DEDICATION 2015

Chief Richard Kane
(retired)

This year, we dedicate our Town Report to Chief Richard Kane, who retired after more than thirty five years serving our community. Chief Kane served the Town as a leader and set an example of civic duty. With his family he enjoyed serving the Town. He began his career at the Exeter Police Department in 1981 and rose through the ranks holding every position in the Department. He was appointed Chief in 1999.

He is active in the community as a member of the Knights of Columbus, as a long-time coach in the Exeter Seahawks football program and as a coach for the freshman and JV baseball teams at Exeter High School.

The Chief has a degree in business from Babson College and has spent his career always looking forward in the law enforcement field as a member of: Rockingham Chiefs of Police Association; International Association of Chiefs of Police; Seacoast Emergency Management Team (and its Board of Directors), and the FBI National Academy Association. He continued with his education earning advanced training techniques at Babson College Command Institute, American College of Forensic Examiners, FBI National Academy and he is Level 4 certified in Homeland Security.

Chief Kane initiated many programs to ensure residents' safety and security: Assigned an officer to Internet Crimes Against Children state-wide task force; instituted the first school district-wide building lock down procedures; Instituted online crime mapping for residents; provided free gun locks and drug testing kits and introduced Facebook and Twitter to the department for better communication with residents and the media.

Under Chief Kane's management and through his initiatives, Exeter was named "New Hampshire's Safest Towns" in 2014.

From a grateful community, Thank you Chief Kane.

Article 2: Zoning Amendment #1: Are you in favor of the adoption of Amendment #1 as proposed by the Planning Board for the town zoning ordinance, as follows: to make a typographical change to section 5.6.3.B; to provide for an alternative parking calculation in situations where the proposed use is not listed or the applicant believes the required number of spaces is not necessary; and to authorize a phased parking construction plan.

YES 1219** NO 377

Article 3: Zoning Amendment #2: Are you in favor of the adoption of Amendment #3 as proposed by the Planning Board for the town zoning ordinance, as follows: to amend Article 9.1.5 Permitted Uses by adding to new permitted uses: Projects that reduce impervious surfaces while ensuring the protection of the wetland buffer and projects that re-vegetate or re-vitalize in some way an already disturbed buffer zone.

YES 1284** NO 313

Article 4: Zoning Amendment #3: Are you in favor of the adoption of Amendment #4 as proposed by the Planning Board for the town zoning ordinance, as follows: amend Article 9.1.6. to delete "waste water disposal systems" as a use permitted by conditional use permit.

YES 1035** NO 443

Article 5: Zoning Amendment #4: Are you in favor of the adoption of Amendment #5 as proposed by the Planning Board for the town zoning ordinance, as follows: amend Article 9.1.6.B criteria for the issuance of a conditional use permit by adding a requirement that the evaluation of the proposed impact takes the value of the wetland into consideration and is not, to the extent feasible, detrimental to the value and function of the wetland. (and renumbering the section).

YES 1157** NO 396

Article 6: Zoning Amendment #5: Are you in favor of the adoption of Amendment #6 as proposed by the Planning Board for the town zoning ordinance, as follows: amend Article 9.1.6 to eliminate redundancies in the process for Site and Subdivision Applications by providing that where a proposed activity which requires Planning Board approval involving both a CUP and a waiver, the Applicant shall follow Section 9.9 of the Site Plan Review and Subdivision Regulations and request a waiver(s) from wetland regulations and may also obtain a waiver from Article 9.1.6.A CUP process.

YES 1046** NO 441

TOWN BALLOT

Article 7: Zoning Amendment #6: Are you in favor of the adoption of Amendment #7 as proposed by the Planning Board for the town zoning ordinance, as follows: amend Article 9.4 Floodplain Development Ordinance by making revisions to the following specific Articles as recommended by the NH Office of Energy and Planning.

YES 1085** NO 409

Article 8: Zoning Amendment #7: Are you in favor of the adoption of Amendment #8 as proposed by the Planning Board for the town zoning ordinance, as follows: amend Article 9.1.3 Wetland Conservation District Boundaries to add an Epping Road Development Buffer and set forth standards to determine the width of said buffers.

YES 714 NO 1041

Article 9: Petitioned Zoning Amendment: Are you in favor of the adoption of Amendment #8 submitted by Petition for the town zoning ordinance, as follows:

To see if the town will vote to Amend Article 4.2 Schedule I: Permitted Uses by deleting the present "Community Buildings" as a use permitted by Special Exception in the R-1, R-2, R-3, & R-4 districts. The Planning Board does not recommend this article.

YES 372 NO 1162**

Article 10:

Shall the Town raise and appropriate the sum of six million eight hundred forty five thousand and three hundred twelve dollars (\$6,845,312) for the design and construction of roads, water and sewer improvements in the Epping Road Tax Increment District, in accordance with RSA 162-K:8, and to authorize the issuance of not more than (\$6,845,312) of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the Board of Selectmen to negotiate such bonds or notes and to determine the rate of interest thereon. It is anticipated that no bonds will be issued unless and until debt service can be paid from the tax increment district fund. This article will only become effective subject to the passage of Article 28 and Article 29 of the 2015 Town Warrant. (3/5 ballot vote required for approval.) Recommended by the Board of Selectmen 5-0.

YES 1084** NO 596

Article 11:

Shall the Town raise and appropriate the sum of seven hundred eleven thousand and zero dollars (\$711,000) for the replacement of culverts and associated bridge reconstruction work on Linden Street and to authorize the issuance of not more than (\$711,000) of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33); and further to authorize the Board of Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon. (3/5 ballot vote required for approval.) Recommended by the Board of Selectmen 5-0.

YES 1333** NO 344

Article 12:

Shall the Town raise and appropriate the sum of five hundred and eighty thousand and zero dollars (\$580,000) for the design and construction of concrete sidewalks and curbing, bumpouts, stormwater management structures, and installation of street trees in the greater downtown including Water Street from Great Bridge to Swasey Parkway, and Front Street from the Bandstand to Spring and Elm Streets, and to authorize the issuance of not more than (\$580,000) of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33); and further to authorize the Board of Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon. (3/5 ballot vote required for approval.) Recommended by the Board of Selectmen 5-0.

YES 1393** NO 373

Article 13:

Shall the Town raise and appropriate the sum of one hundred and seventy five thousand and zero dollars (\$175,000) to add brick paver enhancements to the downtown area sidewalk project in addition to concrete

TOWN BALLOT

provided for in Article 12 of this Town Warrant and to authorize the issuance of not more than (\$175,000) of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33); and further to authorize the Board of Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon; Debt service will be paid from the general fund (\$175,000). This article will only become effective subject to the passage of Article 12 of the 2015 Town Warrant. (3/5 ballot vote required for approval.)

Recommended by the Board of Selectmen 4-0-1.

YES 1419**

NO 171

Article 15:

Shall the Town of Exeter raise and appropriate as an operating budget, not including appropriation by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$17,225,406.

Should this article be defeated, the default budget shall be \$17,215,345 which is the same as last year, with certain adjustments required by previous action of the Town of Exeter or by law, or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. (Majority vote required) Recommended by the Board of Selectmen 5-0.

YES 1306**

NO 363

Article 16:

Shall the Town of Exeter raise and appropriate as a water operating budget, not including appropriation by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$2,791,462. Should this article be defeated, the water default budget shall be \$2,786,400 which is the same as last year, with certain adjustments required by previous action of the Town of Exeter or by law.

(Majority vote required) Recommended by the Board of Selectmen 5-0.

YES 1313**

NO 356

Article 17:

Shall the Town of Exeter raise and appropriate as a sewer operating budget, not including appropriation by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$2,496,622. Should this article be defeated, the default budget shall be \$2,428,175 which is the same as last year, with certain adjustments required by previous action of the Town of Exeter or by law. (Majority vote

required) Recommended by the Board of Selectmen 5-0.

YES 1301**

NO 377

Article 18:

TOWN BALLOT

Shall the Town approve the cost items recommended in the fact finders report dated December 31, 2014, and subsequently accepted by the Board of Selectmen and the Exeter Police Association - NEPBA which calls for the following salaries and benefits at the current staffing levels:

Year	Estimated Salary and Benefits Increase	Health Insurance Savings
FY15	\$29,298	(\$25,723)
FY16	\$66,375	(\$51,446)
FY17	\$37,018	(\$51,446)

And further, to raise and appropriate the sum of three thousand five hundred and seventy five dollars (\$3,575) for the 2015 fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits over those of the appropriation at current staffing levels. (Majority vote required) Recommended by the Board of Selectmen 5-0.

YES 1220 NO 440**

Article 19:

Shall the Town raise and appropriate the sum of seven-hundred fifty thousand and zero dollars (\$750,000) for the purpose of constructing widened shoulders (bike paths) and sidewalks on Kingston Road, and further to authorize the withdrawal of \$150,000 from the Arterial Shoulder Widening capital reserve fund with the remaining \$600,000 to be funded through a NHDOT grant; furthermore, to authorize the Board of Selectmen to accept any state, federal and other grants and gifts related to the project. This article will not become effective unless the NHDOT grant is awarded to the Town. This article will not impact the tax rate. This will be a non-lapsing appropriation per RSA 32:7, VI and will not lapse until the project is completed or December 31, 2017, whichever is sooner. (Majority vote required) Recommended by the Board of Selectmen 5-0.

YES 1311 NO 402**

Article 20:

Shall the Town raise and appropriate the sum of one-hundred twenty-two thousand one hundred dollars (\$122,100), for the purpose of mechanical design, engineering, and replacement of 1999 twin gas-fired boilers at the Exeter Public Safety Complex. (Majority vote required) Recommended by the Board of Selectmen 5-0.

YES 1257 NO 378**

Article 21:

Shall the Town vote to raise and appropriate, through special warrant article, the sum of one-hundred thirteen thousand eight hundred and ninety five dollars (\$113,895), for the support of various human service agencies that will serve Exeter residents in 2015:

Agency	Amount
A Safe Place	\$5,500
Area Home Care	\$13,000

This lease/purchase will contain an escape (non-appropriation) clause. (Majority vote required) Recommended by the Board of Selectmen 5-0. YES 1226** NO 410

Article 27:

TOWN BALLOT

Shall the Town authorize the Board of Selectmen to enter into a lease/purchase agreement for \$102,434 for a replacement for the 1993 Fire Alarm Truck for the Exeter Fire Department, and to raise and appropriate the sum of twenty-one thousand five hundred and seventy-three dollars (\$21,573), which represents the first of 5 annual payments for that purpose. This lease/purchase will contain an escape (non-appropriation) clause. (Majority vote required) Recommended by the Board of Selectmen 3-2. **YES 880** NO 707**

Article 28:

Shall the Town vote to adopt Chapter 162-K of the New Hampshire Revised Statutes, which if adopted will grant the Town authority to establish tax increment financing districts. (Majority vote required) Recommended by the Board of Selectmen 5-0. **YES 1030** NO 579**

Article 29:

Shall the Town:

- a) Establish a municipal economic development and revitalization district as shown on a map entitled Proposed Epping Road Tax Increment District (dated January 30, 2015) and which generally encompasses portions of Epping Road east and west of Epping Road. The district will have the name of the Epping Road Tax Increment Financing District.
- b) Authorize the Board of Selectmen to appoint a District Administrator in accordance with RSA 162-K:13 and create a five member advisory board in accordance with RSA 162-K:14 with membership to be determined by the Selectboard.
- c) Adopt the provisions of the Epping Road Tax Increment District Plan (dated January 30, 2015) in accordance with RSA 162-K:9, which allocates the use of tax increments for retirement of bonds and notes as outlined in the plan. (Majority vote required) Recommended by the Board of Selectmen 5-0. **YES 1004** NO 579**

Article 30:

Shall the Town authorize the Board of Selectmen to negotiate and enter into a long term lease of up to 99 years on Town owned land described as Tax Map 98 Lot 3, for the purpose of installing a cellular tower on the property, a portion of which will benefit the Town of Exeter communications systems. (Majority vote required) Recommended by the Board of Selectmen 5-0. **YES 1281** NO 326**

Respectfully Submitted,

Andrea J. Kohler
Town Clerk

Dated: March 16, 2015

This ballot and results of the Exeter Town Meeting, 2nd Session showing votes cast on the official ballot were signed before me by Andrea J. Kohler, Exeter Town Clerk, this 16th day of March, 2015.

**TOWN OF EXETER, NH
FIRST SESSION OF ANNUAL TOWN MEETING
DELIBERATIVE SESSION
SATUDAY, JANUARY 31, 2015**

The first session of the 2015 Town Meeting was held at Exeter Co-Operative High School, 1 Blue Hawk Drive, in the Arthur L. Hanson III Center for the Performing Arts. Town Moderator Paul Scafidi called the session to order at 9:03 AM. Moderator Scafidi asked attendees to join him in Pledging Allegiance to the American Flag. He introduced the Town Officials seated at the head tables (from his left): Town Clerk, Andrea Kohler; Town Counsel, Walter Mitchell; Town Manager, Russell Dean; Finance Director, Doreen Ravell; Selectman and Vice Chair, Dan Chartrand; Selectwoman and Chair, Julie Gilman; Selectwoman and Clerk, Nancy Belanger; Selectman, Ann Surman; Selectman Don Clement and Town Treasurer, Alan Corey. Moderator Scafidi asked people coming into the auditorium to sign in with Checklist Supervisors. It is custom for non-residents to be allowed to speak to certain Articles because of their expertise. A motion was made to allow these people to speak. The motion made, seconded and approved.

Moderator Scafidi will recognize one resident at a time, but will recognize the proponent of an Article to speak before any other resident. Each speaker is to state their name and address in Town. Any amendment made to an Article must be seconded, and then followed by discussion. Following discussion the Moderator will call for a voice vote, or a card vote, from the registered voters present at this meeting.

Moderator Scafidi said the names of the candidates associated with Article 1 would be listed on the Ballot, as well as Articles 2 through 9, which are Zoning Articles. This meeting has no power to amend these Articles as previous public hearings have been held regarding the Zoning Articles. Moderator Scafidi said he and/or the Planning Director could address any questions or concerns relative to the Zoning Amendments following the meeting.

Moderator Scafidi called to discuss Article 28 and Article 29 before Article 10 because they are related to each other and it would be easier to understand their relationship being presented together.

Article 28

To see if the Town will vote to adopt Chapter 162-K of the New Hampshire Revised Statutes, which if adopted will grant the Town authority to establish tax increment financing districts.(Majority vote required)Recommended by the Board of Selectmen 4-0.

Moderator Scafidi called for discussion of the Article.

Brian Griset asked for clarification of the plural word of “districts”. Are there more than one? Selectmen, Don Clement explained it is part of the language of the statute.

Moderator Scafidi called for further discussion of the Article.

Seeing none, Moderator Scafidi declared the Article will go on the ballot as written.

Article 29

To see if the Town will vote to:

- a) Establish a municipal economic development and revitalization district as shown on a map entitled Proposed Epping Road Tax Increment District (dated January 20, 2015) and which generally encompasses portions of Epping Road east and west of Epping Road. The district will have the name of the Epping Road Tax Increment Financing District.

- b) Authorize the Board of Selectmen to appoint a District Administrator in accordance with RSA 162-K:13 and create a five member advisory board in accordance with RSA 162-K:14 with membership to be determined by the Selectboard.
- c) Adopt the provisions of the Epping Road Tax Increment District Plan (dated January 20, 2015) in accordance with RSA 162-K:9, which allocates the use of tax increments for retirement of bonds and notes as outlined in the plan.(Majority vote required) Recommended by the Board of Selectmen 4-0.

Moderator Scafidi called for discussion of the Article.

Selectman, Don Clement explained the Article. Darren Winham, Economic Development Director further explained the Article with a power point presentation. Jim Peschell spoke in favor of the Article, but questions the steps that will be taken to make sure we not allow variances to develop residential areas in the TIF District? Darren Winham will take notes of all questions and answer them at the end of discussion. Allan Corey spoke in favor of the Article, but questions the power the advisory board would have? Also questions why taxes would be used for an access road for developers? Cathy Corson spoke in favor of the Article and questions how long before we see our tax rate go down? Gwen English spoke against the Article and is concerned if the ends up being more than 6.85 million what do we do if it ends up costing us more? Economic Development Director, Darren Winham answered the questions. 1. The ZBA determines non-commercial use of property. 2. It is in the best interest of the Town to put water and sewer across Hwy 101 for future development. 3. The Advisory Board is just that, to give advice. 4. We will not bill out the any project until the developers have gone through ZBA and planning board. When the developers are ready to put shovel to ground, is when the Town will build the infrastructure. We can time this accordingly as we will not be using tax dollars. 5. As interest in building in Exeter grows, the more opportunity there is in economic development. 6. The proposed 91 residential units are on residential property and we can't stop them from putting residential units on residential property. 6. The quicker we can bill this out, the quicker our taxes will go down. 7. There is no mechanism for us to borrow more than that. Selectmen, Don Clement explained the bond issue of the project and urged the voters to move forward and vote yes for this article. Selectman, Dan Chartrand, spoke in favor of the article. Brian Griset spoke in favor of the article. Resident, Elliott Berkowitz spoke in favor of the article. Town Treasurer, Allan Corey questioned if the 91 residential units have a TIF increment? Does the base tax will go into the General Fund? Economic Development Director, Darren Winham explained when the TIF is voted in, the rate is set. It's the increment that is above that, that goes towards paying off the TIF infrastructure. Town Treasurer, Allan Corey questioned at what point does property come out of current use? Town Manager, Russell Dean explained property comes out of current use when the shovel meets the ground on an approved plan. The land use change tax goes into the General Fund. Alan Corey asked why is the Continental Drive land being included in the TIF if the infrastructure is already completed? Darren Winham explained the TIF District overlays the ERZ. Kate Miller spoke in favor of the Article stating we should not be afraid of families with children moving into our town. Robert Mike-Meyer spoke of his concern in regards to how certain aspects of the language of this Article has been rushed. He is against Article 8 and so he is against the TIF. Joanna Pellerine stated it is a bitter pill for her to swallow to say the only way the TIF will work is to give up our wetland buffer zone. She is concerned about the table values by which the wetlands will be classified. Darren Winham explained the wetland table was designed by wetland scientists and they will be available when the discussions continue in regards to the wetlands and the TIF. Selectmen, Don Clement asked the voters not to confuse the TIF Articles with the wetland Articles, they are two different things. **Selectman, Dan Chartrand made a motion to change the numeral 20 in line 2 and line 8 so it will read January 30 in both places in the Article. It was seconded. Moderator Scafidi asked for discussion of the amendment. Seeing none, Moderator Scafidi called for a voice vote. The Ayes have it. The date January 20 will be changed to January 30 in both places in the Article. Moderator Scafidi asked for further discussion of the Article.** Kathy Corson asked if developers can get a variance for residential property in a commercial property zone? Darren Winham answered yes, you can petition the ZBA for a variance and vice versa. Harry Thayer stated this is a win, win for the Town. Jason Proulx spoke in favor of the Article. **Moderator Scafidi called for a voice vote for Mr. Kevin King from Stratham to speak to the Article. Voice vote taken the Ayes have it.**

Kevin King from Stratham stated economic growth has not been allowed to happen because of the wetland setbacks. Developers and contractors leave the wetlands in a much better state and is a positive for the Town. **Moderator Scafidi called for further discussion of the Article. Seeing none, declared the Article to go on the ballot as amended.**

Article 10

To see if the Town will vote to raise and appropriate the sum of six million eight hundred forty five thousand and three hundred twelve dollars (\$6,845,312) for the design and construction of roads, water and sewer improvements in the Epping Road Tax Increment District, in accordance with RSA 162-K:8, and to authorize the issuance of not more than (\$6,845,312) of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the Board of Selectmen to negotiate such bonds or notes and to determine the rate of interest thereon .It is anticipated that no bonds will be issued unless and until debt service can be paid from the tax increment district fund. This article will only become effective subject to the passage of Article 28 and Article 29 of the 2015 Town Warrant.(3/5 ballot vote required for approval.) Recommended by the Board of Selectmen 4-0.

Moderator Scafidi called for discussion of the Article.

Selectman, Don Clement explained the Article. Town Manager, Russell Dean, we would not be borrowing any money until there is money from the TIF to pay for it. This bond does not impact on the Town's net debt. Anthony Zwaan asked if the feasibility to run water and sewer been looked at? If the administration decides not to build a road, is there an alternative? Darren Winham stated we are not committed to do anything until there is development that would warrant it. **Moderator Scafidi called for further discussion, seeing none the Article will go on the ballot as written.**

Article 11

To see if the Town will vote to raise and appropriate the sum of seven hundred eleven thousand and zero dollars (\$711,000) for the replacement of culverts and associated bridge reconstruction work on Linden Street and to authorize the issuance of not more than (\$711,000) of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33); and further to authorize the Board of Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon.(3/5 ballot vote required for approval.) Recommended by the Board of Selectmen 4-0.

Moderator Scafidi called for discussion of the Article. Selectwoman Gilman explained the Article.

Moderator Scafidi called for further discussion of the Article. Seeing none, the Article will go the ballot as written.

Article 12

To see if the Town will vote to raise and appropriate the sum of five hundred and eighty thousand and zero dollars (\$580,000) for the design and construction of concrete sidewalks and curbing, bumpouts, stormwater management structures, and installation of street trees in the greater downtown including Water Street from Great Bridge to Swasey Parkway, and Front Street from the Bandstand to Spring and Elm Streets, and to authorize the issuance of not more than (\$580,000) of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33); and further to authorize the Board of Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon.
(3/5 ballot vote required for approval.) Recommended by the Board of Selectmen 4-0.

Moderator Scafidi called for discussion of the Article. Selectwoman, Anne Surman explained the Article.

Moderator Scafidi called for further discussion of the Article. Seeing none, the Article will go on the ballot as written.

Article 13

To see if the Town will vote to raise and appropriate the sum of one hundred and seventy five thousand and zero dollars (\$175,000) to add brick paver enhancements to the downtown area sidewalk project in addition to concrete provided for in Article 12 of this Town Warrant and to authorize the issuance of not more than (\$175,000) of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33); and further to authorize the Board of Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon; Debt service will be paid from the general fund (\$175,000). This article will only become effective subject to the passage of Article 12 of the 2015 Town Warrant. (3/5 ballot vote required for approval.) Recommended by the Board of Selectmen 3-0-1.

Moderator Scafidi called for discussion of the Article. Selectwoman, Anne Surman gave an explanation of the Article. Bill Campbell spoke in favor of the Article explained he prefers brick but understands the cost may be too overwhelming but would like to see brick in some areas downtown. **Moderator Scafidi called for further discussion of the Article. Seeing none, the Article will go on the ballot as written.**

Article 14

To choose all other necessary Town Officers, Auditors or Committees for the ensuing year.

Moderator Scafidi called for discussion of the Article. Selectman, Dan Chartrand presented the following slate for the Budget Recommendations Committee as follows: Bill Campbell, Stef Canty, Alan Corey, John Gilbert, Nikki Graney, Fran Hall, Phil Johnson, Bob Kelly, Peter Lennon, Nelson Lourenco, Judy Rowan, Barry Sandberg, Corey Stevens, Don Woodward, and Anthony Zwaan. **Moderator Scafidi called for any further nominations. Nelson Lourenco asked to amend the slate and to remove himself from the slate of nominees. He nominated Frank Ferraro. It was seconded. Moderator Scafidi called for discussion. Seeing none a voice vote was taken. The Ayes have it. Moderator Scafidi declared the slate to go on the ballot as amended. Moderator Scafidi called for discussion of the nominees for the following: FENCE VIEWER: Doug Eastman; MEASURER OF WOOD & BARK: Doug Eastman; WEIGHER, Jay Perkins. Moderator Scafidi called for any further nominations. Seeing none, Moderator Scafidi declared the names will go on the ballot as presented.**

Article 15

Shall the Town of Exeter raise and appropriate as an operating budget, not including appropriation by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$17,225,406. Should this article be defeated, the default budget shall be \$17,215,345 which is the same as last year, with certain adjustments required by previous action of the Town of Exeter or by law, or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. (Majority vote required) Recommended by the Board of Selectmen 4-0.

Moderator Scafidi called for discussion of the Article. Town Manager, Russell Dean spoke in favor of the Article. Mr. Frank Ferraro stated the Town of Exeter pays the most money towards the Coast bus service. Other towns that utilize the bus service do not pay their fair share. In essence we are paying for these other towns. We should not be subsidizing these other Towns. **Mr. Frank Ferraro made a motion to reduce the General Government line item of the operating budget by \$15,000. (\$17,210,406.00) The motion was seconded. Moderator Scafidi called for discussion of the amendment.** Don Woodward, a member of the Transportation Committee spoke against the Amendment. Brenda Shrigley stated that she rides the Coast bus all the time, and since the Town of Greenland is not paying, the bus service has dropped all stops in Greenland.

Julie Gilman spoke that we would be billed by Coast for the service they have provided for this year. Their funding begins in October. Dana Trahan, who is legally blind, stated she uses the bus to attend a technology support group in Portsmouth, keep medical appointments and allows me to be independent without relying on friends and family for transportation. Jean Shiner, who is legally blind, moved here 10 years ago. She was attracted to this Town because it is a small walkable town. She uses the bus to keep her independence. It's not just for handicap people but for all people. Anne Surman spoke in favor of the amendment but is in support of the Coast bus but believes by cutting the funding of Coast bus will send a message to them to become more efficient and we should not be subsidizing other Towns. Nelson Lourenco stated that \$15,000 is less than on half of the proposed funding. He feels that Coast needs to have some accountability. Two residents from Newmarket asked to speak to the amendment. Moderator Scafidi called for a vote to let them speak. The ayes have it. Both residents spoke against the Amendment. Selectman, Dan Chartrand urges the voters to vote not on this Amendment. Our money is giving us more input to the ongoing discussions and process with Coast Bus. Frank Ferraro spoke that although he understands the need of public transportation and is not against it at all but is concerned that Coast is not operating efficiently. Greenland and Newmarket are not paying the full amount. The service should be efficient and we should not be paying for other towns. Nelson Lourenco spoke that after more than a year of talks, nothing has changed. Julie Gilman spoke that we still have to honor our debts so we still have to pay about \$25,000 for the service that we have used so far. Dana Trahan spoke that she is concerned about the number of riders on the bus. The ridership changes daily. **A call was made to move the amendment. Moderator Scafidi called for a vote to amend the Article. A card vote was taken. The Nays have it. Moderator Scafidi declared the amendment does not carry. Moderator called for further discussion, seeing none, the Article will go on the ballot as written.**

At 11:45 am, Moderator Scafidi called for 15 min break. **A motion was made for no more reconsideration of all articles acted on during morning session. It was seconded. Moderator Scafidi called for a vote. The Ayes have it. The meeting adjourned for 15 minutes.**

At 12:01, Moderator Scafidi called the meeting to order.

Article 16

Shall the Town of Exeter raise and appropriate as a water operating budget, not including appropriation by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$2,791,462. Should this article be defeated, the water default budget shall be \$2,786,400 which is the same as last year, with certain adjustments required by previous action of the Town of Exeter or by law. (Majority vote required) Recommended by the Board of Selectmen 4-0.

Moderator Scafidi called for discussion of the Article. Seeing none, Moderator Scafidi declared the Article will go on the ballot as written.

Article 17

Shall the Town of Exeter raise and appropriate as a sewer operating budget, not including appropriation by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$2,496,622. Should this article be defeated, the default budget shall be \$2,428,175 which is the same as last year, with certain adjustments required by previous action of the Town of Exeter or by law. (Majority vote required) Recommended by the Board of Selectmen 4-0.

Moderator Scafidi called for discussion of the Article. Seeing none, Moderator Scafidi declared the Article to go on the ballot as written.

Article 18

To see if the Town will vote to approve the cost items recommended in the fact finders report dated December 31, 2014, and subsequently accepted by the Board of Selectmen and the Exeter Police Association - NEPBA which calls for the following salaries and benefits at the current staffing levels:

Year	Estimated Salary and Benefits Increase	Health Insurance Savings
FY15	\$29,298	(\$25,723)
FY16	\$66,375	(\$51,446)
FY17	\$37,018	(\$51,446)

And further, to raise and appropriate the sum of three thousand five hundred and seventy five dollars (\$3,575) for the 2015 fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits over those of the appropriation at current staffing levels. A complete copy of the fact finders report can be found at exeternh.gov and copies will be available at the deliberative session. (Majority vote required)
Recommended by the Board of Selectmen 4-0.

Moderator Scafidi called for discussion of the Article. Seeing none, Moderator Scafidi declared the Article to go on the ballot as written.

Article 19

To see if the Town will vote to raise and appropriate the sum of seven-hundred fifty thousand and zero dollars (\$750,000) for the purpose of constructing widened shoulders (bike paths) and sidewalks on Kingston Road, and further to authorize the withdrawal of \$150,000 from the Arterial Shoulder Widening capital reserve fund with the remaining \$600,000 to be funded through a NHDOT grant; furthermore, to authorize the Board of Selectmen to accept any state, federal and other grants and gifts related to the project. This article will not become effective unless the NHDOT grant is awarded to the Town. This article will not impact the tax rate. This will be a non-lapsing appropriation per RSA 32:7, VI and will not lapse until the project is completed or December 31, 2017, whichever is sooner.
(Majority vote required) Recommended by the Board of Selectmen 4-0.

Moderator Scafidi called for discussion of the Article.
Selectwoman Julie Gilman explained the Article.

Moderator Scafidi called for further discussion of the Article. Seeing none, the Article will go on the ballot as written.

Article 20

To see if the Town will vote to raise and appropriate the sum of one-hundred twenty-two thousand one hundred dollars (\$122,100), for the purpose of mechanical design, engineering, and replacement of 1999 twin gas-fired boilers at the Exeter Public Safety Complex. (Majority vote required)
Recommended by the Board of Selectmen 4-0.

Moderator Scafidi called for discussion of the Article. Seeing none, the Article will go on the ballot as written.

Article 21

To see if the Town will vote to raise and appropriate, through special warrant article, the sum of one-hundred thirteen thousand eight hundred and ninety five dollars (\$113,895), for the support of various human service agencies that will serve Exeter residents in 2015:

Agency	Amount
A Safe Place	\$5,500
Area Home Care	\$13,000
Big Brother/Big Sister	\$9,000
CASA (Court Appointed Special Advocates)	\$500
Child and Family Services	\$12,000
Crossroads House	\$3,500
Families First	\$3,000
Friends Program (formerly RSVP)	\$2,200
Great Bay Kids	\$2,495
Meals on Wheels – Food	\$9,200
New Generation Shelter	\$2,000
New Heights (formerly New Outlook)	\$3,000
NHSPCA	\$1,400
Richie McFarland Center	\$11,100
Rockingham Community Action	\$11,000
Seacoast Family Promise	\$1,500
Seacoast Mental Health	\$8,500
Seacoast VNA	\$5,000
Sexual Assault Support Services (SASS)	\$3,000
St. Vincent De Paul	\$5,000
Womenade of Greater Squamscott	\$2,000
Total	\$113,895

(Majority vote required) Recommended by the Board of Selectmen 4-0.

Moderator Scafidi called for discussion of the Article. Seeing none, the Article will go on the ballot as written.

Article 22

To see if the Town will vote to raise and appropriate the sum of one-hundred thousand dollars (\$100,000), for the purpose of making improvements to the public safety communications system, to enhance emergency radio communications throughout Exeter. This will be a non-lapsing appropriation per RSA 32:7, VI and will not lapse until the project is completed or December 31, 2016, whichever is sooner.

(Majority vote required) Recommended by the Board of Selectmen 4-0.

Moderator Scafidi called for discussion of the Article. Seeing none, the Article will go on the ballot as written.

Article 23

To see if the Town will vote to authorize the Board of Selectmen to enter into a lease/purchase agreement for \$267,677 for the purpose of lease/purchasing a replacement for the 2005 Street Sweeper for the Exeter Public Works Department, and to raise and appropriate the sum of fifty-six thousand four hundred and eighty-two

dollars (\$56,482), which represents the first of 5 annual payments for that purpose. This lease/purchase will contain an escape (non-appropriation) clause.(Majority vote required)
Recommended by the Board of Selectmen 3-1.

Moderator Scafidi called for discussion of the Article. Seeing none, the Article will go on the ballot as written.

Article 24

To see if the Town will vote to raise and appropriate the sum of fifty-thousand dollars (\$50,000) to be added to the Snow and Ice Deficit Non-Capital Reserve Fund previously established. This sum to come from general fund surplus. (Majority vote required)Recommended by the Board of Selectmen 4-0.

Moderator Scafidi called for discussion of the Article. Seeing none, the Article will go on the ballot as written.

Article 25

To see if the Town will vote to raise and appropriate the sum of fifty-thousand dollars (\$50,000) to be added to the Sick Leave Expendable Trust Fund previously established. This sum to come from general fund surplus.(Majority vote required)Recommended by the Board of Selectmen 4-0.

Moderator Scafidi called for discussion of the Article. Seeing none, the Article will go on the ballot as written.

Article 26

To see if the Town will vote to authorize the Board of Selectmen to enter into a lease/purchase agreement for \$154,561 for a replacement for the 1990 Sno-Go snow blower for the Exeter Public Works Department, and to raise and appropriate the sum of thirty-two thousand six hundred and fourteen dollars (\$32,614), which represents the first of 5 annual payments for that purpose. This lease/purchase will contain an escape (non-appropriation) clause.(Majority vote required) Recommended by the Board of Selectmen 4-0.

Moderator Scafidi called for discussion of the Article. Seeing none, the Article will go on the ballot as written.

Article 27

To see if the Town will vote to authorize the Board of Selectmen to enter into a lease/purchase agreement for \$102,434 for a replacement for the 1993 Fire Alarm Truck for the Exeter Fire Department, and to raise and appropriate the sum of twenty-one thousand five hundred and seventy-three dollars (\$21,573), which represents the first of 5 annual payments for that purpose. This lease/purchase will contain an escape (non-appropriation) clause.(Majority vote required)Recommended by the Board of Selectmen 2-1-1.

Moderator Scafidi called for discussion of the Article. Seeing none, the Article will go on the ballot as written.

Article 30

To see if the Town will authorize the Board of Selectmen to negotiate and enter into a long term lease of up to 99 years on Town owned land described as Tax Map 98 Lot 3, for the purpose of installing a cellular tower on the property, a portion of which will benefit the Town of Exeter communications systems.(Majority vote required)Recommended by the Board of Selectmen 4-0.

Moderator Scafidi called for discussion of the Article. Seeing none, the Article will go on the ballot as written.

There being no further business to come before the meeting, Moderator Scafidi made a motion to adjourn the Deliberative Session of the Annual Town Meeting. So moved and seconded with no opposition, Moderator Scafidi declared the meeting adjourned at 12:34 PM and the meeting to resume at 7:00 AM at the Talbot Gym on Linden Street for voting purposes.

Respectfully Submitted,

Andrea J. Kohler
Exeter Town Clerk

State of NH
Rockingham County

Dated:_____

These minutes of the Deliberative Session held on January 31, 2015 were signed before me

_____ by Andrea J. Kohler, Exeter Town Clerk, this _____day of
_____, 2015.

DELIBERATIVE SESSION

TOWN OF EXETER, NH FIRST SESSION OF THE SPECIAL TOWN MEETING DELIBERATIVE SESSION TUESDAY, MARCH 31, 2015

The first session of the 2015 Special Town Meeting was held at Exeter Town Hall at 9 Front St. Town Moderator, Paul Scafidi called the session to order at 7:00 PM. Moderator Scafidi asked attendees to join him in Pledging Allegiance to the American Flag. He introduced the Town Officials seated at the head tables (from his right): Town Clerk, Andrea Kohler; Selectmen and Vice Chair, Don Clement, Selectwoman and Chair, Julie Gilman; Selectwoman, Anne Surman; Selectman, Dan Chartrand, Selectwoman, Nancy Belanger, and Town Manager, Russell Dean.

Moderator Scafidi asked people coming into the Town Hall to sign in with the Checklist Supervisors. It is custom for non-residents to be allowed to speak to certain Articles because of their expertise. Moderator Scafidi asked if there were any non-residents that would like to speak to the Article. Seeing none, Moderator Scafidi stated he will recognize one resident at a time, but will recognize the proponent of an Article to speak before any other resident. Each speaker is to state their name and address in Town. Any amendment made to an Article must be seconded, and then followed by discussion. Following discussion the Moderator will call for a voice vote, or a card vote, from the registered voters present at this meeting.

Article 1: To see if the town will vote to discontinue absolutely Gilman Street as a public highway, including any utility easements, permits or licenses therein, said discontinuance of Gilman Street to take effect upon the execution and recording of an Agreement between the town and the Trustees of Phillips Exeter Academy to ensure public access for (1) vehicular access via Chadwick Lane to the Gilman Park footbridge located at the end of the present Gilman Street, (2) parking in the area of the Gilman Park footbridge, and (3) pedestrian and other non-motorized access to the Gilman Park footbridge by the Gilman Street area. The discontinuance of Gilman Street as a public highway will relieve the town of all future maintenance costs for Gilman Street. Recommended by the Board of Selectmen 5-0.

Moderator Scafidi read the Article and called for discussion. Selectman, Don Clement explained that earlier in the year Phillips Exeter Academy came before the Board of Selectmen about discontinuing the use of Gilman Street as a public road. Both parties realized the many questions that needed to be answered before bringing it to Town Meeting in March. The Article provides Phillips Exeter Academy flexibility in development around and about Gilman Street and relieves the Town from any maintenance and future repair to that street. A critical agreement between the Town and the Academy will include access from Court Street to the footbridge of Gilman Park, emergency and pedestrian access via Gilman Street, and vehicular access via Chadwick Lane with accommodation for public parking near the footbridge. Mr. Roger Wakeman, Chief of Planning Facilities for Phillips Exeter Academy was recognized to speak to the Article. Mr. Wakefield showed a slide depicting the area of development with an explanation of their concept and their proposal. Although PEA has looked at other areas for development, this area in and around Gilman Street is their best choice for future development of a center for theater and dance. The goal is to replace Fisher Theater which is not meeting their needs. The vision of future development for a new facility is to embrace the Performing Arts not just for the Academy but also for the Town of Exeter. This is an opportunity to have a larger,

DELIBERATIVE SESSION

more modern facility used primarily for Academy performances. Also, to bring in outside performers and other activities that would be open to the public and benefit the Town. Gilman Street is a 60 ft. right of way dating back to the late 1800's used as a public access to the footbridge and into Gilman Park. The street is an encumbrance and limiting factor for the facility planning options. The Academy would like to create a win-win scenario where the street is removed, allowing us more flexibility to our planning and positioning of the building while complying with the set back regulations, redefining the landscaping gateway to the Town as you are coming up Court Street enhancing safety to our students and the public, eliminating the Town's maintenance responsibility of the street, enhancing Chadwick Lane, and our commitment to maintain and enhance the public access to the Gilman Park footbridge. All of our planning, development and parking issues would have to go through the regulatory process.

Moderator Scafidi called for discussion of the Article. Resident, Carole Smith is concerned about voting on this Article so quickly without knowing the plan, the flow of traffic and pedestrian crossing and parking. Jim Peschel questioned if the Academy is going to pay for the cost of the Special Election? Roger Wakefield answered yes. Resident, Sarah James from 70 Court Street spoke in favor of the Article. She feels adequate parking should be added to the Article. Resident, Lee Quandt questioned the worth of the road? Town Manager, Russell Dean spoke that the road is not taxed and we would not have to maintain the water and sewer on that street. Selectmen Dan Chartrand supports the Article. Selectwoman, Ann Surman spoke that nothing is being rushed because all development is a process and the plans have to go before the ZBA and planning board. The public will have an opportunity to address all of their concerns and issues as it goes through this process. **Martha Pennell made a motion to add a fourth condition as follows: (4) to ensure adequate off street parking for Academy activities. It was seconded. Moderator Scafidi called for discussion of the amendment.** Resident, Mark Trafton thinks the amendment is dicey because of the word "adequate". Selectman, Don Clement explained that the amendment is rather general and vague. Parking is a Planning Board decision based on our zoning regulations. Resident, Sarah James feels that adding parking into the Article should start from the ground up. Resident, Anthony Zwaan spoke in favor of the amendment. Roger Wakefield stated during regular hours and normal operation the Academy has adequate parking. The challenge is the special or community events. There are stipulations in the zoning regulations and planning that address parking. Having the road removed, will allow them the flexibility to enhance parking. **Moderator Scafidi read the article with the amendment. Moderator called for a card vote. Ayes 18, Nays 25. Moderator Scafidi declared the amendment does not pass. Moderator Scafidi called for further discussion of the Article.** Anthony Zwaan is concerned about ensuring pedestrian and public access. Roger Wakeman explained that PEA's commitment is to ensure public and pedestrian access to the Gilman Park footbridge and PEA's commitment is to create a more aesthetic and safer access. Resident, Kelly Richards spoke in favor of the Article. Resident, Gerry Hamel spoke in favor of the Article. Selectmen, Don Clement spoke about Gilman Street which is not a thru-way, public access is going to be maintained, and the Town will be alleviated from maintenance and repair of the road. Resident, Carole Smith questioned if the Town of Exeter just built a new foot bridge? Selectmen, Don Clement, stated the footbridge is Town property which we just repaired. Ms. Smith questioned how many people will the proposed building hold. Roger Wakefield spoke that the new building will hold 360 seats in the theater. There are code requirements that must be followed. Selectwoman, Julie Gilman, spoke that our Planning and Zoning Boards have the regulations in place to cover all of these concerns. Resident, Doug Flockhart is concerned that

DELIBERATIVE SESSION

the wording of the article is vague. He would like more concrete verbiage about parking. Resident, John Haslam, commented that most of the Townspeople don't even know Gilman Street is a town street. Resident, Kelly Richards feels the Academy will honor the Towns wishes in regards to aesthetics of the footbridge. Resident, Harry Thayer is in favor of the Article but there are some concerns about the access from Court Street to the footbridge. **Mr. Thayer made a motion to amend the article to change the wording on item (3) to read: direct access from Court Street for pedestrian and other non- motorized access via to the now known Gilman Street to the Gilman Park footbridge. Mr. Flockhart seconds the motion.** Resident, Harry Thayer spoke that he wanted to make sure that there is direct access to the footbridge from Court Street. Mr. Langdon Plumer spoke against the amendment because it limits the Academy of what they want to accomplish. Resident, Brian Griset feels the amendment is too restrictive. Roger Wakeman responded to the amendment saying the Gilman Street area gives them the flexibility to have direct access from Court Street to the footbridge. Selectman, Dan Chartrand asked Roger Wakeman if the Academy would commit to some sort of architectural signification to honor the historic nature of the path to the footbridge? Roger Wakeman spoke that memorialization of the pedestrian path to the footbridge is in the planning. **Resident, Harry Thayer withdrew his motion of the amendment and Mr. Flockhart withdrew his second. Moderator Scafidi stated that there would be no vote to the amendment.** Matt Quandt questions if there are changes 20 years from now, would the Town have to petition the Academy or the Town for vehicular and pedestrian access. Selectman, Don Clement stated the intent of the Board of Selectmen is to have a legal agreement with the Academy for that purpose. Town Manager, Russell Dean stated if the agreement has to be modified it would be up to the Board of Selectmen. Resident, Frank Ferraro questions if the agreement will be available for public viewing? Resident, Don Briselden, spoke in favor of the Article. Resident, Gerry Hamel spoke for the Article. **Moderator Scafidi called for further discussion of the Article. Gerry Hamel made a motion to move the Article. Moderator Scafidi called for vote. The Ayes have it. Moderator Scafidi declared the Article will go on the ballot as written.**

Respectfully Submitted,

_____ day of _____, 2015.

SELECTBOARD

For the year 2015 the Selectmen have had many projects, large and small, that we have seen accomplished.

The Department of Public Works dominated a considerable amount of our time. Much of the work dealt with water and sewer service projects. In advance of the Great Dam removal, which has been postponed to 2016 due to regulatory matters, the water projects we have finalized work to help diversify our water supply to lessen our dependence on using surface water from the Exeter River. The Lary Lane groundwater treatment plant was constructed and has started contributing water to the system. This project provides water with less chemical treatment required. We have also re-activated the Stadium Well to further provide groundwater to the system requiring less treatment. Upgrades in piping at Lincoln Street have rectified long needed water and sewer infrastructure improvements.

Another project was the replacement of culverts at the Linden Street Bridge. After being identified as a structure in eminent need of replacement, the Department of Public Works completed this work in a timely manner. We have also seen the final recommendations and design for repairs to the String Bridge. This is a project that has been waiting eight years because the State was not able to provide the funds it had committed to for the project.

The most difficult decisions regarded the various considerations for a new waste water treatment facility. The Board considered several different design and processing options ultimately approving a solution that provides for phasing the construction of the facility over years. Design and engineering continued while the Board considered a regional solution that would allow for sharing the costs of a new facility with other communities. Many solutions were proposed including connecting towns as far as Portsmouth. The complexity, timing and costs of such a decision led to the decision to keeping the plant as proposed to meet the needs of Exeter. While the consideration of regionalism is a topic for another day we needed to ensure our services would be provided in time to meet regulatory commitments the USEPA requires.

The downtown road and sidewalk improvements approved in 2015 have been delayed since the Department of Public Works was so committed to the projects already mentioned. We look forward to the finalizing the project while not looking forward to the disruptions involved!

Smaller projects overseen include a new sponsorship policy for the Parks and Recreation Department. This policy brought forth many difficult conversations. Ultimately the Board agreed that sponsorship opportunities for Parks and Rec. would provide funding for their many programs with less reliance on our tax dollars. Another policy providing for heated discussion was the consideration for the Town to use a “drone” or UAS to assist in the Fire Department in emergency management situations with the added service of providing aerial views of the Town for other purposes such as advertising the Town’s advantages. The Selectmen also adopted a cell phone “hands free” policy when municipal vehicles of any sort are in use.

The Selectmen saw two studies completed for consideration regarding town processes and facilities. The first focused on the Planning process the Town uses. It included a review of our Planning and Building Departments and with an emphasis on the department model and application process for development projects. This provides a baseline for the Planning Board and the Departments to use for any

SELECTBOARD

considerations they may wish to change. The second was a municipal facilities study that documented what we have and how we use what we have. This report also provides a baseline for prioritizing upgrades, change of use or any reorganization the Town Manager, the Board and departments to consider for the efficiency of services.

Finally the Town has said goodbye to many employees who have provided the work and support Exeter needs:

Fire Department: Bob Irish - 37 years

Police Department: Chief Richard Kane - 34 years

Fire Department: Assistant Chief Ken Berkenbush - 20 years

Department of Public Works: Office Manager Grace Rogers -19 years

Department of Public Works: Skip McEvoy - 19 years

Human Services Department: Director Sue Benoit – 16 years

Planning Department: Town Planner Sylvia VonAulock – 16 years

In closing, 2015 has been a busy, interesting, productive and definitely exciting year. We're looking forward to continued activities and accomplishments in 2016.

Respectfully submitted,

Julie D. Gilman, Chair

Exeter Board of Selectmen

Left to right: Anne Surman, Clerk; Dan Chartrand, Vice Chair; Julie Gilman, Chair;
Don Clement; Nancy Belanger

TOWN MANAGER

I am pleased to submit my 11th annual report to the Town as Town Manager. The year 2015 was filled with many town accomplishments of which I was glad to be a part. The Town is fortunate to have a dedicated, committed staff working hard at their missions and helping us meet our challenges. The year 2015 was no exception.

Projects and Happenings

The Town continued to move forward with many projects and happenings in 2015, including:

- A bond for \$711,000 was approved at the annual town election to replace defective culverts with a new bridge structure on Linden Street at Little River. This project was bid in the late spring, and was constructed through the summer and fall with completion in November.
- A TIF District was established on Epping Road, thanks to the support of the Board of Selectmen and the voters. The TIF, which hopefully will spur development along Epping Road, was approved by a 63% margin along with bonding authority for 6.8 million dollars, to be paid from TIF revenues if/when they materialize. The bonding will be used to build a road and make water/sewer improvements to the Epping Road area to allow development of marginal property. The TIF advisory board began meeting in 2015 as many projects for Epping Road continued to be worked through. A challenge moving forward is whether mixed use development should be allowed in the TIF area, and as of late 2015 this was being vetted by the planning board.
- A Special Town Meeting was held in March to request voter approval on the discontinuance of Gilman Street. This discontinuance will pave the way for a new Arts Center to be built on PEA's south campus. This exciting project was before the Planning Board at the end of 2015.
- Design and engineering of a new wastewater facility mandated by the EPA. Final design was achieved in late 2015 with a warrant article scheduled for the town ballot in 2016 for construction. Wright Pierce is the Town's engineer on the project. A final decision was made not to pursue a wastewater regional option with Stratham, Greenland, and Portsmouth as it was ultimately too complex. Timing as well as various other issues prevented this option from moving forward, despite good faith efforts by all involved.
- The Board of Selectmen approved the issuance of an RFQ to study options to further develop the Recreation Park, following a Needs Assessment Survey completed by Parks and Recreation. The Selectboard also adopted a formal sponsorship policy for Parks/Recreation that sets standards for sponsorships into the future.
- Through lease/purchases approved by the voters in March, the Town was able to replace some expensive heavy equipment, including a new street sweeper, a "Snow Go" heavy duty snow blower, and the fire department bucket/alarm truck.
- Voters approved a new agreement with the Exeter Police Association through 2017 after a fact finding process was completed.
- The replacement of a major water line plus sewer work on Lincoln Street began in 2015. Work will continue on the project in the spring of 2016. This main transmission line down Lincoln Street will help convey water from the new groundwater plant on Lary Lane and improve water quality.
- The Town commissioned MRI to review the planning process and write a report with recommendations of how to improve the process including the role of the Selectboard, Town Manager, Planning Board, and others in the process. The report was published in October and will be used as a guidepost for implementing improvements with the hope of making the process easier for applicants, and attending to the master plan updates in a more timely fashion.
- The groundwater plant approved by voters in 2012 was opened in the fall of 2015. This major capital improvement involves the reactivation of the Gilman and Stadium wells and will provide over 1 million gallons of additional water supply per day to the Town. Construction of the new

TOWN MANAGER

plant also saved the Town approximately 1 million dollars in mandated arsenic remediation that was avoided by building the new plant – a win win for the Town.

- The town purchased a quadcopter drone in June to be used by EXTV and Emergency Management. The Selectboard grappled with a policy regarding the drone and are still working through the final steps of adoption. During this period, drones became a big item on children's Christmas wish lists as the cost of the technology plummeted.
- Work continued on the Great Dam removal project. 2015 activities included engineering and permitting, and working with the Exeter Mills for a release of water rights agreement. In return, the Mills will receive town funding for a new heating/cooling system for the Mills apartments. In addition, much of 2015 was spent negotiating the Section 106 process for the Dam, which resulted in a memorandum of agreement between the Town, the State Division of Historical Resources, and the Army Corps., as well as 'interested parties.'
- Stratham Water Agreement. The Selectboard approved in late 2015 a water purchase agreement with the Town of Stratham. Under the terms of the agreement Stratham will pay a 2 million dollar "buy in" fee and rate revenues. The agreement will assist Exeter ratepayers by providing additional revenue to offset Exeter system costs into the future. The Agreement has to be approved by Stratham Town Meeting to become active.

Budget and Finance. The Town continued to make strides in 2015. In March, the Town general fund budget of \$17,225,406 was approved with a 78% percent in favor voter margin. The budget was a conservative one coming in at only .84% over FY14. Water and Sewer budgets were also approved by a strong margin gaining 79% and 78% approval, respectively. Town financials also continued to improve, with the Town meeting its goal of maintaining at least a 5% reserve on the general fund balances. In addition, the Town again received a clean audit from auditors Melanson & Heath. The Town had its 2015 tax rate set earlier than normal at \$7.39/1,000 of assessed value (total rate is \$25.54/1,000, inclusive of schools). Bills were mailed on time and taxes were collected by December 3rd on the second half bill. Due to the conservative budget and a revaluation, which increased values approximately 3%, the Town's portion of the tax rate dropped 38 cents per 1,000 in FY15 from \$7.77 to \$7.39. The overall tax rate decreased from \$26.06/1,000 in FY14 to \$25.54/1,000 in FY15.

Personnel

The Town saw many significant retirements and departures in 2015. In July, Town Planner Sylvia VonAulock departed after 15 years for a position with the Southern New Hampshire Regional Planning Commission. Glenn Greenwood provided interim planning services while the Town searched for a replacement. The hiring process was nearing completion at the end of 2015. In August, Assistant Fire Chief Ken Berkenbush accepted the position of Fire Chief in Amesbury, MA. Ken was a popular and capable Assistant Chief for Exeter and will do a great job for Amesbury. Police Chief Richard Kane announced his retirement in December. Chief Kane has served ably in the role of Police Chief since 1999 and has been a Police Department member since 1981. The Chief has served the Town well and we wish him all the best in his retirement.

Looking ahead to 2016, the Town can expect to continue the broad discussions and actions regarding economic development, working on the master plan for the Town, and continuing to improve infrastructure. Exeter continues to be a great place to live, and it has been a pleasure to serve as town manager, and see so much progress in 2015.

Respectfully submitted,

Russell Dean
Town Manager

TOWN CLERK

It seems that in the past few years, the clerk's office has embarked on major changes; whether it was remodeling, training for better services or introducing new processes. 2015 was a relatively quiet year for us.

The biggest event for us in 2015 was introducing the Top Dog Contest. In an effort to promote the timely licensing of dogs per State law and encourage our citizens to keep their dog's vaccinations current, we developed a contest. In January, every dog owner was sent a notice to license their dog with an entry form to participate in the first annual Top Dog Contest. The rules were simple. Complete an entry form (by mail or online) and return it to the Town Clerk's Office no later than April 30, make sure your dog had a current rabies on file at the clerk's office, register your dog before April 30th, and the owner must be 18 years or older. Dog owners could submit a picture that we posted on our Facebook page, our website and in the lobby of the Town Office Building. We had over 400 pictures posted in our lobby. In May, our top three winners were randomly drawn by our Selectboard and notified. A prize package of goods and services donated by local Exeter businesses were presented to them at a special meeting with a certificate and of course the coveted "#1" dog tag. It was a huge success and a lot of fun!

In November, with the 2016 election year looming, we contacted the Main Street School and asked if the Kindergarten class would be interested in electing the dog tag for the year 2016. The idea was well received by the Principal and his Kindergarten staff. A ballot was created with three different shapes of dog tags. The Main Street School Kindergarten class voted and cast their ballots in a "real" ballot box. The voters received an "I voted" sticker. The ballots were counted by a few second grade "Election Officials" and a winner was declared. The 2016 dog tag shape is a dog bone. We are very thankful to the Main Street School for allowing us the opportunity to educate our little people of the election process.

The Supervisors of the Checklist were busy and once again did not escape staff changes. In March, Susan Gorman was elected for a one year term and in November Camille Miller was appointed. Vicky Nawoichyk, Susan and Camille have worked as a team with new ideas to promote voter registration while diligently learning the many processes of keeping our voter checklist current and accurate while protecting the integrity of our voters.

It has been a rewarding year and I would like to thank our residents and customers for their patience and support throughout the year. We continue to attend training sessions to keep us informed of new processes and legislation to better serve you.

I would like to thank the Board of Selectmen, Town Manager, Department Heads and all Town employees for their encouragement, support and assistance. I am genuinely thankful and grateful for my staff; Sonya Littlefield, Eve Quinn and LeeAnn Simpson. The Town Clerk's Office would not run as smoothly as it does without their experience, knowledge, teamwork and support. Most of all, I would like to thank our residents of this great community for your support, patience and for giving me the opportunity to be your Town Clerk.

Respectfully Submitted,

Andrea Kohler, CMC
Town Clerk

ASSESSOR'S REPORT

The Town continued to function in 2015 under an assessing contract with MRI as the Town's Assessors, advising the Board of Selectmen on all assessing functions.

The core functions of the assessing office include valuing all real and personal property in the Town, processing abatement requests, measuring and listing properties, processing veterans credits and elderly exemptions, and processing other tax exemptions allowed by law (disability exemptions, dining hall exemptions, etc.). In addition the office continues to value all property on a regular basis to evaluate taxable versus non-taxable status under the NH RSAs.

The year 2015 was a statistical update/revaluation year for the Town. The Town's overall taxable based increased by approximately 3% as a result of the revaluation. This set the Town's new net taxable base at 1,662,036,322.

One of the main functions of the assessing office is to prepare the MS1, which is the report of the total valuation of Town property. This report is filed with the Department of Revenue Administration each year and is used to set the tax rate. The report captures changes in the year to year valuation of the Town. The most recent report is available online at exeternh.gov for interested citizens.

The 2015 MS1 listed a total of 2,946.19 acres in current use, 17 acres in discretionary easements (RSA 79C) and .32 acres in discretionary easements per RSA 79D. Of the total value base, the MS1 indicates a total value of 1,271,908,687 in residential land and buildings, with 359,545,713 listed as commercial value of land and buildings. Thus commercial to residential base ratio remained approximately 22% commercial, 78% residential after the revaluation. Under the Town's assessing classifications, Riverwoods, the Town's largest taxpayer, is considered a commercial use. The second and third largest taxpayers remain PEA and Exeter Hospital and their affiliates.

Assessing Clerk Janet Whitten continued to support the in-house assessing efforts through responding to customer requests, keeping the valuation database updated, and supporting the MRI team in their review of the assessing functions. Janet is an excellent resource for residents, property owners, and other departments and we are grateful for her continuing efforts to support our assessing team.

Respectfully submitted,

Russell Dean
Town Manager

FINANCE

Doreen Ravell – Finance Director
Laura Zogopoulos – Accountant
Helen Perrier – Accounting Clerk

The Finance Department is responsible for recording, monitoring and analyzing all revenue and expenditures of the Town. The Finance Department prepares and analyzes monthly financial statements. Financial statements are formally presented to the Board of Selectmen and the public on a quarterly basis at Board of Selectmen meetings.

Finance assists the Town Manager in the preparation of the annual budget, manages all financial audits, works with Department Managers, Board and Committee members, prepares all related municipal reports, reconciles general ledger accounts, performs account maintenance, ensures financial compliance with GAAP, GASB and all local, state and federal governments. Finance works closely with the Board of Selectmen, Town Manager, all Town Department Managers, Committee and Subcommittee Members and provides financial information and reporting that are crucial for operations.

The 2015 year was a very successful year from a financial prospective. All of the hard work accomplished by the Finance staff in cooperation with all Town Departments in maintaining the highest audit opinion, an unqualified opinion, for the Town's 2014 audit was successful. Many thanks to Russ Dean, Town Manager, Laura Zogopoulos, Accountant, Helen Perrier, Accounting Clerk. Linda Fecteau, Deputy Tax Collector, Michael Jeffers, Town Water & Wastewater Manager/Engineer, Matthew Berube, Water & Sewer Engineering Technician and Donna Cisewski, Human Resources Director who contributed greatly to reaching and maintaining the Town's financial objectives and audit goals. We are all committed to monitoring and reporting the highest quality financial statements for the Town of Exeter.

Great strides in financial accounting and management have directly contributed to the Town achieving an upgrade to its overall bond rating. On March 23, 2015, Moody's Investors Service announced that it upgraded The Town of Exeter's General Obligation bonds to A1 from A2 affecting \$15.8 million in debt. The bonds are secured by the town's general obligation unlimited tax pledge. According to Moody's Investor Services, "the A1 rating upgrade reflects the town's medium-sized tax base with above average wealth levels, manageable debt burden, and a multiple year trend of improving financial operations and satisfactory reserves." The upgrade positively impacts the Town's creditworthiness and bonding opportunities in the future.

Special thanks and appreciation are extended to the Budget Recommendations Committee members who volunteered a great amount of time and talent over many months to present a fair and prudent budget to the Board of Selectmen. It was a pleasure to work with all of you.

Sincerely yours,

Doreen Ravell, Finance Director

INDEPENDENT AUDITORS' REPORT

To the Board of Selectmen
Town of Exeter, New Hampshire

Additional Offices:
Andover, MA
Greenfield, MA
Manchester, NH
Ellsworth, ME

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Town of Exeter, New Hampshire, as of December 31, 2014, and for the year then ended, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

The Town's management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that

AUDITOR'S REPORT

are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Town of Exeter, New Hampshire, as of December 31, 2014, and the respective changes in financial position and, where applicable, cash flows thereof and the respective budgetary comparison for the general fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Accounting principles generally accepted in the United States of America require that Management's Discussion and Analysis and the Schedule of Funding Progress be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the *Governmental Accounting Standards Board*, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with evidence sufficient to express an opinion or provide any assurance.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated September 24, 2015 on our consideration of the Town's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial report-

AUDITOR'S REPORT

ing and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Town's internal control over financial reporting and compliance.

AUDITOR'S REPORT

MANAGEMENT'S DISCUSSION AND ANALYSIS

As management of the Town of Exeter, we offer readers this narrative overview and analysis of the financial activities of the Town of Exeter for the year ended December 31, 2014.

A. OVERVIEW OF THE FINANCIAL STATEMENTS

This discussion and analysis is intended to serve as an introduction to the basic financial statements. The basic financial statements are comprised of three components: (1) government-wide financial statements, (2) fund financial statements, and (3) Notes to Financial Statements. This report also contains other supplementary information in addition to the basic financial statements themselves.

Government-wide financial statements. The government-wide financial statements are designed to provide readers with a broad overview of our finances in a manner similar to a private-sector business.

The Statement of Net Position presents information on all assets and liabilities, with the difference between the two reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position is improving or deteriorating.

The Statement of Activities presents information showing how the Town's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g., uncollected taxes and earned but unused vacation leave).

Both of the government-wide financial statements distinguish functions that are principally supported by taxes and intergovernmental revenues (governmental activities) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (business-type activities). The governmental activities include general government, public safety, highways and streets, sanitation, economic development, and culture and recreation. The business-type activities include water and sewer activities.

Fund financial statements. A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. Fund accounting is used to ensure and demonstrate compliance with finance-related legal requirements. All of the funds can be divided into three categories: governmental funds, proprietary funds and fiduciary funds.

AUDITOR'S REPORT

Governmental funds. Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating a government's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures and changes in fund balances provide a reconciliation to facilitate this comparison between governmental funds and governmental activities.

An annual appropriated budget is adopted for the general fund. A budgetary comparison statement has been provided for the general fund to demonstrate compliance with this budget.

Proprietary funds. Proprietary funds are maintained as follows:

Enterprise funds are used to report the same functions presented as business-type activities in the government-wide financial statements. Specifically, enterprise funds are used to account for water and sewer operations.

Proprietary funds provide the same type of information as the business-type activities reported in the government-wide financial statements, only in more detail. The proprietary fund financial statements provide separate information for the water and sewer operations, both of which are considered to be major funds.

Fiduciary funds. Fiduciary funds are used to account for resources held for the benefit of parties outside the government. Fiduciary funds are not reflected in the government-wide financial statements because the resources of those funds are not available to support the Town's own programs. The accounting used for fiduciary funds is much like that used for proprietary funds.

Notes to financial statements. The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

Other information. In addition to the basic financial statements and accompanying notes, this report also presents certain required supplementary information which is required to be disclosed by accounting principles generally accepted in the United States of America.

AUDITOR'S REPORT

B. FINANCIAL HIGHLIGHTS

- As of the close of the current fiscal year, the total of assets exceeded liabilities by \$29,471,814 (i.e., net position), a change of \$3,220,147 in comparison to the prior year.
- As of the close of the current fiscal year, governmental funds reported combined ending fund balances of \$5,028,032, a change of \$2,100,486 in comparison to the prior year.
- At the end of the current fiscal year, unassigned fund balance for the general fund was \$1,644,434.
- Total long-term debt (i.e., bonds payable) at the close of the current fiscal year was \$14,329,800, a change of \$1,718,706 in comparison to the prior year.

C. GOVERNMENT-WIDE FINANCIAL ANALYSIS

The following is a summary of condensed government-wide financial data for the current fiscal year. Comparable data will be presented when available.
(Presented in thousands):

Net position - beginning of year	16,517	15,253	9,735	8,652	26,252	23,905
Net position - end of year	\$ 17,976	\$ 16,517	\$ 11,496	\$ 9,735	\$ 29,472	\$ 26,252

As noted earlier, net position may serve over time as a useful indicator of a government's financial position. At the close of the most recent fiscal year, total net position was \$29,471,814, a change of \$3,220,147 from the prior year.

AUDITOR'S REPORT

The largest portion of net position \$21,136,526 reflects our investment in capital assets (e.g., land, buildings, machinery, equipment, and infrastructure); less any related debt used to acquire those assets that is still outstanding. These capital assets are used to provide services to citizens; consequently, these assets are not available for future spending. Although the investment in capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

An additional portion of net position \$1,201,472 represents resources that are subject to external restrictions on how they may be used. The remaining balance of unrestricted net position \$7,133,816 may be used to meet the government's ongoing obligations to citizens and creditors.

Governmental activities. Governmental activities for the year resulted in a change in net position of \$1,458,936. Key elements of this change are as follows:

General fund revenues and transfers in in excess of expenditures and transfers out	\$ 405,499
Principal debt service expense in excess of depreciation expense	164,593
Current year fixed asset additions from current year sources	840,104
Other	<u>48,740</u>
Total	<u>\$ 1,458,936</u>

Business-type activities. Business-type activities for the year resulted in a change in net position of \$1,761,211. Key elements of this change are as follows:

Water operations	\$ 1,270,538
Sewer operations	<u>490,673</u>
Total	<u>\$ 1,761,211</u>

D. FINANCIAL ANALYSIS OF THE GOVERNMENT'S FUNDS

As noted earlier, fund accounting is used to ensure and demonstrate compliance with finance-related legal requirements.

Governmental funds. The focus of governmental funds is to provide information on near-term inflows, outflows and balances of spendable resources. Such information is useful in assessing financing requirements. In particular, unassigned fund balance may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year.

AUDITOR'S REPORT

As of the end of the current fiscal year, governmental funds reported combined ending fund balances of \$5,028,032, a change of \$2,100,486 in comparison to the prior year. Key elements of this change are as follows:

General fund revenues and transfers in in excess of expenditures and transfers out	\$ 405,499
Nonmajor funds revenues, bond proceeds, and transfers in in excess of expenditures and transfers out	<u>1,694,987</u>
Total	<u>\$ 2,100,486</u>

The general fund is the chief operating fund. At the end of the current fiscal year, unassigned fund balance of the general fund was \$1,644,434, while total fund balance was \$2,275,327. As a measure of the general fund's liquidity, it may be useful to compare both unassigned fund balance and total fund balance to total general fund expenditures. Refer to the table below.

<u>General Fund</u>	<u>12/31/14</u>	<u>12/31/13</u>	<u>Change</u>	<u>% of Total General Fund Expenditures</u>
Unassigned fund balance	\$ 1,644,434	\$ 1,083,945	\$ 560,489	9.5%
Total fund balance ⁽¹⁾	\$ 2,275,327	\$ 1,869,828	\$ 405,499	13.2%

⁽¹⁾ Includes Capital Reserve Fund.

The \$560,489 change in unassigned fund balance is primarily due to one-time revenues such as health insurance reimbursements and sale of deeded property, in addition to a transfer in from the EMS Revolving fund.

The total fund balance of the general fund changed by \$405,499 during the current fiscal year. Key factors in this change are as follows:

Use of fund balance as a funding source	\$ (450,000)
Revenues in excess of budget	599,799
Expenditures less than budget	130,713
Current year encumbrances in excess of prior year encumbrances	(147,158)
Change in capital reserves	(33,935)
Other	<u>306,080</u>
Total	<u>\$ 405,499</u>

AUDITOR'S REPORT

Included in the total general fund balance are the capital reserve accounts with the following balances:

	<u>12/31/14</u>	<u>12/31/13</u>	<u>Change</u>
General capital reserves	\$ <u>202,112</u>	\$ <u>236,047</u>	\$ <u>(33,935)</u>
Total	\$ <u><u>202,112</u></u>	\$ <u><u>236,047</u></u>	\$ <u><u>(33,935)</u></u>

Proprietary funds. Proprietary funds provide the same type of information found in the business-type activities reported in the government-wide financial statements, but in more detail.

Unrestricted net position of the enterprise funds at the end of the year amounted to \$4,786,640.

Other factors concerning the finances of proprietary funds have already been addressed in the entity-wide discussion of business-type activities.

E. GENERAL FUND BUDGETARY HIGHLIGHTS

There were no differences, other than reclassifications, between the original budget and the final amended budget.

F. CAPITAL ASSET AND DEBT ADMINISTRATION

Capital assets. Total investment in capital assets for governmental and business-type activities at year-end amounted to \$37,055,263 (net of accumulated depreciation), a change of \$4,769,162 from the prior year. This investment in capital assets includes land, buildings, improvements, machinery and equipment, and infrastructure.

Major capital asset events during the current fiscal year included the following:

- Land additions
- Waterline and Sewerline replacements
- Groundwater Treatment Facility
- Vehicles (Fire Truck) and equipment purchases

Additional information on capital assets can be found in the Notes to the Financial Statements.

Credit Rating. The Town of Exeter had an "A2" Moody's rating for general obligation debt at year-end. Subsequent to year-end Moody's upgraded the general obligation rating to "A1".

AUDITOR'S REPORT

Long-term debt. At the end of the current fiscal year, total bonded debt outstanding was \$14,329,800, all of which was backed by the full faith and credit of the government.

Additional information on long-term debt can be found in the Notes to Financial Statements.

REQUESTS FOR INFORMATION

This financial report is designed to provide a general overview of the Town of Exeter, New Hampshire's finances for all those with an interest in the government's finances. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to:

AUDITOR'S REPORT

TOWN OF EXETER, NEW HAMPSHIRE

RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES, AND CHANGES IN FUND BALANCES OF GOVERNMENTAL FUNDS TO THE STATEMENT OF ACTIVITIES

FOR THE YEAR ENDED DECEMBER 31, 2014

Net changes in fund balances - Total governmental funds **\$ 2,100,486**

- Governmental funds report capital outlays as expenditures. However, in the Statement of Activities the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense:

Capital outlay purchases, net	1,550,721
Depreciation	(530,993)

- Revenues in the Statement of Activities that do not provide current financial resources are fully deferred in the Statement of Revenues, Expenditures, and Changes in Fund Balances. Therefore, the recognition of revenue for various types of accounts receivable (e.g., property taxes) differ between the two statements. This amount represents the net change in deferred revenue.

18,018

- The issuance of long-term debt (e.g., bonds and leases) provides current financial resources to governmental funds, while the repayment of the principal of long-term debt consumes the financial resources of governmental funds. Neither transaction, however, has any effect on net position:

Repayments of debt and capital leases	695,586
Issuance of debt and capital leases	(2,264,995)

- In the Statement of Activities, interest is accrued on outstanding long-term debt, whereas in governmental funds interest is not reported until due.

(26,565)

- Some expenses reported in the Statement of Activities, such as compensated absences, do not require the use of current financial resources and therefore, are not reported as expenditures in the governmental funds.

Compensated absences	33,083
Other post employment benefits	<u>(116,405)</u>

Change in net position of governmental activities **\$ 1,458,936**

The accompanying notes are an integral part of these financial statements.

FINANCIAL REPORT OF THE TOWN, CITY, OR VILLAGE DISTRICT BUDGET

Form Due Dates: **April 1, 2015**, if operating on a Calendar Year, reporting from 1/1/14 to 12/31/14,
OR
September 1, 2015, if operating on a Fiscal Year, reporting from 7/1/13 to 6/30/14.

Instructions

Cover Page

- Select the entity type that you are filing for (Municipality or Village District)
- Select the entity name from the pull down menu
- Enter the preparer's information

Account Codes

- In the *Expenditures* section, enter the *Other Authorizations*, and *Actual Expenditures* for each applicable account code
- Every instance of an *Other Authorization* requires an explanation on the page preceding the *Revenues* section
- In the *Revenues* section, enter the *Actual Revenues* for each applicable account code

Balance Sheet

- Enter the *End of Year* balance for each applicable account code

Reconciliation Sheets

- Use at will to aid in reconciling discrepancies on the balance sheet

Amortization of Long Term Debt

- Enter all information regarding long term debt

INSTRUCTIONS For the MS-535 Financial Report of the Town, City, or Village District Budget

The MS-535 is to be used by every NH town, city, or village district to report the year end financial status of the budget. The report is to be completed at the end of the reporting year and submitted to the NH Department of Revenue Administration (DRA) pursuant to RSA 21-J:34, V.

Cover Sheet

Prior to entering reporting data, please fill out all fields on the cover page.

NOTE: NH law requires all municipalities to gross appropriate. Full disclosure of those appropriations and offsetting revenues are required on this report. Those amounts accounted for in proprietary or other funds are later removed from this report for purposes of general fund balance sheet disclosure. See the municipality's audited financials for more information on proprietary funds, special revenue funds, or capital project funds.

The governing body and preparer must sign in ink, date, and mail the report to the DRA at the address on the cover by April 1st after a calendar reporting year and by September 1st for optional reporting year.

Budget Expenditures

Voted Appropriations	Enter gross appropriations as voted at the prior year's annual and any special meetings and as approved by DRA on the MS-2. For accounts 4931, 4932, 4933, and 4934 the voted appropriations should match the amounts shown on the tax rate calculation paperwork. In the future, DRA will pre-populate this column.
Other Authorizations	Enter expenditure authorizations in addition to amounts in column 3 and detail in the box at the bottom of the page. Examples: Emergency expenditures under RSA 32:11; grant expenditures under RSA 31:95-b; additional expenditures from capital reserve or trust funds by agents.
Actual Expenditures	Enter actual expenditures (include amounts in column 4). (Proprietary funds, special revenue, and capital project funds are to be netted out for this report, generally in acct. #4914 or #4912). Expenditures for "Payments to Other Governments" on page 4 are set in tax rates. For accounts 4931, 4932, 4933, and 4934 the actual expenditures should match the amounts shown on the tax rate calculation paperwork.

Revenues

Estimated Revenues to Set Tax Rate	Enter estimated revenues from reporting year MS-4 used to set the tax rate.
Actual Revenues	Enter revenues attributable to the reporting year. Proprietary funds, special revenue, and capital project funds are to be netted out for this report at the bottom of the column. In the first row, acct. #3110, add property tax amount from tax collector's warrant, plus any excess overlay. Enter general fund revenue in the last row.

General Fund Balance Sheet

Beginning of Year Column	Enter Beginning of the Year amounts using prior year's End of Year amounts or as adjusted by your auditors.
End of Year Column	Enter the End of Year amounts from your records or as adjusted by your auditors. See <i>Reconciliation Worksheets</i> to help calculate amounts.
To be GASB 54 compliant, the fund balance classifications have changed. See the next sheet for further explanation.	

Reconciliation Worksheet

General Fund Section	This section illustrates how revenues and expenditures flow through to Fund Balance
School District Section	Enter amounts to determine end of year school district liability, or call your SAU for year end amounts.
Tax Anticipation Notes Section	Enter amounts to determine end of year TAN liability amount.

Fund Balance Explanation: Changes from Previous Year's as Necessitated by GASB 54

As Previously Classified in Prior Years

a. Assigned (Formerly Reserve for encumbrances)	2440
b. Committed (Formerly Reserve for Continuing Appropriations)	2450
c. Restricted (Formerly Reserve for Appropriations Voted for CRF/ETF)	2460
d. Committed (Formerly Reserve for Appropriations Voted)	2460
e. Assigned (Formerly Reserve for Special Purposes)	2490
f. Unassigned (Formerly Unreserved Fund Balance)	2530

As Required under GASB 54

a. Nonspendable Fund Balance	2440	= Non-cash items such as inventories or prepaid items.
b. Restricted Fund Balance	2450	= Funds legally restricted, such as a grant or library funds.
c. Committed Fund Balance	2460	= Only used for a specific voted purpose, like a special WA.
d. Assigned Fund Balance	2490	= Intended for specific purpose such as an encumbrance.
e. Unassigned Fund balance	2530	= Spendable fund balance (formerly: unreserved or surplus).

Report of Appropriations Actually Voted: Exeter

Form Due Date: 20 Days after the Town Meeting

For Assistance Please Contact:

NH DRA Municipal and Property Division

* Items are to be replaced by different type of vehicle

Useful life has been updated to reflect Town of Exeter Vehicle Replacement Schedule 2011

Replacement costs were figured using "Grappone Ford" State Bid 2011; CN Wood, Liberty International Trucks, Bombardier Tractors or applying a 4.5% vehicle inflat

BUILDING DEPARTMENT

This year has been a very exceptional year for the Building Department. Major development of non-residential and multi-family residential projects has increased the building permit revenues to a staggering \$430,329.00 for the fiscal year. We have also surpassed the total number of permits issued in one year to a record of 818 permits (see attached report).

With the Town Planner leaving in June of 2015, there has been an additional workload placed on the Building Department staff, mostly for Barb McEvoy. Thank you to her and the Building Department for taking on the additional work. I would also like to extend thanks to Kathy Croteau, Kristen Murphy and Tim Tregea for their hard work in making the Building Department function as a smooth professional operation.

The Building Department continues to be a resource for the residents of Exeter, property owners, appraisers, architects, builders, developers, engineers, realtors and anyone with questions about building projects and land use. This department also works closely with the Public Works Department and Fire and Police Departments, all in an effort to make Exeter a great place to live.

Respectfully submitted,

Douglas Eastman
Building Inspector/Code Enforcement
Officer

ECONOMIC DEVELOPMENT

Exeter's Economic Development Department has been central to several exciting initiatives in its first full year of existence. The Department and its Director, Darren Winham, championed a five hundred and eighty-seven-acre Tax Increment Financing (TIF) District in the Epping Road Corridor designed to "stimulate development of commercial, industrial and residential property." The TIF Plan, financed by new taxes, will create infrastructure, including water and sewer lines on Route 27 between Continental Drive and Route 101 and an industrial road, with water, sewer and a bridge span, to access strategic parcels that otherwise would remain dormant. The Department is also working on land acquisition for a private development on former state property, an Economic Development Strategic Plan (EDSP) and several projects of varying size in Exeter's downtown.

It is the mission of the Economic Development Department to increase the wealth of the community by expanding the commercial and residential tax base, creating jobs and championing smart, sustainable, right-for-Exeter projects. As it was for 2015, the Epping Road Economic Development Initiative is the top priority of the Department for 2016. Mr. Winham has been working with developers, private landowners, Town staff, potential and existing businesses, elected officials and community stakeholders to create a commercially viable landscape in a sector of Exeter that has for its long history has been economically stagnant. The TIF is a fantastic start but much more attention should be directed to the corridor to ensure success. To that end, the Department teamed with the Exeter Area Chamber of Commerce to provide a public trek to help educate locals on some of the difficulties in this area. It is the hope of the Department, borne by how much private developer interest that the TIF and Mr. Winham's efforts have generated, that much consideration be given to a flexible approach – potentially including a rezone of the corridor – that seeks to accommodate the identified challenges (topography, geography, wetlands, etc.) of the sector.

The Economic Development Strategic Plan will be available by mid-summer 2016 and, coupled with the new Town Plan, will help guide Exeter's economic strategy. Both documents and input from the revamped Exeter Economic Development Commission (EEDC) will be crucial to Epping Road's development. The EEDC, who was the catalyst for such economic initiatives as the Community Revitalization Tax Relief Incentive (RSA 79E) and the Epping Road Economic Revitalization Zone, has taken on a more politically active role and projects to be a leader in local economic policymaking in the new year.

Over the past year, the Economic Development Department has engaged in a variety of projects ranging from small to large. Downtown, our Director is working with the owner of the former Loaf & Ladle to bring in a new restaurant, the addition of Storyline LLC, the new owners of the String Bridge for investment thereon, a potential parking study, and the owner of the former Ioka Theater, which has seen interest from private developers that would like to transform the iconic venue into something vibrant. The Department also engaged with projects town-wide, such as the expansion of FW Webb, the additions of Garnet Hill and Garamont, and several exciting ventures in the Garrison Glen Corporate Technology Park, the latest of which will see a company relocation with a new 105,000 square-foot facility. Finally, the Department was the driver behind a project that will see a new building constructed on the corner of Holland Way and Hampton Road. This rousing development is the result of a joint effort of the Department, Board of Selectmen, local legislators and the Department of Transportation and will see a previously state-owned parcel become a taxable, job-creating site.

The Town of Exeter Economic Development Department is open for business all hours and all days. Please feel free to contact our Director, Darren Winham, at your convenience on his cell phone (603) 773-6122 or via email dwinham@exeternh.gov.

FIRE DEPARTMENT

A Tradition of Service

2015, for the Exeter fire department, was a year of changes. Assistant Chief Berkenbush retired after 20 years of service, accepting the Fire Chief position in Amesbury, Mass. Firefighter paramedic Roswell “Skip” Galvin also retired after 16-1/2 years of service to the community and Firefighter Paramedic Shana Clark left the department for a position with the State Fire Marshal’s Office.

As a department, we wish them all the best. Collectively, they were all involved in the community; reading to children in the schools, conducting EMS training and outreach to our community’s older population. Thank you for your service.

With these changes opportunities are found to move the department forward and to welcome in a newer generation of firefighters, new members that build on our Tradition of Service.

This year, Justin Pizon was promoted to the rank of Assistant Fire Chief. Chief Pizon rose to the top after months of testing; he is a 13 year member of the department and a certified Paramedic. We look forward to the new ideas that he brings to the department.

I would also like to thank the budget committee and the voters for their support of the new radio systems for the Fire Department and the Police. The installed system has greatly improved communication and improved the safety for all our emergency personnel.

As always, the Exeter Fire Department looks forward to serving the community in the New Year and would like to thank the Board of Selectmen for their continued support of our mission and to Russ Dean for his support.

Sincerely

Brian Comeau
Chief of Department

DIVISION OF EMERGENCY MANAGEMENT

The Division of Emergency Management had another busy year in 2015. After a quiet holiday season in late 2014 and into January of 2015, the snow started to fall by the end of the month and did not seem to stop until March. The near historic snowfall between January 26 and January 28, deposited over 30 inches of snow in many parts of the seacoast region, and a total of over 100 inches of snow continued to bury the Town of Exeter most of the winter. A presidential disaster declaration was received to aid in recovering some of the snow removal expenses. A total of over \$71,000 in expenses were approved and the town received \$53,825 in reimbursements.

The Town of Exeter, Emergency Operations Plan is currently being reviewed and recommended revisions or updates will be completed in 2016. Once complete the plan will be forwarded to the New Hampshire Department of Homeland Security and Emergency Management and FEMA for approval.

Emergency response personnel, including the Emergency Management Director and Deputy Director received over 300 hours of training in incident command and community response and preparedness during the year, much of this training was grant funded, or at no cost to the attendees or the Town of Exeter.

In November, the Town of Exeter and all towns within the Seabrook Nuclear Power Station evacuation zone, participated in the first of three preparedness exercises required by State and Federal regulators. One practice exercise was held in 2015 with another practice exercise scheduled in early 2016 and a final graded exercise scheduled in April 2016. The Town of Exeter Emergency Operations Center was opened and staffed to provide all responsible positions a chance to participate in real life situations and experiences. Personnel from the Town of Exeter, Exeter schools, Exeter Hospital and Phillips Exeter Academy were evaluated on preparation and response, and performed very well.

Everyone at the Exeter Fire Department and the Division of Emergency Management would like to thank all town departments and most importantly the residents of Exeter. It's your commitment to safety, and use of good common sense has allowed us to provide the best quality service, in the most cost efficient manner. Your continued support and vigilance will be necessary for the Town of Exeter to remain prepared to meet future emergency management challenges.

Sincerely,

Eric Wilking
Assistant Fire Chief
Deputy Emergency Management Director

HEALTH DEPARTMENT

The Health Department activities revolve mostly around environmental issues. We inspect and investigate all calls that may come in for restaurant and food service facilities, child care facilities, foster care, businesses, residential and landlord-tenant concerns; as well as health care and hospital facilities. Animal complaints and building complaints are usually referred to the appropriate town departments. Nuisance complaints range from air quality, mold, trash, dumpster issues to bedbugs and mosquitoes. The departments' complete environmental and public health related activities are available in the Exeter Fire Department Consolidated Report.

The 2015 Mosquito Surveillance and Response Plan and Program was contracted with Municipal Pest Management. Catch basin larval surveillance started the second week in May. The adult mosquito collection began in June. The full program ran from April 1 through October 30. The State testing program ran in two phases; July 1-July 30 and August 1 through September 30. Exeter had no positive results found for Eastern Equine Encephalitis(EEE) or West Nile Virus(WNV). No emergency barrier spraying was conducted. The complete annual report will be available from Municipal Pest Management. The Health Department distributed pamphlets and posters concerning mosquitoes and ticks at the Police/Fire Complex, Town Offices and the Library.

The Seacoast Public Health Network(PHN) has moved to Lamprey Health Care, Inc. in Raymond. As of July 1st, Lamprey Health Care became the new fiscal agent for the program. The expansion of the program caused the need for additional space and broader fiscal responsibility. The PHN's initial purpose and program was Public Health Emergency Preparedness with one manager and a volunteer coordinator for the Citizen Corps and Medical Reserve Corps. The program has expanded to include the Substance Misuse Prevention Treatment and Recovery Program with a coordinator and a facilitator; as well as a Public Health Advisory Council coordinator. The Seacoast PHN serves 23 communities in eastern Rockingham County. Contact Mary Cook, Public Health Emergency Preparedness Manager at 603-244-7311 or mcook@seacoastphn.org for more information.

Exeter has 97 licensed food service facilities. This year we have had 5 new facilities, 4 with plan reviews; 4 closed facilities with 1 reopening, and 3 change of ownership. 33 temporary licenses were issued. 21 of the temporary issues were for the Beer and Chili Festival, 7 for the American Independence Festival and 7 for the Fall Festival. The Health Department hosted a ServSafe manager certification class for local facilities. There were 12 in attendance.

24 Complaints were filed. Food service issues had 7. Other calls were nuisance type issues ranging from bedbugs, pond algae, bird mites, mold, ice dams to dumpsters and sanitary sewer overflow and water complaints.

For information on current environmental issues, public health issues and links to other health agencies visit the Health Department's website at www.exeternh.gov. Contact Judy Jervis, Health Officer at 773-6132 or email jjervis@exeternh.gov with questions, concerns or complaints.

LIBRARY

Vision

The Exeter Public Library vision is to be the informational hub for the Exeter area, a vital institution that attracts and stimulates a vibrant community.

Mission

The Exeter Public library's mission is to promote a literate, enlightened citizenship by providing equal access to a range of media, services and programs to meet the informational and recreational needs of the community, and to encourage the discovery and evaluation of ideas and information, especially recognizing the library's responsibility as a place for children to discover the joy of reading.

The Board of Trustees and librarians of the Exeter Library are dedicated to carrying out our mission and vision through a variety of programs and materials for residents of all ages, interests, and abilities in the library and as out-reach programs.

The Exeter Library works to be Exeter's Third Place (First Place is home, Second Place is work or school) the library is a neutral place for everyone who comes in the door and is a place that treats all members of the community as equals.

The library is open 62.5 hours per week, Monday – Saturday; including 8:30 AM to 8 PM four days a week and offers books, CDs, magazines, DVDs, downloadable e-books and audio-books on a variety of topics for all ages and always takes into account patrons' requests. Exeter Public Library offers computers and internet access. . Librarians assist residents with various online programs, resumes, email set-up, foreign languages, online learning, various online certificate programs, etc. Exeter has story times for children 18 months to preschool, book groups for children 1st grade to high school as well as book groups for adults.

Librarians provide book talks at various senior facilities in Exeter and at the local schools. The library hosts a music series for all ages, summer reading programs for children, teens, and adults as well as a variety of programs for all ages and all interests. Exeter provides space for Adult Education tutors, AARP Tax help, NH State Safe Boating, homeschooling etc. The library is a comfortable place for people to read, use their laptops, tutor, or visit. The library has a first-rate History Collection with a user friendly microfilm reader (microfilm for materials date back to 1787) and magnification reader. Exeter Public Library partners with the Exeter Historical Society as well as the NH Humanities Council to offer a variety of programs.

The library has a friendly and inviting Teen Room where teens feel comfortable to meet, do homework, and read.

The materials, programs, and free internet access combined with a welcoming staff and space define the Exeter Public Library as Exeter's Third Place.

Hope Godino
Director

PARKS AND RECREATION

2015 was a year of facility updates and future planning. In the spring, we had the pool resurfaced and painted the bathhouse. In addition, we did some cosmetic improvements to the entry area around the pool and Planet Playground, as well as Kids Park Playground.

In terms of future planning, we completed the Facilities and Program Needs Study done by UNH in the early spring. This gave us some insight on what the community and customers want to see going forward. Using this as a road map we put together and RFQ for a site evaluation and cost analysis for the recreation park. After the submission process and interviews, we selected Tighe & Bond out of Portsmouth to do this work. They will be putting together this report in early 2016 and should be ready in March. It should be noted that the Revolving Fund paid for these studies with no use of tax dollars.

The Powder Keg Brew and Chili Fest at Swasey Parkway, an event sponsored by our department and the Exeter Area Chamber of Commerce, was held for the 4th year with record crowds and a sellout. The Powder Keg has become one of the premier events of its kind in the area and we hope to see you there on October 1, 2016.

No report would be complete without a huge thanks to our volunteer coaches. The youth programs are totally dependent on the volunteers who coach the teams. If your child participates in these programs, please think about volunteering, we are always looking for coaches. Also we cannot forget the many people and groups that adopt our gardens and traffic islands.

All of us at the Parks and Recreation Department look forward to serving you in 2016.

Michael Favreau – Director

Jim Mahoney – Park Maintenance

Greg Bisson – Assistant Director

Jay Perkins Jr. – Park Maintenance

Dan Conrad – Rec. Program Coordinator

Nancy Bugbee – Office Assistant

POLICE

It is with great honor that I present the 2015 annual report for the Exeter Police Department. Exeter is a unique town trying to hold its historic identity and appearance, yet is growing at an incredible rate. Exeter is recognized for the downtown area with the bandstand and Town Hall where we currently witness many presidential candidates, hold Town Hall meetings, yet booms with housing projects on both the east and west sides of town that will certainly bring many new residents looking to reside in a safe and thriving community. Business opportunities also thrive, particularly in the Epping Road area. Examples being the grand opening of the Great Bay Kids Company, the Neighborhood Beer Company and the Epping Road Veterinary Clinic soon to open to name a few.

Members of your police department attended the grand opening of the Exeter Community YMCA on the grounds of the former Exeter Junior High School. The “Y” embraces and encourages what you can expect from the Exeter Police Department; caring, honesty, respect and responsibility. I know I can speak for all the members of the Exeter Police Department when I add compassion and quality services.

As this growth brings opportunity and optimism, it will also bring an increase in calls for service for the town’s first responders. That being said, I know we are up for the challenge. The Exeter Police Department handled 25,455 calls for service this past year. These calls ranged from the severity of a murder-suicide to petty thefts from unlocked motor vehicles. The heroin crisis also weighs heavy on the minds of the entire community and I will work with all community leaders to find a solution. Part of our commitment to fighting the influence of drugs will be our continued instruction of D.A.R.E. at the Lincoln Street School by Officer Steve Petroski. Officer Petroski is our newest D.A.R.E. instructor graduating from D.A.R.E. school in November.

The police department operated this past year with a shortage of officers in both the patrol and detectives division. I thank all the men and women for their efforts during this time. Nation-wide, Law Enforcement applications are down 90%. The Exeter Police department continues its search for quality people as we are forced to rethink how we fill our ranks.

This past year we accomplished our goal of investing heavily in training our first line supervisors. Our patrol sergeants attended hundreds of hours of training through Law Enforcement Executive Development, Incident Command through FEMA and on-line training through Target Solutions. In the area of incidents requiring a multi-agency response, Chief Kane worked tirelessly to institute a “Run Card” system which is a system originally created by the Fire Services. The Run Card system is an effort to aid in the control of the many officers who respond to critical incidents because we all have an inherent calling to help. The department has also trained members that can instruct in the area of Civilian Response to Active Shooter Events. Many businesses in town are asking for this service and we will do our best to provide this service.

Although Chief Kane retired this year on January 8, 2016, for us at the department the year ended with his notice of intent to retire after 35 years of service, all with the town of Exeter. We wish him the best in his next endeavor.

On behalf of the Exeter Police Department, I would like thank the citizens, the Board of Selectmen, Town Manager Russ Dean and all the department heads for their support. To the members of the Exeter Police Department, the honor is mine to represent you.

Sincerely,
Acting Chief William Shupe

## PUBLIC WORKS

The Department of Public Works is charged with the operation and maintenance of Town owned facilities, including drinking water and wastewater treatment plants, drinking water distribution system (including mains, storage tanks and pumps), sewer collection system (including mains and pumping stations), stormwater collection system, public buildings, vehicle and equipment fleet, and the network of Town roads, signs, bridges, and dams. In addition to the essential routine maintenance that is conducted to keep Town facilities and

equipment in good condition, the following projects in 2015 warrant mention.

The Lary Lane groundwater treatment plant and well pumping stations were completed before the end of the year and heralded with a ribbon cutting ceremony. The new plant uses green-sand filtration to treat groundwater from Lary Lane, Gilman and Stadium Wells, and can supply up to 1.58 million gallons per day of drinking water.

Water and sewer utilities improvements commenced on Lincoln Street, with replacement of 100+ year old 6-inch diameter cast iron main. Contractor Joseph P. Cardillo & Son will return in the spring of 2016 to complete the project. CMA Engineers of Portsmouth designed the project.

The design of the new wastewater treatment facility at the Newfields Road site continued in 2015. Major milestones included completion of the final facilities plan by Wright-Pierce in March, preliminary design report in October, and a 5-day value engineering effort led by Process Analysts and Hazen & Sawyer in December. Valuable input and feedback from various groups along the way, including NHDES, USEPA, Water/Sewer Advisory Committee, Board of Selectmen and town staff, improve the value of the project. Final design is underway. The Administrative Order on Consent (AOC) issued by USEPA to the Town requires construction of the new wastewater treatment facility to commence by June of 2016 and be complete by June 2018. The Town will seek authorization at the 2016 Town meeting for approximately \$49.98 million for construction of a new 4-stage Barden Pho treatment facility.

Construction of the new concrete bridge to replace the undersized and eroded culverts at Little River on Linden Street was completed by George Cairns & Sons. The Court Street Bridge over the Little River, which has been designed and permitted, is scheduled for construction in 2017.

The following roads were paved in 2015: Portsmouth Ave., Watson Rd., Crawford Ave., Lary Ln, Arbor St., Cottage St., Gill St (reclaimed), and Water St. (from Green to Summer).

I thank Public Works employees for their hard work and dedication to provide essential, quality services to the community. I also thank the citizens of Exeter for their support and understanding during our brief but intense construction season. I also thank the Town Manager and Board of Selectmen for their guidance, support and assistance throughout the year.

Respectfully submitted,

Jennifer R. Perry, P.E.  
Director of Public Works

## TOWN BOARDS & COMMITTEES

### GENERAL MEETING TIMES

	Day of Month	Time	Location
Arts Committee	4 th Thursday	6:30 p.m.	Town Hall, Art Gallery
Board of Selectmen	Every other Monday	7:00 p.m.	Town Office, Nowak Room
Conservation Commission	2 nd Tuesday	7:00 p.m.	Town Office, Nowak Room
Council on Aging	3 rd Thursday	2:00 p.m.	Senior Center, Court Street
Economic Development Commission	2 nd Tuesday	8:30 a.m.	Town Office, Nowak Room
Exeter Housing Authority	1 st Thursday	1:00 p.m.	277 Water St., Community Rm.
Heritage Commission	2 nd Wednesday	7:30 p.m.	Town Office, Wheelwright Room
Historic District Commission	3 rd Thursday	7:00 p.m.	Town Office, Nowak Room
Planning Board	2 nd & 4 th Thurs.	7:00 p.m.	Town Office, Nowak Room
River Study Committee	3 rd Thursday	9:00 a.m.	Town Office, Nowak Room
Swasey Parkway Trustees	1 day a month	2:00 p.m.	Town Office, Wheelwright Room
Local Transportation Committee	1 Monday a month	4:10 p.m.	Town Office, Wheelwright Room
Water & Sewer Advisory Committee	2 nd Wednesday	6:30 p.m.	Town Office, Nowak Room
Zoning Board of Adjustment	3 rd Tuesday	7:00 p.m.	Town Office, Nowak Room

### **INTERESTED IN SERVING ON A BOARD OR COMMITTEE?**

The Town of Exeter thrives on volunteerism. The Town has several Boards, Committees, and Commissions and is always looking to maintain a strong list of capable volunteers.

If you are interested in serving on the Budget Recommendations Committee, you will need to be elected at our March Town Meeting. You must contact the Board of Selectmen during the year, prior to the Deliberative Session, to add your name to the "Slate of Officers".

For other Boards and Committees: Arts Committee, Cable TV Advisory Committee, Conservation Commission, Council on Aging, Economic Development Commission, Heritage Commission, Historic District Commission, Housing Authority, Planning Board, Water & Sewer Advisory Committee, Zoning Board of Adjustment; complete the volunteer application on our website at [exeternh.gov](http://exeternh.gov) and forward it to the Board of Selectmen.

Thank you for volunteering!

## ARTS COMMITTEE

*The Exeter Arts Committee's mission is to encourage, support and promote the arts in Exeter and surrounding towns. The Committee is appointed by the Board of Selectmen and consists of nine citizen members (six of whom must be residents of Exeter) and one representative from the Board of Selectmen. With the exception of the Selectmen's Representative, Committee members serve staggered three-year terms. The Committee meets in the Gallery, once a month on the FOURTH Monday.*

---

The Exeter Arts Committee continues its stewardship of the historic Town Hall Gallery in the old Town Hall and it provides collaborating opportunities in the gallery's workroom. Continued improvement of the gallery space is one of our major goals, as well is optimizing its use.

### **A chronological history of the activities and shows at the Town Hall Gallery**

**January - February 2015:** Independent of the Committee, the Gallery was used for a wonderful show of photographic works, mounted by the NEW HAMPSHIRE SOCIETY OF PHOTOGRAPHIC ARTISTS. The Society borrows the space free-of-charge. They have a great show, and they make superb use of the space. Their show typically continues into February. They are very respectful and appreciative of the gallery space.

**February 2015:** "3D Show" This was a fun show and all-inclusive across the board. The Gallery was full of watercolor, oil, acrylic and charcoal. We were also pleased to see lots of fabric pieces and wood carvings. Also in February, we presented a wonderful with Pontine Theatrical event. It has to be rescheduled twice because of snow but when it finally did happen, the attendees were very appreciative of the presentation and the performers were happy to be there. We decided that if we have another event such as Pontine, it will not be in February because of having to schedule around the weather.

**March into April 2015:** The EAC sponsors a YOUTH ART MONTH which completely fills the gallery with artwork from students from kindergarten through twelve grade. In the past, 12 area public, private and charter schools shared artwork selected by their art teachers. Wonderful energy for this show is generated by visits from classes from the participating schools, which are used as educational experiences. It is a great joy to watch the students show off their works to fellow students, teachers, and their families. Attendance at this show is usually among the highest of the year. We hope to have more experiences like this in the future!

**April 2015:** Seacoast Artists Association presented their photographs. This is always a wonderful show which includes workshops in the back room with the latest and greatest techniques. John Hauschildt spear heads this show each year.

**May 2015:** Every year, EAC presents the SPRING SHOW, with a theme of renewal and regeneration. This show is focused on spring, with works featuring flowers and environmental themes. This show is one of our most viewed and is frequently a good source for Mother's Day gifts!

**June 2015:** Open Studio has long been sponsored by the EAC; all local artists who wish to come create with a supportive group are invited to come to the Gallery's backroom every Friday morning during the academic year from 9:30 until 12 noon. Generally about 6 to 10 local artists participate on any given Friday. The group mounted its yearly show for three weeks in June to great success.

**July 2015:** The Revolutionary War Days Show was welcomed for the second year. The Gallery hosted a show all about Exeter. We would like to make this an annual event for this celebration.

**August 2015:** August is the EAC vacation from the arts as the heat on the dog days of summer does not bode well for public viewings.

**September 2015:** "Other Worldly" was presented to coincide with the UFO Festival. Many viewers from all over participated in the viewing of the show with positive comments.

## ARTS COMMITTEE

**October 2015:** “Reflections” is one of our new shows and included many photographs of Exeter and surrounding towns. Many pieces were sold and we feel it was a lovely show that we look forward to repeating again at some point as it was well attended.

**November 2015:** Exeter Arts Committee sponsored The Seacoast Artists Association Show. This gives the EAC Members a welcome rest so that we are able to completely focus on the upcoming Holiday Show which is always a ton of work for all.

**December 2015:** Historically our most active show, the Holiday show joyfully begins the same day as the Festival of Trees. This year was the most well attended in recent history and sold the most work for area artists in over 6 years!

In addition to these recurring shows, we also are entrusted with supplying art for the walls of the current Town Hall Offices, across the street from the Gallery. We hold a so-called “Lottery Day” three times a year (every four months) to change the displays of local artworks...all original photos, watercolors, oils and pastels. This “show” brings joy to all who enter our Town Office Building and lines the hallways and stairs with local artist’s work and gives the artist a chance to share their work with all who enter.

In addition to all of the above we are so happy to have collaborated with *T*E*A*M* (Town Exeter Arts Music) and other businesses and organizations in the downtown of Exeter to bring “First Friday Art Walks” to Exeter. EAC sponsored local musicians to play on the bandstand during Friday festivities May-September. We hope to be able to provide this again in 2016.

We, all the members and friends of the Exeter Arts Committee, are very honored and proud to be part of such a cooperative, enthusiastic committee and to participate in such a positive endeavor!!

Current members of the Committee include:

Kathy Lewis Thompson, Chair  
Jane Kiernan, Vice-Chair  
Karen Desrosiers, Treasurer  
Karen Noonan, Scribe  
Marissa Vitolo, Web updates  
Sharon Marston  
Scott Ruffner  
Joanne Campbell

Dan Chartrand, BOS Representative

Please do visit our website, check our calendar often and enjoy the great photos!!

Appreciatively,

Kathy Lewis Thompson, Chair  
On behalf of  
Exeter Arts Committee

# CONSERVATION COMMISSION

## Highlights

The Exeter Conservation Commission kicked 2015 off with a bang! Our annual Full Moon Snowshoe at Raynes Farm in February was by far the greatest attended event the Commission has hosted yet. Old man winter graced us with luxurious amounts of snow, the weather was perfect and the registrations just kept pouring in! The Department of Public Works assisted by expanding the plowed area beyond the parking lot to accommodate the large number of attendees, which we estimated to be about 75-80. Adults and children alike were treated to a brief history of the property and then were lead through the woods and fields to re-convene in the barn for hot chocolate and snacks. Listening to the expressions of gratitude and happy chatter in the barn afterward was the ultimate reward. Throughout the year, Raynes Barn continued to be a focus for the Commission. Our regular inspections of the facility paid off as we noted some slippage in the foundation and were able to stabilize it before there was any damage to the building. The Seacoast School of Technology students built a replacement for the west end barn door, which was installed in the later part of the fall. 2015 also marked the cordial end of our lease with Nate Merrill of Stuart Farm. The Merrill's have been haying Raynes farm for many years prior to our purchase the property from John Raynes. Recently they had acquired additional farmland in Lee and do not foresee having the time and resources to continue their stewardship and care of the fields here at Raynes. Mr. Merrill has taken wonderful care of the property and our regular meetings with him as the tenant farmer will be missed.

The Exeter Conservation Commission also spent a large amount of 2015 preparing for implementing a sustainable timber harvest at the Henderson Swasey Town Forest. Though more recently known as a favorite recreation area, the Henderson Swasey conservation lands were officially designated as a Town Forest in 1990 through town meeting vote. To properly care for forest areas, it requires active management using methods such as periodic and selective logging. This helps to encourage a variety of tree species, provides growing room for those healthy strong trees that provide an important food/habitat resource, and creates small openings in the forest canopy to encourage new growth and provide homes for a greater diversity of wildlife. Harvests in Henderson Swasey were previously conducted in 1992 and 1998. In 2011, the Conservation Commission, working with a NH State Certified forester Charlie Moreno, revised the Timber Management Plan for Henderson Swasey. We continued working with Mr. Moreno throughout the year. In the later part of 2015, his team was busy mapping out harvest areas, marking individual trees for removal and preparing for the hiring of a qualified logging company and plan to initiate logging in early 2016. The Conservation Commission has worked diligently to educate the public about the important of forest management throughout the year. They discussed the timber plan at trail committee meetings, hosted a walk of the harvest area with the forester, inviting the general public and the trail committee along to answer questions and discuss the project. They also posted information about the harvest at all major access points as well as on the Town's website.

The Commission continued its efforts toward improved water quality. We held a spring rain barrel sale prior to the gardening season. Rain barrels collect water that would otherwise runoff into nearby storm drains collecting dirt and pollution on its way. Ginny Raub and Pete Richardson participated in the Healthy Lawns – Clean Water Initiative. This local initiative is working to reduce nitrogen pollution by educating the public about the impact of fertilizer on our local rivers, streams and Great Bay. They continue to share water-friendly lawn care practices that will ensure healthy lawns and cleaner waters.

As always, we look forward to 2016 and the ways we can all connect through our natural environment to help keep Exeter such a special place. Don't forget to LIKE us on Facebook to keep in touch and hear about future events.

## EXETER-SQUAMSCOTT RIVER LOCAL ADVISORY COMMITTEE

### ESRLAC Representatives:

Brentwood:	Emily Schmalzer Eric Turer
Chester:	Vacant
Danville:	Vacant
East Kingston:	Vacant
Exeter:	Donald Clement Peter Richardson
Fremont:	Ellen Douglas John Roderick
Kensington:	Vacant
Kingston:	Evelyn Nathan
Newfields:	William Meserve
Raymond:	Vacant
Sandown:	Mark Traeger
Stratham:	Donna Jensen Nathan Merrill

The Exeter-Squamscott River Local Advisory Committee (ESRLAC) is comprised of dedicated volunteers representing the twelve communities in the Exeter-Squamscott River watershed: Chester, Raymond, Fremont, Sandown, Danville, Kingston, East Kingston, Brentwood, Kensington, Exeter, Stratham and Newfields. The Exeter-Squamscott River is one river with two names, reflecting the fresh water (Exeter River) and salt water (Squamscott River) portions of this major tributary to Great Bay.

ESRLAC celebrated its 19th year of stewardship of the river and its watershed in 2015. The year was marked by several activities, including on-going discussions with municipalities and state and federal agencies about water quality in the river and its impact on water quality in Great Bay, the review of development proposals along the river corridor, and assisting with stormwater management projects. Several ESRLAC members participated in Project WISE, an innovative project designed to identify ways in which the Towns of Exeter, Stratham, and Newfields can work together to cost effectively protect water quality in the river. Development and population growth in the Exeter-Squamscott River watershed result in an increasing amount of pollutants entering the river from lawns, septic systems, roads and parking lots.

In 2016, ESRLAC will continue to work with residents and towns to reduce the amount of pollution entering the river to improve water quality and wildlife habitat, and increase public access and recreational opportunities on the river. ESRLAC looks forward to the removal of the Great Dam in downtown Exeter in 2016, as dam removal will improve fish passage along the river and restore the river's natural flow, improving water quality.

The Exeter-Squamscott River is enrolled in the New Hampshire Rivers Management and Protection Program, a unique partnership between citizens and state and local governments designed to promote and protect the river's outstanding natural and cultural resources. ESRLAC seeks members from all communities in the watershed. Please call the Rockingham Planning Commission at 603-778-0885 for more information.

## **HERITAGE COMMISSION**

Exeter voters approved the formation of the Exeter Heritage Commission in 2007. The purpose of a heritage commission, per RSA 673:1(II) and 674:44-b, is to offer a valuable means for local government to manage, recognize, and protect historical and cultural resources. They are intended to have a town-wide scope (not confined to Historic Districts) and a range of activities that is determined by each individual municipality and geared to that particular community's needs and wants. Basically, a heritage commission does for historical resources what a conservation commission does for natural resources: it advises and assists other local boards and commissions; conducts inventories; educates the public on matters relating to historic preservation; provides information on historical resources; and serves as a resource for revitalization efforts.

The Heritage Commission has been awarded grants each year for activities under its purview. In the past, we have conducted a series of surveys (which in the preservation world means documentation and interpretation) of the town's development. We completed a survey of the Franklin St. /River St. neighborhood that determined the area is eligible to be listed on the National Register of Historical Places for consideration of its architecture, the history of manufacturing businesses and also the pattern of immigrant migration and the factory workers who lived there. We also had the Winter Street Cemetery surveyed. It too is eligible for the National Register. Copies of these surveys can be found at the Exeter Library.

2015 was a relatively quiet year for the Heritage Commission. Much of the work was in coordination of projects headed by the Historic District Commission. The Heritage Commission coordinated two presentations given at the Historical Society on architectural styles and period paint colors. We also participated in the National Alliance of Preservation Commission's CAMP educational program organized by the HDC. More about this event can be found in the HDC's report. The Winter Street Cemetery was also at the forefront with discussions on how to rehabilitate the grave monuments and care taking of the facility. The Daughters of the American Revolution have taken a strong interest in the cemetery as there are many Revolutionary War veteran graves there. They've begun to hold an annual Wreaths Across America event. The American Independence Museum is now holding a "Ghosts of Exeter" event every October. The Heritage Commission's goal for the next few years is to repair or preserve the monuments to prepare for its National Register listing.

One of the Heritage Commission's duties is to review buildings proposed for demolition for any building in town that is 50 years or older. The review is to determine if the building is evidence of and a resource contributing to Exeter's history. Demolition Reviews do not prevent demolition but is an opportunity to advocate against demolition if a loss to the town's history will be lost if not preserved. Many people do not consider a fifty year old building to have historical value but new development, population and building materials threaten to wipe out evidence of our past development. This year we had only three, 201 High Street, 55 Park Street and an accessory building, known as the "Potting Shed" at PEA's property at 75 Front Street. All were subsequently demolished.

The Commission was also involved in determining a solution to mitigate the loss of the Great Dam, a contributing historical resource to the town and in this case part of the National Registered Downtown Historic District. This process is a requirement for Federally funded projects that include aspects of ground

## **HERITAGE COMMISSION**

disturbance and/or demolition. Mitigation, known as Section 106 of the National Historic Preservation Act, provides for some recording be it documentation, display, interpretive plaques or other material that will preserve the history of the dam and its uses. The Heritage Commission and other boards involved with the dam removal formed a committee of representatives and presented six project ideas to the Board of Selectmen. The Selectmen then forwarded them to the NH Department of Historical Resources which has the ultimate authority to choose any solution. NH DHR found that all six proposed projects together fulfill the dam removal mitigation objective. The DHR then works in concurrence with the Federal entity involved, in this case NOAA, and have oversight of the mitigation completion. This is the first time Section 106 has been a prominent part of a town project.

We look forward to the process completion and the implementation of the dam removal mitigation objectives.

Respectfully submitted,

John Merkle, Chair  
Exeter Heritage Commission

## **HISTORIC DISTRICT COMMISSION**

“The Historic District Commission is your mechanism for monitoring and preserving the integrity and beauty of the historic districts. It serves to safeguard the architectural heritage of the Town; preserve the elements of the community’s architectural, cultural, social, economic and political history; conserve property values; foster civic pride; and to promote the use of historic districts for the education, pleasure and welfare of the citizens of Exeter.” Town of Exeter HDC, Preservation Guidelines

In 2014, the Historic District Commission in collaboration with the Heritage Commission applied for and were granted funds for the education and public outreach through a CLG Grant. In 2015, the following actions were taken to utilize the funds granted:

- Commission Assistance and Mentoring Program (CAMP) for Historic District Commission, Heritage Commission members and key Town staff to learn best practices for historic preservation through focused training. A one and a half day CAMP was held in Exeter in April, 2015. The CAMP was attended by the following HDC members: Fred Kollmorgen, Valerie Ouellette, Pam Gjettum, Julie Gilman, Nicole Martineau and Patrick Gordon.
- Review and revise Historic District Commission application. HDC member Nicole Martineau authored the revisions to the HDC application. The application was divided into three separate applications in an effort to bring clarity to the public for the information requested by the HDC. The revised format will also allow the Town Planning Department to clearly identify the information submitted by the applicants. The new applications are specific to the work proposed for appropriateness they include, Signage, Change to Existing Structure and New Construction. The applicants will receive an Approval of Appropriateness when accepted by the Commission. The first reading of the new applications will occur at the January, 2016 HDC Meeting.
- The Historic District Commission and Heritage Commission’s website pages were updated on the Town of Exeter website, providing easier access to information such as the Historic District Commission’s application and guidelines.

An educational series consisting of two seminars was offered to the general public. The first was titled, Evolution of Historic Architecture: What style is my home? The second was titled, A Colorful History of Homes: The Great White Hype.

In 2015 the Historic District Commission in collaboration with the Heritage Commission applied for and were granted funds for the hiring of a third party consultant to review and rewrite the HDC Preservation Guidelines through a CLG Grant. An RFP was issued November 30, 2015. Bids are to be received January 5, 2016.

The following list includes the applications submitted to the Historic District Commission and their subsequent results.

### Signage:

6 Chestnut Street – new signage – approved

8 High Street – signage - approved

## **HISTORIC DISTRICT COMMISSION**

### Change of Appearance to an Existing Structure:

6 Front Street – change of appearance to an existing structure - approved  
1-9 Water Street – change of appearance to an existing structure - approved  
8 High Street – change of appearance to an existing structure – approved  
5 Rocky Hill – change of appearance to an existing structure – approved  
129 High Street – change of appearance to an existing structure – approved  
84 Front Street – change of appearance to an existing structure – approved

### Addition / New Construction:

120 High Street – addition to an existing structure - approved  
20 Franklin Street – demolition and new construction – approved  
29 Front Street – new construction – approved  
14 Tan Lane – addition to an existing structure - approved

### Other:

89 High Street – change of appearance to an existing structure - application withdrawn  
String Bridge project – advisory only – Hoyle Tanner & Associates

The Commission would like to bring special attention to the property of 33-37 Water Street. This approved application and completion of construction stands as the best example in 2014 of the collaboration between the property owners and the Historic District Commission. This included an invitation from the property owners to walk the property giving them the opportunity to explain their proposed renovations. The property owner's passion for historic restoration and preservation was much appreciated. The result is a stellar example of preserving the historic fabric of the Water Street experience as well as the creation of a new contributor to Exeter's economy.

The Historic District Commission is excited to see what the 2016 applications will present us with.

Respectfully submitted,

Patrick Gordon  
Historic District Commission Chairman

## **PLANNING BOARD**

The Exeter Planning Board is tasked with directing appropriate land use in the Town of Exeter, using the Master Plan as a guide for decision making. Additionally, the Board assists with facilitating the annual review of the Capital Improvement Plan (CIP), as well as development and wording of any zoning amendments to be placed on the annual town warrant. The members of the Board are truly dedicated to their roles, and each member contributes important experience and knowledge to public hearings held during the course of the year. Additionally, members volunteer on other committees and advisory boards, lending their expertise and unique perspective to matters at hand. I would like to thank all of the Board members for their many contributions.

This past year has been a one of change for the Planning Board. Shortly after elections in March, we were tasked by the Selectboard, upon advice of counsel, to repeat the elections so that they would be in conformance with the State of New Hampshire RSAs. As a result there was a change in the appointments of officers. Following this, it became clear that the Planning Board Rules of Procedure, which had not been updated since 2001, needed immediate attention, as the document did not fully comply with the RSAs. First, the full board provided feedback and suggestions, then a subcommittee took on the task of bringing the update to completion. After careful review by town counsel, our newly updated Rules of Procedure were approved and accepted by the board on October 22nd, and are posted on the Planning Board website. Also, our long time Town Planner left in June, so we took the opportunity to work closely with the Planning Department and our interim planner, Glenn Greenwood to streamline the calendar of meetings and deadlines for applicants in order to make the process more simplified and transparent. There is also more communication between the various land use boards so that we may all work in concert with each other on applications that warrant it.

There were many applicants that went through the process as we were making attempts to streamline and conform to RSAs, and the Board appreciates their patience with our desire to make changes mid-stream to improve the process even more. We also appreciate their feedback when things didn't go so well, so that we could address those issues. Because of these dialogues, changes were made in how and when the TRC meeting is held, and how the Board accepts jurisdiction of applicants' plans. We hope to continue making improvements to the application process, and look forward to working with the new Town Planner as soon as a candidate is named.

In 2016, we anticipate much work on the Master Plan update, as well as an All Boards meeting to discuss the MRI report and what their recommendations mean for us. We also look forward to continuing to improve our application process. I am honored to work with such a dedicated group as the Planning Board, and am anticipating a productive year!

Respectfully submitted,

Kelly Bergeron

Chairwoman, Exeter Planning Board

## **RIVER STUDY COMMITTEE**

The Town, working with Vanasse Hagen Brustlin, Inc. (VHB), continues the design and permitting necessary for removing the Great Dam and restoring the Exeter River bed at the dam site. The Town submitted its request for a wetlands permit on 28 May. It is now expected that the removal of the dam will begin in July 2016.

Because the removal of the Dam would impact a historic structure in downtown Exeter, the Town had to comply with Section 106 of the National Historic Preservation Act, leading to a Memorandum of Agreement (MOA), which would include an appropriate set of mitigation measures. The Board of Selectmen set up of a Dam Remembrance Committee, chaired by William Jordan. The Committee submitted its recommended mitigation measures to the BOS, which concurred. The Memorandum of Agreement between US Army Corps of Engineers, the New Hampshire State Historic Preservation Office and the Town of Exeter regarding the Great Dam removal and river restoration project was made final in November.

The Town completed an agreement with The Mill regarding water rights and a new condenser cooling system. The agreement was for \$437,500, which was less than the approved warrant for \$542,000.

For the project, the Town has received several small grants, including the Coastal Zone Regional Grant for \$75,000 and from the State Conservation Fund for \$15,000. In July, it applied for the NOAA Coastal Ecological Resiliency Grant for \$610,960. At the end of the year it remains in the running for the grant. The National Ocean Service plans to announce the results of that grant competition in early 2016.

At its October meeting, Abigail Gronberg, the Piscataqua Region Estuary Partnership, briefed the committee about the Piscataqua Region Environmental Planning Assessment (PREPA) 2015. She highlighted three major environmental threats: nitrogen load, impervious cover, and climate change.

The Committee members are: Lionel Ingram, Chair, Peter Richardson, Vice Chair, Roger Wakeman (PEA Rep. Ex-Officio), Frank Patterson, Kristen Murphy (Natural Resource Planner Ex-Officio), Rod Bourdon, Paul Vlasich (DPW Rep. Ex-Officio), Ginny Raub (Conservation Commission Rep. Ex-Officio), Richard Huber, Don Clement (BOS Rep.), and Frank Ferraro.

Respectfully submitted,

Lionel Ingram,  
Chairman

## **SWASEY PARKWAY TRUSTEES**

2015 was another busy year for Swasey Parkway.

Annual lawn maintenance started in April and ended in late October followed by fall cleanup of leaves and debris. River side from the pavilion to the town was aerated and over seeded.

The areas in front of the benches on the river side have seen a lot of use. The soils in these areas were showing large divots. The areas were dug out and a lattice style paver was put in front of the benches. Soil and seed was added to the areas around the pavers.

The hosting of the weekly farmers market by the Seacoast Growers Association and the summer concert by the Exeter Parks and Recreation were once again well attended. The free movie nights held in August that were sponsored by the HERON Group, was also well attended. A very large attendance was also seen at the American Independence Festival sponsored by the American Independence Museum, the Powder Keg Festival sponsored by Exeter Parks and Recreation and the Fall Festival sponsored by the Exeter Chamber of Commerce .

The Trustees would like to give a special thanks to all the volunteers and businesses that are constantly donating material and time to help improve the overall appearance of Swasey Parkway.

Our deepest gratitude is given to the many visitors that take on the responsibility that makes Swasey Parkway a beautiful, clean and open space for all to enjoy.

Respectfully submitted.

Gerry Hamel  
Joseph Mikulsky  
Mark Damsell

Trustees

## **TRUSTEES OF THE ROBINSON FUND**

The Robinson Fund is an Exeter charitable trust whose citizens elect its seven members. The funds were given to the Town in 1853 by the will of William Robinson, an Exeter native who attended Phillips Exeter Academy and for whose sister there existed no similar educational facility in the area. The will specified that the funds be for “the only and sole instruction of females...all other things being equal, always to give preference to the poor and the orphan.” In 1869 the newly-built Robinson Female Seminary opened its doors to females from the Exeter area.

From 1869 until 1955, Robinson Seminary was the only public school in Exeter to serve post-elementary females (males attended the Tuck High School). In 1954 the School District passed a bond issue to build an addition to the Tuck School. The first co-educational class graduated from Exeter High School in 1956. A fire in 1961 destroyed the Seminary building. The Lincoln Street Elementary School and related playgrounds and league baseball fields now occupy the site.

Four of the current Robinson Fund Trustees attended the Seminary; two are graduates and two attended the Seminary but graduated from the then new co-educational Exeter High School.

In the 1990s, to avoid discrimination on the basis of gender, the Trustees petitioned the County Probate Court. In 1996 the court issued a decree that discontinued the existing income distributions and established a new Trust purpose: “...to create a fund to provide opportunities to enrich and enhance the educational experience of post-elementary age individuals within the area served by the Exeter Region Cooperative School District, through the development of programs, scholarships and grants.” Following this new decree Trustees awarded the first Robinson Fund Scholarships to graduating seniors of the Exeter Region Cooperative School District in June 1998.

In May of 2015 the Robinson Trustees awarded \$16,000 in college scholarships to four graduates of Exeter High School, one for \$7,000 a year and three for \$3,000 each a year, and \$49,000 in renewal scholarships for students in their sophomore, junior and senior years of college. Scholarship awards, given for up to four years, are based on financial need, grades and community participation. Recipients must maintain satisfactory grades throughout their college experience to continue receiving the scholarships.

As of December 31, 2015, the trust fund balance stood at \$1,850,846, a loss of \$47,144 compared to 2014. Miscellaneous expenses for the year were \$343.90. Total scholarship monies paid in 2015 were \$57,000

Respectfully,  
Harry Thayer, secretary  
The Robinson Fund Trustees

Joanna Pellerin, president; Peter Smith, vice president; Patricia Qualter, treasurer;  
Barbara Gagne, Joan Smart and Judy Churchill.

[illegible]

## **WATER/SEWER ADVISORY COMMITTEE**

The Town of Exeter's *Water and Sewer Advisory Committee* is a volunteer committee of town residents providing technical and financial input to the Board of Selectmen and the Department of Public Works (DPW) on facility and infrastructure capital projects, annual budgeting, and long term management approach. In 2015, we continued planning and implementation of upgrades to aged infrastructure and facilities in an effort to provide quality services to residents and businesses for the next 20-25 years.

Water system and small facility improvement construction projects at the Portsmouth Avenue treatment plant and town pipelines were implemented to extend the life and capabilities of the supply operation. The Committee assisted the DPW and the town's technical consultants in cost effectively allocating funds towards upgrading old equipment and piping and rehabilitating SCADA systems. Plant operator Paul Roy and his staff were instrumental in assisting and directing these efforts.

Other Water System achievements during 2015 included:

- The town completed construction in the fall of a new Groundwater Treatment Plant on Lary Lane. This facility will provide an alternative water source to the Exeter River and allow a more flexible approach to system management during peak and emergency flow events, as well as mitigate disinfection byproducts overloads from our surface water plant. As part of this project, the town signed an agreement with Phillips Exeter Academy to lease use of the Stadium Well, a critical component of our supply system.
- The utility completed maintenance on the water storage tank on Fuller Lane, and the Epping Road tank began a major rehabilitation as part of on-going maintenance of the water storage system.
- The meter replacement program was operated for a full year providing more state of the art equipment for accurately monitoring and accounting for system-wide water usage.
- A significant effort for the year was conducted by the Committee towards finalizing a water sales agreement with the Town of Stratham for their commercial district north of Route 101. Exeter has been trying to expand their commercial and industrial utility rate base for years with moderate success; including the commercial district of Stratham was viewed as a possible way to increase revenues for the town. The Committee assisted in the negotiations between the two towns towards finding mutually beneficial terms of such a collaboration. This historic agreement for Exeter to sell water to Stratham for commercial purposes only was signed in the fall, and should provide a template for providing similarly structured wastewater services to Stratham in 2016.

On the sewer side of operations, the Committee provided input to DPW on construction of various small sewer system projects conducted during the year recommended in the Capital Improvements Plan (CIP) for the Department. Specific milestones for the sewer component of the utility also included:

- The Town completed the Wastewater Treatment Plant (WWTP) Facilities Plan in March and initiated design in June for a US EPA mandated plant upgrade. The Committee worked closely with the Selectboard in reaching a consensus on a recommendation of a phased implementation approach that could save almost 10% of the initial construction cost. The Committee provided assessments and recommendations to the Board as part of this process.

## **WATER/SEWER ADVISORY COMMITTEE**

Our fall budgeting process was again a collaborative effort between our Committee, DPW, Town Budget Committee and the Departments of Finance and Planning in order to coordinate work and efforts in other areas of town. We continued to use the strategy of incorporating several infrastructure improvement projects and equipment upgrades into the budget while keeping overall expense increases relatively flat. This approach has been successfully used since 1999 and has lessened the rate impacts of planned capital improvements to both systems. Despite these efforts, increased debt service voted on in 2014 forced the Committee to slightly increase water rates in order to maintain our financial reserve level as agreed to with the Selectboard. Sewer rates are stable for the time being, but are anticipated to rise sharply when the new WWTP comes on line in 2018.

The Committee looks forward to 2016 as a continued interactive process with town departments and ratepayers to implement needed facility upgrades for a fair and reasonable cost. We wish to thank in particular town employees who continually assist us in serving the needs of the Town of Exeter: Russell Dean, Town Manager; Jennifer Perry, Director of Public Works; Michael Jeffers, Water & Sewer Managing Engineer; and Matt Berube, Engineering Technician. In addition, several water and sewer department staff have assisted in meeting preparations and provided valuable input to proposed improvements, making it a successful team effort.

Respectfully submitted,

W. Robert Kelly, P.E.  
Chairman

- . BUDGET**
- . DEFAULT BUDGET**

## EXETER TOWN WARRANT – 2016

To the inhabitants of the Town of Exeter, in the County of Rockingham, in the said State, qualified to vote in Town affairs:

### **First Session**

You are hereby notified that the first session (the Deliberative Session) of the Annual Town Meeting will be held on Saturday, January 30, 2016 beginning at 9:00 a.m. at the Arthur L. Hanson III Center for the Performing Arts at Exeter High School, 1 Blue Hawk Drive. The first session will consist of explanation, discussion and debate of each of the following warrant articles, and will also afford voters who are present the opportunity to propose, debate and adopt amendments to warrant articles, except those articles in which wording is prescribed by state law.

### **Second Session**

The second session of the annual town meeting, to elect town officers by official ballot and to vote on all warrant articles as they may have been amended at the first session, will be held on Tuesday, March 8, 2016 at the Talbot Gymnasium at the Tuck Learning Center, 30 Linden Street. Polls for voting by official ballot will open at 7:00 a.m. and close at 8:00 p.m.

### **Article 1**

To choose the following: 2 Selectman for a 3-year term; 1 Checklist Supervisor for a 3-year term; 1 Checklist Supervisor for a 6-year term; 1 Trustee of Swasey Parkway for a 3-year term; 1 Trustee of the Robinson Fund for a 7-year term; 1 Trustee of Trust Funds for a 2-year term; 1 Trustee of Trust Funds for a 3-year term; 3 Library Trustees for a 3-year term.

**Article 2 Zoning Amendment #1:** Are you in favor of the adoption of Amendment #1 as proposed by the Planning Board for the town zoning ordinance, as follows: Amend Article 2.2 Definitions, by adding the following (and renumbering the remaining list):

- 2.2.30 Fertilizer: Any substance containing one or more recognized plant nutrients which is designed for use in promoting plant growth such as nitrogen, phosphorus and potassium. Fertilizer as defined shall not include vegetable compost, lime, limestone, wood ashes, or any nitrogen-free horticultural medium (e.g. vermiculite).

**Article 3 Zoning Amendment #2:** Are you in favor of the adoption of Amendment #2 as proposed by the Planning Board for the town zoning ordinance, as follows: Amend Article 9.2, Section 9.2.3.K. Prohibited Uses, by adding the following:

12. The use of fertilizer as defined in 2.2.30.

- a. Per the intent of this ordinance, this prohibition may be waived by the Planning Board to supplement restoration or the establishment of new landscaping. Applicants shall provide written justification and identify specific location(s) within the property where the request applies. Waivers granted will provide for temporary allowance, not to exceed one year.

## 2016 TOWN WARRANT

**Article 4 Zoning Amendment #3:** Are you in favor of the adoption of Amendment #3 as proposed by the Planning Board for the town zoning ordinance, as follows: Amend Article 9.3, Section 9.3.4.F. Prohibited Uses, by adding the following:

12. The use of fertilizer as defined in 2.2.30.

- a. Per the intent of this ordinance, this prohibition may be waived by the Planning Board to supplement restoration or the establishment of new landscaping. Applicants shall provide written justification and identify specific location(s) within the property where the request applies. Waivers granted will provide for temporary allowance, not to exceed one year.

**Article 5 Petitioned Zoning Amendment:** Are you in favor of the adoption of Amendment #4 submitted by Petition for the town zoning ordinance, as follows:

On the petition of Christopher Gilroy representing 25 Hampton Road #A3 in Exeter, NH and others, to see if the town will vote to:

Amend Article 4.2 Schedule I: Permitted Uses by adding the language: "A special exception for a community building in the R1; R2; R3; or R4 districts may not include a methadone clinic, marijuana dispensary; sexually oriented business; homeless shelter, nor homeless day-center".

The Planning Board recommends this article.

**Article 6 Petitioned Zoning Amendment:** Are you in favor of the adoption of Amendment #5 submitted by Petition for the town zoning ordinance, as follows:

On the petition of Christopher Surette and other registered voters of the Town of Exeter, to see if the town will vote to:

Amend Article 2, Definitions by adding a definition for "Mixed Use" to read as follows: "Mixed Use: the combination of residential and non-residential uses on one or more lots.

Amend Article 4, Section 4.2 Schedule I: Permitted Uses to allow "Mixed Use Multi-family Residential development" as a permitted use in the C-3, Epping Road Highway Commercial zoning district.

Amend Article 4, Section 4.4 Schedule III: Density and Dimensional Regulations – Non-Residential Minimum Lot Area/Dwelling Unit (Sq. Ft.) by adding reference to Note #21 to read as follows: Residential density for multi-family development is 5,000 square feet per dwelling unit.

Amend Article 4, Section 4.4 Schedule III: Density and Dimensional Regulations – Non-Residential Minimum Lot Area/Municipal Water & Sewer by adding a reference to Note #22. Amend Schedule III: Notes by adding Note #22 to read as follows: Municipal water and sewer and underground utilities are required.

Amend Article 4, Section 4.4 Schedule III: Density and Dimensional Regulations – Non-Residential Minimum Yard Setbacks – Front by adding reference to Note #23. Amend Schedule III Notes by adding Note #23, to read as follows: Minimum front yard setback of 500 feet required from Epping Road for Mixed Use Multi-family Residential development.

# 2016 TOWN WARRANT

The Planning Board does not recommend this article.

## Article 7

To see if the Town will vote to raise and appropriate the sum of forty-nine million nine hundred and eighty thousand dollars (\$49,980,000) for the purpose of constructing a new wastewater facility and site improvements at Newfields Road and improvements to the Main Pumping Station and sewer force mains to meet the requirements of USEPA and NHDES for treatment of wastewater before it is discharged to the Squamscott River in accordance with the Administrative Order on Consent between USEPA and the Town of Exeter, and authorize the issuance of not more than forty-nine million nine hundred and eighty thousand (\$49,980,000) of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33); and further to authorize the Board of Selectmen to apply for, obtain and accept federal, state or other aid, if any, including principal forgiveness, which may become available for this project. Debt service to be paid by the sewer fund.

(3/5 ballot vote required for approval.)

Recommended by the Board of Selectmen 5-0.

## Article 8

To choose all other necessary Town Officers, Auditors or Committees for the ensuing year.

## Article 9

Shall the Town of Exeter raise and appropriate as an operating budget, not including appropriation by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling 17,576,735. Should this article be defeated, the default budget shall be \$17,411,021 which is the same as last year, with certain adjustments required by previous action of the Town of Exeter or by law, or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.

(Majority vote required)

Recommended by the Board of Selectmen 5-0.

## Article 10

Shall the Town of Exeter raise and appropriate as a water operating budget, not including appropriation by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$2,975,555. Should this article be defeated, the water default budget shall be \$2,946,611 which is the same as last year, with certain adjustments required by previous action of the Town of Exeter or by law.

(Majority vote required)

Recommended by the Board of Selectmen 5-0.

# 2016 TOWN WARRANT

## Article 11

Shall the Town of Exeter raise and appropriate as a sewer operating budget, not including appropriation by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$2,400,549. Should this article be defeated, the default budget shall be \$2,321,900 which is the same as last year, with certain adjustments required by previous action of the Town of Exeter or by law.

(Majority vote required)

Recommended by the Board of Selectmen 5-0.

## Article 12

To see if the Town will vote to approve the cost items included in the collective bargaining agreement reached between the Board of Selectmen and the SEIU Local 1984 which calls for the following salaries and benefits at the current staffing levels:

Year	Estimated Salary/Benefits Increase		
	General Fund	Water Fund	Sewer Fund
FY16	\$11,492	\$2,872	\$2,325

And further, to raise and appropriate the sum of sixteen thousand six hundred eighty nine dollars (\$16,689) for the 2016 fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits over those of the appropriation at current staffing levels.

(Majority vote required)

Recommended by the Board of Selectmen 4-0.

## Article 13

To see if the Town will vote to approve the cost items included in the collective bargaining agreement reached between the Board of Selectmen and the Exeter Professional Firefighters Local 3491 which calls for the following salaries and benefits at the current staffing levels:

Year	Estimated Salary/Benefits Increase
FY16	\$11,484
FY17	\$35,260

And further, to raise and appropriate the sum of eleven thousand four hundred and eighty-four dollars (\$11,484) for the 2016 fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits over those of the appropriation at current staffing levels.

(Majority vote required)

Recommended by the Board of Selectmen 4-0.

## 2016 TOWN WARRANT

### Article 14

To see if the Town will vote to raise and appropriate, through special warrant article, the sum of one-hundred eight thousand and thirty five dollars (\$108,035), for the support of various human service agencies that will serve Exeter residents in 2016:

Agency	
A Safe Place	\$7,334
Area Home Care	\$10,334
Big Brother/Big Sister	\$7,500
CASA (Court Appointed Special Advocates)	\$500
Child and Family Services	\$12,000
Crossroads House	\$3,500
Families First	\$5,000
Friends Program (formerly RSVP)	\$2,200
Meals on Wheels – Food	\$9,200
New Generation Shelter	\$2,000
New Heights (formerly New Outlook)	\$3,000
NHSPCA	\$1,400
Richie McFarland Center	\$9,900
Rockingham Community Action	\$11,000
Seacoast Family Promise	\$1,500
Seacoast Mental Health	\$8,500
Seacoast VNA	\$4,167
St. Vincent De Paul	\$5,000
Womenade of Greater Squamscott	\$3,000
End 68 Hours of Hunger	\$1,000
Total	\$108,035

(Majority vote required)

Recommended by the Board of Selectmen 3-0-1.

### Article 15

To see if the Town will vote to raise and appropriate the sum of seventy five-thousand dollars (\$75,000) to be added to the Sick Leave Expendable Trust Fund previously established. This sum to come from general fund surplus.

(Majority vote required)

Recommended by the Board of Selectmen 3-0-1.

### Article 16

To see if the Town will vote to authorize the Board of Selectmen to enter into a lease/purchase agreement for \$243,275 for the purpose of lease/purchasing fund accounting, tax and utility billing software for the Finance, Tax, and Water/Sewer Departments, and to raise and appropriate the sum of sixty-three thousand three hundred forty three (\$63,343), which represents the first of 4 annual payments for that purpose. This lease/purchase will contain an escape (non-

## **2016 TOWN WARRANT**

appropriation) clause. Appropriation amounts \$31,671 general fund; \$15,836 water fund; \$15,836 sewer fund.

(Majority vote required)

Recommended by the Board of Selectmen 3-0-1.

### **Article 17**

To see if the Town will vote to establish a non capital reserve fund under RSA 35:1-c for the purpose of making updates to the Town's Master Plan under the jurisdiction of the planning board, and to raise and appropriate the sum of fifty-thousand dollars (\$50,000) to be placed in this fund and further the Board of Selectmen shall be named agents of the fund and be authorized to make expenditures from the fund.

(Majority vote required)

Recommended by the Board of Selectmen 3-0-1.

### **Article 18**

To see if the Town will vote to raise and appropriate the sum of fifty-thousand dollars (\$50,000) to be added to the Snow and Ice Deficit Non-Capital Reserve Fund previously established. This sum to come from general fund surplus.

(Majority vote required)

Recommended by the Board of Selectmen 3-0-1.

### **Article 19**

To see if the Town will vote to authorize the Board of Selectmen to enter into a lease/purchase agreement for \$159,438 for the purpose of lease/purchasing a dump truck for the Exeter Highway Department, and to raise and appropriate the sum of thirty-six thousand and one dollars (\$36,001), which represents the first of 5 annual payments for that purpose. This lease/purchase will contain an escape (non-appropriation) clause.

(Majority vote required)

Recommended by the Board of Selectmen 3-0-1.

### **Article 20**

To see if the Town will vote to raise and appropriate via special warrant article the sum of thirty-five thousand dollars (\$35,000) for the purpose of conducting a parking study of the downtown area of Exeter to include Water Street, Lincoln Street, and all municipal parking lots.

(Majority vote required)

Recommended by the Board of Selectmen 3-0-1.

# **2016 TOWN WARRANT**

## **Article 21**

To see if the Town will vote to authorize the Board of Selectmen to enter into lease/purchase agreements for \$93,229 for the purpose of replacing various light duty vehicles within the Exeter Public Works Department, and to raise and appropriate the sum of twenty-one thousand and fifty two dollars (\$21,052), which represents the first of 5 annual payments for that purpose. This lease/purchase will contain an escape (non-appropriation) clause. Appropriation amounts \$17,416 general fund; \$1,818 water fund; \$1,818 sewer fund.

(Majority vote required)

Recommended by the Board of Selectmen 3-0-1.

## **Article 22**

To see if the Town will authorize the Board of Selectmen to negotiate and enter into a long term lease of up to 99 years on Town owned land described as Tax Map 100 Lot 4, for the purpose of installing a cellular tower on the property, a portion of which will benefit the Town of Exeter communications systems.

(Majority vote required)

Recommended by the Board of Selectmen 5-0.

## **Article 23**

To see if the Town will vote to discontinue as public highways the following two ancient, abandoned roadways:

- a. A portion of 3 Rod Road from its easterly starting point at its intersection with the already discontinued portion of Garrison Lane, westerly to its intersection with the boundary between Lot 4 on Tax Map 46 and the Town Conservation land, Lot 2 on Tax Map 56. This road was laid out in 1699, as documented in Book 2, Page 136, N.H. State Records.
- b. A portion of Garrison Road from its northerly intersection with 3 Rod Road to its southwesterly intersection with the boundary between Lot 3, Tax Map 56 and the Town Conservation land, Lot 2, Tax Map 56. This road was laid out in 1699, as documented in Book 2, Page 90, N.H. State Records.

Recommended by the Board of Selectmen 5-0.

## **Article 24**

By petition of Robert Eastman and others, "Shall the Town of Exeter affirms that, within the town limits, the navigable airspace for drone aircraft shall not be expanded below the long-established airspace for manned aircraft; and that the Town of Exeter affirms that within the town limits, landowners have exclusive control of the immediate reaches of the airspace and that no drone aircraft shall have the "public right to transit" through this private property."

## **2016 TOWN WARRANT**

### **Article 25**

By petition of Daniel W. Chartrand and others, "Shall a charter commission be established for the purpose of establishing a municipal charter?"

### **Article 26**

By petition of Herb Moyer and others, "To see if the town will urge: That the next President and Congress fight big money politics and restore government of, by, and for the people by championing the We the People agenda: 1. Ban Super PACs and overturn Citizens United; 2. Expose secret donors and require full transparency; 3. Ban bribes from big-money lobbyists and government contractors; 4. Establish small-donor, citizen funded elections; 5. End gerrymandering and modernize voter registration; 6. Close loopholes and enforce campaign finance laws.

That the New Hampshire State Legislature support concrete legislation to enact the We the People agenda. The record of the vote approving this article shall be transmitted by written notice from the selectmen to the NH congressional delegation and to Exeter's state legislators, and to the President of the United States informing them of the instructions from their constituents within 30 days of the vote.

### **Article 27**

On the petition of Andrew F. Hirst and others, due to the high increase in the cost of living in the past eight years to see if the town will vote: For the purpose of amending Article 43: from 2/2/08

Which reads as follows:

"Shall the voters modify the elderly exemption from property tax in the Town of Exeter, based on assessment for qualified taxpayers, to be as follows: for a person 65 years of age and up to age 75 years, \$152,251; for a person; 75 years of age up to 80 years \$183,751; for a person 80 years of age and over \$236,251. To qualify person must have been a resident of New Hampshire for at least three (3) consecutive years, own the real estate individually or if owned by such person's spouse, they must be have been married to each other for at least five (5) consecutive years. In addition the taxpayer must have a net income of no more than \$40,426; or if married, a combine net income of not more than \$51,976; and own net assets not in excess of \$194,251; excluding the value of the persons residence. The combined net asset amount for married persons shall apply to a surviving spouse until the sale or transfer of the property by the surviving spouse or until the remarriage of the surviving spouse."

Amend to read as follows:

"Shall the voters modify the elderly exemption from property tax in the Town of Exeter, based on assessment for qualified taxpayers, to be as follows: for a person 65 years of age and up to age 75 years, \$152,251; for a person; 75 years of age up to 80 years \$183,751; for a person 80 years of age and over \$236,251. To qualify person must have been a resident of New Hampshire for at least three (3) consecutive years, own the real estate individually or if owned by such person's spouse, they must be have been married to each other for at least five (5) consecutive years. In addition the taxpayer must have a net income of no more than \$50,426; or if married, a combine net income of not more than \$61,976; and own net assets not in excess of \$194,251; excluding the value of the persons residence. The combined net asset amount for married persons shall apply to

## 2016 TOWN WARRANT

a surviving spouse until the sale or transfer of the property by the surviving spouse or until the remarriage of the surviving spouse.”

### Article 28

On petition of Joan E. Sullivan and others, to see if the Town will vote to: raise and appropriate the sum of \$175,000 for the purpose of adding brick paver enhancements to the downtown area sidewalk project.

Recommended by the Board of Selectmen 2-0-2.

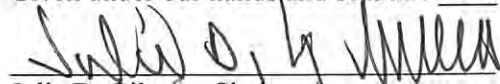

### Article 29

On petition of John M. Maull and others, to see if the Town will vote to place road markings (center yellow lines and side shadow lines) in a manner to enhance the safety of the motoring public and those using the town roads for bicycles, jogging and walking. This will involve adopting a 10 foot travel lane for vehicles (which has been shown to reduce vehicle speed) and placing shadow lines to provide room for safer use of the shoulders for pedestrians, joggers and cyclists.

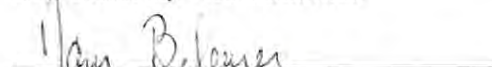

As background, narrower vehicle travel lanes on town roads encourage vehicles to travel at slower, safer speed. This enhances the safety of all and can require less speed enforcement. Currently the town is marking the travel lane at a 12-14 foot width in areas where the speed limit is 25 MPH. These wider travel lanes present the appearance of a high speed highway and encourage travel at a speed that exceeds the speed limit. The current wider travel lanes have left inadequate space outside the white “shadow” lines. Leaving more space outside of the vehicle travel lanes provides enhanced safety for walkers, joggers, citizens using scooters and bicycles. Many towns in New Hampshire have adopted this approach to enhance safety. This measure will not cost the town any more money than the placement of current lines; it will require a consistent focus on the part of the Exeter Highway Department to see that the lines are placed properly to enhance safety in our town.

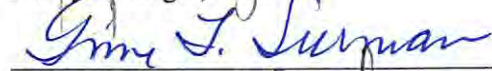

To transact any other business which may legally come before this meeting.

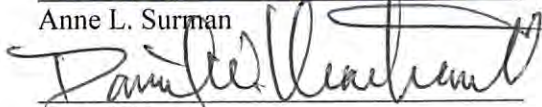

Given under our hands and seal this 25th day of January, 2016.

  
Julie D. Gilman, Chairwoman

  
Don Clement, Vice-Chairman

  
Nancy Belanger, Clerk

  
Anne L. Surman

  
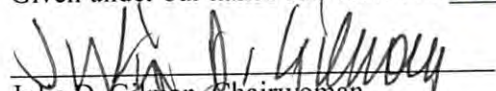

Daniel W. Chartrand

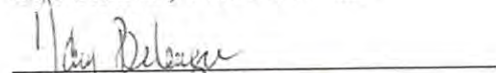

## 2016 TOWN WARRANT

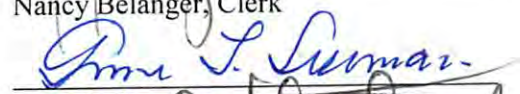

We certify that on the 25th of January, 2016, we caused a true copy of the within warrant to be posted at the Exeter Town Hall on Front Street, the Exeter Public Library at Founder's Park, Exeter High School at 1 Blue Hawk Drive, Talbot Gymnasium at Tuck Learning Campus, 30 Linden Street, and the Town Clerk's Office, 10 Front Street.

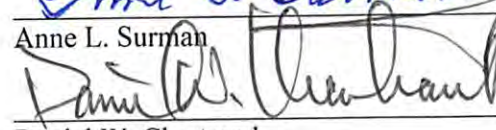

Given under our hands and seals this 25th day of January, 2016.

  
Julie D. Gilman, Chairwoman

  
Don Clement, Vice-Chairman

  
Nancy Belanger, Clerk

## Default Budget: Exeter

RSA 40:13, IX (b) "Default budget" as used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision.

---

---

---

---

---

---

---

If this is re-appointment to a position, please list all training sessions you have attended relative to your appointed position.

---

---

I understand that: 1. this application will be presented to the Exeter Selectboard only for the position specified above and not for subsequent vacancies on the same board; 2. The Town Manager and Selectboard may nominate someone who has not filed a similar application; 3. this application will be available for public inspection.

After submitting this application for appointment to the Town Manager:

- The application will be reviewed and you will be scheduled for an interview with the Selectmen
- Following the interview the Board will vote on your potential appointment at the next regular meeting
- If appointed, you will receive a letter from the Town Manager and will be required to complete paperwork with the Town Clerk prior to the start of your service on the committee or board.

## EXETER SCHOOL DISTRICT WARRANT 2016 ANNUAL MEETING

To the inhabitants of the Exeter School District of the Town of Exeter, County of Rockingham, State of New Hampshire, qualified to vote upon District affairs:

You are hereby notified to meet as follows:

**FIRST SESSION:** At the Lincoln Street School in said Exeter on Tuesday, February 2, 2016 at 7:00 p.m. for explanation, discussion, debate, and possible amendment of the following warrant articles:

1. Shall the District raise and appropriate the sum of five million four hundred thousand dollars (\$5,400,000) for the purpose of renovations and an addition to the Main Street School in order to provide space for a Full Day Kindergarten Program. Five million four hundred thousand dollars (\$5,400,000) of such sum to be raised through the issuance of bonds or notes under and in compliance with the Municipal Finance Act, RSA 33:1 et seq., as amended and to apply for, obtain and accept federal, state or other aid, if any, which may be available for said project and to comply with all laws applicable to said project; to authorize the School Board to issue, negotiate, sell and deliver said bonds and notes and to determine the rate of interest thereon and the maturity and other terms thereof; and to authorize the School Board to take any other action or to pass any other vote relative thereto; and further, raise and appropriate an additional ninety-six thousand six hundred dollars (\$96,600) to meet the necessary financial obligations associated with the project's debt service for the 2016-2017 fiscal year.  
  
(A 3/5 vote is necessary to authorize the issuance of said notes or bonds. The School Board recommends the adoption of this article.)
2. Shall the District raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein totaling \$17,135,355? Should this article be defeated, the default budget shall be \$17,141,599 which is the same as last year, with certain adjustments required by previous action of the Exeter School District or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. (The School Board recommends \$17,135,355 as set forth on said budget.)
3. Shall the District approve the cost items included in the collective bargaining agreement reached between the Exeter School Board and the Exeter Paraprofessional Association (instructional aides and assistants) covering the three year period from September 1, 2016 to August 31, 2019 which calls for an increase in total salaries and a continuation of other non-salary benefits and salary increases so that the approximate increase in the cost of paraprofessional salaries and salary related benefits because of this agreement and step increases, where applicable, for each of the three years (subject to change resulting from changes in the number of paraprofessionals employed) over the preceding year will be:

2016-2017: \$79,481

2017-2018: \$68,460

2018-2019: \$63,495

And, further to raise and appropriate the sum of \$79,481 for the 2016-2017 year, such sum representing the additional costs attributable to the increase in salaries and salary related benefits over those included as part of Article 1, the 2016-2017 operating budget? (The School Board recommends that the School District enter into this agreement and make the appropriation of \$79,481.)

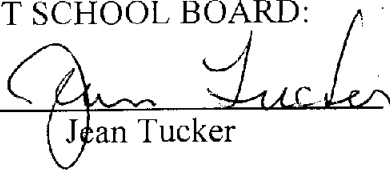

4. Shall the District authorize the School Board to spend up to \$373,673 from the fund established by the voters in 1997 to offset the 2016-2017 Exeter Taxpayers share of the Exeter Region Cooperative School District's bond payment (principal and interest) for the Cooperative Middle School building? (The School Board recommends the approval of this article.)
5. To hear reports of agents, auditors, and committees or officers heretofore chosen.
6. To transact any other business which may legally come before the meeting.

**SECOND SESSION:** At the Talbot Gym at the Tuck Learning Campus on Linden Street in said Exeter on Tuesday, March 8, 2016 to choose the following School District Officer(s): two (2) school board members for three (3) year terms; one (1) school board member for two (2) year term; School District Moderator for three (3) year term; School District Clerk for three (3) year term; School District Treasurer for three (3) year term and vote on the articles listed as 1, 2, 3, and 4 above, as those articles may be amended at the First Session; by ballot, the polls to open at seven of the clock in the forenoon, and to close no earlier than eight of the clock in the evening.

Given under our hands at said Exeter on this 14th day of January, 2016.

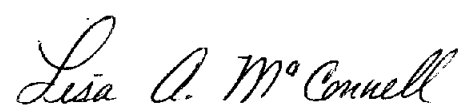

EXETER SCHOOL DISTRICT SCHOOL BOARD:

  
Patrick O'Day

  
Jean Tucker

  
John Maxwell

  
Dawn Bullens

  
Lisa McConnell

Estimated Amount of Taxes to be Raised	\$13,381,969	\$19,544,777

## Default Budget: Exeter Local School

RSA 40:13, IX (b) "Default budget" as used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision.

Minutes of the Exeter School District  
First Session of the 2015 Exeter School District Annual Meeting  
Deliberative Session – Tuesday, February 3, 2015 – 7:00 PM  
Lincoln Street School Library

Attendance:

School Board Members Present: Jean Tucker, Dawn Bullens, Kathy McNeill – Vice Chair

School Board Members Absent: Patrick O'Day, John Maxwell

SAU 16: Paul Flynn, Associate Superintendent

Moderator: Stephen Hermans

Clerk: Susan Bendroth

Moderator Hermans called the First Session of the Exeter School District Annual Meeting to order at 7:04 PM on Tuesday, February 3, 2015. The Pledge of Allegiance was said, he introduced the board and stated the purpose of the meeting was to explain, discuss, debate and possibly amend with certain restrictions each warrant article to determine the form of the ballot that would be voted on at the Second Session on Tuesday, March 10, 2015 at the Talbot Gymnasium at the Tuck Learning Campus on Linden Street in Exeter. He reviewed the procedure that he would read the article, recognize a board member to talk to the article and then recognize any voter who wishes to speak to the article.

Moderator Hermans read Warrant Article #1:

**Warrant Article #1: Shall the Exeter School District raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein totaling \$16,532,753? Should this article be defeated, the default budget shall be \$16,566,278 which is the same as last year, with certain adjustments required by previous action of the Exeter School District or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. (The School Board recommends \$16,532,753 as set forth on said budget.)**

Kathy O'Neill stated that the budget was the result of hard work and even with the class size reduction grant being lost and a 10% increase in retirement the proposed budget is less than the default budget.

Moderator Hermans declared the article to appear on the ballot as presented.

Moderator Hermans read Warrant Article #2:

**Warrant Article #2: Shall the District authorize the School Board to spend \$373,673 from the fund established by the voters in 1997 to offset the 2015-2016 Exeter Taxpayers share of the Exeter Region Cooperative School District's bond payment (principal and interest) for the Cooperative Middle School building? (The School Board recommends the approval of this article.)**

Paul Flynn explained the article.

Moderator Hermans declared the article to appear on the ballot as presented.

Moderator Hermans read Warrant Article #3:

**Warrant Article #3; To hear reports of agents, auditors and committees or officers heretofore chosen.**

No reports.

Moderator Hermans read Warrant Article #4:

**Warrant Article #4: To transact any other business which may legally come before the meeting.**

No other business.

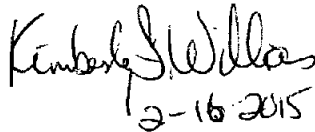

SECOND SESSION: At the Talbot Gym at the the Tuck Learning Campus on Linden Street in Exeter on Tuesday, March 10, 2015 to choose the following School District Officer(s): two (2) school board members for a three (3) year term, and vote on the articles listed as 1 and 2 above, as those articles may be amended at the First Session; by ballot, the polls to open at seven of the clock in the forenoon, and to close no earlier than eight of the clock in the evening.

It was moved by Jean Tucker and seconded by Kathy O'Neill to adjourn the meeting at 7:16 PM with 10 voters present at the meeting.

Respectfully Submitted,

Susan E.H. Bendroth, Exeter School District Clerk  
February 3, 2015

# **AS AMENDED AT THE FEB 4, 2016 DELIBERATIVE SESSION EXETER REGION COOPERATIVE SCHOOL DISTRICT WARRANT**

## **Article 01: ERCSD Operating Budget FY17**

Shall the District raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant, or as amended by vote of the first session, for the purposes set forth therein, totaling \$56,692,794? Should this article be defeated, the operating budget shall be \$56,520,140 which is the same as last year, with certain adjustments required by previous action of the District or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. (The School Board and Budget Advisory Committee both recommend \$56,692,794 as set forth on said budget.)

## **Article 02: CRF for Synthetic Turf Replacement**

To see if the school district will vote to raise and appropriate the sum of up to \$50,000 to be placed in the Synthetic Turf Replacement Capital Reserve Fund previously established under the provisions of RSA 35:1 for replacement of the synthetic turf field located at Exeter High School. This sum to come from the June 30 undesignated fund balance available for transfer on July 1. No amount to be raised from taxation. (The School Board and the Budget Advisory Committee both recommend this appropriation.) Majority vote required.

## **Article 03: CMS Expansion and Renovation**

To see if the school district will vote to establish a Cooperative Middle School Renovation Capital Reserve Fund under the provisions of RSA 35:1 for the renovation and expansion of the Cooperative Middle School and to raise and appropriate the sum of \$2,000,000 to be placed in this fund. (The School Board and the Budget Advisory Committee both recommend this appropriation.) Majority vote required

## **Article 04: Citizens Petition**

**(By Citizens Petition)** "Shall the district ask the Exeter Regional Cooperative School Board to accept a vote of "confidence" in the continuing leadership and tenure of Superintendent Michael Morgan?"

Estimated Amount of Taxes to be Raised	\$41,519,325	\$43,419,042

## Default Budget: Exeter Coop

RSA 40:13, IX (b) "Default budget" as used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision. Minutes of the Exeter Region Cooperative School District  
First Session of the 2015 Annual Meeting  
Deliberative Session – Thursday, February 5, 2015  
Exeter High School Arthur Hanson III Center

**ERCSD BOARD MEMBERS PRESENT:**

Helen Joyce, Chair – Stratham  
Deb Hobson – East Kingston  
Paul Staller – Kensington  
Denny Grubbs – Exeter  
Alicia Heslop - Newfields

Linda Garey, Vice-Chair – Brentwood  
Darrell Chichester – Exeter  
James Firmin – Stratham  
Maggie Bishop – Exeter

**ADMINISTRATION:** Michael Morgan, Superintendent

Amy Ransom – Business Administrator for SAU 16

**OTHERS:** Katherine Miller – ERCSG Moderator

Barbara Loughman – Attorney for the School District

Dave Pendell – Chair of District’s Budget Advisory Committee

Susan Bendroth – ERCSD Clerk

Moderator Kate Miller called the meeting to order at 7 :00 PM followed by the Pledge of Allegiance and introduction of board members and other officials. Moderator Miller explained that the District is an “SB2” or “Official Ballot” school district. Moderator Miller reviewed the purpose, rules and procedures for the meeting.

Moderator Miller called Luke Breton, School District Treasurer, Alicia Heslop, ERCSD Newfields Board Member and Paul Staller, ERCSD Kensington Board Member to the podium where Helen Joyce, Chair of the ERCSD recognized them for their time and talent to the school district, as they are not seeking re-election or re-appointment.

Moderator Miller turned to Warrant Article #1:

**Warrant Article #1: Shall the District raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant, or as amended by vote of the first session, for the purposes set forth therein, totaling \$55,721,982? Should this article be defeated, the operating budget shall be \$55,962,349, which is the same as last year, with certain adjustments required by previous action of the District or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. (The School Board and Budget Advisory Committee both recommend \$55,721,982 as set forth on said budget.)**

Helen Joyce, Stratham Board Member, moved the article.

Linda Garey, Brentwood Board Member, seconded.

Helen Joyce introduced Amy Ransom, Business Administrator, who reviewed the default budget and proposed changes highlighting the larger items through a power point presentation.

Suzanne Stone, Exeter, questioned monies for the alternative education program. Michael Morgan, Superintendent, answered saying this is not the place for that discussion but instead at the Curriculum and Philosophy Committee meeting set for March 3, 2015 at 6:00 Pm at the SAU office.

Moderator Miller confirmed that the discussion needed to be limited to the items on the warrant.

Brian Griset, Exeter asked about salary related increases and tax impact for each town.

Amy Ransom, Business Administrator, referred to the orange sheet of paper available to attendees that outlines the total cost of special education and regular education.

Frank Ferraro, Exeter, questioned the presentation format, lack of clarity and parents request for out of district placement.

Denny Grubbs, Exeter Board Member, explained that the proposed budget is built off of the default budget.

Moderator Miller clarified that if the district can meet a students needs than they do not need to be placed out of district.

Maureen Barrows, Exeter, asked again about the possibility of closing the alternative education program and expressed her disapproval.

Michael Morgan, Superintendent, requested that both she and Suzanne Stone attend the curriculum and Philosophy Committee Meeting on March 3, 2015.

Brian Griset, Exeter, requested that on voting day voters be given a comparison of the budgets for this year and next.

Moderator Miller stated that these comparisons are available on the SAU 16 web site.

Rob Bergin, Brentwood, moved to end discussion.

Arthur Baillargeon, Exeter, seconded.

Darrell Chichester, Exeter Board Member, moved to restrict reconsideration of Article #1.

Rob Bergin, Brentwood, seconded.

Moderator Miller explained that if this motion passes, then, Article #1 cannot be reconsidered during this session. If this motion passes, and then there is a subsequent motion to reconsider Article #1, and if that subsequent motion passes, then reconsideration of Article #1 could occur, but not until we have adjourned session of this deliberative session, at least seven days from now.

The motion to restrict reconsideration passed.

Moderator Miller declared the article to appear on the ballot as presented.

Moderator Miller turned to Warrant Article #2:

**Warrant Article #2: Shall the District approve the cost items included in the collective bargaining agreement reached between the Exeter Region Cooperative School Board and the Exeter Area Paraprofessional Association covering the three-year period from September 1, 2015 to August 31, 2018 which calls for the following increases in salaries and benefits at the current staffing levels:**

Year	Estimated Increase
------	--------------------

<b>2015-16</b>	<b>\$95,242</b>
<b>2016-17</b>	<b>\$96,674</b>
<b>2017-18</b>	<b>\$97,723</b>

**and further raise and appropriate the sum of \$95,242 for the 2015-16 fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits over those of the appropriation at current staffing levels paid in the prior fiscal year? Pursuant to RSA 273-A:12, if approved, the terms of this collective bargaining agreement, including the pay plan, but excluding cost of living increases, will continue in force and effect until a new agreement is executed. (The School Board and the Budget Advisory Committee both recommend this appropriation.)**

Deb Hobson, East Kingston Board Member, moved the article.

Alicia Heslop, Newfields Board Member, seconded.

Deb Hobson, East Kingston Board Member, explained the agreement and asked to amend the article to delete "Pursuant to RSA 273-A:12" as it is no longer needed.

Alicia Heslop, Newfields Board Member seconded the amendment.

Michael Morgan, Superintendent, moved to restrict reconsideration of Article #2.

Rob Bergin, Brentwood, seconded.

The motion to restrict reconsideration passed.

Moderator Miller declared the article to appear on the ballot as amended.

Moderator Miller turned to Warrant Article #3:

**Warrant Article #3: To see if the school district will vote to establish a Synthetic Turf Replacement Capital Reserve Fund under the provisions of RSA 35:1 for replacement of the synthetic turf field located at Exeter High School and to raise and appropriate the sum of up to \$50,000 to be placed in this fund. Further, to name the Exeter Region Cooperative School Board as agents to expend from said fund. This sum to come from June 30 undesignated fund balance available for transfer on July 1. No amount to be raised from taxation. (The School Board and the Budget Advisory Committee both recommend this appropriation.) Majority vote required.**

Darrell Chichester, Exeter Board Member, moved the article.

Maggie Bishop, Exeter Board Member, seconded.

Darrell Chichester, Exeter Board Member, spoke to the article explaining that this fund would be set up to ease the blow of the cost of replacement when the time comes. The field is designed to last 15 to 20 years and we are currently in the 8th year. The Board is not looking to increase appropriations, as this money would come from monies available at the end of the year.

Conrad Moses, East Kingston, asked what would happen to this money if the school is no longer playing football by replacement time

Darrell Chichester, Exeter Board Member, explained that the field is used by other sports as well.

Crystal Slegger, Brentwood, added that indeed it does impact taxes as this is money that would not be returned to the taxpayers.

Arthur Baillargeon, Exeter, asked if this is something we would vote on every year.

Michael Morgan, Superintendent, confirmed that this is the only fund we are requesting money for this year and yes it would come before the voters in the future.

Darrell Chichester, Exeter Board Member, moved to restrict reconsideration of Article #3.

Linda Garey, Brentwood Board Member, seconded.

The motion to restrict reconsideration passed.

Moderator Miller declared the article to appear on the ballot as presented.

Moderator Miller turned to Warrant Article #4:

**Warrant Article #4: (By Citizens Petition) "Shall the Exeter Region Cooperative School District require the adoption of a policy for the Cooperative Middle School that prohibits student use of personal electronic communication devices during the hours that the Cooperative Middle School is in session? Such a policy would neither prohibit the use of devices provided by the School District that support the teaching and learning environment nor would the policy prohibit personal devices that are identified by school administrators for Individual Education Plans or for accommodations under a Section 504 Plan." (The School Board does not recommend the article.)**

Lauren Burns, Stratham, moved the article.

Dianna Lankler, Stratham seconded. She went on to explain that over 200 parents signed this petition as they feel the present SAU 16 policy on personal communication devices is inadequate. It doesn't keep the students safe or fully engaged with their peers, teachers and community. A policy needs to be established that restricts usage between 7:45 and 2:00.

Darrell Chichester, Exeter Board Member, stated that this article would not allow any student to use their personal communication device during the school day.

Dianna Lankler, Stratham, offered an amendment:

**"Shall the voters of the Exeter Region Cooperative School District require the adoption of a formal policy for the Cooperative Middle School that restricts student use of personal electronic communication devices during the hours that the Cooperative Middle School is in session?**

**Such a policy would not prohibit students from bringing devices to school but would require devices to be turned off and stored during the school day. And furthermore, such a policy would not conflict with a BYOD policy that allows students to "bring your own device" into a classroom to use for specific educational purposes with parent permission and strict teacher supervision."**

Heidi Hanson, Stratham, seconded.

David Pendell, East Kingston, appreciated the presentation and suggested that prohibits be taken out and replaced with addresses.

Heidi Hanson, Stratham, spoke in support of the amendment and expressed concerns about legal issues.

Helen Joyce, Stratham Board member, agrees with concerns but this is an issue for administration to address.

Ruth Black, Stratham, shared a letter written by Lauren Ruben, a neuropsychologist in Portsmouth supporting the article.

Wren Haynes, East Kingston, a teacher for 10 years, opposed the motion. We are providing an education to make good choices so lets write a policy to address the usage not restrict it.

Heidi Hanson, Stratham, clarified the amendment and asked for fully engaged students working on building critical thinking skills.

Steve Langford, Stratham, expressed concern about addressing as more and more data is coming in that shows children are not able to learn while on their personal devices. We want our students to concentrate on teacher's lessons and respect education.

Adam Wiggin, Kensington, expressed concern about loopholes in the policy.

Linda Garey, Brentwood Board Member, read the policy outlined in the CMS handbook.

Dianna Lankler, Stratham, felt that the wording is unclear.

Bob Montigary, Brentwood, stated that parents can restrict their children's accounts and asked to move the amendment.

Luke Breton, Stratham seconded.

The amendment did not pass.

Lucy Cushman, Stratham, stated that it is the job of the school board to write policy not appropriate to have the school district doing it.

Alicia Heslop, Newfields Board Member, stated there is a policy committee that reviews such policies periodically.

David Pendell, East Kingston offered an amendment:

**"Are you in favor of having the Cooperative Middle School readdress the formal policy for student use of personal electronic communication devices during the hours that CMS is in session?"**

Alyson Vanderwater, Stratham asked if she understood it correctly that CMS doesn't set the policy but the SAU sets the policy.

Michael Morgan, Superintendent, answered by saying that the SAU has a policy committee. Each individual district has their own policies with some minor differences but try to have a common policy. There is a procedure at CMS.

Dianna Lankler, Stratham, stated that they did go to the administration but did not get anywhere.

David Pendell, East Kingston, responded by saying having brought the issue before the board they will listen to the community.

A motion was made to move the amendment and seconded.

Moderator Miller declared the article to appear on the ballot as amended.

A motion to restrict reconsideration was moved and seconded.

The motion to restrict reconsideration passed.

Moderator Miller turned to Warrant Article #5:

**Warrant Article #5: to hear the reports of agents, auditors and committers or officers heretofore chosen.**

No reports.

Moderator Miller turned to Warrant Article #6:

**Warrant Article #6: To transact any other business that may legally come before this meeting.**

No other business.

The following positions are open for School District elections:

School District Moderator 1-year Term Expiring 2016

School District Board Member (Exeter) 2-year Term Expiring 2017

School District Board Member (Exeter) 3-year Term Expiring 2018

School District Board Member (Kensington) 2-year Term Expiring 2017

School District Board Member (Newfields) 3-year Term Expiring 2018

School District Board Member (Stratham) 3-year Term Expiring 2018

Budget Committee Member (Exeter) 3-year Term Expiring 2018

Budget Committee Member (Stratham) 3-year Term Expiring 2018

Budget Committee Member (E. Kingston) 3-year Term Expiring 2018

Moderator Miller adjourned the meeting at 9:14 PM with 149 voters from 6 towns present at the meeting.

Respectfully submitted,

Susan E.H. Bendroth, Exeter Region Cooperative School District Clerk

## **2015-2016 REPORT OF THE SUPERINTENDENT OF SCHOOLS**

For the second consecutive year our nation's economy has experienced a precipitous drop in oil and gas prices which now average below \$2.00 a gallon for the first time in eight years. Add to that the interesting phenomenon that property tax rates in all six SAU 16 communities declined in late 2015. The value of the US dollar is strong against both the Canadian dollar and the Euro which translates to a stronger economy for our country and our region. New Hampshire has the lowest rate of people living in poverty and our employment rate is 6th best in the country. In fact, the NH unemployment rate (3.2%) is the lowest it has been in 14 years. It is among these economic factors that School Administrative Unit (SAU) 16 schools continue to work hard to provide the best possible education that serves the students and families in our communities while respecting the heavy burden that local property taxes have on residents. School Board Members and administrators are very sensitive to the fact that approximately 80% of SAU 16 households do not have school age children residing in them while also being very aware that New Hampshire is second only to Florida in its aging average population.

Continuing to understand the relevancy of economic trends in an SAU school system that is the third largest in the state of New Hampshire is a marvelous educational endeavor. Professional educators here are strongly committed to developing good citizens who will learn extensively and work hard to contribute to a culture and a society that values honesty, integrity, hard work, and high ethical and moral standards. That is part of the reason that our Vision Statement and Mission Statement help to drive the services that our six communities provide to students and families.

### **SAU 16 VISION STATEMENT**

To provide a rigorous and comprehensive education that will prepare our students for diverse post-secondary educational opportunities, a competitive workplace, and active civic participation.

### **SAU 16 MISSION STATEMENT**

To help students gain knowledge and skills that build intellect, character, and a lifelong thirst for learning.

### **HIGHLIGHTS**

Curriculum, Communication, Community Service, and Transitions continue to be the focus of student-centered initiatives, personalized instruction, and work within the six communities of SAU 16. The successful implementation of the 2010-2015 Strategic Plan has been a cooperative effort of students, staff, administrators, and School Board Members. Monthly Superintendent Reports to the community are published and available at the SAU website ([www.sau16.org](http://www.sau16.org)). Efforts are underway to develop the next SAU Strategic Plan for 2016-2021. Approximately 40 interested members of the public have joined this collaborative effort and have identified three significant Focus Areas for future goals: 1) Teaching and Learning; 2) Design, Philosophy, and Governance; and 3) Health and Community. Highlights of the past year include:

1. The SAU is committed to achieve high academic standards and to provide the best possible selection of courses and educational opportunities to students from pre-school to high school graduation. The SAU goal is to have every student career and college ready and to become actively involved as a contributing member in society.

2. *Individualized Innovative Instruction* is the overarching theme of the school year as teachers and administrators strive to make education “personalized” so that each student may achieve his/her highest potential.
3. The SAU administration and faculty are continuing the implementation of the NextGen Science standards to advance curriculum work throughout all of the schools in the SAU.
4. The College Board recognized Exeter High School in its 6th Annual AP District Honor Roll — a list of approximately 425 districts across the U.S. and Canada being honored for increasing access to AP® course work while simultaneously maintaining or increasing the percentage of students earning scores of three (3) or higher on Advanced Placement exams.
5. The SAU 16 professional staff is strongly committed to improving its art and its method of teaching. Using the “instructional rounds process,” teams of staff members are consistently bridging the knowledge gap between educators and their practices. Each year these teams work with each other to visit classrooms and then engage in discussions of explicit practices that are directly tied into the process of school improvement.
6. The SAU Safety and Security Committee continued to strengthen collaboration among the 11 schools in the SAU and the six local police departments. This year’s work extended to involvement with the NH Department of Safety Office of Homeland Security which conducted a “School Security Assessment” for each facility. These “safety audits” are designed to improve all safety and security protocols and practices in our schools.
7. In conjunction with the Stratham Police Department and the NH Department of Safety, the Cooperative Middle School conducted a day-long “active shooter” training exercise in August 2015.
8. This school year brought the largest enrollment ever (737 students) to the Seacoast School of Technology (SST). SST began in 1980 and is currently in its 37th year of operation. It offers 12 programs in career and technical education fields. Currently 171 students are earning 462 college credits through “Dual Enrollment” programs offered in conjunction with various colleges and universities.
9. All seven of the SAU 16 elementary schools were recognized by New Hampshire Partners in Education for their outstanding parent and community volunteer programs.
10. Exeter Adult Education has completed 30 years of successful programming for those students seeking to earn their high school diploma or a diploma equivalency. It also offers a wide variety of “enrichment programs” for adults.
11. The Exeter School District welcomed Mr. Drew Bairstow as the new principal for Lincoln Street School (LSS).
12. Four members of the Exeter High School (EHS) Class of 2015 earned the prestigious distinction of being named *National Merit Scholars*: Guinevere Gilman, Meredith Gilman, Cameron Morris, and Caroline Ritter.
13. The National Association of Music Merchants (NAMM) Foundation named the SAU 16 schools as one of its 2015 “Best Communities for Music Education” in the US.
14. Exeter High School (EHS) teacher and coach Jim Tufts was inducted into the New Hampshire Interscholastic Athletic Association (NHIAA) Hall of Fame. Coach Tufts teaches Physical Education at EHS and is the Varsity Boys Soccer and Ice Hockey Coach. He also initiated Special Olympics at EHS and still coordinates its events.
15. Cooperative Middle School (CMS) Physical Education teacher and EHS Varsity Girls Soccer Coach Megan Young was inducted into the New Hampshire Soccer Coaches Hall of Fame. She is the first woman to ever receive this honor since the program was established in 1994. She joins 30 men, including Coach Tufts, who have been lauded with this honor.
16. The New England League of Middle Schools (NELMS) honored Cooperative Middle School (CMS) teacher Pat Glennon as a “Master in the Middle” for her outstanding work and emphasis on community service by introducing, supporting, and continuing to nurture the widely-

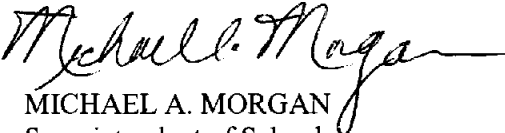

- implemented *Travis Manion Foundation* which honors fallen heroes with the motto of “If not me, then who....” throughout CMS.
17. SAU 16 saw the retirements of 16 SAU professional staff members who dedicated a combined total of 408 years of service to our children and their families. Couple this with the 16 professional staff members who retired a year ago. They had dedicated a total of 352 years of faithful service. This means that in two years, 32 staff members have retired from working in SAU 16. Given the demographics of current employees, this trend will continue for several more years.
  18. SAU 16 presently has 20 students who are classified as “immigrants” according to criteria established by the NH Department of Education.
  19. SAU 16 currently has 90 students who are registered for “Home School” programs.
  20. The “Officer Stephen Arkell Community 5K” run/walk raised over \$71,000 through the efforts of over 1,800 participants and volunteers.
  21. Thanks to the generous involvement of local individuals and organizations, 90 graduates in the Exeter High School Class of 2015 received over \$190,000 in scholarships and tuition aid for college.
  22. Ms. Anne DeMarco, Animal and Plant Science teacher at the Seacoast School of Technology (SST) was one of only 42 nationwide teachers recognized at the 2015 National FFA Conference for having earned her Honorary American FFA Degree.
  23. Ms. Cathy Clermont, Cooperative Middle School (CMS) Local Education Administrator and formerly a CMS physical education teacher, was recognized by the NH Association for Health, Physical Education, Recreation and Dance (NHAHPERD) as its “2015 Adapted Physical Education Teacher of the Year.”
  24. The New Hampshire Football Officials Association presented one of its three 2015 Sportsmanship Awards to Exeter High School (EHS) and recognized Coach Bill Ball for the EHS football team’s collective efforts in the important area of sportsmanship.
  25. The Exeter High School (EHS) Unified Soccer Team won its first state championship in the fall of 2015.
  26. Mrs. Sue Noseworthy received the coveted 2015 *Eustis Award* at the formal opening of the SAU 16 school year. Mrs. Noseworthy has distinguished herself as someone who truly exemplifies the outstanding qualities characterized by an SAU 16 education. She has taught art at Lincoln Street School (LSS) for 32 years and joins 13 other SAU 16 professional staff members who have been recognized in this way since the *Eustis Award* began in 2004.
  27. Ms. Helen Burnham, Library Media Specialist at Lincoln Street School (LSS) was selected as the “2015 School Librarian of the Year” by the New Hampshire School Library Media Association.
  28. Ms. Lili Spinosa, Physical Education teacher at Kensington Elementary School (KES) received the 2015 Outstanding Achievement Award from the New Hampshire Governor’s Council on Physical Activity and Health.
  29. Mr. Dan Provost, Exeter High School (EHS) English teacher and Advisor to the Student Senate, received the 2015 Warren E. Shull Advisor of the Year Award for his outstanding work with and dedication to the EHS Student Senate.
  30. Mr. Josh Felch, Math teacher at the Cooperative Middle School (CMS) was honored by Phillips Exeter Academy (PEA) in the fall of 2015 with the *Honoring Early Education Award* which recognizes those teachers who have a profound impact on one or more PEA students.
  31. Student enrollment continues to be monitored carefully in all schools. Among the schools in the SAU, East Kingston Elementary School, Kensington Elementary School, Newfields Elementary School, and Swasey Central School in Brentwood have experienced the most significant losses in student enrollment over the past 10 years.
  32. In November, the SAU Joint Board hosted its 6th annual meeting with state legislators as they continue ways to discuss topics of mutual interest and to share ideas about what is happening politically and financially at the state and local levels.

33. Ms. Claire Bloom, the founder of the *End 68 Hours of Hunger* program, was presented with the statewide "Champions for Children Award" by the New Hampshire Association of School Administrators Association in May 2015. This successful weekend food backpack program now benefits approximately 85 students within the SAU and is coordinated locally by Ms. Kim Army from Newfields and Ms. Sue Abizaid from Stratham.
34. The SAU 16 Safety and Security Committee continues to meet at least three times each year to strengthen the collaboration and communication among school officials and local police departments. Over 40 individuals are directly involved in this important community work.
35. Schools continue to use a wide variety of media - including websites, newspapers, cable access television, and blogs - to communicate the schools' mission and service to the community.
36. The Exeter Area Lions Club continues to work with SAU 16 schools through *Operation KidSight*, its vision screening program. Its mission is "to prevent blindness through early detection and treatment of the most common vision disorders in children." Each year many children benefit from this free screening provided to students and this often leads to children receiving important eye care as soon as possible.
37. SAU 16 continues to support the work of the Exeter Adult Education Program, the Great Bay eLearning Charter School (GBecs) and the Virtual Learning Academy Charter School (VLACS) as each embraces non-traditional ways of student learning.
38. Channel 13, the SAU 16 Educational Channel that is provided to all Comcast subscribers within the six towns of the SAU, continues to expand its program offerings to keep the public informed about school events, activities, and meetings.
39. The community of educators remains diligent in supporting the needs of students entrusted to each of us.

This is my eighth year working with you in this important educational process. Please know that I am very grateful to the outstanding teachers, support staff members, administrators, and school board members who share our common goal of providing the best possible education for our students and their families at a reasonable cost to taxpayers. Public education faces many challenges each day because of the changing needs of students and the expectations placed upon it. Nevertheless, SAU 16 remains committed to preparing all students to be good citizens who will emerge as responsible stewards, powerful leaders, and dedicated workers in our society.

Respectfully submitted,

  
MICHAEL A. MORGAN  
Superintendent of Schools

# *Directory of Services*

[www.exeternh.gov](http://www.exeternh.gov)

## **BOARD OF SELECTMEN**

Selectmen meet every other Monday evenings at 7:00PM at the Town Office Building, Nowak Room. Check our website for the next scheduled meeting date. Agenda items for Selectmen's meetings must be submitted to the Town Manager's Office by 12:00 Noon the prior Wednesday. For more information call 778-0591 ext. 102.

## **TOWN MANAGER**

The Town Manager has oversight over the daily operations of the Town government with the exception to the public library, which is governed by a separate Board of Trustees. The Treasurer and Town Clerk are elected directly by the people; these offices work with, but do not report to, the Town Manager. 778-0591 ext. 102

## **TOWN CLERK**

The Town Clerk's Office is located at the Town Office building, 10 Front Street. Hours are Monday thru Friday 8:15AM till 4:00PM. For more information, call 778-0591 ext. 403.

## **ASSESSING OFFICE**

The Assessing Office is located in the Town Office building for assessment and/or exemption information on your property. Hours are Monday thru Friday 8:00AM - 4:30PM. Questions? Call 773-6110.

## **EXETER PUBLIC LIBRARY**

The Exeter Public Library is located at Founder's Park. For hours and information about the Exeter Public Library, call 772-3101 or go to the library website at [www.exeterpl.org](http://www.exeterpl.org).

## **EXTV—PEG PROGRAMMING**

Cable Channel 22 is the Exeter Local Government channel. Tune in to see live broadcasts of the meetings. Check our website for meeting dates. The Education Channel in Exeter is Channel 13, operated by SAU16. Public Access in Exeter is seen on Channel 98. 773-6118

## **HUMAN SERVICES DEPARTMENT**

The department's role is to provide the temporary relief needed by members of the community that have fallen on difficult times. 773-6116

## **PARKS AND RECREATION DEPARTMENT**

The Exeter Parks and Recreation Department is located at 32 Court Street. The Recreation Department sponsors programs for all ages including sports, trips, public pool, tennis, adventure camp, etc. Call 773-6151 for information, check your local newspaper, or check the website [www.exeternh.gov](http://www.exeternh.gov) for upcoming events.

## **PLANNING, BUILDING, ZONING**

The Planning Department, Building Inspector, Zoning Department and Natural Resource Planner are located upstairs in the Town Office building. Hours are 8:00AM - 4:30PM Monday thru Friday. Questions for any of the departments, call 773-6112.

## **WATER/SEWER/TAX COLLECTOR**

The Tax Collector is located in Town Office building within the Water and Sewer Billing Department. Hours are 8:15AM - 4:00PM Monday thru Friday. For questions, call 773-6108.

## **WINTER PARKING BAN**

There is a winter parking ban from December 1 thru March 15. During that time NO PARKING is permitted on any public street between Midnight and 6:00AM. Call Exeter Dispatch at 772-1212 for more information.
