

The 2014 year was another very successful year from a financial prospective. I commend all the hard work accomplished by the Finance, Tax, Water and Sewer and Human Resources staff to maintain an unqualified opinion for the Town's 2013 audit, improve internal controls and remove all material weaknesses. The audit report was finalized in August of 2014. We are extremely proud of our progress.

During 2014, Finance streamlined payroll by instituting a bi-weekly payroll process. Costs of running a weekly payroll are minimized and Finance can dedicate more time to improvement of internal controls and financial reporting. Finance also worked in cooperation with the Town Clerk's Office to institute and offer credit card payment methods to all residents and patrons doing business with the Town Clerk. Finance worked extensively with the Budget Recommendation Committee (BRC) to review the current year, forecast, enhance reports and streamline information presented to the BRC and the public. Meetings with Finance and the BRC began in August 2014 and ended in November 2014.

Special thanks to Laura Hill, Accountant, Helen Perrier, Accounting Clerk, Linda Fecteau, Deputy Tax Collector, Michael Jeffers, Town Water & Wastewater Manager/Engineer, Matthew Berube, Water & Sewer Engineering Technician and Donna Cisewski, Human Resources Director who contributed greatly to reaching and maintaining the Town's audit goals. We are all committed to monitoring and reporting the highest quality financial statements of the Town of Exeter.

Many thanks and appreciation are extended to the 2015 Budget Recommendations Committee members who volunteered all of their time and talent over many months to present a fair and prudent budget to the Board of Selectmen. It was a pleasure to work with all of you.

Sincerely yours,

Doreen Ravell, Finance Director

Doreen Ravell – Finance Director

Laura Hill – Accountant

Helen Perrier – Accounting Clerk

INDEPENDENT AUDITORS' REPORT

To the Board of Selectmen
Town of Exeter, New Hampshire

Additional Offices:
Andover, MA
Greenfield, MA
Manchester, NH
Ellsworth, ME

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Town of Exeter, New Hampshire, as of December 31, 2013, and for the year then ended, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

The Town's management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and

AUDITOR'S REPORT

fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Town of Exeter, New Hampshire, as of December 31, 2013, and the respective changes in financial position and, where applicable, cash flows thereof and the respective budgetary comparison for the general fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Accounting principles generally accepted in the United States of America require that Management's Discussion and Analysis and the Schedule of Funding Progress be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the *Governmental Accounting Standards Board*, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with evidence sufficient to express an opinion or provide any assurance.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated September 5, 2014 on our consideration of the Town's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial report-

AUDITOR'S REPORT

ing and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Town's internal control over financial reporting and compliance.

Melanson Heath

AUDITOR'S REPORT

MANAGEMENT'S DISCUSSION AND ANALYSIS

As management of the Town of Exeter, we offer readers this narrative overview and analysis of the financial activities of the Town of Exeter for the year ended December 31, 2013.

A. OVERVIEW OF THE FINANCIAL STATEMENTS

This discussion and analysis is intended to serve as an introduction to the basic financial statements. The basic financial statements are comprised of three components: (1) government-wide financial statements, (2) fund financial statements, and (3) Notes to Financial Statements. This report also contains other supplementary information in addition to the basic financial statements themselves.

Government-wide financial statements. The government-wide financial statements are designed to provide readers with a broad overview of our finances in a manner similar to a private-sector business.

The Statement of Net Position presents information on all assets and liabilities, with the difference between the two reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position is improving or deteriorating.

The Statement of Activities presents information showing how the Town's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g., uncollected taxes and earned but unused vacation leave).

Both of the government-wide financial statements distinguish functions that are principally supported by taxes and intergovernmental revenues (governmental activities) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (business-type activities). The governmental activities include general government, public safety, highways and streets, sanitation, economic development, and culture and recreation. The business-type activities include water and sewer activities.

Fund financial statements. A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. Fund accounting is used to ensure and demonstrate compliance with finance-related legal requirements. All of the funds can be divided into three categories: governmental funds, proprietary funds and fiduciary funds.

AUDITOR'S REPORT

Governmental funds. Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating a government's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures and changes in fund balances provide a reconciliation to facilitate this comparison between governmental funds and governmental activities.

An annual appropriated budget is adopted for the general fund. A budgetary comparison statement has been provided for the general fund to demonstrate compliance with this budget.

Proprietary funds. Proprietary funds are maintained as follows:

Enterprise funds are used to report the same functions presented as business-type activities in the government-wide financial statements. Specifically, enterprise funds are used to account for water and sewer operations.

Proprietary funds provide the same type of information as the business-type activities reported in the government-wide financial statements, only in more detail. The proprietary fund financial statements provide separate information for the water and sewer operations, both of which are considered to be major funds.

Fiduciary funds. Fiduciary funds are used to account for resources held for the benefit of parties outside the government. Fiduciary funds are not reflected in the government-wide financial statements because the resources of those funds are not available to support the Town's own programs. The accounting used for fiduciary funds is much like that used for proprietary funds.

Notes to financial statements. The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

Other information. In addition to the basic financial statements and accompanying notes, this report also presents certain required supplementary information which is required to be disclosed by accounting principles generally accepted in the United States of America.

AUDITOR'S REPORT

B. FINANCIAL HIGHLIGHTS

- As of the close of the current fiscal year, the total of assets exceeded liabilities by \$26,251,667 (i.e., net position), a change of \$2,345,622 in comparison to the prior year.
- As of the close of the current fiscal year, governmental funds reported combined ending fund balances of \$2,927,546, a change of \$896,515 in comparison to the prior year.
- At the end of the current fiscal year, unassigned fund balance for the general fund was \$1,083,945.
- Total long-term debt (i.e., bonds payable) at the close of the current fiscal year was \$12,611,094, a change of \$325,032 in comparison to the prior year.

C. GOVERNMENT-WIDE FINANCIAL ANALYSIS

The following is a summary of condensed government-wide financial data for the current fiscal year. Comparable data will be presented when available.

Net position - end of year	\$ 16,517	\$ 15,253	\$ 9,735	\$ 8,652	\$ 26,252	\$ 23,905

AUDITOR'S REPORT

As noted earlier, net position may serve over time as a useful indicator of a government's financial position. At the close of the most recent fiscal year, total net position was \$26,251,667, a change of \$2,345,622 from the prior year.

The largest portion of net position \$18,603,345 reflects our investment in capital assets (e.g., land, buildings, machinery, equipment, and infrastructure); less any related debt used to acquire those assets that is still outstanding. These capital assets are used to provide services to citizens; consequently, these assets are not available for future spending. Although the investment in capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

An additional portion of net position \$1,173,272 represents resources that are subject to external restrictions on how they may be used. The remaining balance of unrestricted net position \$6,475,650 may be used to meet the government's ongoing obligations to citizens and creditors.

Governmental activities. Governmental activities for the year resulted in a change in net position of \$1,263,145. Key elements of this change are as follows:

General fund revenues and transfers in excess of expenditures and transfers out	\$ 887,216
Principal debt service expense in excess of depreciation expense	123,525
Current year fixed asset additions from current year sources	394,876
Other	<u>(142,472)</u>
Total	<u>\$ 1,263,145</u>

Business-type activities. Business-type activities for the year resulted in a change in net position of \$1,082,477. Key elements of this change are as follows:

Water operations	\$ 831,636
Sewer operations	<u>250,841</u>
Total	<u>\$ 1,082,477</u>

D. FINANCIAL ANALYSIS OF THE GOVERNMENT'S FUNDS

As noted earlier, fund accounting is used to ensure and demonstrate compliance with finance-related legal requirements.

AUDITOR'S REPORT

Governmental funds. The focus of governmental funds is to provide information on near-term inflows, outflows and balances of spendable resources. Such information is useful in assessing financing requirements. In particular, unassigned fund balance may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year.

As of the end of the current fiscal year, governmental funds reported combined ending fund balances of \$2,927,546, a change of \$896,515 in comparison to the prior year. Key elements of this change are as follows:

General fund revenues and transfers in excess of expenditures and transfers out	\$ 887,216
Nonmajor funds revenues and transfers in excess of expenditures and transfers out	<u>9,299</u>
Total	<u>\$ 896,515</u>

The general fund is the chief operating fund. At the end of the current fiscal year, unassigned fund balance of the general fund was \$1,083,945, while total fund balance was \$1,869,828. As a measure of the general fund's liquidity, it may be useful to compare both unassigned fund balance and total fund balance to total general fund expenditures. Refer to the table below.

<u>General Fund</u>	<u>12/31/13</u>	<u>12/31/12</u>	<u>Change</u>	<u>% of Total General Fund Expenditures</u>
Unassigned fund balance	\$ 1,083,945	\$ 170,712	\$ 913,233	6.5%
Total fund balance ⁽¹⁾	1,869,828	982,612	887,216	11.1%

⁽¹⁾ Now includes Capital Reserve Fund. Prior period balances have been revised to conform to current presentation.

The \$913,233 change in unassigned fund balance is primarily due to one-time revenues such as health insurance reimbursements and sale of deeded property, in addition to a transfer in from the EMS Revolving fund.

The total fund balance of the general fund changed by \$887,216 during the current fiscal year. Key factors in this change are as follows:

Use of fund balance as a funding source	\$ (596,063)
Revenues in excess of budget	1,030,930
Expenditures less than budget	429,149
Current year encumbrances in excess of prior year encumbrances	56,875
Change in capital reserves	(37,148)
Other	<u>3,473</u>
Total	<u>\$ 887,216</u>

AUDITOR'S REPORT

Included in the total general fund balance are the capital reserve accounts with the following balances:

	<u>12/31/13</u>	<u>12/31/12</u>	<u>Change</u>
General capital reserves	\$ <u>236,050</u>	\$ <u>273,198</u>	\$ <u>(37,148)</u>
Total	\$ <u>236,050</u>	\$ <u>273,198</u>	\$ <u>(37,148)</u>

Proprietary funds. Proprietary funds provide the same type of information found in the business-type activities reported in the government-wide financial statements, but in more detail.

Unrestricted net position of the enterprise funds at the end of the year amounted to \$4,678,517.

Other factors concerning the finances of proprietary funds have already been addressed in the entity-wide discussion of business-type activities.

E. GENERAL FUND BUDGETARY HIGHLIGHTS

There were no differences, other than reclassifications, between the original budget and the final amended budget.

F. CAPITAL ASSET AND DEBT ADMINISTRATION

Capital assets. Total investment in capital assets for governmental and business-type activities at year-end amounted to \$32,286,101 (net of accumulated depreciation), a change of \$1,850,046 from the prior year. This investment in capital assets includes land, buildings, improvements, machinery and equipment, and infrastructure.

Major capital asset events during the current fiscal year included the following:

- Land additions
- Waterline and Sewerline replacements
- Vehicles and equipment purchases

Additional information on capital assets can be found in the Notes to the Financial Statements.

Long-term debt. At the end of the current fiscal year, total bonded debt outstanding was \$12,611,094, all of which was backed by the full faith and credit of the government.

Additional information on long-term debt can be found in the Notes to Financial Statements.

AUDITOR'S REPORT

REQUESTS FOR INFORMATION

This financial report is designed to provide a general overview of the Town of Exeter, New Hampshire's finances for all those with an interest in the government's finances. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to:

AUDITOR'S REPORT

TOWN OF EXETER, NEW HAMPSHIRE

RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES, AND CHANGES IN FUND BALANCES OF GOVERNMENTAL FUNDS TO THE STATEMENT OF ACTIVITIES

FOR THE YEAR ENDED DECEMBER 31, 2013

Net changes in fund balances - Total governmental funds \$ 896,515

- Governmental funds report capital outlays as expenditures. However, in the Statement of Activities the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense:

Capital outlay purchases, net	570,058
Depreciation	(570,044)

- Revenues in the Statement of Activities that do not provide current financial resources are fully deferred in the Statement of Revenues, Expenditures, and Changes in Fund Balances. Therefore, the recognition of revenue for various types of accounts receivable (e.g., property taxes) differ between the two statements. This amount represents the net change in deferred revenue. (191,533)

- The issuance of long-term debt (e.g., bonds and leases) provides current financial resources to governmental funds, while the repayment of the principal of long-term debt consumes the financial resources of governmental funds. Neither transaction, however, has any effect on net position:

Repayments of debt and capital leases	693,569
---------------------------------------	---------

- In the Statement of Activities, interest is accrued on outstanding long-term debt, whereas in governmental funds interest is not reported until due. 9,811

- Some expenses reported in the Statement of Activities, such as compensated absences, do not require the use of current financial resources and therefore, are not reported as expenditures in the governmental funds.

Compensated absences	(1,827)
Other post employment benefits	(143,404)

Change in net position of governmental activities \$ 1,263,145

The accompanying notes are an integral part of these financial statements.

BUILDING DEPARTMENT

Once again, the Building Department experienced another block-buster year! With over 740 permits issued, we have had a lot of inspections (see Building Inspector report below). We have also had some personnel changes. Bob Wentworth, our Electrical Inspector took a full-time position in Derry, New Hampshire and Leigh Burley, our Administrative Assistant took a full-time job at the Exeter Co-operative Middle School. We wish them success in their new endeavors. A new addition to our staff, Tim Tregoe, a Master Electrician has taken the helm as our Electrical Inspector.

The Building Department, as always, remains as a resource for residents, architects, builders, developers and engineers. In addition to consulting and inspections for building projects, the Building Department also coordinates the Code Enforcement efforts for the town including administration of the Zoning Board of Adjustment, Historic District Commission and the Heritage Commission.

I would like to thank the office staff; Barb McEvoy, Leigh Burley, Kristen Murphy and Tim Tregoe for their efforts in making the office run smoothly and efficiently.

Respectfully submitted,

Douglas Eastman

Building Inspector/Code Enforcement Officer

ECONOMIC DEVELOPMENT

The Town of Exeter hired Darren Winham as its first Economic Development Director in mid-August. Darren comes with a decade-and-a-half of experience having served as President of DarWin Dynamic Solutions, Executive Director of Barre Area Development, Chief of Economic Development/Housing for Lassen County, California, Industry Lead for the Business Relations Group at the United States Department of Labor, and Business Development Specialist for the Maine Department of Economic and Community Development's Midcoast Region.

As a Director of a new municipal department, Mr. Winham enjoys the support of the Exeter Economic Development Commission, who – in addition to the hiring of a fulltime economic developer – is responsible for the successful implementation of Community Revitalization Tax Relief Incentive (RSA 79E) and the Epping Road Economic Revitalization Zone; these economic initiatives seek to spur new commercial expansion in key sections of the municipality. The Exeter Area Chamber of Commerce also has proven to be a very accepting and important partner to the Town's fledgling department as these entities work together on several projects, including the future Exeter Swim and Racquet Club.

It is the mission of the Economic Development Department to increase the wealth of the community by expanding the commercial tax base, creating jobs and championing smart, sustainable, right-for-Exeter projects. The Epping Road Economic Development Initiative is the top priority of the Department for 2015. Mr. Winham has been working with developers, private landowners, Town staff, elected officials and the Department of Environmental Services to create a commercially viable landscape in a sector of Exeter that has for its long history has been economically stagnant. Through the creation of a Tax Increment Financing District and the economic/ecologic compromise of recalibrated wetland setback buffers – and approval of the Exeter voting populace – the Department hopes to generate new commercial enterprise and, from taxes engendered from same, new infrastructure that will further support even more commercial development.

The renaissance of Exeter's downtown is also of vital interest to the Economic Development Department. Mr. Winham has been involved in completed and ongoing downtown private development including the rehabilitation and reopening of the former Loaf and Ladle, Station 19/Green Bean expansion, and the eventual sale and reuse of the Ioka Theater. In order to facilitate such investment and encourage downtown revitalization, it is essential that Exeter construct a municipal parking structure. This important initiative will be a priority for the Department throughout 2015 and 2016. Other significant projects in which the Department is championing include new construction at 80 Epping Road (commercial and market-rate residential complex), 108 Portsmouth Ave (multi-story, multi-use building at the site of former Getty Station) and the Neighborhood Beer Company (production brewery and tap house). Further, the Department is working with local stakeholders to expand and promote the Exeter Amtrak Station.

In addition to mid- and large-scale development, the Department is engaged with many Exeter businesses and property owners to assist with specific endeavors. The Town of Exeter Economic Development Department is open for business all hours and all days. Please feel free to contact our Director, Darren Winham, at your convenience on his cell phone (603) 773-6122 or via email dwinham@exeternh.gov.

FIRE DEPARTMENT

A Tradition of Service

Once again is my privilege to present the fire department's annual report.

In 2014, the community took delivery of the new ladder truck. The ladder truck was commissioned into service on July 25th as the *Squamscott Hook and Ladder Co.* named after the very first horse drawn ladder in service in 1858. The new ladder truck should serve the community well for the next 20 years. We would like to take this opportunity to thank the community for their support and for giving the department the tools we need, so we can continue to provide the very best service to the citizens of Exeter and continue our **Tradition of Service**.

Every year, department members continue to advance the department's levels of certification. This year was no different, one of the highlights and the largest class was water rescue. This class was attended by all members and very well received.

I would like to congratulate Patrick Robicheau for completing his paramedic training and bringing our medic staffing to 13 out of 28 career members. Congratulations, Patrick.

As always, I need to thank the fire department members for their hard work and dedication to the department's mission and community, Town Manager Russell Dean, and the members of the Board of Selectmen for their ongoing support of the Fire Department's Mission.

Brian Comeau
Chief of Department

DIVISION OF EMERGENCY MANAGEMENT

The Division of Emergency Management continued to improve our capabilities with training and exercises throughout the year. The Natural Hazard Mitigation Plan and Radiological Emergency Response (REP) for Nuclear Facilities Plan were updated in 2013 and received approval from FEMA in 2014. The Town of Exeter, Emergency Operations Plan is on the schedule to be reviewed in 2015 and a committee will be established to review and make recommendations to our existing plan, which will then be forwarded to the New Hampshire Department of Homeland Security and Emergency Management and FEMA for approval.

The Town of Exeter finally had a year without any major natural disasters. An early season snow and ice storm over Thanksgiving interrupted some dinner plans as Unitil, our electric utility provider, worked hard to restore power to many neighborhoods due to the heavy wet snow taking down trees and limbs over the power lines. For many, the electricity was restored quickly. Each year, we still see an occasional thunderstorm in the summer or a snow and ice storm, but in general this past year was quiet as far as the need for an emergency management response.

During this down time, the Emergency Management Director and Deputy Director, took advantage by acquiring over 450 hours of training in incident command and community response and preparedness throughout the year, much of this training was grant funded or at no cost to the attendees or the Town of Exeter.

During the late summer and fall, the Town of Exeter and all towns within the Seabrook Nuclear Power Station evacuation zone, participated in three exercises required by State and Federal regulators. Two practice exercises were conducted in August and October, with a graded exercise in November. The Town of Exeter Emergency Operations Center was opened and staffed to provide all responsible positions a chance to participate in real life situations and experiences. Personnel from the Town of Exeter were evaluated on preparation and response, and performed very well, in fact for the first time ever the entire 17 communities that make up the Emergency Planning Zone (EPZ) did not receive any recommended corrective actions from the FEMA or State of New Hampshire evaluators.

Everyone at the Exeter Fire Department and the Division of Emergency Management would like to thank all town departments and most importantly the residents of Exeter. It's your commitment to safety, and use of good common sense that has allowed us to provide the best quality service, in the most cost efficient manner. Your continued support and vigilance will be necessary for the Town of Exeter to remain prepared to meet future emergency management challenges.

Sincerely,

Eric Wilking
Assistant Fire Chief
Deputy Emergency Management Director

HEALTH DEPARTMENT

The departments' complete environmental and public health related activities are available in the Exeter Fire Department Consolidated Report. For information on current environmental issues, public health issues and links to other health agencies visit the Health Department's website at www.exeternh.gov.

Presently, there are 92 licensed food service facilities. There were 4 new facility licenses issued; all with plan review. 6 facilities closed and reopened with new owners. 4 facilities closed. 11 temporary licenses were issued for various occasions. The American Independence Festival was issued 6 temporary food licenses; the October Fall Festival was issued 8 temporary licenses and the Chili Event was issued 21 temporary food licenses.

The department received 13 nuisance complaints. Complaints varied from landlord tenant issues, to indoor air quality, hoarding, sewer and water complaints from mobile home parks to trash and dumpster complaints. 8 food service complaints were received; mostly concerning "unsanitary" conditions of hood systems and poor food handling. One complaint was investigated through the USDA as an unapproved source of a meat product, which was discovered during a routine facility inspection.

The 2014 Mosquito Surveillance and Response Plan was contracted with Municipal Pest Management. Catch basin larval surveillance was conducted from May 12 through Sept. 1, 2014. Adult mosquito surveillance was from June 3 through Sept. 30, 2014. The NH State Lab began testing July 1. All the batches tested were negative for Eastern Equine Encephalitis and West Nile Virus. No mammalian or human EEE/WNV cases were identified in Exeter. One adulticide emergency barrier treatment was done at the beginning of Sept. The complete annual report may be obtained by contacting the Health department.

The Seacoast Public Health Region's Emergency Preparedness Team participated in a functional exercise that tested the region's ability to set up low flow oxygen units. The ability to provide supplemental oxygen is a critical component of managing patient care during a mass casualty event or an influenza pandemic. Healthcare partners and oxygen suppliers participated in the day-long exercise.

The Seacoast Medical Resource Corps volunteers responded to opening a shelter for a Brentwood neighborhood evacuation during the tragic home event in May. They also assisted at the Memorial Service for the fallen Police Officer Steve Arkell.

In March, the Select Board and the Town Manager agreed to a infrastructural change within the Health Department. Ken Berkenbush, Assistant Fire Chief and Health Officer, resigned his position as Health Officer. Judy Jervis, Deputy Health Officer, became the full-time Health Officer, the change became effective in July.

If you have questions, concerns, or complaints concerning environmental or public health issues, please call 773-6132 or email jjervis@exeternh.gov. For information regarding the Seacoast Public Health Region, please contact Mary Cook at mcook@exeternh.gov or visit the website www.seacoastphr.org.

Judy Jervis, Health Officer

Mary Cook, Public Health and Safety Coordinator

HUMAN SERVICES

As a welfare official, I oversee general assistance applicants to make certain that they are using all available alternative sources of assistance, and that they are moving forward in an effort to become self sufficient and regain control in their lives. The Human Service Department provides vouchers for temporary assistance to qualified individuals and families for basic living needs such as shelter, utilities, and medical needs in compliance with New Hampshire R.S.A. 165. Our goal is to provide individuals with information and access to local, state, and federal resources to assist those in financial crisis, on a temporary or ongoing long-term basis.

The town contributes financially through the operating budget to social service agencies in the local area, which provides valuable and financial help to our residents. On the Town's website, under Human Services, you can view a list of social service agencies, local, state, and federal programs that serve the Exeter area. I also added an application for assistance that can be downloaded for easier access. The cover page describes all the documents and information that needs to be provided at the time of your appointment.

This past year, I have been utilizing the recently formed program called the Greater Seacoast Coordinated Access Program, which provides for homeless prevention and diversion services, as well as shelter referrals to individuals and families in our area for those who are homeless or at risk of becoming homeless. When someone becomes homeless, needs a shelter, is facing an eviction, or at risk of becoming homeless, I no longer have to spend a significant amount of time seeking shelter or a place for them to go. If you need shelter, facing and eviction, or if you don't have a safe place to stay, please call 603-516-8143 for a referral.

Along with my clients utilizing the food pantry 5 days a week at St Vincent De Paul Community Center they offer several significant daily resource programs that are available. Mondays: Homeless individuals - a representative from Homeless Outreach provided by Rockingham Community Action. Tuesdays: Free Income Tax preparation from (VITA) Volunteer Income Tax Assistance (by appointment only). Wednesdays: Limited Medical care -Families First Medical unit/van equipped with their medical team. Thursdays: a Representative from Rockingham Community Action doing fuel assistance, weatherization, and electrical assistance applications. Fridays: Dental assistance on a first come first serve basis. Their Dental Van Unit is in conjunction with Families First Dental Staff. On the 1st & 3rd Friday of the month a representative from NH EMPLOYMENT Security is available. In addition, they have job postings updated weekly and access to a computer along with many other resources available to individuals and families in need or crisis. You can call 772-9922 for times, availability, and appointments.

The town assisted approximately 51 residents/families financially with vouchers for rent, electric, fuel, medication, food, burial expenses for a total of \$15,994.24 this year. This does not include the assistance given by local and private contributions that have helped with electric bills and heating fuel.

Human Services is open Monday – Friday 8:30 a.m. to 1:30 p.m. Residents in need of assistance can reach me at 773-6116 to make an appointment, if I am unavailable leave a message on my voice mail.

Once again, considerable recognition goes out to all the support from the local churches, community organizations, and private citizens that contribute to the population of those in need during their difficult times. At this time, I also would like to express thanks to the Board of Selectmen, our Town Manager, fellow Department Managers, and all other town Employees for your cooperation and support during this past year.

Respectfully Submitted,

Sue Benoit
Human Service Administrator

LIBRARY

Vision

The Exeter Public Library vision is to be the informational hub for the Exeter area, a vital institution that attracts and stimulates a vibrant community.

Mission

The Exeter Public library's mission is to promote a literate, enlightened citizenship by providing equal access to a range of media, services and programs to meet the informational and recreational needs of the community, and to encourage the discovery and evaluation of ideas and information, especially recognizing the library's responsibility as a place for children to discover the joy of reading.

Exeter established its first public library in 1853 in the office of the librarian, Dr. Franklin Lane, editor of the Exeter Newsletter. In 1856, the collection was moved to a 2nd floor room in the old Town House on Court Street, the present site of the Senior Citizen's Center. The library was open two days a week, one day for women and one day for men.

In 1894, a new library was built at 47 Front Street, the current home of the Exeter Historical Society. It was designed like a Carnegie library but on a smaller scale with a central rotunda and reading rooms on either side. It was built as a memorial to the 300 Exeter area men who served in the Civil War.

By the 1960s, the library was clearly too small and a new building was finally built and completed in 1987.

The current library building is 12,000 square feet in size and soon will be 30 years old. The heating and air conditioning systems are old and require constant care and are not energy efficient.

In 2010 a group of residents, trustees and staff developed the 2011-2021 strategic plan. In response to that plan the decision was made that renovation and repurposing the library was necessary to bring the library, the most popular place in town, into the future in order to continue to provide the best library service possible.

Another result of the 2011-2021 plan was the formation of a second committee composed of Exeter residents, library trustees, and staff to consider Exeter residents future library needs. The group weighed the pros and cons of the current building as they relate to how differently libraries are used now from how they were used in the 80's and the exceptional services Exeter residents expect.

The committee decided that there is a need for more meeting space for large groups, more small sturdy rooms and more space for children's services. In addition they concluded that the heat and air conditioning needed updating to more energy efficient models to be save energy, money and be as "green" as possible.

Now we have arrived at the next step, a very exciting step, developing a design that incorporates all the community needs identified by Exeter residents.

Sincerely,

Hope Godino, Library Director

Chief Kane judging the Library's Annual Stuffed Pet Show

PARKS AND RECREATION

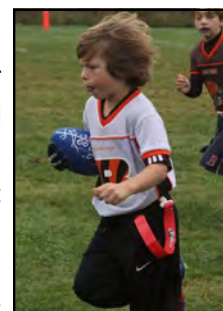

After two years of programmatic changes (summer camp, soccer, baseball and swim lessons) as well as facility upgrades such as pool filter replacement, pool deck expansion and Planet Playground repairs; 2014 was a year of maintaining what worked for us. Look to 2015 for a number of new projects. We plan to give the entryway around the pool and tennis courts a much needed “refresh”; the pool will be repainted this spring as will the bathhouse exterior; Kids Park playground will undergo a cosmetic facelift as will some of the ball fields at the Rec Park. You can expect our programming however to remain pretty much similar to last year.

There were some issues with funding of the Concert Series this past year but in the end it was all straightened out. We are planning a bigger and better series this summer. Details will be in our spring/summer brochure out in early 2015.

We contracted with UNH this fall to do a program and facility needs study. It was supplemented by an online survey that was conducted in the summer. We expect results to be in around mid-January and it will be the road map for updating the Master Plan and planning the department’s future.

The Powder Keg Brew and Chili Fest at Swasey Parkway, an event sponsored by our department and the Exeter Area Chamber of Commerce, was held for the 3rd year and although it rained, we had a great crowd. The Powder Keg has become one of the premier events of its kind in the area. We have lowered the price for 2015 and expect another great event. Hope to see you there.

No report would be complete without a huge thanks to our volunteer coaches. The youth programs are totally dependent on the volunteers who coach the teams. If your child participates in these programs, please think about volunteering. Also we cannot forget the many people and groups that adopt our gardens and traffic islands. We have some high visibility spots for adoption this year too.

All of us at the Parks and Recreation Department look forward to serving you in 2015.

Michael Favreau, Director

Jim Mahoney, Laborer

Greg Bisson, Assistant Director

Jay Perkins Jr., Laborer

Dan Conrad, Program Coordinator

Nancy Bugbee, Office Assistant

PLANNING DEPARTMENT

Planning Department had another great year, reviewing projects, working with multiple committees and making headway on several great projects.

Local Development: Planning and building staff were privileged to participate in many discussions with business and property owners regarding development potential of several parcels throughout Exeter. We continue to assist development teams with their projects from land review, site analysis, regulation review, and development potential. The planning office received many new applications in 2014: including multi-family projects on the old concrete plant parcel; in the Franklin St. area; at the vacant lot at 27 Chestnut off Charron Circle behind Walgreens; continued projects at Exeter Hospital; PEA and Lincoln Street Schools; and non-residential projects including Great Bay Kids.

The Portsmouth Ave. Flexible Zoning Initiative: The committee started off the year with a revealing tour of the corridor during a mid-January thaw. Participants provided ample feedback, which guided the direction of the Committee. A web-based survey was developed for additional feedback while the Committee continued their review of various communities considering or having implemented flexible zoning in some way. The Committee finally focused in on all the good work Laconia was doing and decided to use their example as a foundation for a proposed flexible zoning option along Portsmouth Ave. A zoning incentive to utilize this option was developed as were guidelines. The committee will continue its good work into 2015.

Climate Adaptation Planning with UNH and others: The team continued its outreach efforts to stakeholders, staff, and officials. A peer review of the model resulted in modifications. Although this set back the project completion 10 months, we all are anticipating the outcome.

NHDOT TE Grant, Welcome Center (Baggage Building) Project: After the engineering study was completed by DuBois & King, the Committee agreed, the overwhelming costs, especially attributed to the grant process itself, made the project economically unfeasible. The committee suggested that the project take a new direction, so stay tuned.

WISE, or Water Integration for Squamscott-Exeter Watersheds: This collaborative effort, which unites multiple agencies with multiple towns in an effort to meet the new, more stringent, wastewater and storm water permit requirements of the state and to improve water quality in the Squamscott River and Great Bay continued through 2014 and even 2015. New reporting methods are being developed by the group in hopes the town may stay in compliance with state regulations.

As the reader can see, the Planning Department is involved in quite the variety of projects and committees. As always, I thank the Planning and Building staff as well as the many dedicated volunteers that give their time to Exeter's land use committees. We recognize that many of these folks are well into their second decade of volunteering. Our departments could not do all that we do without their dedicated help. Thank you all!

Respectfully Submitted,

Sylvia von Aulock
Town Planner

It is with great pride that I present the 2014 annual report for the Exeter Police Department, a year where Exeter was voted the Safest Town in the State. There are many other wonderful communities in the State of New Hampshire that share this reputation, which is largely a result of the efforts from the men and woman sworn to protect the quality of life in all NH communities. The members of the Exeter Police Department were proud to receive this award as it validates their efforts and dedication to the town. We also know that Exeter is a great place to live because of the efforts of all our public service employees, we are a part of a great team. I would like to thank all our town departments for their efforts in making Exeter such a nice place to live. As I said when we received the award, this voting validates what we do as a police department. We're addressing the right problems and we take our residents quality of life very seriously. The department was also the co-recipient of the NH safe school award for our work with SAU 16 to provide a safe school environment. It is an important part of our mission statement that people can live and work in a safe environment.

The Exeter Police Department handled 25,728 calls for service this past year, an increase of approximately 450 calls for service. These calls for service are received by members of our Communications Center who have the unique function of dispatching for both the Police and Fire Department. In addition to these calls, dispatchers are charged with the data entry of the 10,757 motor vehicle stops conducted by the Patrol Division. These stops lead to 63 arrests for DWI and 55 arrests for transporting drugs. This number of motor vehicle stops is an increase of 1,048 over 2013. It is our philosophy that motor vehicle work reduces and deters crime. In addition to motor vehicle enforcement, we have added a portable, solar powered, digital speed limit sign to educate motorists as to how fast they are travelling in excess of the posted speed limit. This has been a very valuable asset for the town.

In 2014 the seacoast witnessed an unfortunate rise in violent critical incidents last year which required multiple agencies to respond to neighboring towns. The death of Officer Steven Arkell in our neighboring town of Brentwood, a major case in South Hampton with an armed subject as well as other responses can overwhelm and exhaust our collective resources. One of our department goals is to train every officer in Incident Command. In 2014 members of the Exeter Police Department attended 1,933 hours of training in 2015 we will focus on multi levels of Incident Command.

Our Criminal Investigation Division comprised of four detectives and one detective sergeant, continue with their successes. This division concentrates on felony level types of cases that require in depth investigation. Some cases they were crucial in solving include an armed robbery at the Xtra-Mart convenient store, a residential arson, and a burglary at Dot's Flower Shop. Our narcotics detective wrapped up the year with a drug sales/firearms violations investigation that lead to multiple search/arrest warrants served on Franklin Street. This case required the assistance of the Seacoast Emergency Response Team. Heroin has become a very big concern in NH and we are no different in Exeter. In 2014 the department investigated fourteen cases involving heroin overdoses, one of which led to a death.

The Drug Take Back program has seen its first full year of results with a total of 223 pounds of narcotics turned over in 2014, a total intake of 338 pounds since the box was installed in the complex lobby in May of 2013. I thank those who have taken the time to dispose of these narcotics ensuring they are properly destroyed.

I would like to thank Town Manager Russ Dean, the Selectmen and other department heads for their continued support. I look forward to serving the town in 2015 and my continued work with the other town departments.

Respectfully,

Chief Richard Kane

## PUBLIC WORKS

Rebuilding Gilman Street pedestrian bridge over Little River (photo by Cynthia Tokos)

The Department of Public Works is charged with the operation and maintenance of Town owned facilities, including drinking water and wastewater treatment plants, drinking water distribution system (including mains, storage tanks and pumps), sewer collection system (including mains and pumping stations), stormwater collection system, public buildings, vehicle and equipment fleet, and the network of Town roads, signs, bridges, and dams. In addition to the essential routine maintenance that is conducted to keep Town facilities in good condition, the following projects in 2014 warrant mention.

Construction of the Lary Lane groundwater treatment plant and associated pipeline commenced in June. D&C Construction was awarded the pipeline work and Apex Construction was awarded the treatment plant project. The new facility will produce drinking water by fall of 2015. Construction of sewer main and water services on the southern end of Portsmouth Avenue was completed by J.A. Polito by summer.

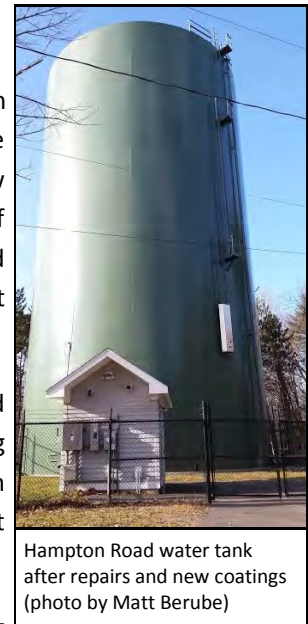

The 1 million gallon Hampton Road steel water storage tank interior and exterior was rehabilitated, blasted, and coated. The tank was built in 1958 and the coatings were almost 20 years old. A new mixer was installed to improve water quality in the tank. The Town has contracted with Utility Service Company to maintain the tank going forward.

The second year of the water meter replacement project was completed by the Water Department team on-time and under budget. This investment in new, accurate meters with the ability to record usage history, will provide ratepayers with fair and equitable billing and useful information to better understand their water usage patterns and potential for conservation.

The Wastewater Facilities Plan effort was lead by Wright-Pierce Engineers with assistance from Town staff. The draft plan was presented at a joint meeting of the Board of Selectmen and the Water/Sewer Advisory Committee in November. Review and comments are due in January 2015 to allow completion of the plan, selection of the design alternative and commence final design. The Administrative Order issued by USEPA to the Town requires construction of the new wastewater treatment facility to commence by June of 2016 and be complete by June 2018.

Design and permitting of two new concrete bridges to replace the undersized and eroded culverts at Little River on Linden Street and Court Street is nearing completion by CMA Engineers. Pending approval at 2015 Town Meeting, the Linden Street Bridge will go out to bid and be constructed in 2015 and the Court Street Bridge will be constructed in 2016.

Removal of Great Dam was authorized at Town Meeting in 2014. The Engineering Team with the assistance of VHB Engineering and state agency personnel pursued multiple funding opportunities to augment Town approved funds. VHB is completing the design and permitting of dam removal; removal could start later in 2015, pending permit approvals.

Hampton Road water tank after repairs and new coatings (photo by Matt Berube)

## PUBLIC WORKS (CONTINUED)

Retrofitting traffic signals on Portsmouth Avenue (photo by Jay Perkins)

The Engineering Division team, with assistance from Highway, developed a sidewalk management plan which is a multi-year capital improvement program. Through discussions with the Board of Selectmen, a project has been proposed for the downtown area in 2015 that will include new granite curb, concrete sidewalks, improved pedestrian crossings, and stormwater treatment.

The Highway Team rebuilt the popular pedestrian bridge between Gilman Street and Gilman Park which had been closed for several months due to poor condition. The Town only had to

pay for an abbreviated structural review and material costs, as we were able to utilize our skilled employees to complete the bridge work.

The following roads were paved: Jady Hill Ave., Jady Hill Cir., Bonnie Dr., Haven Ln., Bittersweet Ln., Woodlawn Cir., Hall Ct., Hall Pl., Green Hill Rd., Douglass Way, Glennerin Ln., Webster Ave., Ridgecrest Dr., Chestnut St., Pleasant St., Pumpkin Cir., Country Ln., Shady Ln., Meadow Ln., Stoney Water Rd., Carroll St., Charter St., Sanborn St., Myrtle St., Vine St. and Wayside Drive. High St, from Great Bridge to Portsmouth Ave., was reconstructed along with new granite curb and concrete sidewalks.

I thank all Public Works employees for their hard work and dedication to provide essential, quality services to the community. I also thank the citizens of Exeter for their support and understanding during our brief but intense construction season. I also thank the other Town departments and employees, Town Manager and Board of Selectmen for their guidance, support and assistance throughout the year.

### INTERESTED IN SERVING ON A BOARD OR COMMITTEE?

The Town of Exeter thrives on volunteerism. The Town has several Boards, Committees, and Commissions and is always looking to maintain a strong list of capable volunteers.

If you are interested in serving on the Budget Recommendations Committee, you will need to be elected at our March Town Meeting. You must contact the Board of Selectmen during the year, prior to the Deliberative Session, to add your name to the "Slate of Officers".

For other Boards and Committees: Arts Committee, Cable TV Advisory Committee, Conservation Commission, Council on Aging, Economic Development Commission, Heritage Commission, Historic District Commission, Housing Authority, Planning Board, Water & Sewer Advisory Committee, Zoning Board of Adjustment; complete the volunteer application on our website at <http://exeternh.gov/bcc/volunteer-appointment> and forward it to the Board of Selectmen.

Thank you for volunteering!

## ARTS COMMITTEE

*The Exeter Arts Committee's mission is to encourage, support and promote the arts in Exeter and surrounding towns. The Committee is appointed by the Board of Selectmen and consists of nine citizen members (six of whom must be residents of Exeter) and one representative from the Board of Selectmen. With the exception of the Selectmen's Representative, Committee members serve staggered three-year terms. The Committee meets in the Gallery, once a month on the FOURTH Thursday.*

The Exeter Arts Committee continues its stewardship of the historic Town Hall Gallery in the old Town Hall and it provides collaborating opportunities in the gallery's workroom. Continued improvement of the gallery space is one of our major goals, as well is optimizing its use.

### A chronological history of the activities and shows at the Town Hall Gallery

**January and February 2014:** Independent of the Committee, itself, the Gallery was used for a wonderful show of photographic works, mounted by the NEW HAMPSHIRE SOCIETY OF PHOTOGRAPHIC ARTISTS. The Society borrows the space free-of-charge. They have a great show, and they make superb use of the space. Their show typically continues into February. They are very respectful and appreciative of the gallery space.

**February 2014:** "Rockingham County Department of Corrections Show" This year, for the first time, the EAC partnered with RCDC to host an event showcasing the work that inmates at the Brentwood facility created on their own and through a therapeutic arts program. The show ran for two weeks in February, and featured work created with any materials the inmates had access to, including envelopes, bits of blanket, magazines and newspapers, and the tops to juice and yogurt containers. Additionally, RCDC presented statements from and information about the artists to help put into perspective their unique experiences and the meaning of their art. This show was well received and particularly poignant. The EAC and RCDC hope to partner again for another show, if not in 2015 than in 2016.

**March into April 2014:** The EAC sponsors a YOUTH ART MONTH which completely fills the gallery with artwork from students from Kindergarten through Twelfth grade. In the past, 12 area public, private and charter schools shared artwork selected by their art teachers. Wonderful energy for this show is generated by visits from classes from the participating schools, which are used as educational experiences. It is a great joy to watch the students show off their works to fellow students, teachers, and their families. Attendance at this show is usually among the highest of the year. We hope to have more experiences like this in the future!

**April 2014:** Seacoast Artists Association presented their photographs. This is always a wonderful show which includes workshops in the back room with the latest and greatest techniques. John Hauschildt spearheads this show each year.

**May 2014:** Every year, EAC presents the SPRING SHOW, with a theme of renewal and regeneration. This show is focused on spring, with works featuring flowers and environmental themes. This show often continues into May, and is frequently a good source for Mother's Day gifts!

**June 2014:** Open Studio has long been sponsored by the EAC; all local artists who wish to come create with a supportive group are invited to come to the Gallery's backroom every Friday morning during the academic year from 9:30 until 12 noon. Generally about 6 to 10 local artists participate on any given Friday. The group mounted its yearly show for three weeks in June to great success.

## ARTS COMMITTEE (CONTINUED)

**July 2014:** To coincide with the Revolutionary War Days the Gallery hosted a show all about Exeter. We would like to make this an annual event for this celebration.

**August 2014:** August is the EAC vacation from the arts as the heat on the dog days of summer does not bode well for public viewings.

**September 2014:** Abstract Show was a wonderful new addition to our line-up. Many viewers from all over participated in the viewing of the show with positive comments.

**October 2014:** October brings our Fall Show. Everything is harvest and autumn related. Many colors used - orange, brown, gold and maroon. A lovely show that is always well attended.

**November 2014:** Scott Ruffner joined our committee and did not let his feet touch the ground. Scott and Jane (Vice-Chair of the Committee) partnered to bring us "Reflections". What a wonderful new addition to our line-up.

**December 2014:** Historically our most active show, the Holiday show joyfully begins the same day as the Festival of Trees. This year's show was bursting at the seams with many new artists participation.

In addition to these recurring shows, we also are entrusted with supplying **art for the walls of the current Town Hall**, across the street from the Gallery. We hold a so-called Lottery Day three times a year (every four months) to change the displays of local artworks...all original photos, watercolors, oils and pastels. From the Nowak Room, down through the hallways and stairs, our local artists get a chance to share their work with the town.

We, all the members and friends of the Exeter Arts Committee, are very honored and proud to be part of such a cooperative, enthusiastic committee and to participate in such a positive endeavor!!

Current members of the Committee include:

Kathy Lewis Thompson, Chair	Marissa Vitolo, Web updates
Jane Kiernan, Vice-Chair	Francesca Fay
Karen Desrosiers, Treasurer	Scott Ruffner
Karen Noonan, Scribe	Dan Chartrand, BOS Representative

Please do visit our website, check our calendar often and enjoy the great photos!!

Appreciatively,

Kathy Lewis Thompson, Chair

On behalf of

Exeter Arts Committee

# CONSERVATION COMMISSION

## Highlights

2014 was another exciting year for the Exeter Conservation Commission. Pete Richardson, Ginny Raub, and Mike and Cynthia Field started the year off hosting public walks and information sessions about the Dam Removal Feasibility Study results to help ensure residents had all the facts available to them for the vote on Great Dam removal in March. In early April, Carlos Guindon hosted our annual Woodcock Walk at Raynes Farm, waiting silently as the sunset to catch a glimpse of the unique mating flight of the American woodcock. Near Arbor Day the Commission helped to recognize Peter

Waltz for his continued dedication to our youth through the Spring Tree Program. Peter provides sapling trees to local school children and teaches them the importance of trees and how to care for them. It's always exciting to see photos of these kids years later, standing next to their full grown trees! In early June to celebrate National Trails Day, we hosted an early morning bird walk followed by a wildlife guided walk lead by Carlos Guindon and naturalist David O'Hearn.

This summer marked the third year in a row that we were able to hire two interns. Mercedes Valdez and Duncan Nelson split their time between conducting conservation land inspections and trail work. Under the supervision of Bob Kelly they repaired/replaced several bridges and moved a section of trail out of sensitive areas to help ensure the ever growing popularity of the town forest trails creates as little impact to the natural environment as possible. Through the trail committee chaired by Jay Gregoire, Bob Kelly and Jim Clark continued to repair numerous additional bridges throughout the town forests. We are indebted to them for their tireless efforts to organize volunteers, haul heavy material and tools deep into the woods and maintain the structures that help us access the wood's inner beauty.

In an effort to engage our young residents with the natural world, Alyson Eberhardt led an effort to develop a Trail Passport program. This program includes a booklet of several short trails leading to a trail rubbing post. At the post, kids can use a pencil to rub a "stamp" in their trail passport. When stamps for 3 sites are collected, they can stop by the Planning Department for a prize. This project gives kids the map reading and orientation skills essential to outdoor enthusiasts!

With support of town voters, the Commission was able to fund the replacement of the Raynes Barn roof. Under the leadership of Don Briselden and with fresh ideas from new Stewardship Committee member Ben Anderson we continue to explore ways to share this amazing historic building and active agricultural property with residents.

By far our most exciting and rewarding effort this year was the acquisition of the almost 40-acre Elliott property. Facilitated by Duane Hyde of the Exeter-based Southeast Land Trust, this so-named "Growing Oaklands" project involved coordinating the acquisition of federal grant funds, application of conservation funds, private donations and voter-supported bond money to make it happen. Through this process, the federal grant money also funded the clean-up of the remaining farm debris from this land's former days as the Cronin Pig Farm. The clean-up was lead by Brooke Smart of the Natural Resource Conservation Service and required the use of a helicopter for removing the larger debris so as not to impact the sensitive wetlands onsite - an exciting effort to watch for sure!

We thank our many partners, those mentioned and the many others that we couldn't possibly fit into this short summary. We look forward to 2015 and the wonderful ways we can all connect through our natural environment to help keep Exeter such a lovely place to live. Don't forget to LIKE us on Facebook to keep in touch!

# EXETER-SQUAMSCOTT RIVER LOCAL ADVISORY COMMITTEE

The Exeter-Squamscott River Local Advisory Committee (ESRLAC) is comprised of dedicated volunteers representing the twelve communities in the Exeter-Squamscott River watershed: Chester, Raymond, Fremont, Sandown, Danville, Kingston, East Kingston, Brentwood, Kensington, Exeter, Stratham and Newfields. The Exeter-Squamscott River is one river with two names, reflecting the fresh water (Exeter River) and salt water (Squamscott River) portions of this major tributary to Great Bay.

ESRLAC celebrated its 18th year of stewardship of the river and its watershed in 2014. The year was marked by several activities, including on-going discussions with municipalities and state and federal agencies about water quality in the river and its impact on water quality in Great Bay, the review of development proposals along the river corridor, and participation in demonstration projects related to stormwater management. ESRLAC members are very active in their communities, educating residents about water quality, wildlife habitat, and recreational opportunities.

The Exeter-Squamscott River is enrolled in the New Hampshire Rivers Management and Protection Program, a unique partnership between state and local governments and local citizens designed to promote and protect the river's outstanding natural and cultural resources. ESRLAC seeks members from all communities in the watershed. Please call the Rockingham Planning Commission at 603-778-0885 for more info.

# HERITAGE COMMISSION

The purpose of a Heritage Commission is to offer a valuable means for the Town to manage, recognize, and protect historical and cultural resources. It is intended to have a town-wide scope and a range of activities geared to our needs and wants. Basically, the Heritage Commission does for historical resources what a conservation commission does for natural resources: it advises and assists other local boards and commissions; conducts inventories; educates the public on matters relating to historic preservation; provides information on historical resources; and serves as a resource for revitalization efforts.

In 2014, the Heritage Commission conducted several different efforts toward recognition of Exeter's heritage. One area recommended for more detailed documentation is River/Bow/Franklin Street neighborhood. The Commission received another grant and commissioned a preservation planner to do the survey of the area. We know the area was developed for carriage making and mill tenements but we haven't documented where each establishment was (or is) and the trail of ownerships. We also know there was a tavern, church and ice house in the neighborhood, but now we need to document where they were and if the buildings still exist as some people think they do. Next year we'll be able to tell you.

One of the responsibilities of the Heritage Commission is to review any building aged 50 years or more if it is proposed to be demolished or partially demolished. The Commission makes a recommendation for preserving a building if it has associations with prominent citizens, historical significance in its place in Town, uniqueness or exemplar architectural style or details. The Commission then makes a decision on the significance of the property for the owner and a recommendation that the building should be preserved or that it is not a loss to the Town's Heritage. These decisions are advisory only, so the property owner is not prohibited from moving forward with their planned demolition. 2014 was not as busy a year for the Commission as in 2013. Three properties were proposed for demolition and were reviewed under the duties of the Commission.

- 196 High Street was a little different in that the owner only wanted to demolish a piece connecting the main house to its barn. The owner spent a lot of time moving the barn closer to the street while the small demolition went and then moved the barn back behind the house. It was an ambitious project and well done, keeping one of the few "in-town" barns remaining.
- 74 Epping Road – Making way for the Great Bay Kids, this is the last home of Dot's Flower Shop.
- 2 - 8 Charron Circle – This multifamily house is reported to have been moved to the location from Epping Road, but further research is necessary to record this.

The Heritage Commission accomplished a historical survey of the Franklin, River, Clifford and Bow Streets area through a \$15,000 grant from the New Hampshire Division of Historical Resources. Our consultant gathered information on: the ages of the buildings in the neighborhood; the trail of ownership of many of the buildings; architectural details that are representative in the area and the history of

Photo by Sue Lowther.

# HERITAGE COMMISSION

over time. For example, the Long Block was originally built as a tenement for folks who worked at the Exeter Mills. There was a carriage factory and the carriages were painted in the area. There were also a few churches, one where Blue Moon Evolution currently resides; an ice house and two-family, low rent housing for factory workers. Research found that German, Polish and English immigrants settled in the area before moving on to more spacious lots in other parts of town. Of course as is common in Exeter, homes were moved into and out of the area. This report, or Historical Survey, can be found at the Library. NH DHR recognizes the area as a district that exemplifies both evidence of Exeter's industrial and European settlement history. A copy of the report can be found at the Library.

The Commission also worked with the Daughters of the American Revolution on their project, Wreaths across America. This program provides Christmas wreaths to place on the graves of Revolutionary war veterans. This year, the ceremony took place at the Winter Street Cemetery where more than 15 graves of Revolutionary War veterans are located.

In 2015, the Heritage Commission will be working with the Historic District Commission and Exeter Historical Society with a grant award of \$13,000 to bring several public programs about the history of the Town, how to appreciate and how take care of it. Watch the Town website for future events!

2014 was a very successful year for the Heritage Commission and we're looking forward to 2015 and the history the year may bring.

Respectfully submitted,

Julie D. Gilman

Selectboard representative to the Heritage Commission

## PLANNING BOARD

The Exeter Planning Board serves an important role in shaping the look, feel, and quality of our community. The Board has the responsibility to review applications for land development for conformance to the Town's Zoning Bylaw, Site Plan, and Subdivision Regulations. The Board is also responsible for reviewing the Capital Improvement Plan prior to submission to the Board of Selectmen and proposing Zoning Amendments for the Town Warrant. Our dedicated members serve as Planning Board Representatives on several other advisory and regulatory boards in town. Pete Cameron serves as the representative to the Historic District Commission, Gwen English, Katherine Woolhouse and Lang Plumer represent the town at the Rockingham County Planning Commission, Kathy Corson represents the board at the Economic Development Commission and Kelly Bergeron is the representative to the Heritage Commission. I would like to thank them for generously donating their time, energy, and experience to improving the Town of Exeter.

In 2014, the Planning Board reviewed a diverse array of projects from residential lot line adjustments, commercial developments, to utility infrastructure upgrades. A number of prominent properties in town, including Franklin Street, 2 Hampton Road, 27 Chestnut Street, 29 Front Street and Great Bay Kids Company at 74 Epping Road were approved for redevelopment. It was exciting to see these properties targeted for revitalization and hopefully their proponent's vision comes to fruition.

The Planning Board welcomed Aaron Brown as a new alternate member and we are always looking for volunteers willing to dedicate their time and passion for improving Exeter. The Board is supported by the staff of the Planning Department and would like to express our appreciation for their many contributions this year.

Respectfully submitted,

Kenneth Knowles, Chairman

## RIVER STUDY COMMITTEE

With the completion of the Great Dam Removal Feasibility and Impact Study in October 2013 and the subsequent passage of Article 8 on the Town Warrant in March 2014, the Town has decided to pursue the removal of the Great Dam and restore the Exeter River bed at the dam site.

The Town has retained Vanasse Hagen Brustlin, Inc. (VHB) to assist in the design and permitting of the project. VHB anticipates submitting design plans and permitting applications to the NH Department of Environmental Services (DES) and the Army Corps of Engineers in early 2015.

The Great Dam is located within the Exeter Waterfront Commercial Historic District, which was originally listed in the National Register of Historic Places in 1980, with a boundary increase that added the former Exeter Manufacturing Company property in 1986. The dam has been determined eligible as a contributing resource to this district. Thus, its removal would represent an impact to a historic structure in downtown Exeter. Therefore, a process is underway for complying with Section 106 of the National Historic Preservation Act, including additional survey efforts, completion of the Determination of Effect, and development of an appropriate set of mitigation measures in preparation for a Memorandum of Agreement (MOA). The Board of Selectmen has set up of a committee, reporting through the River Committee, to provide the Town's contribution to the MOA. This committee consists of individuals from the Town's four consulting parties (the Exeter Heritage Commission, the Exeter Historic District Commission, the Exeter Historical Society, and the Exeter River Committee). Its chairman is William Jordan.

The role of the River Study Committee, relative to the Great Dam, now is to oversee the project and the subsequent restoration of the Exeter River. The Committee members are: Lionel Ingram, Chair, Peter Richardson, Vice Chair, Roger Wakeman (PEA Rep. Ex-Officio), Frank Patterson, Kristen Murphy (Natural Resource Planner Ex-Officio), Rod Bourdon, Paul Vlasich (DPW Rep. Ex-Officio), Ginny Raub (Conservation Commission Rep. Ex-Officio), Richard Huber, Don Clement (BOS Rep.), and Dr. Mimi Larsen Becker.

Respectfully submitted,

Lionel Ingram, Chairman

## SWASEY PARKWAY TRUSTEES

Photo by Sue Lowther.

It was a busy year in 2014 at Swasey Parkway. Various projects were completed, along with weekly lawn maintenance that started in April and ended in late October.

The granite stone walls that serve as entrance points to the park, as well as other granite walls in the park, were in need of major repair due to deteriorating grout joints. The repairs were completed and will help protect these walls for the coming years. Also, several sections of damaged fencing along the river, by the pavilion, were replaced by the utility company.

The hosting of the weekly farmers market by the Seacoast Growers Association and the summer concert by the Exeter Parks and Recreation were very well attended this year. Large crowds also attended the free movie nights held in August and sponsored by the HERON Group, the American Independence Festival sponsored by the American Independence Museum, the Powder Keg Festival sponsored by Exeter Parks and Recreation and the Fall Festival sponsored by the Exeter Chamber of Commerce .

There are countless volunteer hours and material given to Swasey Parkway. The Trustees would like to give a special thanks to Mark Damsell, Nathan Damsell, Bjarni Brown, Pat Lowther, Bob Lowther, April Gallant, Rick Fay, Ralston Tree, Ellison's Greenhouse, Churchill Garden Center, Stratham Circle Nursery, John Dodge and Dodge Agway, Arjay True Value, the HERON Group, Exeter Area GFWC, the Town of Exeter and all the other individual volunteers and businesses that are constantly giving their time and services to Swasey Parkway and keeping it one of our most welcoming places in town.

Our deepest gratitude is given to the many visitors that take on the responsibility that makes Swasey Parkway a beautiful, clean and open space for all to enjoy.

Respectfully submitted.

Trustees:

Gerry Hamel  
Ruthanne Rogers  
Joseph Mikulsky

## LOCAL TRANSPORTATION COMMITTEE

During the past year , the Local Transportation Committee and Coast bus have looking at various options to continue Route 7 service. Several towns on the present route do not have sufficient ridership demand to warrant fully funding commuter and A.D.A. requests. Exeter, for its part, fully funds what Coast bus has requested. Each month the Route 7 bus sets new ridership records primarily due to more Exeter residents taking advantage of this affordable transportation alternative. For many handicapped residents, there are few options. For both students commuting to the campuses and workers commuting to their jobs at Pease Tradeport, the Route 7 bus has enabled them to continue their education and employment.

Some changes that are being discussed include cancelling the weekday mid-morning/afternoon commuter service, with a local Portsmouth Ave. shopper service once or twice a week. Another option would be a once-a-week trip with a different shopping destination each week. These ongoing discussions with Greenland, Stratham, Newmarket, Newington, Portsmouth, Granite State Community College and Pease Tradeport representatives are likely to continue through the early winter and into the summer before any changes are implemented.

In 2014, in Exeter, there were 3,113 passengers boarding and 276 A.D.A. rides provided.

The Rockingham Meals-on-Wheels Program, van rider program, and the T.A.S.C. volunteer-rides Program both have had increases in the number of Exeter residents served.

The Lamprey Healthcare A.D.A. van program and the Exeter Senior Taxi-Voucher program both continue to provide transportation for Exeter's senior or handicapped residents.

Don Woodward, Exeter Local Transportation Committee

## TRUSTEES OF ROBINSON FUND

The Robinson Fund is an Exeter charitable trust whose citizens elect its seven members. The funds were given to the Town in 1853 by the will of William Robinson, an Exeter native who attended Phillips Exeter Academy and for whose sister there existed no similar educational facility in the area. The will specified that the funds be for “the only and sole instruction of females...all other things being equal, always to give preference to the poor and the orphan.” In 1869 the newly-built Robinson Female Seminary opened its doors to females from the Exeter area.

From 1869 until 1955, Robinson Seminary was the only public school in Exeter to serve post-

elementary females (males attended the Tuck High School). In 1954 the School District passed a bond issue to build an addition to the Tuck School. The first co-educational class graduated from Exeter High School in 1956. A fire in 1961 destroyed the Seminary building. The Lincoln Street Elementary School and related playgrounds and league baseball fields now occupy the site.

Four of the current Robinson Fund Trustees attended the Seminary; two are graduates and two attended the Seminary but graduated from the then new co-educational Exeter High School.

In the 1990s, to avoid discrimination on the basis of gender, the Trustees petitioned the County Probate Court. In 1996 the court issued a decree that discontinued the existing income distributions and established a new Trust purpose: “...to create a fund to provide opportunities to enrich and enhance the educational experience of post-elementary age individuals within the area served by the Exeter Region Cooperative School District, through the development of programs, scholarships and grants.” Following this new decree Trustees awarded the first Robinson Fund Scholarships to graduating seniors of the Exeter Region Cooperative School District in June 1998.

In May of 2014 the Robinson Trustees awarded \$21,000 in college scholarships to three graduates of Exeter High School, each for \$7,000 a year, and \$42,750 in renewal scholarships for students in their sophomore, junior and senior years of college. Scholarship awards, given for up to four years, are based on financial need, grades and community participation. Recipients must maintain satisfactory grades throughout their college experience to continue receiving the scholarships.

As of December 31, 2014, the trust fund balance stood at \$1,897,990, a gain of \$131,913 compared to 2013. Miscellaneous expenses for the year were \$384.40. Total scholarship monies paid in 2014 were \$53,250.

Respectfully,

Harry Thayer, secretary

The Robinson Fund Trustees

Joanna Pellerin, president; Peter Smith, vice president; Patricia Qualter, treasurer; Barbara Gagne, Joan Smart and Judy Churchill.

## WATER SEWER ADVISORY COMMITTEE

The Town of Exeter's *Water and Sewer Advisory Committee* is a volunteer committee of town residents providing technical and financial input to the Board of Selectmen and the Department of Public Works (DPW) on facility and infrastructure capital projects, annual budgeting, and long term management approach. In 2014, we continued planning and implementation of upgrades to aged infrastructure and facilities in an effort to provide quality services to residents and businesses for the next 20-25 years.

Water system and facility improvement construction projects at the Portsmouth Avenue treatment plant and town pipelines were implemented to extend the life and capabilities of the supply operation. The Committee assisted the DPW and the town's technical consultants in cost effectively allocating funds towards upgrading old equipment and piping and rehabilitating the filtering and backwash systems. Plant operator Paul Roy and his staff were instrumental in assisting and directing these efforts.

In addition, the town broke ground on a new Groundwater Treatment Plant this summer on Lary Lane. This project, slated to go on line in the fall of 2015, will provide an alternative water source to the Exeter River and allow a more flexible approach to system management during peak and emergency flow events.

The water storage tank on Fuller Lane underwent a major rehabilitation this year as part of on-going maintenance of the system. The meter replacement program was also completed this year, thus providing more state of the art equipment for accurately monitoring and accounting for system-wide water usage.

On the sewer side of operations, the Committee provided input to DPW on construction of various small sewer system projects conducted during the year recommended in the Capital Improvements Plan (CIP) for the Department. The Town is in the process of completing an updated Facilities Plan for the Newfields Road plant that will provide guidance for facilities and utility upgrades for the next 20 years. The Committee provided on-going assessments and recommendations to the Selectmen as part of this process.

A significant effort for the year was conducted by the Committee towards assessing the potential of a sub-regional utility entity to include the Gateway Commercial District of the Town of Stratham. Exeter has been trying to expand their commercial and industrial utility rate base for years with moderate success; including the commercial district of Stratham was viewed as a possible way to increase revenues for the town. The Committee assisted in the negotiations between the two towns towards finding mutually beneficial terms of such a collaboration. Several alternatives were reviewed with a final conclusion as to direction expected in 2015.

Our Fall budgeting process was again a collaborative effort between our Committee, DPW, Town Budget Committee and the Departments of Finance and Planning in order to coordinate work and efforts in other areas of town. We continued to use the strategy of incorporating several infrastructure

## WATER SEWER ADVISORY COMMITTEE (CONTINUED)

improvement projects and equipment upgrades into the budget while keeping overall expense increases relatively flat. This approach has been successfully used since 1999 and has lessened the rate impacts of planned capital improvements to both systems. The Committee maintained a stable rate structure throughout 2014, using excess funds to build up a reserve account to offset emergency or mid level expenditures that would have otherwise significantly increased the town's utility budget.

The Committee looks forward to 2015 as a continued interactive process with town departments and ratepayers to implement needed facility upgrades for a fair and reasonable cost. We wish to thank in particular town employees who continually assist us in serving the needs of the Town of Exeter: Russell Dean, Town Manager; Jennifer Perry, Director of Public Works; Michael Jeffers, Water & Sewer Managing Engineer; Steve Tucker, Utility Foreman, and Jay Perkins, Highway superintendent. In addition, several water and sewer department staff have assisted in meeting preparations and provided valuable input to proposed improvements, making it a successful team effort.

Respectfully submitted,

W. Robert Kelly, P.E.  
Chairman

# 2015 WARRANT

## EXETER TOWN WARRANT – 2015

To the inhabitants of the Town of Exeter, in the County of Rockingham, in the said State, qualified to vote in Town affairs:

### **First Session**

You are hereby notified that the first session (the Deliberative Session) of the Annual Town Meeting will be held on Saturday, January 31st, 2015 beginning at 9:00 a.m. at the Arthur L. Hanson III Center for the Performing Arts at Exeter High School, 1 Blue Hawk Drive. The first session will consist of explanation, discussion and debate of each of the following warrant articles, and will also afford voters who are present the opportunity to propose, debate and adopt amendments to warrant articles, except those articles in which wording is prescribed by state law.

### **Second Session**

The second session of the annual town meeting, to elect town officers by official ballot and to vote on all warrant articles as they may have been amended at the first session, will be held on Tuesday, March 10th, 2015 at the Talbot Gymnasium at the Tuck Learning Center, 30 Linden Street. Polls for voting by official ballot will open at 7:00 a.m. and close at 8:00 p.m.

### **Article 1**

To choose the following: 1 Moderator for a 2-year term; 1 Selectman for a 3-year term; 1 Supervisor of the Checklist for a 1-year term; 3 Trustees of the Library for a 3-year term; 1 Trustee of Trust Funds for a 3-year term; 1 Trustee of the Robinson Fund for a 7-year term; 1 Trustee of Swasey Parkway for a 3-year term; 1 Town Treasurer for a 2-year term.

**Article 2 Zoning Amendment #1:** Are you in favor of the adoption of Amendment #1 as proposed by the Planning Board for the town zoning ordinance, as follows: to make a typographical change to section 5.6.3.B; to provide for an alternative parking calculation in situations where the proposed use is not listed or the applicant believes the required number of spaces is not necessary; and to authorize a phased parking construction plan.

**Article 3 Zoning Amendment #2:** Are you in favor of the adoption of Amendment #3 as proposed by the Planning Board for the town zoning ordinance, as follows: to amend Article 9.1.5 Permitted Uses by adding to new permitted uses: Projects that reduce impervious surfaces while ensuring the protection of the wetland buffer and projects that re-vegetate or re-vitalize in some way an already disturbed buffer zone.

**Article 4 Zoning Amendment #3:** Are you in favor of the adoption of Amendment #4 as proposed by the Planning Board for the town zoning ordinance, as follows: amend Article 9.1.6. to delete "waste water disposal systems" as a use permitted by conditional use permit.

**Article 5 Zoning Amendment #4:** Are you in favor of the adoption of Amendment #5 as proposed by the Planning Board for the town zoning ordinance, as follows: amend Article 9.1.6.B criteria for the issuance of a conditional use permit by adding a requirement that the evaluation of the proposed impact takes the value of the wetland into consideration and is not, to the extent feasible, detrimental to the value and function of the wetland. (and renumbering the section).

## 2015 WARRANT (CONTINUED)

**Article 6 Zoning Amendment #5:** Are you in favor of the adoption of Amendment #6 as proposed by the Planning Board for the town zoning ordinance, as follows: amend Article 9.1.6 to eliminate redundancies in the process for Site and Subdivision Applications by providing that where a proposed activity which requires Planning Board approval involving both a CUP and a waiver, the Applicant shall follow Section 9.9 of the Site Plan Review and Subdivision Regulations and request a waiver(s) from wetland regulations and may also obtain a waiver from Article 9.1.6.A CUP process.

**Article 7 Zoning Amendment #6:** Are you in favor of the adoption of Amendment #7 as proposed by the Planning Board for the town zoning ordinance, as follows: amend Article 9.4 Floodplain Development Ordinance by making revisions to the following specific Articles as recommended by the NH Office of Energy and Planning.

**Article 8 Zoning Amendment #7:** Are you in favor of the adoption of Amendment #8 as proposed by the Planning Board for the town zoning ordinance, as follows: amend Article 9.1.3 Wetland Conservation District Boundaries to add an Epping Road Development Buffer and set forth standards to determine the width of said buffers.

**Article 9 Petitioned Zoning Amendment:** Are you in favor of the adoption of Amendment #8 submitted by Petition for the town zoning ordinance, as follows:

To see if the town will vote to Amend Article 4.2 Schedule I: Permitted Uses by deleting the present "Community Buildings" as a use permitted by Special Exception in the R-1, R-2, R-3, & R-4 districts.

The Planning Board does not recommend this article.

### Article 10

To see if the Town will vote to raise and appropriate the sum of six million eight hundred forty five thousand and three hundred twelve dollars (\$6,845,312) for the design and construction of roads, water and sewer improvements in the Epping Road Tax Increment District, in accordance with RSA 162-K:8, and to authorize the issuance of not more than (\$6,845,312) of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the Board of Selectmen to negotiate such bonds or notes and to determine the rate of interest thereon. It is anticipated that no bonds will be issued unless and until debt service can be paid from the tax increment district fund. This article will only become effective subject to the passage of Article 28 and Article 29 of the 2015 Town Warrant.

(3/5 ballot vote required for approval.)

Recommended by the Board of Selectmen 4-0.

### Article 11

To see if the Town will vote to raise and appropriate the sum of seven hundred eleven thousand and zero dollars (\$711,000) for the replacement of culverts and associated bridge reconstruction work on Linden Street and to authorize the issuance of not more than (\$711,000) of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33); and further to authorize the Board of Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon.

## 2015 WARRANT (CONTINUED)

(3/5 ballot vote required for approval.)

Recommended by the Board of Selectmen 4-0.

### Article 12

To see if the Town will vote to raise and appropriate the sum of five hundred and eighty thousand and zero dollars (\$580,000) for the design and construction of concrete sidewalks and curbing, bumpouts, stormwater management structures, and installation of street trees in the greater downtown including Water Street from Great Bridge to Swasey Parkway, and Front Street from the Bandstand to Spring and Elm Streets, and to authorize the issuance of not more than (\$580,000) of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33); and further to authorize the Board of Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon.

(3/5 ballot vote required for approval.)

Recommended by the Board of Selectmen 4-0.

### Article 13

To see if the Town will vote to raise and appropriate the sum of one hundred and seventy five thousand and zero dollars (\$175,000) to add brick paver enhancements to the downtown area sidewalk project in addition to concrete provided for in Article 12 of this Town Warrant and to authorize the issuance of not more than (\$175,000) of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33); and further to authorize the Board of Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon; Debt service will be paid from the general fund (\$175,000). This article will only become effective subject to the passage of Article 12 of the 2015 Town Warrant.

(3/5 ballot vote required for approval.)

Recommended by the Board of Selectmen 3-0-1.

### Article 14

To choose all other necessary Town Officers, Auditors or Committees for the ensuing year.

### Article 15

Shall the Town of Exeter raise and appropriate as an operating budget, not including appropriation by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$17,225,406. Should this article be defeated, the default budget shall be \$17,215,345 which is the same as last year, with certain adjustments required by previous action of the Town of Exeter or by law, or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.

(Majority vote required)

## 2015 WARRANT (CONTINUED)

Recommended by the Board of Selectmen 4-0.

### Article 16

Shall the Town of Exeter raise and appropriate as a water operating budget, not including appropriation by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$2,791,462. Should this article be defeated, the water default budget shall be \$2,786,400 which is the same as last year, with certain adjustments required by previous action of the Town of Exeter or by law.

(Majority vote required)

Recommended by the Board of Selectmen 4-0.

### Article 17

Shall the Town of Exeter raise and appropriate as a sewer operating budget, not including appropriation by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$2,496,622. Should this article be defeated, the default budget shall be \$2,428,175 which is the same as last year, with certain adjustments required by previous action of the Town of Exeter or by law.

(Majority vote required)

Recommended by the Board of Selectmen 4-0.

### Article 18

To see if the Town will vote to approve the cost items recommended in the fact finders report dated December 31, 2014, and subsequently accepted by the Board of Selectmen and the Exeter Police Association - NEPBA which calls for the following salaries and benefits at the current staffing levels:

Year	Estimated Salary and Benefits Increase	Health Insurance Savings
FY15	\$29,298	(\$25,723)
FY16	\$66,375	(\$51,446)
FY17	\$37,018	(\$51,446)

And further, to raise and appropriate the sum of three thousand five hundred and seventy five dollars (\$3,575) for the 2015 fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits over those of the appropriation at current staffing levels.

A complete copy of the fact finders report can be found at [exeternh.gov](http://exeternh.gov) and copies will be available at the deliberative session.

(Majority vote required)

## 2015 WARRANT (CONTINUED)

Recommended by the Board of Selectmen 4-0.

### Article 19

To see if the Town will vote to raise and appropriate the sum of seven-hundred fifty thousand and zero dollars (\$750,000) for the purpose of constructing widened shoulders (bike paths) and sidewalks on Kingston Road, and further to authorize the withdrawal of \$150,000 from the Arterial Shoulder Widening capital reserve fund with the remaining \$600,000 to be funded through a NHDOT grant; furthermore, to authorize the Board of Selectmen to accept any state, federal and other grants and gifts related to the project. This article will not become effective unless the NHDOT grant is awarded to the Town. This article will not impact the tax rate. This will be a non-lapsing appropriation per RSA 32:7, VI and will not lapse until the project is completed or December 31, 2017, whichever is sooner.

(Majority vote required)

Recommended by the Board of Selectmen 4-0.

### Article 20

To see if the Town will vote to raise and appropriate the sum of one-hundred twenty-two thousand one hundred dollars (\$122,100), for the purpose of mechanical design, engineering, and replacement of 1999 twin gas-fired boilers at the Exeter Public Safety Complex.

(Majority vote required)

Recommended by the Board of Selectmen 4-0.

### Article 21

To see if the Town will vote to raise and appropriate, through special warrant article, the sum of one-hundred thirteen thousand eight hundred and ninety five dollars (\$113,895), for the support of various human service agencies that will serve Exeter residents in 2015:

Agency	Amount
A Safe Place	\$5,500
Area Home Care	\$13,000
Big Brother/Big Sister	\$9,000
CASA (Court Appointed Special Advocates)	\$500
Child and Family Services	\$12,000
Crossroads House	\$3,500
Families First	\$3,000
Friends Program (formerly RSVP)	\$2,200
Great Bay Kids	\$2,495
Meals on Wheels – Food	\$9,200
New Generation Shelter	\$2,000
New Heights (formerly New Outlook)	\$3,000
NHSPCA	\$1,400
Richie McFarland Center	\$11,100
Rockingham Community Action	\$11,000

## 2015 WARRANT (CONTINUED)

Seacoast Family Promise	\$1,500
Seacoast Mental Health	\$8,500
Seacoast VNA	\$5,000
Sexual Assault Support Services (SASS)	\$3,000
St. Vincent De Paul	\$5,000
Womenade of Greater Squamscott	\$2,000
Total	\$113,895

(Majority vote required)

Recommended by the Board of Selectmen 4-0.

### Article 22

To see if the Town will vote to raise and appropriate the sum of one-hundred thousand dollars (\$100,000), for the purpose of making improvements to the public safety communications system, to enhance emergency radio communications throughout Exeter. This will be a non-lapsing appropriation per RSA 32:7, VI and will not lapse until the project is completed or December 31, 2016, whichever is sooner.

(Majority vote required)

Recommended by the Board of Selectmen 4-0.

### Article 23

To see if the Town will vote to authorize the Board of Selectmen to enter into a lease/purchase agreement for \$267,677 for the purpose of lease/purchasing a replacement for the 2005 Street Sweeper for the Exeter Public Works Department, and to raise and appropriate the sum of fifty-six thousand four hundred and eighty-two dollars (\$56,482), which represents the first of 5 annual payments for that purpose. This lease/purchase will contain an escape (non-appropriation) clause.

(Majority vote required)

Recommended by the Board of Selectmen 3-1.

### Article 24

To see if the Town will vote to raise and appropriate the sum of fifty-thousand dollars (\$50,000) to be added to the Snow and Ice Deficit Non-Capital Reserve Fund previously established. This sum to come from general fund surplus.

(Majority vote required)

Recommended by the Board of Selectmen 4-0.

## 2015 WARRANT (CONTINUED)

### Article 25

To see if the Town will vote to raise and appropriate the sum of fifty-thousand dollars (\$50,000) to be added to the Sick Leave Expendable Trust Fund previously established. This sum to come from general fund surplus.

(Majority vote required)

Recommended by the Board of Selectmen 4-0.

### Article 26

To see if the Town will vote to authorize the Board of Selectmen to enter into a lease/purchase agreement for \$154,561 for a replacement for the 1990 Sno-Go snow blower for the Exeter Public Works Department, and to raise and appropriate the sum of thirty-two thousand six hundred and fourteen dollars (\$32,614), which represents the first of 5 annual payments for that purpose. This lease/purchase will contain an escape (non-appropriation) clause.

(Majority vote required)

Recommended by the Board of Selectmen 4-0.

### Article 27

To see if the Town will vote to authorize the Board of Selectmen to enter into a lease/purchase agreement for \$102,434 for a replacement for the 1993 Fire Alarm Truck for the Exeter Fire Department, and to raise and appropriate the sum of twenty-one thousand five hundred and seventy-three dollars (\$21,573), which represents the first of 5 annual payments for that purpose. This lease/purchase will contain an escape (non-appropriation) clause.

(Majority vote required)

Recommended by the Board of Selectmen 2-1-1.

### Article 28

To see if the Town will vote to adopt Chapter 162-K of the New Hampshire Revised Statutes, which if adopted will grant the Town authority to establish tax increment financing districts.

(Majority vote required)

Recommended by the Board of Selectmen 4-0.

### Article 29

To see if the Town will vote to:

- a) Establish a municipal economic development and revitalization district as shown on a map entitled Proposed Epping Road Tax Increment District (dated January 20, 2015) and which generally encompasses portions of Epping Road east and west of Epping Road. The district will have the name of the Epping Road Tax Increment Financing District.

## 2015 WARRANT (CONTINUED)

- b) Authorize the Board of Selectmen to appoint a District Administrator in accordance with RSA 162-K:13 and create a five member advisory board in accordance with RSA 162-K:14 with membership to be determined by the Selectboard.
- c) Adopt the provisions of the Epping Road Tax Increment District Plan (dated January 20, 2015) in accordance with RSA 162-K:9, which allocates the use of tax increments for retirement of bonds and notes as outlined in the plan.

(Majority vote required)

Recommended by the Board of Selectmen 4-0.

### Article 30

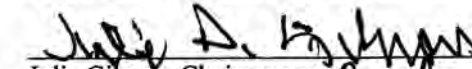

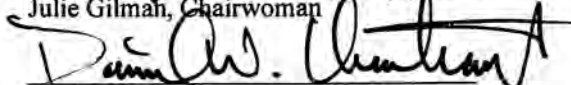

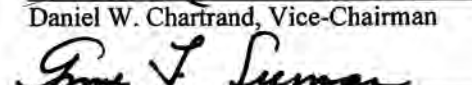

To see if the Town will authorize the Board of Selectmen to negotiate and enter into a long term lease of up to 99 years on Town owned land described as Tax Map 98 Lot 3, for the purpose of installing a cellular tower on the property, a portion of which will benefit the Town of Exeter communications systems.

(Majority vote required)

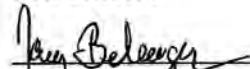

Recommended by the Board of Selectmen 4-0.

To transact any other business which may legally come before this meeting.

Given under our hands and seal this 26th day of January, 2015.

  
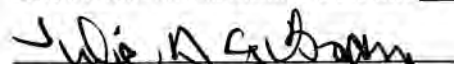

Julie Gilman, Chairwoman  
  
Daniel W. Chartrand, Vice-Chairman  
  
Anne L. Surman, Clerk

Don Clement

  
Nancy Belanger

We certify that on the 26th of January, 2015, we caused a true copy of the within warrant to be posted at the Exeter Town Hall on Front Street, the Exeter Public Library at Founder's Park, Exeter High School at 1 Blue Hawk Drive, Talbot Gymnasium at Tuck Learning Campus, 30 Linden Street, and the Town Clerk's Office, 10 Front Street.

Given under our hands and seals this 26th day of January, 2015.

  
Julie Gilman, Chairwoman

## Default Budget: Exeter

RSA 40:13, IX (b) "Default budget" as used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision.

---

---

---

---

---

---

If this is re-appointment to a position, please list all training sessions you have attended relative to your appointed position.

---

---

I understand that: 1. this application will be presented to the Exeter Selectboard only for the position specified above and not for subsequent vacancies on the same board; 2. Selectboard may nominate someone who has not filed a similar application; 3. this application will be available for public inspection.

After submitting this application for appointment to the Town Manager:

- The application will be reviewed and you will be scheduled for an interview with the Selectmen
- Following the interview the Board will normally vote on your potential appointment at the next regular meeting
- If appointed, you will receive a letter from the Town and will be required to complete paperwork with the Town Clerk prior to the start of your service on the committee or board

I certify that I am 18 years of age or older:

**School: Exeter Local School**  
**New Hampshire**  
**Warrant and Budget**  
**2015**

To the inhabitants of the town of the School District of the town of Exeter in the County of Rockingham in the state of New Hampshire qualified to vote in school district affairs are hereby notified and warned of the Annual Town Meeting will be held as follows:

First Session of Annual Meeting (Deliberative Session):

Date: February 3, 2015

Time: 7:00 pm

Location: Lincoln Street School Library

Details:

Second Session of Annual Meeting (Official Ballot Voting)

Date: March 10, 2015

Time: 8:00 am – 7:30 am

Location: Talbot Gym at the Tuck Learning Campus

Details:

**Article 01:**

Shall the Exeter School District raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein totaling \$16,532,753? Should this article be defeated, the default budget shall be \$16,566,278 which is the same as last year, with certain adjustments required by previous action of the Exeter School District or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. (The School Board recommends \$16,532,753 as set forth on said budget.)

**Article 02:**

Shall the District authorize the School Board to spend \$373,673 from the fund established by the voters in 1997 to offset the 2015-2016 Exeter Taxpayers share of the Exeter Region Cooperative School District's bond payment (principal and interest) for the Cooperative Middle School building? (The School Board recommends the approval of this article.)

**Article 03:**

To hear reports of agents, auditors, and committees or officers heretofore chosen.

**Article 04:**

To transact any other business which may legally come before the meeting.

**The following positions are open for School District elections:**

School District Officer(s): two (2) school board members for a three (3) year term

Given under our hands, January <u>13</u> , 2015		
We certify and attest that on or before January <u>16</u> , 2015 we posted a true and attested copy of the within Warrant at the place of meeting, and like copies at SAU 16 office, Exeter Town Library, Exeter Town Hall, and delivered the original to the School District Clerk.

## DEFAULT BUDGET OF THE SCHOOL

Default Budget for the Fiscal Year from **July 1, 2015 to June 30, 2016**

**RSA 40:13, IX (b)** "Default budget" as used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision.

This form was posted with the warrant on: JAN 16, 2015

### Instructions

1. Use this form to list the default budget calculation in the appropriate columns.
2. Post this form or any amended version with proposed operating budget (MS-26 or MS-27) and the warrant.
3. Per RSA 40:13, XI, (a), the default budget shall be disclosed at the first budget hearing.

### ***INDEPENDENT AUDITOR'S REPORT***

To the Members of the School Board  
Exeter School District  
Exeter, New Hampshire

#### ***Report on the Financial Statements***

We have audited the accompanying financial statements of the governmental activities, major fund, and aggregate remaining fund information of the Exeter School District as of and for the year ended June 30, 2014, and the related notes to the financial statements, which collectively comprise the School District's basic financial statements as listed in the table of contents.

#### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### ***Auditor's Responsibility***

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### ***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, major fund, and aggregate remaining fund information of the Exeter School District as of June 30, 2014, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### ***Other Matters***

**Required Supplementary Information** - Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis (pages 3 through 10) and the Schedule of Funding Progress for Other Postemployment Benefit Plan (page 30) be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers them to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the

*Exeter School District  
Independent Auditor's Report*

methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

**Other Information** - Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Exeter School District's basic financial statements. The combining and individual fund financial schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The combining and individual fund financial schedules are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual fund financial schedules are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Minutes of the Exeter School District  
First Session of the 2014 Exeter School District Annual Meeting  
Deliberative Session - Tuesday, February 4, 2014 - 7:00 PM  
Lincoln Street School Library

Attendance:

School Board Members Present: Jean Tucker, Tracy Jeffers, Patrick O'Day - Chair,  
Kathy McNeill - Vice- Chair  
School Board Members Absent: John Maxwell  
SAU 16: Paul Flynn, Associate Superintendent  
Moderator: Stephen Hermans  
Clerk: Susan Bendroth

Moderator Hermans called the First Session of the Exeter School District Annual Meeting to order at 7:02 PM on Tuesday, February 4, 2013. The Pledge of Allegiance was said, he introduced the board and stated the purpose of this meeting was to explain, discuss and debate each warrant article to determine the form of the ballot that will be voted on at the Second Session on Tuesday, March 11, 2014 at the Talbot Gymnasium at the Tuck Learning Campus on Linden Street in Exeter. He reviewed the procedure that he would read the article, recognize a board member to talk to the article and then recognize any voter who wishes to speak to the article.

Moderator Hermans read Warrant Article #1:

**Warrant Article #1: Shall the Exeter School District raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein totaling \$15,737,649? Should this article be defeated, the default budget shall be \$15,670,526 which is the same as last year, with certain adjustments required by previous action of the Exeter School District or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. (The School Board recommends \$15,737,649 as set forth on said budget.)**

Patrick O'Day stated that this budget is the result of hard word by the school administration and the board. He went on to explain that it is essentially a flat budget with only about .03 increase which is accounted for in certain contractual agreements, provision for additional support to kindergarten and also a commitment to keep class size small. He concluded by saying the board supports this budget and fully endorses it. Moderator Hermans declared the article to appear on the ballot as presented.

Moderator Hermans read Warrant Article #2:

**Warrant Article #2: Shall the Exeter School district approve the cost items included in the collective bargaining agreement reached between the Exeter School Board and the Exeter Education Association (Teachers) covering the three year period from September 1, 2014 to August 31, 2017 containing the following increases over the preceding year?**

2014-2015, \$216,567

2015-2016, \$220,740

2016-2017, \$210,641

And, further to raise and appropriate the sum of \$216,567 for the 2014-2015 year, such sum representing the additional costs attributable to the increase in salaries and salary related benefits over those of the appropriation at current staffing levels in the prior fiscal year? (The School Board recommends that the School District approve these cost items and make the appropriation of \$216,567)

*(Note: This agreement includes an increase in the salary schedule of 1.9% in 2014-2015 (over 2013-2014), an increase of 1.9% in 2015-2016 (over 2014-2015) and an increase of 1.9% in 2016-2017 (over 2015-2016). The teachers will also be paying more toward their health insurance in each of the three years.)*

Jean Tucker explained that this reflects a settlement between the teachers association and the board that met from September through November 2013. The agreement is for 3 years and accounts for a 1.9% increase in salaries. There is a change in medical coverage with the teachers paying 18% toward point of service in the first year, 19% in the second year and 20% in the third along with office visit and prescription copays.

Arthur Baillargeon, Exeter, who is a native of Exeter thought that with the economy the way to is that 1.9% was a little excessive. He recalled that the salary increases were less in the past when the economy was a little better.

Jean Tucker responded by stating that the previous contract had been for 2 years and it was indeed 1.5% and 1.6% and prior to that it was a 3 year contract with 2.0% increases or a little higher. She felt that this increase has 2 components in that teachers that come to us are relatively new and they move along the steps and then he increase to individual teachers over the course of the contract. She believes it is a good agreement and should be supported.

Paul Flynn stated that most teachers are on the top step so it is a true 1.9%. When the contract was negotiated the consumer price index was looked at for this area and it was 1.7% to 1.8% for the year.

Arthur Baillargeon stated that he was not criticizing the board as he feels they are doing a good job.

Jean Tucker did not take it as a criticism and just clarified that this contract moves the teachers to pay more towards insurance.

Brian Griset, Exeter, asked what the cost savings is for the employee contribution.

Paul Flynn answered that in the first year the savings on health insurance will be about \$17,000.00

Moderator Hermans declared the article to appear on the ballot as presented.

Moderator Hermans read Warrant Article #3:

**Warrant Article #3: Shall the Exeter School District vote to authorize the withdrawal of \$373,673 from the Middle School Bond Non-Capital Reserve Fund established by the voters in 1997 by Warrant Article 5 for the purpose of offsetting Exeter's share of the Exeter Region Cooperative School District's bond payment. (The School Board recommends the approval of this article.)**

Kathy McNeill explained that this money was set aside in good conscience for the middle school for this purpose and is not affecting the taxpayers

Moderator Hermans declared the article to appear on the ballot as presented.

Moderator Hermans read Warrant Article #4:

**Warrant Article #4: Shall the Exeter School District raise and appropriate \$169,748 to be added to the Middle School Bond Non-Capital Reserve Fund established in 1997 by Warrant Article 5 for the purpose of offsetting Exeter's share of the Exeter Region Cooperative School District's bond payment and authorize the transfer of this amount from the unassigned fund balance available for transfer on July 1, 2014? No amount to be raised by taxation. (The School Board recommends this appropriation.)**

***(Note: A surplus of \$169,748 is expected in the District's medical and dental accounts fund as a result of a return of contributions from Health Trust, formerly the Local Government Center.)***

Kathy McNeill stated that because of interest rate there is not enough in the fund so asking to transfer money to cover the payment. This does not affect the bottom dollar of the Exeter taxpayers.

Moderator Hermans declared the article to appear on the ballot as presented.

Moderator Hermans read Warrant Article #5:

**Warrant Article #5: Shall the Exeter School District discontinue the Land and Improvement Acquisition Capital Reserve Fund established in 2004 with said funds and accumulated interest to date of withdrawal (approximately \$512,769) to be transferred to the general fund? Further to raise and appropriate the sum of \$512,769 to be added to the Construction, Reconstruction or Acquisition of School Buildings and/or School Ground Site Improvement Capital Reserve Fund previously established? This sum to come from the June 30, 2014 fund balance available for transfer on July 1, 2014. No amount to be raised by taxation. (The School board recommends this appropriation.)**

Tracy Jeffers asked that \$512,769 be moved to the Capital Reserve Fund so that the funds would be more accessible and projects such as upgrading the parking and improving the playground could be done in a more timely manner.

Brian Grisett, Exeter, asked for clarification that the type of fund was not changing.

Tracy Jeffers restated that this article is asking for the funds to be moved so they are more accessible.

Brian Grisett, Exeter, asked if the board would be able to spend this money without taxpayers approval.

Paul Flynn, Associate Superintendent, stated that the board is not the agent for the initial fund and by asking to have the money transferred they would then become the agents. The taxpayers would be delegating the board to allocate the funds without an additional vote.

Patrick O'Day added that by transferring these funds the board would be able to address long identified needs and make necessary improvements.

Moderator Hermans read Warrant Article #6:

**Warrant Article #6: To hear reports of agents, auditors, and committees or officers heretofore chosen.**

No reports.

Moderator Hermans read Article # 7:

**Warrant Article #5: To transact any other business which may legally come before the meeting.**

Patrick O'Day recognized Tracy Jeffers for her service as a school board member.

Tracy Jeffers thanked him and stated it has been a pleasure as she loves the schools and the community.

Arthur Baillargeon stated that he thought with a town of thousands of voters it is important for people to come out and exercise their governmental right and vote.

SECOND SESSION: At the Talbot Gym at the Tuck Learning Campus on Linden Street in said Exeter on Tuesday, March 11, 2014 to choose the following School District Officer(s): one (1) school board member for three (3) year terms and vote on the articles listed as 1, 2, 3, 4 and 5 above, as those articles may be amended at the First Session; by ballot, the polls to open at seven of the clock in the forenoon, and to close no earlier than eight of the clock in the evening.

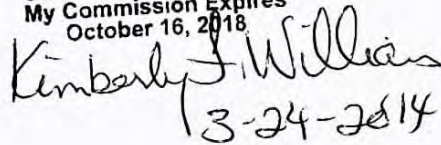

It was moved by Patrick O'Day and seconded by Arthur Baillargeon to adjourn the meeting at 7:30 PM.

Respectfully submitted,

Susan E.H. Bendroth, Exeter School District Clerk

**Warrant and Budget**  
**2015**

To the inhabitants of the of Exeter Region Cooperative School District in the County of Rockingham in the state of New Hampshire qualified to vote in school district affairs are hereby notified and warned that the two phases of the Annual School District Meeting will be held as follows:

First Session of Annual Meeting (Deliberative Session):

Date: February 5, 2015

Time: 7:00 PM

Location: Exeter High School

Details: In the Arthur L. Hanson III Center for the Performing Arts Center

Second Session of Annual Meeting (Official Ballot Voting)

Date: March 10, 2015

Locations:

<u>VOTERS IN TOWN OF</u>	<u>POLLING PLACE</u>	<u>POLLING HOURS</u>
Brentwood	Recreation Center	8:00 AM to 7:00 PM
East Kingston	East Kingston Elementary School Multi-purpose Room	8:00 AM to 7:00 PM
Exeter	Talbot Gym Tuck Learning Campus	7:00 AM to 8:00 PM
Kensington	Kensington Elementary School	8:00 AM to 7:30 PM
Newfields	Newfields Town Hall	8:00 AM to 7:00 PM
Stratham	Stratham Municipal Center	8:00 AM to 8:00 PM

**Article 01:**

Shall the District raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant, or as amended by vote of the first session, for the purposes set forth therein, totaling \$55,721,982? Should this article be defeated, the operating budget shall be \$55,962,349, which is the same as last year, with certain adjustments required by previous action of the District or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. (The School Board and Budget Advisory Committee both recommend \$55,721,982 as set forth on said budget.)

**Article 02:**

Shall the District approve the cost items included in the collective bargaining agreement reached between the Exeter Region Cooperative School Board and the Exeter Area Paraprofessional Association covering the three-year period from September 1, 2015 to August 31, 2018 which calls for the following increases in salaries and benefits at the current staffing levels:

Year	Estimated Increase
2015-16	\$ 95,242
2016-17	\$ 96,674
2017-18	\$ 97,723

and further raise and appropriate the sum of \$95,242 for the 2015-16 fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits over those of the appropriation at current staffing levels paid in the prior fiscal year? Pursuant to RSA 273-A:12, if approved, the terms of this collective bargaining agreement, including the pay plan, but excluding cost of living increases, will continue in force and effect until a new agreement is executed. (The School Board and the Budget Advisory Committee both recommend this appropriation.)

**Article 03:**

To see if the school district will vote to establish a Synthetic Turf Replacement Capital Reserve Fund under the provisions of RSA 35:1 for replacement of the synthetic turf field located at Exeter High School and to raise and appropriate the sum of up to \$50,000 to be placed in this fund. Further, to name the Exeter Region Cooperative School Board as agents to expend from said fund. This sum to come from June 30 undesignated fund balance available for transfer on July 1. No amount to be raised from taxation. (The School Board and the Budget Advisory Committee both recommend this appropriation.) Majority vote required.

**Article 04:**

**(By Citizens Petition)** "Shall the Exeter Region Cooperative School District require the adoption of a policy for the Cooperative Middle School that prohibits student use of personal electronic communication devices during the hours that the Cooperative Middle School is in session? Such a policy would neither prohibit the use of devices provided by the School District that support the teaching and learning environment nor would the policy prohibit personal devices that are identified by school administrators for Individual Education Plans or for accommodations under a Section 504 Plan." (The School Board does not recommend the article.)

**Article 05**

To hear reports of agents, auditors, and committees or officers heretofore chosen.

**Article 06:**

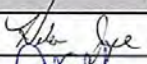

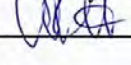

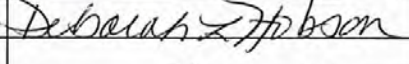

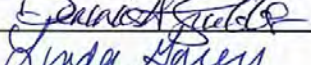

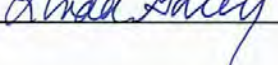

To transact any other business which may legally come before the meeting.

**The following positions are open for School District elections:**

School District Moderator	1-year Term Expiring 2016,
School District Board Member (Exeter)	2-year Term Expiring 2017,
School District Board Member (Exeter)	3-year Term Expiring 2018,
School District Board Member (Kensington)	2-year Term Expiring 2017,
School District Board Member (Newfields)	3-year Term Expiring 2018,
School District Board Member (Stratham)	3-year Term Expiring 2018,
Budget Committee Member (Exeter)	3-year Term Expiring 2018,
Budget Committee Member (Stratham)	3-year Term Expiring 2018,
Budget Committee Member (E. Kingston)	3-year Term Expiring 2018

**Given under our hands, January 13, 2015**

We certify and attest that on or before January 16, 2015 we posted a true and attested copy of the within Warrant at the place of meeting, and like copies at SAU 16, all SAU 16 Schools, and delivered the original to the ERCSD Clerk.

## DEFAULT BUDGET OF THE SCHOOL

Default Budget for the Fiscal Year from **July 1, 2015 to June 30, 2016**

**RSA 40:13, IX (b)** "Default budget" as used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision.

This form was posted with the warrant on:

1-16-15

### Instructions

1. Use this form to list the default budget calculation in the appropriate columns.
2. Post this form or any amended version with proposed operating budget (MS-26 or MS-27) and the warrant.
3. Per RSA 40:13, XI, (a), the default budget shall be disclosed at the first budget hearing.

### ***INDEPENDENT AUDITOR'S REPORT***

To the Members of the School Board  
Exeter Region Cooperative School District  
Exeter, New Hampshire

#### ***Report on the Financial Statements***

We have audited the accompanying financial statements of the governmental activities, major fund, and aggregate remaining fund information of the Exeter Region Cooperative School District as of and for the year ended June 30, 2014, and the related notes to the financial statements, which collectively comprise the School District's basic financial statements as listed in the table of contents.

#### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### ***Auditor's Responsibility***

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### ***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, major fund, and aggregate remaining fund information of the Exeter Region Cooperative School District as of June 30, 2014, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### ***Other Matters***

**Required Supplementary Information** - Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis (pages 3 through 9) and the Schedule of Funding Progress for Other Postemployment Benefit Plan (page 32) be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers them to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or

***Exeter Region Cooperative School District  
Independent Auditor's Report***

historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

**Other Information** - Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Exeter Region Cooperative School District's basic financial statements. The combining and individual fund financial schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The combining and individual fund financial schedules are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual fund financial schedules are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

MINUTES OF THE EXETER REGION COOPERATIVE SCHOOL DISTRICT  
FIRST SESSION OF THE 2014 ANNUAL MEETING  
DELIBERATIVE SESSION – THURSDAY, FEBRUARY 6, 2014 – 7:00 PM  
EXETER HIGH SCHOOL ARTHUR HANSON III CENTER

ERCSD BOARD MEMBERS PRESENT:

Kate Segal – Chair – Exeter	Dave Miller – Vice Chair – East Kingston
Mark Portu – Stratham	Linda Garey – Brentwood
Helen Joyce – Stratham	Darrell Chichester – Exeter
Alicia Heslop – Newfields	Maggie Bishop – Exeter
Kathryn Clark – Kensington	

ADMINISTRATION: Michael Morgan, Superintendent  
Amy Ransom – Business Administrator

CHAIR BUDGET ADVISORY COMMITTEE: David Pendell  
ERCSD Clerk: Susan Bendroth

Moderator Kate Miller called the meeting to order at 7PM followed by the Pledge of Allegiance led by CJ Lamline, senior class president. She introduced the board members, administration and other parties. She recognized Kate Segal and Michael Morgan who in turn recognized Kathryn Clark, Mark Portu and Dave Miller thanking them for serving on the board and acknowledging their individual contributions. Moderator Miller reviewed the purpose, rules and procedures for the meeting.

Moderator Miller read Warrant Article #1:

Warrant Article #1: ***Shall the District raise the appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant, or as amended by vote of the first session, for the purposes set forth therein, totaling \$54,385,508? Should this article be defeated, the operating budget shall be \$53,941,272, which is the same as last year, with certain adjustments required by previous action of the District or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. (The School Board and Budget Advisory Committee both recommend \$54,385,508 as set forth on said budget.)***

Kate Segal, Exeter, motioned the article.

Maggie Bishop, Exeter, seconded.

Amy Ransom, Business Administrator, explain the warrant article reviewing tax impact, default budget, increase in special education and decrease in grants. Krista Steger, Brentwood, asked if student enrollment was taken into account, special education and capital improvements as the increase is hard to swallow.

Kate Segal, Exeter, acknowledged that we are a community that supports all students and indeed the board has gone over the budget with a fine tooth comb to keep the increase at a minimum out of respect for the citizens in the community.

Michael Morgan, Superintendent, stated that over the last 6 years 10 teacher and 2 administrator positions have been eliminated as well as reducing paraprofessional time.

Jim Johnson, Brentwood, questioned the transparency of the board in reference to monies being given back by the Local Government Center.

Bob Mantegair, Brentwood, continued by expressing concern on about the burden placed on the voters and to look at the waste and cut. This budget is not responsible and not sustainable.

Dick Pendell, Budget Chair, and Michel Morgan, Superintendent, both talked about the amount of money that it takes to educate students, where the Coop falls in the state and our size.

Helen Joyce, Stratham, added that the board is looking into alternative ways of educating students at the high school.

Darrell Chichester, Exeter, commented that he has been on the board for only one year and encouraged citizens to attend all meetings so they would understand the whole process and all the considerations.

Craig Steger, Brentwood, questioned why this meeting was scheduled for the same time as Swasey and asked if the monies not spent this year would be rolled over and if so why is there an increase on top of that.

Michael Morgan, Superintendent, responded by saying this meeting was scheduled in advance and the Swasey meeting is a snow date. The budget is almost 97% accurate so there is only about a 2 to 3 % surplus, which he interpreted as having done a pretty good job.

Lucy Cushman, Stratham, wanted the audience to know that not everyone at the meeting is from Brentwood and that this budget represents a proposed 3.2% increase not a 4.1% as alluded to earlier. She reflected on being a part of the Coop from the beginning and continuing to be a member of the budget committee and the need to maintain the buildings. It is never a good time for an increase and is a hard balancing act but it needs to be done.

Chris Suprock, Exeter, made a motion to to flatten the budget total to 50,000,000 with the need to be creative and put our thinking caps on.

Jim Johnson, Brentwood, seconded.

Dave Miller, East Kingston, acknowledged this would knock off almost 4.4% of the budget and have a major impact.

Lucy Cushman, Stratham, stated that the default budget is 53,941,272 so a cut like that would make a serious change on the level of education.

Helen Joyce, Stratham, stated as a retired educator a cut like that would devastate the education at the middle and high school level affecting class sizes, teachers, sports teams and clubs encouraging people to not vote in favor

of this motion.

Chris Suprock, Exeter, argued that it would not devastate our students, it would force us to be more frugal and make some tough decisions. It is not unreasonable but a wise and prudent decision.

Michael Morgan, Superintendent, stated that a lot of our teachers live here.

Arthur Baillargeon, Exeter, asked what a 8 or 9% cut would do.

Michael Morgan, Superintendent, expressed concern about where that would come from.

Dave Miller, East Kingston, expressed his dislike for the motion.

Kathryn Clark, Kensington, acknowledged the frustration that is being expressed but commented that an excellent education can make a difference.

Mark Portu, Stratham, thanked everyone for the discussion but disagreed with the motion. He encouraged the voters to support the board and budget committee model by accepting the budget and continue the process of making changes in the delivery of education but not make those changes without a plan.

Dave Pendell, Budget Chair, stated how irresponsible it would be to vote for this motion without knowing what goes. He felt strongly that it would be burning education for the future.

Chris Suprock, Exeter, stated that you should not keep increasing the budget.

Craig Steger, Brentwood, commented on his recent tour of the high school and how every classroom has some of the most expensive computers.

Bill Ball, Exeter, commented that all the towns demand and depend on our excellence and if you are going to be great there is a cost that goes with that.

Roy Morrisette, called for the vote.

Moderator Kate Miller declared the nays appeared to have it.

Krista Steger, Brentwood, made a motion to reduce the budget by 500,000.00 to 53,885,508.00.

Jim Berlo, Brentwood, seconded.

Lucy Cushman, Stratham, repeated that once again this is less than the default budget and maintenance would be the first to go.

Krista Steger, Brentwood, was not in favor of cutting out the capital reserve but was asking the board to look at line items, start thinking and squeeze a little.

Bob Mantegair, Brentwood, moved to vote.

Jim Berlo, Brentwood, seconded.

Moderator Kate Miller declared the nays appeared to have it.

Liz Faria, Brentwood, made a motion to amend the budget to 54,000,000 with a reference to the money budgeted for GBECS.

Bob Mantegair, Brentwood, seconded.

Mark Portu, Stratham, didn't change the model at GBECS but tried to keep it proportional with the number of students.

Lucy Cushman, Stratham, stated that she is a convert and strong supporter of GBEC. The majority of the students are from our district and it costs about \$8,000

to \$9,000/student. We can pay a little now or a whole lot more later.

Jim Johnson, Brentwood, not in favor of cutting GBECS.

A vote was taken and Moderator Kate Miller declared the nays appeared to have it.

Moderator Miller noted the article would be placed on the ballot as presented without any changes.

Moderator Miller read Warrant Article #2:

Warrant Article #2: ***Shall the District approve the cost items included in the collective bargaining agreement reached between the Exeter Region Cooperative School Board and the Exeter Area Administrators' Association covering the three-year period from September 1, 2014 to August 31, 2017 which calls for the following increases in salaries and benefits at the current staffing levels:***

<b>Year</b>	<b>Estimated Increase</b>
<b>2014-15</b>	<b>\$ 49,613</b>
<b>2015-16</b>	<b>\$ 34,856</b>
<b>2016-17</b>	<b>\$ 35,553</b>

***and further raise and appropriate the sum \$49,613 for the 2014-15 fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits over those of the appropriation at current staffing levels paid in the prior fiscal year? Pursuant to RSA 273-A:12, if approved, the terms of this collective bargaining agreement, including the pay plan, but excluding cost of living increases, will continue in force and effect until a new agreement is executed. (The School board and the Budget Advisory Committee both recommend this appropriation.)***

Helen Joyce, Statham, motioned the article.

Linda Garey, Brentwood, seconded.

Helen Joyce, Stratham, addressed the article explaining these negotiations were made with the recommended outcome being fair to the administrators and sensitive to the taxpayers. She reviewed the salary raises, changes in medical coverage and other compensations.

Eric Antisell, Exeter, wanted clarification that this contract was for administration only.

Skip Williamson, Brentwood, questioned the salary and benefits contributions.

Michael Morgan, Superintendent, sees this contract as a savings as the employees are paying more.

Bob Mantegair, Brentwood, asked about the cost difference from last year and whether the board had considered a contract shorter than 3 years with the potential health insurance changes.

Michael Morgan, Superintendent, answered that employees are currently paying 15% and with the new contract it would be 20%. The average salary for a

full time administrator is \$90,000.00 with 7% of the salary by law going into New Hampshire retirement.

Brian West, Brentwood, asked about the \$1,500.00 sum toward a doctorate? Do all administrators need a doctorate?

Linda Garey, Brentwood, responded by saying we encourage our administration to further their education.

Darrell Chichester, Exeter, added that we encourage individuals to do the best that they can.

Dave Miller, East Kingston, acknowledged his point. This is a rare situation affecting only one person and a small amount of money.

Arthur Baillargeon, Exeter, asked if these numbers come back to the voters or are they put into the regular budget.

Kate Miller, Moderator, clarified these numbers are put into the regular budget. Chris, Suprock, Exeter, stated that even though it is a small amount these small amounts add up.

Jim Berlo, Brentwood, wanted to amend.

Michael Morgan, Superintendent, explained this article was up for discussion only.

Moderator Miller noted the article would be placed on the ballot as presented.

Moderator Miller read Warrant Article #3:

Warrant Article # 3: ***Shall the District approve the cost items included in the collective bargaining agreement reached between the Exeter Region Cooperative School Board and the Exeter Education Association covering the three-year period from September 1, 2014 to August 31, 2017 which calls for the following increases in salaries and benefits at the current staffing levels:***

Year	
2014-15	\$ 412,058
2015-16	\$ 631,578
2016-17	\$ 570,343

***and further raise and appropriate the sum of \$412,058 for the 2014-15 fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits over those of the appropriation at current staffing levels paid in the prior fiscal year? Pursuant to RSA 273-A:12, if approved, the terms of this collective bargaining agreement, including the pay plan, but excluding cost of living increases, will continue in force and effect until a new agreement is executed. (The School Board and the Budget Advisory Committee both recommend this appropriation.)***

Darrell Chichester, Exeter, motioned the article.

Alicia Heslop, New Fields, seconded.

Dave Miller, East Kingston, explained that the negotiations were at an impasse

and went to mediation. He highlighted the salaries and benefits of the contract agreement.

Nelson Lourenco, Exeter, tried to amend.

Michael Morgan, Superintendent, explained that this article was not amendable due to collective bargaining agreement. The voters have the ultimate say.

Eric Antisell, Exeter, questioned caps on collective bargaining.

Michael Morgan, Superintendent, explained there are no caps. The salary scale treats all teachers in the same realm. There is a grid for bachelors and masters degrees.

Arthur Baillargeon, Exeter, asked about the salary grid, increase percentages and asked about salaries being public information.

Kate Segal, Exeter, stated she would be glad to discuss the salary grid with Arthur anytime.

Moderator Miller noted the article would be placed on the ballot as presented.

Moderator Miller read Warrant Article #4:

**Warrant Article #4: *Shall the district vote for the removal of the limitation placed on the Maintenance Fund (established by the 2001 District meeting under RSA 198:20-c for the purpose of funding long term and/or unexpected maintenance/repair projects of school buildings and grounds); such change would allow the fund to exceed the \$500,000 (including interest) limitation placed on it. (School Board recommends) (Majority vote required)***

Dave Miller, East Kingston, motioned the article.

Darrell Chichester, Exeter, seconded.

Dave Miller, East Kingston, explained that removing the cap would allow the board to handle large unexpected ticket items.

Krista Steger, Brentwood, asked if they considered not removing the cap, but increasing the cap.

Dave Miller, East Kingston, responded by saying it is purely a housekeeping task, as any addition money for this fund would have to go before the voters.

Moderator Miller noted the article would be placed on the ballot as presented.

Moderator Miller read Warrant Article #5:

**Warrant Article #5: *Shall the district vote for the removal of the limitation placed on the Special Education Fund (established by the 2002 District meeting under RSA 198:20-c for the purpose of funding unanticipated special education cost); such change would allow the fund to exceed the \$500,000 (including interest) limitation placed on it. (School Board recommends) (Majority vote required)***

Kate Segal, Exeter, motioned the article.

Mark Portu, Stratham, seconded.

Kate Segal, Exeter, addressed the article explaining that it allows us to take care of our students.

Moderator Miller noted the article would be placed on the ballot as presented.

Moderator Miller read Warrant Article #6:

Warrant Article #6: ***Shall the district vote to authorize the school board to release all claims to a twelve foot wide easement running from the fence by the school track through the Carlisle property to Old Town Farm Road on such terms and conditions as the school board shall determine are in the best interest of the School District? (School Board recommends) (Majority vote required)***

Linda Garey, Brentwood, motioned the article.

Kathryn Clark, Kensington, seconded.

Amy Ransom, Business Administrator, explained the article and stated it will not impact any access to school grounds.

Moderator Miller noted the article would be placed on the ballot as presented.

Michael Morgan, Superintendent, encouraged people to come out to vote.

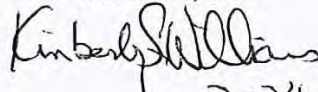

Moderator Miller adjourned the meeting at 9:21 PM with 61 voters from 6 towns present at the meeting.

Respectfully submitted,

Susan E. H. Bendroth, Exeter Region Cooperative School District Clerk

EXETER REGION COOP	\$187,119.53
KENSINGTON	\$10,838.21
NEWFIELDS	\$8,677.32
STRATHAM	\$40,381.62
	\$337,639.00

## **2014-2015 REPORT OF THE SUPERINTENDENT OF SCHOOLS**

The precipitous drop in oil and gas prices at the end of 2014 and the beginning of 2015, along with the creation of more and more jobs, have helped the local, regional and national economies to rebound significantly since the devastating economic downturn which began in 2008 and 2009 with the collapse of the housing markets. It is our hope that finally many families are beginning to stabilize themselves in anticipation of a much calmer future.

Understanding the relevancy of economic periods is a marvelous study for education. The *Market Basket* drama that unfolded in our area during this past summer exemplified the facets that govern our economic histories – infighting, philosophical differences, greed, personal agendas, court battles, fickle loyalties and dedicated employees/supporters. Our collective efforts in SAU 16 are focused on preparing our students for their future. Keeping learning relevant is crucial in our fast paced technology based environment. That is part of the reason that our Vision Statement and Mission Statement help to drive the services that our six communities provide to students and families.

### **SAU 16 VISION STATEMENT**

To provide a rigorous and comprehensive education that will prepare our students for diverse post-secondary educational opportunities, a competitive workplace, and active civic participation.

### **SAU 16 MISSION STATEMENT**

To help students gain knowledge and skills that build intellect, character, and a lifelong thirst for learning.

### **HIGHLIGHTS**

Curriculum, Communication, Community Service, and Transitions continue to be the focus of student-centered initiatives and work within the six communities of School Administrative Unit (SAU) 16. The successful implementation of the 2010-2015 Strategic Plan has been a cooperative effort of students, staff, administrators, and School Board Members. Monthly reports to the community are published and available at the SAU website ([www.sau16.org](http://www.sau16.org)). Efforts are now underway to develop the next SAU Strategic Plan for 2016-2021. Interested members of the public are invited to join this collaborative effort.

Highlights of the past year include:

1. Continuing implementation of the Common Core State Standards (CCSS) in Language Arts and Math in preparation for the new, required statewide standardized assessment, Smarter Balanced which is scheduled for the spring of 2015
2. Continuing implementation of the NextGen Science standards to advance curriculum work throughout all of the schools in the SAU

3. The College Board recognized Exeter High School in its 5th Annual AP District Honor Roll — a list of 547 districts across the U.S. and Canada being honored for increasing access to AP® course work while simultaneously maintaining or increasing the percentage of students earning scores of three (3) or higher on Advanced Placement exams
4. The SAU 16 Safety and Security Committee was awarded the first-ever *New Hampshire School Emergency Preparedness Award* in 2014 because of the on-going collaboration among schools and police departments in all six SAU communities
5. Increased access to various technology resources throughout the SAU with the goal of a one-to-one device for each student and staff member
6. Offering “dual enrollment courses” so that high school students may simultaneously earn college credit such as General Biology, Introduction to Video Production, Methods of Construction I Theory, and Introduction to C++ at the Seacoast School of Technology
7. The retirements of 16 SAU professional staff members who dedicated a combined total of 352 years of service to our children and their families
8. Three local educators with SAU 16 ties received statewide recognition through the 2014 EDies awards for their impressive work in their respective fields, including Assistant Superintendent Esther Asbell (*Outstanding Service Award* from the NH Association of School Administrators); Swasey Central School teacher Amy Cantone (*The Pat Keyes Technology Educator Award* which is given annually to an individual who has developed effective and innovative instructional units using technology); and former SAU 16 administrator Tony Baldasaro (*The Susan Janosz Technology Impact Award* for his leadership role that advocates the use of educational technologies for improving instruction and who has supported technology within the context of school reform and restructuring)
9. Four Swasey Central School teachers (Lisa Brown, Jody MacBride, Robert “Archie” Schroeder, and Amy Wilson) received national recognition from the Oregon-California Trails Association for their development of an extensive five-week long unit on the westward migration called “The Oregon Trail”
10. The Exeter High School Girls Tennis team captured their first-ever state championship and the Girls Soccer Team won its seventh Division I state championship in nine years
11. The Cooperative Middle School (CMS) girls’ track and field team captured its eighth straight Seacoast Track & Field League championship in May
12. The SAU welcomed three new principals (Becky Ruel in Kensington; Kate Segal in Newfields; Jim Tremblay at Exeter High School); a new assistant principal (David Goldsmith in Stratham); and an interim principal (James Hayes at Lincoln Street School)
13. Dealing with and planning for decreasing K-5 enrollments in Brentwood, East Kingston, Kensington, and Newfields while the other districts have stabilized or slightly increased enrollments
14. Hosting the fifth annual meeting among local state legislators, school board members, and school administrators to discuss educational and financial issues of mutual concern
15. Researching and discussing the implementation of competency-based standards and grading for middle and high school students
16. Implementing more creative and resourceful personalized means for students to learn and complete the requirements of their formal education process that include extended learning opportunities beyond the traditional classroom setting

17. Expansion of the *End 68 Hours of Hunger* that provides weekend backpacks of food for students who are food insecure
18. Using a wide variety of media - including websites, newspapers, cable access television, and blogs - to communicate the schools' mission and service to the community
19. Enhancing the outreach of community service projects that assist in meeting the needs of individuals and organizations
20. Supporting and advancing the role of Advisory Committees which bring together business professionals, guidance counselors, students, farmers, chefs, and a retired principal at the Seacoast School of Technology
21. Continuing to recognize local residents as Champions for Children
22. Completing collective bargaining negotiations for four of the eleven associations within the SAU
23. Supporting the important work of the Unified Arts (music, art, physical education, health) in all SAU schools
24. Stressing the need for more active participation in the business and political affairs of the seven independent school districts within the SAU by strongly encouraging citizens to vote and serve on various Boards and Committees
25. Continuing the strong tradition of volunteerism in our schools by having all of our elementary schools and the Seacoast School of Technology (SST) recognized by NH Partners in Education
26. Reinforcing the need for student and staff awareness in the prevention of student suicides and in dealing with individuals and families who struggle with "grief and loss" issues
27. Recognizing the New Hampshire chapter of the National Education Association (NEA) which posthumously honored Cooperative Middle School (CMS) special education teacher Ed Pease with its *Champion of Human and Civil Rights Award*
28. Supporting the work of the Exeter Adult Education Program, the Exeter High School Alternative Education Program, the Great Bay eLearning Charter School (GBeCS) and the Virtual Learning Academy Charter School (VLACS) as each embraces non-traditional ways of student learning
29. Expanding the variety of educational programming available on Channel 13 to all SAU 16 Comcast subscribers
30. Serving the students, families, and staff entrusted to us

This is my seventh year working with you in this important educational process. Please know that I am very grateful to the outstanding teachers, support staff members, administrators, and school board members who share our common goal of providing the best possible education for our students and their families at a reasonable cost to taxpayers. Public education faces many challenges each day because of the changing needs of students and the expectations placed upon it. Nevertheless, SAU 16 remains committed to preparing all students to be good citizens who will emerge as responsible stewards, powerful leaders, and dedicated workers in our society.

Respectfully submitted,

MICHAEL A. MORGAN  
Superintendent of Schools

## **BOARD OF SELECTMEN**

Selectmen meet every other Monday evenings at 7:00PM at the Town Office Building, Nowak Room. Check our website for the next scheduled meeting date. Agenda items for Selectmen's meetings must be submitted to the Town Manager's Office by 12:00 Noon the prior Wednesday. For more information call 778-0591 ext. 102.

## **TOWN MANAGER**

The Town Manager has oversight over the daily operations of the Town government with the exception to the public library, which is governed by a separate Board of Trustees. The Treasurer and town Clerk are elected directly by the people; these offices work with, but do not report to, the Town Manager. 778-0591 ext. 102

## **TOWN CLERK**

The Town Clerk's Office is located at the Town Office building, 10 Front Street. Hours are Monday thru Friday 8:15AM till 4:00PM. For more information, call 778-0591 ext. 403.

## **ASSESSING OFFICE**

The Assessing Office is located in the Town Office building for assessment and/or exemption information on your property. Hours are Monday thru Friday 8:00AM - 4:30PM. Questions? Call 773-6110.

## **EXETER PUBLIC LIBRARY**

The Exeter Public Library is located at Founder's Park. For hours and information about the Exeter Public Library, call 772-3101 or go to the library website at [www.exeterpl.org](http://www.exeterpl.org).

## **EXTV—PEG PROGRAMMING**

Cable Channel 22 is the Exeter Local Government channel. Tune in to see live broadcasts of the meetings. Check our website for meeting dates. The Education Channel in Exeter is Channel 13, operated by SAU16. Public Access in Exeter is seen on Channel 98. 773-6118

## **HUMAN SERVICES DEPARTMENT**

The department's role is to provide the temporary relief needed by members of the community that have fallen on difficult times. 773-6116

## **PARKS AND RECREATION DEPARTMENT**

The Exeter Parks and Recreation Department is located at 32 Court Street. The Recreation Department sponsors programs for all ages including sports, trips, public pool, tennis, adventure camp, etc. Call 773-6151 for information, check your local newspaper, or check the website [www.exeternh.gov](http://www.exeternh.gov) for upcoming events.

## **PLANNING, BUILDING, ZONING**

The Planning Department, Building Inspector, Zoning Department and Natural Resource Planner are located upstairs in the Town Office building. Hours are 8:00AM - 4:30PM Monday thru Friday. Questions for any of the departments, call 773-6112.

## **WATER/SEWER/TAX COLLECTOR**

The Tax Collector is located in Town Office building within the Water and Sewer Billing Department. Hours are 8:15AM - 4:00PM Monday thru Friday. For questions, call 773-6108.

## **WINTER PARKING BAN**

There is a winter parking ban from December 1 thru March 15. During that time NO PARKING is permitted on any public street between Midnight and 6:00AM. Call Exeter Dispatch at 772-1212 for more information.
