2021 EXETER TOWN REPORT DEDICATION

The 2021 Town Report is dedicated to two of Exeter's long serving public servants, Gwen English, and Eileen Flockhart. In addition to their decades of service to the Town of Exeter, they most recently participated together as members of the Tree Committee, a subcommittee of the Conservation Commission charged with collaborating with Town departments to foster a tree-rich community. With Eileen serving as Chair and Gwen serving as Secretary of the Tree Committee, the Town of Exeter earned its designation as a Tree City USA in 2019. Additionally, the Tree Committee wrote and submitted a Tree Ordinance which the Select Board recently adopted. Both Eileen and Gwen were instrumental in this project's success.

A resident of Exeter since 1992, Gwen English resides with her husband, Dr. Henry Ferrell III, and daughter Natalie, a senior at Exeter High School. Gwen is an avid hiker on trails throughout Exeter, usually in the company of her family, including Milly, their six-year-old Black Labrador Retriever. After arriving in Exeter, Gwen began working at what is now Harris Family Children's Center at Phillips Exeter Academy for almost a decade. She is a graduate of Dartmouth with a degree in Earth Sciences, the foundation for her countless activities on the many environment related Town boards, commissions, and committees on which she has served. In addition to having served on the Historic District Commission, Gwen is presently a Trustee of the Robinson Fund, as well as a long tenured member of the Planning Board, on which she has been active in protecting the environment when reviewing development plans. Through her work on the Planning Board, Gwen has served on the Rockingham Planning Commission and the Exeter Master Plan Steering Committee.

Eileen Flockhart has been a member of the Exeter community since 1981. Eileen was a single mother of two girls until her marriage to Doug Flockhart, who added three sons to the family mix. Together, they enjoy eight grandchildren. Her longstanding commitment to volunteer work commenced immediately upon graduating from college at which time she joined the Peace Corps. Professionally, Eileen dedicated forty years to public education, twenty-three of which were as a special education teacher. During this time, Eileen also volunteered in many capacities, including for the Special Olympics, and at St Michael Parish. Since retiring, Eileen has been an active volunteer for the Society of St. Vincent DePaul as well as with the Town of Exeter. She is an advocate for our community's children and is actively involved with the Parks & Recreation Department as well as our local schools. Eileen also served her community as a three-term state legislator. For the 2020 election, Eileen recruited local children to manually prepare "I voted" stickers to pass out to voters.

I have had the honor and privilege of working with both Gwen and Eileen, and I consider them to be two of our town's treasures. As stewards of their respective committees through the years, they have represented Exeter with respect, civility, and dignity. Their dedication and commitment to their community is outstanding and the Town of Exeter has certainly benefited from all their volunteer work through the years.

Respectfully submitted,

Niko Papakonstantis, Chair
Exeter Select Board

IN MEMORIUM

Margaret (Peg) Dufault Duhamel
December 13, 1927 – January 16, 2021

Margaret (Peg) Dufault Duhamel was a lifelong resident of Exeter. After graduating from Robinson Female Seminary and MacIntosh Business School, she went on to work at Exeter Banking Company and raise 6 children in Exeter. Ms. Duhamel served the Town of Exeter in a multitude of ways. She was Supervisor of the Exeter Cemetery for 25 years, a member of St. Michael's Parish, served on the Exeter Housing Authority, Historical Society, Trustees of the Trust, Supervisors of the Checklist, Board of Eventide Home, Robinson Female Seminary Alumni Association and the Catholic Daughters Council on Aging. The community appreciates Ms. Duhamel's service and the example she set as a well-respected, giving, kind person.

Raymond (Smokey) Eldridge
May 15, 1931 – June 12, 2021

Raymond (Smokey) Eldridge lived and worked in Exeter for many years with his wife, Helen. He was a friendly, helpful person who was always happy to lend a hand. As an on-call Firefighter (hence, his nickname, Smokey), he was always ready for action. Mr. Eldridge worked at Laperle Construction before joining the Town of Exeter as an On-Call Firefighter, a Public Works Heavy Equipment Operator, and in Maintenance for Exeter Parks and Recreation until his retirement in 2000. Smokey truly loved his family and friends. He and Helen enjoyed 61 years of marriage, raising 4 children, 6 grandchildren and 2 great grandchildren together.

David Corbett
October 1, 1930 – June 27, 2021

David Corbett was born in northern England and served in the British Army. Upon immigrating to the United States, he became Editor for the Tulsa Tribune in Oklahoma where he met his wife, Barbara. He is also survived by 3 children, 8 grandchildren and 5 great grandchildren. Mr. Corbett became a Nieman Fellow at Harvard University, began a career at IBM, and closed his career with a consulting business, Executive Communications Strategies. Before moving to Exeter, David and Barbara lived in Paris, France and Tokyo, Japan. Mr. Corbett served the Town of Exeter as a Library Trustee, volunteered at the Chamber of Commerce and American Independence Museum, and was a member of Christ Church. He also volunteered as a UNH Marine Docent and for Seacoast Family Promise. Mr. Corbett was an avid singer who performed with Choirs along the Eastern Seacoast and in France.

IN MEMORIUM

Lois Sandberg Mazurka
June 13, 1940 – July 20, 2021

Lois Sandberg Mazurka graduated from Exeter High School, where she met her husband, Stephen. They settled in Exeter and raised their 2 children here. Mrs. Mazurka began her career at Exeter Cooperative Bank, as a Teller and retired as a Loan Officer. Upon retirement, Mrs. Mazurka went on to serve the Town of Exeter as Deputy Town Clerk. Mrs. Mazurka was a talented artist and a juried member of the Rockingham Craftsmen Association. She loved to paint, cook, sew and make gifts for her children and 4 grandchildren. As a communicant at St. Michael's Parish in Exeter, she served on the Social Commission, RCIA and in the office at Michael House.

Linda Scott Jones
February 7, 1943 – October 3, 2021

Linda Scott Jones moved to Exeter in 1973 with her husband, Dan Jones. They enjoyed 3 children and 4 grandchildren. Mrs. Jones was a dedicated, well-respected teacher at Exeter Adult Education and a Math Tutor, teaching by example. She loved family, nature, her community and her students. Mrs. Jones served the Town of Exeter as a volunteer for the Exeter Chamber Children's Fund, The Giving Circle and NH Women's Foundation. She was an active member and volunteer at Exeter Congregational Church.

William (Bill) J. Toland, Sr.
April 22, 1942 - October 25, 2021

William (Bill) Toland, Sr. was a proud lifelong Exeter resident. After graduating from Exeter High School, he married Theresa, with whom he shared 58 years. In 1964 he joined the Exeter Fire Department, then served as an Army Combat Medic in Vietnam, where he earned both the Combat Medical Badge and the Purple Heart. Upon his return, he rose through the ranks at the Fire Department to Chief, retiring in 1986, when he went on to become NH State Fire Marshal through 1992. Mr. Toland served as NH Forest Fire Warden and President of the NH Firemen's Association. He was Commissioner of the NH Fire Standards & Training Academy and a Staff Member at St. Anselm's College. Bill valiantly served not only Exeter, but the State of New Hampshire. His wife Terry is quoted as saying, "He just loved helping people and serving people, that was his whole life."

Governor's Executive Council - District #3

Councilor Janet Stevens

State Senator - District #23

Bill Gannon

County Commissioner - District #2

Thomas Tombarello

It is an honor to serve as the Executive Councilor for District Three and to represent 266,000 New Hampshire citizens residing in 32 towns and cities. Unique to our nation, the five-member Executive Council, has a myriad of responsibilities including approving receipts and expenditures of state funds over \$10,000, vetting gubernatorial nominees to serve in state government, serving on the Governor's Advisory Commission on Intramodal Transportation, conducting hearings for judicial nominees, to overseeing federal relief funds allocated to New Hampshire, and confirming hundreds of volunteers to serve on the state's 300 plus State Boards and Commissions.

The Executive Council met for 24 scheduled meetings with the Governor to carry out the duties of confirming appointments and passing state contracts. This past year, the Executive Council reviewed and approved more than 2,100 contracts and passed several billion dollars of state contracts, covering memberships in professional organizations to approving nearly \$1.2 billion dollars for New Hampshire's Medicaid Care Management program. More than 240 contracts, in excess of approximately \$174 million dollars, were approved by the Council and awarded to local government, non-profits organizations, businesses in District Three. This amount reflects a portion of federal relief funds awarded to District Three.

Until the end of the State of Emergency, the disbursement of COVID-19 federal relief funds was authorized by the Governor and presented to the Executive Council as Informational Items. From the June 16, 2021, Executive Council meeting until the end of the year, the Council was charged with reviewing requests to accept and expend federal COVID-19 relief funds which included the Coronavirus Aid, Relief & Economic Security (CARES) Act, the Coronavirus Response & Relief Supplemental Appropriations Act (CRRSAA), the American Rescue Plan Act (ARPA) of 2021 State Fiscal Recovery Funds, Infrastructure Investment and Jobs Act (IIJA), Consolidated Appropriations Act, 2021, Federal Emergency Management Agency (FEMA) and other federal agency funds. The Executive Council approved 100% of new, multi-year federal COVID-19 relief funds presented for acceptance and expenditure in excess of approximately \$1.1 billion dollars.

The first tranche of the American Rescue Plan Act of 2021 (ARPA) Local Fiscal Recovery Funds (LFRF) has been distributed to all District Three municipalities. The second and final tranche will be released mid-Summer of 2022 for a total disbursement of more than \$39.2 million to the district, including more than \$12.8 million to the City of Portsmouth, which received funds directly from the U.S. Treasury. In conjunction with the Governor's Office for Emergency Relief and Recovery (GOFERR), I reached out to leadership in all District Three communities to assist with applications and eligible uses for these funds, which range from public health expenditures to water infrastructure upgrades.

The Governor's Advisory Commission on Intermodal Transportation (GACIT) comprised of the five Executive Councilors and the Commissioner of the Department of Transportation, is charged with updating New Hampshire's Ten-Year Transportation Improvement Plan (TYP) every two years. To assess/collect public comments and feedback on the projects and themes of the draft TYP for 2023-2032, I hosted five hearings throughout the district and participated in separate GACIT Public Meetings. District Three has 63 separate road, bridge, active transportation and airport improvement projects in the TYP which are fully funded at \$655 million dollars, which includes the approval of \$418 million by the Executive Council on December 8, 2021. The TYP includes \$121 million in debt service for the benefits of the I-93 expansion projects which brings the total project funding to \$776 million.

The council also met on 12 separate occasions to conduct hearings for 24 gubernatorial nominees to serve as judges and justices within the Circuit, Superior and state Supreme Court, commissioners of state agencies, and the 32nd Attorney General for the State of New Hampshire. The Executive Council approved thirteen new judges to serve in the Circuit court system and three justices to serve in the Superior court. Filling these vacancies was essential to addressing the month-long backlogs in hearings and jury trials, exacerbated by the COVID -19 pandemic.

Please contact my office at any time I can be of assistance to you.

Sincerely,
Executive Councilor Janet Stevens

Article 2

Zoning Amendment #1: Are you in favor of the adoption of Amendment #1 as proposed by the Planning Board for the town zoning ordinance, as follows: Amending the existing Public Capital Facilities Impact Fee Ordinance by amending current language in the ordinance that could pose a potential conflict with the typical methods of impact fee calculations, or where the language is out of date relative to the authorizing statute (RSA 674:21, V.) Beyond these housekeeping measures, the amendment will clarify that age restricted housing can qualify for an exemption of the School Impact Fees and no waiver by the Planning Board shall be necessary.

Article 3

Shall the Town vote to raise and appropriate the sum of five million one hundred thousand and zero dollars (\$5,100,000) for the design and construction of water, sewer, drainage, road and utility improvements in the Salem Street area, and to authorize the issuance of not more than \$5,100,000 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33); and further to authorize the Select Board to issue and negotiate such bonds or notes and to determine the rate of interest thereon; and further to authorize the Select Board to apply for, obtain and accept federal, state or other aid, if any, including principal forgiveness, which may become available for this project. Debt service will be paid from the general fund, water fund, and sewer fund. (Estimated Tax Impact: assuming 10 year bond at .86% interest: .05/1,000, \$5/100,000 of assessed property value). Bond payments would begin approximately one year after issuance. (3/5 ballot vote required for approval.) Recommended by the Select Board 5-0.

**TOWN OF EXETER, NH
FIRST SESSION OF ANNUAL TOWN MEETING
DELIBERATIVE SESSION
SATURDAY, FEBRUARY 6, 2021**

The first session of the 2021 Town Meeting was held at Exeter Co-Operative High School, 1 Blue Hawk Drive, in the Arthur L. Hanson III Center for the Performing Arts. Due to the COVID 19 Pandemic, the Town of Exeter Deliberative Session participant information is as follows:

It is strongly advised that all attendees wear a proper mask or suitable facial covering for the duration of the meeting.

- Attendees who are able to properly wear a mask - Please enter through the front entrance where you will be checked in and directed to the auditorium.
 - Social distancing is required
 - Family members of the same household will be able to sit with one another inside the auditorium.
- Attendees who are unable to wear a mask - Enter through Door B-5 on the left of the building, into the small gym. You will be assisted with checking in.
- Attendees who wish to participate while remaining outdoors will be directed around to the senior lot at the front of the building where an area will be set up to do so. You will need to come into the building to be checked in.

Town Moderator Paul Scafidi called the session to order at 9:00 am. Moderator Scafidi asked attendees to join him in Pledging Allegiance to the American Flag. He introduced the Town Officials seated at the head tables (from his left): Town Clerk, Andrea Kohler; Town Counsel, Walter Mitchell; Finance Director, Doreen Chester; Selectman and Chair Niko Papakonstatis; Selectwoman, Molly Cowan, Selectwoman, Julie Gilman; Selectwoman, Lovey Roundtree Oliff. Moderator Scafidi asked people coming into the auditorium to sign in with Checklist Supervisors. Moderator Scafidi explained the rules of the Session. It is custom for non-residents to be allowed to speak to certain articles because of their expertise. A motion was made to allow these people to speak. **The motion made, seconded and approved.**

Moderator Scafidi will recognize one resident at a time, but will recognize the proponent of an article to speak before any other resident. Each speaker is to state their name and address in Town. Any amendment made to an article must be seconded, and then followed by discussion. Following discussion the Moderator will call for a voice vote or a card vote from the registered voters present at this meeting.

Moderator Scafidi said the names of the candidates associated with Article 1 would be listed on the Ballot, as well as Article 2 which is a Zoning Article. This meeting has no power to amend the Zoning articles as previous public hearings have been held, however they may be discussed. Moderator Scafidi asked for a motion to move this article to the back of the warrant. Moderator Scafidi said he and/or the Planning Director could address any questions or concerns relative to the Zoning Amendment following Article 19.

Article 1

To choose the following: 1 Moderator for a 2-year term; 1 Select Board for a 3-year term; 3 Trustees of the Library for a 3-year term; 1 Trustee of Swasey Parkway for a 3-year term; 1 Trustee of Trust Funds for a 3-year term; 1 Trustee of the Robinson Fund for a 7-year term.

Moderator Scafidi asked for a motion to move article 2 for discussion only after article 6. It was seconded. Moderator Scafidi call for a vote and yeas have it.

Article 3 – Salem Street Area Water, Sewer, Drainage Road Improvements and Utility Replacements (\$5,100,000)

To see if the Town will vote to raise and appropriate the sum of five million one hundred thousand and zero dollars (\$5,100,000) for the design and construction of water, sewer, drainage, road and utility improvements in the Salem Street area, and to authorize the issuance of not more than \$5,100,000 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33); and further to authorize the Select Board to issue and negotiate such bonds or notes and to determine the rate of interest thereon; and further to authorize the Select Board to apply for, obtain and accept federal, state or other aid, if any, including principal forgiveness, which may become available for this project. Debt service will be paid from the general fund, water fund, and sewer fund. (Estimated Tax Impact: assuming 10 year bond at .86% interest: .05/1,000, \$5/100,000 of assessed property value). Bond payments would begin approximately one year after issuance. (3/5 ballot vote required for approval.) Recommended by the Select Board 5-0.

Moderator Scafidi read the Article. Selectman Niko Papakonstantis presented the Article. **Moderator Scafidi called for discussion.** Ms. Jennifer Perry, Public Works Director said there may have been a question about how much is attributed to the General Fund, Water Fund and Sewer Fund. Those numbers breakdown to the General Fund is \$1.01 million for approximately 2,000 linear feet of drainage, the Water Fund is \$2.5 million for 5,900 linear feet of water main and \$1.59 million for 3,700 linear feet of sewer main and manholes. The design for this project was for \$325,000 and was completed in 2019 and 2020. These numbers are for construction.

Moderator Scafidi called for further discussion, seeing none the warrant will go on the ballot as written.

Article 4 – Solar Array Landfill Property (\$3,617,629)

To see if the Town will vote to raise and appropriate the sum of three million six hundred seventeen thousand six hundred twenty nine dollars (\$3,617,629) for the purpose of constructing a solar array on Town owned land described as Map 98 Lot 3, and Tax Map 100 Lot 4, and authorize the issuance of not more than \$3,617,629 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33); and further to authorize the Select Board to issue and negotiate such bonds or notes and to determine the rate of interest thereon; and further to authorize the Select Board to apply for, obtain and accept federal, state or other aid, if any, including principal forgiveness, which may become available for this project. Debt service will be paid by the revenue generated by selling the power and Renewable Energy Certificates. (Estimated Tax Impact: none, assuming revenues and assuming a 20 year bond at 1.67% interest). Bond payments would begin approximately one year after issuance. (3/5 ballot vote required for approval.) Recommended by the Select Board 5-0.

Moderator Scafidi read the Article. Selectman Niko Papakonstantis presented the Article. **Moderator Scafidi called for discussion.** Resident Anne Surman asked if a return of investment has been done on

the current solar array as opposed to what the return of investment of the proposed solar array? Public Works Director, Jennifer Perry said the current solar array is actually used to offset the cost to operate the wastewater treatment facility. We have been receiving that benefit for the eight years. The proposal of this solar array for the landfill is to do an evaluation of the Public Works array, in order to determine if we should be purchasing that. The original power purchase agreement is an opportunity for the town to buy out the value of that solar after 10 years and that has been proposed at eight years. Resident, Anne Surman said it seems like a long time to get the return so I don't know as I am in favor of this. Town Planner, Dave Sharples said the two arrays are very different from each other. The DPW solar array is a 50 kilowatt array and the proposed solar array is 1.77 MW. The purchase agreement for the DPW solar array is someone else constructed, maintained and benefitted from the sale of the power. They built it, the Town does not own it. But in this case, the Town would construct it, be the investors, and get 100% of the benefit. I would be positive from the day of operation. According to the predictions, it will pay off the bond, pay and operations and maintenance contract and be cast positive from day one. I encourage people to look at the proposal from our website. It will generate 1.8 million of revenue after year 25 and about \$7 million after year 40. Resident Gerry Hamel asked how much money does the Public Works Array generate for offsetting costs to the treatment plant. Director Perry said it's a much smaller array and generates approximately \$8,000 to offset the electrical costs for the old main building of wastewater treatment facility. Lewis Mitzrot spoke in favor of the Article. Renae Allen spoke in favor of the Article.

Moderator Scafidi called for further discussion. Seeing none, the Article will go on the ballot as written.

Article 5 – Wastewater Lagoon Sludge Removal (\$2,600,000)

To see if the Town will vote to raise and appropriate the sum of two million six hundred thousand and zero dollars (\$2,600,000) for the purpose of removing sludge from the wastewater lagoons at 13 Newfields Road, and to authorize the issuance of not more than \$2,600,000 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33); and further to authorize the Select Board to issue and negotiate such bonds or notes and to determine the rate of interest thereon; and further to authorize the Select Board to apply for, obtain and accept federal, state or other aid, if any, including principal forgiveness, which may become available for this project. Debt service to be paid from the Sewer Fund. (3/5 ballot vote required for approval.) Recommended by the Select Board 5-0.

Moderator Scafidi read the Article. Selectman, Niko Papakonstantis presented the Article. **Moderator Scafidi called for discussion.** DPW Director Perry said this Article addresses removal of what we call legacy sludge. Its been in the lagoons for over 40 years. We did start this process in 2020 with removing most of the sludge from lagoon number one. That material was pumped into geotextile tubes. It's a fairly low tech slow tech approach but very cost effective. This year the proposal would be to continue. Moderator Scafidi called for further discussion. Seeing none the Article will go on the ballot as written.

Article 6 – Groundwater Source Development (\$1,000,000)

To see if the Town will vote to raise and appropriate the sum of one million dollars (\$1,000,000) for the purpose of developing groundwater sources in the town, and to authorize the issuance of not more than \$1,000,000 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33); and further to authorize the Select Board to issue and negotiate such bonds or notes and to determine the rate of interest thereon; and further to authorize the Select Board to apply for, obtain and accept federal, state or other aid, if any, including principal forgiveness, which may become available for this project. Debt service to be paid from the Water Fund. (3/5 ballot vote required for approval.) Recommended by the Select Board 5-0.

Moderator Scafidi read the Article. DPW Director, Jennifer Perry presented the article. **Moderator Scafidi called for discussion. Seeing none, the Article will go on the ballot as written.**

Article 7 – Choose Town Officers

To choose all other necessary Town Officers, Auditors or Committees for the ensuing year. **Moderator Scafidi presented the slate of officers: BUDGET RECOMMENDATIONS COMMITTEE:** Nancy Belanger, Kaley Briden, Elizabeth Canada, Don Clement, Kathy Corson, Mark Fabian, Amy Farnham, Enna Grazier, Robert Kelly, Judy Rowan, Christine Soutter, Cory Stevens, Christopher Zigmont, Anthony Zwaan. **MEASURER OF WOOD & BARK:** Doug Eastman, **FENCE VIEWER:** Doug Eastman, **WEIGHER:** Jay Perkins.

Moderator Scafidi called for discussion. Seeing none, the Article will go on the ballot as presented.

Article 8 – 2021 Operating Budget

Shall the Town of Exeter raise and appropriate as an operating budget, not including appropriation by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$19,891,082. Should this article be defeated, the default budget shall be \$19,978,374, which is the same as last year, with certain adjustments required by previous action of the Town of Exeter or by law, or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. (Estimated Tax Impact: .22/1,000 assessed property value, \$22/100,000 assessed property value). (Majority vote required) Recommended by the Select Board 5-0.

Moderator Scafidi read the Article. Selectmen, Niko Papakonstantis presented the Article. **Moderator Scafidi called for further discussion. Seeing none the Article will go on the ballot as written.**

Article 9 – 2021 Water Fund Budget

Shall the Town of Exeter raise and appropriate as a water operating budget, not including appropriation by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$4,054,184. Should this article be defeated, the water default budget shall be \$3,633,083, which is the same as last year, with certain adjustments required by previous action of the Town of Exeter or by law. (Majority vote required) Recommended by the Select Board 5-0.

Moderator Scafidi read the Article. Selectmen, Niko Papakonstantis presented the Article. **Moderator Scafidi called for further discussion. Seeing none the Article will go on the ballot as written.**

Article 10 – 2021 Sewer Fund Budget

Shall the Town of Exeter raise and appropriate as a sewer operating budget, not including appropriation by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$7,015,364. Should this article be defeated, the default budget shall be \$6,942,533, which is the same as last year, with certain adjustments required by previous action of the Town of Exeter or by law. (Majority vote required) Recommended by the Select Board 5-0.

Moderator Scafidi read the Article. Selectmen, Niko Papakonstantis presented the Article. **Moderator Scafidi called for further discussion. Seeing none the Article will go on the ballot as written.**

Article 11 – Police Collective Bargaining Agreement (\$26,459)

To see if the Town will vote to approve the cost items included in the collective bargaining agreement reached between the Select Board and the Exeter Police Association, which calls for the following increased salaries and benefits at the current staffing levels:

Year	Estimated Salary/Benefits Increase
FY21	\$26,459

And further, to raise and appropriate the sum of twenty six thousand, four hundred and fifty nine dollars (\$26,459) for the 2021 fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits over those of the appropriation at current staffing levels. (Majority vote required) Recommended by the Select Board 5-0.

Moderator Scafidi read the Article. Selectmen, Niko Papakonstantis presented the Article. **Moderator Scafidi called for further discussion. Seeing none the Article will go on the ballot as written.**

Article 12 – Kingston Road Shoulders (\$980,000)

To see if the Town will vote to raise and appropriate the sum of one-million one hundred thirty thousand and zero dollars (\$980,000) for the purpose of constructing widened shoulders (bike paths) and sidewalks on Kingston Road, with \$235,653 to come from the Town's unassigned fund balance, \$744,347 through an NHDOT grant; and furthermore, to authorize the Select Board to accept any state, federal and other grants and gifts related to the project. This article will not become effective unless the NHDOT grant is awarded to the Town. This article will not impact the tax rate. This will be a non-lapsing appropriation per RSA 32:7, VI and will not lapse until the project is completed or December 31, 2025, whichever is later. (Majority vote required) Recommended by the Select Board 5-0.

Fiscal Note: This project had been funded earlier, but was unable to be constructed in the time frame allotted by Article 17 of the 2017 Town Meeting, and therefore that funding lapsed. This article will allow the project to proceed.

Moderator Scafidi read the Article. Selectmen, Niko Papakonstantis said that the written portion of the dollar amount was incorrect. The only way to correct it, is to amend it. It's a matter of housekeeping. Selectman, Niko Papakonstantis made a motion to amend the Article to change the written portion of the dollar amount from "one million thirty thousand" to nine hundred eighty thousand". **The article was seconded and Moderator Scafidi called for discussion of the amendment. Seeing none, he called for a card vote. Yeas 23, nays 0. The amendment passes and he called for further discussion. Seeing none, the Article will go on the ballot as amended.**

Article 13 – Public Safety Complex Alternatives Analysis (\$100,000)

To see if the Town will raise and appropriate, through special warrant article, the sum of one hundred thousand dollars (\$100,000), for the purpose of evaluating alternatives for a new public safety complex. This sum to come from general taxation. (Estimated Tax Impact: .046/1,000, \$4.55/100,000 assessed property value). (Majority vote required) Recommended by the Select Board 5-0.

Moderator Scafidi read the Article. Selectmen, Niko Papakonstantis presented the Article. Moderator Scafidi called for further discussion. Seeing none the Article will go on the ballot as written.

Article 14 – Appropriate to Capital Reserve Fund – Parks Improvements (\$100,000)

To see if the Town will vote to raise and appropriate the sum of one-hundred thousand dollars (\$100,000) to be added to the Parks Improvement Capital Reserve Fund previously established. This sum to come from general taxation. (Estimated Tax Impact: .046/1,000, \$4.55/100,000 value). (Majority vote required) Recommended by the Select Board 5-0.

Moderator Scafidi read the Article. Selectmen, Niko Papakonstantis presented the Article. Moderator Scafidi called for further discussion. Seeing none the Article will go on the ballot as written.

Article 15 – Appropriate to Sick Leave Trust Fund (\$100,000)

To see if the Town will vote to raise and appropriate the sum of one hundred thousand dollars (\$100,000) to be added to the Sick Leave Expendable Trust Fund previously established. This sum to come from the unassigned fund balance. (Estimated Tax Impact: None. No amount to be raised by taxation). (Majority vote required) Recommended by the Select Board 5-0.

Moderator Scafidi read the Article and called for discussion. Seeing none, the Article will go on the ballot as written.

Article 16 – Conservation Fund (\$50,000)

To see if the Town will raise and appropriate, through special warrant article, the sum of fifty thousand dollars (\$50,000), to the Conservation Fund established pursuant to RSA 36-A:5. These funds will be used for purposes consistent with the Conservation Fund including the purchase of interests in real property to be held for conservation purposes. This sum to come from general taxation. (Estimated Tax Impact: .023/1,000, \$2.28/100,000 assessed property value). (Majority vote required) Recommended by the Select Board 5-0.

Moderator Scafidi read the Article and called for discussion. Seeing none, the Article will go on the ballot as written.

Article 17 – Snow and Ice Fund Appropriation (\$50,000)

To see if the Town will vote to raise and appropriate the sum of fifty-thousand dollars (\$50,000) to be added to the Snow and Ice Deficit Non-Capital Reserve Fund previously established. This sum to come from the unassigned fund balance. (Estimated Tax Impact: None. No amount to be raised by taxation). (Majority vote required) Recommended by the Select Board 5-0.

Moderator Scafidi read the Article and called for discussion. Seeing none, the Article will go on the ballot as written.

Article 18 – Stewart Park Project Deficit

To see if the Town will vote to transfer the amount of \$105,794 from the town's current non-spendable general fund balance to the capital projects fund balance to eliminate the Stewart Park Seawall project deficit from 2005. This project has been completed. This article will not impact the unassigned fund

balance. (Estimated Tax Impact: None. No amount to be raised by taxation). (Majority vote required)
Recommended by the Select Board 5-0.

Moderator Scafidi read the Article and called for discussion. Seeing none, the Article will go on the ballot as written.

Article 19 – Appropriate to Trust Fund – Swasey Parkway (\$1,300)

To see if the Town will vote to raise and appropriate the sum of one thousand three hundred dollars (\$1,300) to be added to the Swasey Parkway Trust Fund previously established. This sum to come from unassigned fund balance. This amount is equivalent to the amount of permit fees collected during the past year for use of the Swasey Parkway. (Estimated Tax Impact: None. No amount to be raised by taxation). (Majority vote required) Recommended by the Select Board 5-0.

Moderator Scafidi read the Article and called for discussion. Seeing none, the Article will go on the ballot as written.

Article 2 Zoning Amendment #1: Are you in favor of the adoption of Amendment #1 as proposed by the Planning Board for the town zoning ordinance, as follows: Amending the existing Public Capital Facilities Impact Fee Ordinance by amending current language in the ordinance that could pose a potential conflict with the typical methods of impact fee calculations, or where the language is out of date relative to the authorizing statute (RSA 674:21, V.) Beyond these housekeeping measures, the amendment will clarify that age restricted housing can qualify for an exemption of the School Impact Fees and no waiver by the Planning Board shall be necessary. **Moderator Scafidi called for discussion. Seeing none, the Article will go on the ballot as written.**

There being no further business to come before the meeting, Moderator Scafidi made a motion to adjourn the Deliberative Session of the Annual Town Meeting. So moved and seconded with no opposition, Moderator Scafidi declared the meeting adjourned at 10:20 am and the meeting to resume at 7:00 am at the Talbot Gym on Linden Street for voting purposes.

Respectfully Submitted,

Andrea J. Kohler, CMC, CTC

Andrea J. Kohler
Exeter Town Clerk, CMC, CTC

State of New Hampshire
Rockingham County

Dated: February 9, 2021

These minutes of the Deliberative Session held on February 1, 2020, were signed before me

Sonya M. Bottelofeld by Andrea J. Kohler, Exeter Town Clerk, this
9 day of February 2020.

SELECT BOARD

2021 continued to be a challenging year for the Select Board, citizens of Exeter, and the entire world. However, access to vaccines allowed a return to some normalcy, including the return of in-person meeting for the Town's boards and committees, and a suspension of the mask ordinance, albeit temporarily. Additionally, the Town of Exeter's emergency managers, health officer, and our public safety departments participated in providing safe and secure vaccination opportunities for our citizens. Despite what appeared to be the promise of a return to some normalcy quickly brought unexpected challenges in late 2021 with the Delta and Omicron variants. Ultimately, the Select Board imposed a mask mandate for all Town offices and for all board and committee meetings. Subsequently, the Select Board resumed the town-wide mask regulation in late December, 2021.

The Town Budget Hearing for FY21 was held via Zoom in January, 2020. After extensive discussion and exploration of options, including the Select Board submitting a letter to Governor Sununu, an in-person Deliberative Session was held allowing citizens opting to participate indoors to do so wearing a mask, but also offering an outdoor option where access to the meeting was provided in the parking lot. The Town Election was held as scheduled in March. Citizens were also allowed to vote via absentee ballot due to Covid. All the Warrant Articles passed, and Selectwoman Molly Cowan was elected to serve another three-year term on the Select Board.

Despite the pandemic, Town services continued uninterrupted. Governor Sununu lifted the Emergency Order in June, 2021, however, until then, all Town meetings were held via Zoom. The Information Technology team worked tirelessly to ensure that the meetings were held successfully and provided public access. The Economic Development Department and the Health Officer continued to assist local businesses. Residential and commercial development increased giving the Town Planner's office and the Planning Board a full workload. The Department of Public Works completed multiple projects, continuing to improve the Town's infrastructure. The pool re-opened and the Parks and Recreation Department was able to provide a safe and innovative Summer Camp program for families. The Police Department successfully resumed the National Night Out in August, 2021, which was very well attended. Public Safety remained a priority and the Police and Fire Departments, as well as the Department of Public Works, stepped up tremendously.

The Energy Committee and Sustainability Advisory Committees, respectively, continued their efforts to promote energy efficiency as well other sustainable initiatives. The Select Board implemented the Community Power Aggregation Committee. The Communications Committee submitted formal recommendations to the Select Board and offered to collaborate with other Town committees. The Facilities Advisory Committee continued their work addressing Capital Improvement Projects (CIP). The Budget Recommendations Committee (BRC) delivered an extremely lean budget recommendation without cutting any services. The BRC also took a different and innovative approach this year to how they reviewed the CIP requests. The Historic District Commission, the Heritage Commission, the Housing Advisory Committee, and Human Services Funding also continued with their respective initiatives. The Arts & Culture Advisory

Commission completed their first year as a committee, successfully obtaining several donations and grants. The Police Stakeholders Committee completed their assignment and submitted their recommendations formally to the Select Board.

In 2021 the Town bid farewell to several long-standing employees who retired. The retirees included Human Resources Director Donna Cisewski; Jim Mahoney (Parks & Recreation); Jason Greene, Lee Dawson, and Susan Baillargeon, respectively (Fire Department); and Carole Mitchell (Tax Collections). We are appreciative of their decades of service and wish them well in their retirement. Also, Select Board member, Daryl Browne, resigned from the Select Board in November. As a local small business owner, Daryl brought a unique perspective and voice to the Select Board. His participation and insight at Board meetings was passionate, thoughtful, and articulate. I am grateful for his service and his contributions.

The Select Board amended several Town Ordinances this year, including the mobile vending ordinance and speed limit ordinance. At the request of the Select Board, the Police Department conducted a thorough and extensive speed study, based on which a formal recommendation was made to the Select Board. After three public hearings, the Select Board amended the Town Speed Limit Ordinance to improve public safety. Also, the Tree Committee presented a Tree Ordinance which the Select Board approved after three public hearings.

One of the goals set and achieved by the Select Board in 2021 was a reorganization of the Town Manager's office, a result of the glowing need of a succession plan. With the retirement of the Human Resources Director in June, the Select Board recommended the shift from a Human Resources Director to an Assistant Town Manager/Human Resources Director. In July, Melissa Roy was appointed to fill this position. Melissa capably served as the Interim Town Manager from February – April. Additionally, working with other Department Managers, Melissa was instrumental in applying for and securing additional Federal funding available from the appropriation bill passed by Congress in September.

It is truly humbling to be given the privilege to serve on the Town of Exeter Select Board. I would like to acknowledge and thank all the Town staff for their determination and dedication to ensure that services for our citizens went without interruption. I am appreciative of all the volunteers that continue to serve on our committees and boards and adapted to the virtual style meetings and then subsequently in-person meetings wearing masks. I am grateful to our citizens who displayed patience with Town staff and came together as a community during the pandemic. Finally, I am incredibly proud to have served on the Select Board this year with Daryl Browne, Molly Cowan, Julie Gilman, and Lovey Roundtree Oliff. It was an honor to serve again as your Chair through this challenging year and I am most thankful for the trust and support given to me. Together we will work to recover, renew, and reimagine in 2022.

Respectfully submitted,

Niko Papakonstantis, Chair
Exeter Select Board

TOWN MANAGER

Please find enclosed my 17th annual report for the Office of Town Manager for the year ending December 31st, 2021. The year represented our second year as a community weathering the COVID 19 pandemic. Despite difficult circumstances, the Town moved forward again in 2021.

COVID continued to impact Town operations in 2021. Select Board meetings continued under the Governor's Emergency Order in a virtual space, with meetings using the Zoom platform for not just the Select Board but all Town Boards and Committees. The Town Deliberative Session went on, however special accommodations were made for unmasked and masked participants. A PA system was set up outside the High School, and thanks to some herculean efforts by the school and town IT personnel, the session was allowed to go forward.

Vaccines for COVID 19 began distribution in February at Exeter High School. Exeter Fire personnel provided support to the National Guard's process and vaccines were a welcome sight in view of the seriousness of the pandemic.

The Town Election occurred on March 9th, and all warrant articles were passed by the voters. This vote included the 2021 Town Budget, and four bonds: The Salem Street Utilities project, the landfill solar array project, lagoon sludge removal at the Wastewater Facility site, and continued work on Groundwater Development. Voters also approved \$100,000 to conduct an alternatives analysis for public safety options on a new facility. The work will continue into 2022 on this project.

The Select Board and Health Officer replaced the Mask Ordinance enacted in August, 2020 with a Mask Advisory on May 24th, 2021. Due to the ongoing pandemic and emergence of variants including Omicron, the Board re-enacted the mask regulation in late December for all indoor buildings in Exeter. The latest regulation will run through March of 2022.

Governor Sununu ended the state of emergency on June 11th, 2021. The Select Board returned to in person meetings on June 14th, 2021.

Human Resources Director Donna Cisewski retired from Town service in June, 2021. We wished Donna the very best in her retirement. As a result of Donna's retirement, the Select Board supported a recommendation to reorganize Human Resources by retitling the position Assistant Town Manager/Human Resources Director. In July, Melissa Roy was appointed to fill this position, and we wish Melissa all the success in her new role with the Town. Up to the point of her appointment to her new role, Melissa was the Assistant Parks/Recreation Director. The reorganization will provide the Town Manager's Office with additional assistance and increase support to boards and committees.

Other notable retirements in 2021 were Jim Mahoney, who retired from Parks/Recreation with 12 years of service, Jason Greene, who retired from the Fire Department with 20 years of service,

Lee Dawson, who retired from the Fire Department with 24 years of service, Carole Mitchell, who retired from the Tax Collections Department with 33 years of service, and Susan Baillargeon, who retired from the Fire Department with 34 years of service.

Planning and Economic Development remained busy in 2021 despite the pandemic. The Epping Road TIF continued to thrive with many units of the new Ray Farm development being completed and sold. A new mobile vending ordinance was approved to regulate the existence of vendors in the downtown area. The downtown had two visible 79-E projects with Pairpoint and IOKA Properties LLC both receiving 79-E approval from the Select Board. Several more projects continued discussion and will carry forward into 2022.

Property values continued to increase in 2021 as homeowners continued to take the time to improve their properties. Low interest rates and high desirability continued, and Exeter remained a hot real estate market, particularly for residential properties. Overall values increased a little over 1% more from the prior year.

In November, the Town's overall tax rate was set at \$24.01/1,000 of assessed value, a decrease of 49 cents per 1,000 over 2020. The Town's share of the overall rate decreased, as the Town's rate came in at \$5.79 per 1,000, a decrease of 12 cents over the prior year, but a reduction in the overall share of the tax burden to 23% of the total amount raised.

As 2021 comes to a close, Exeter has shown its strength in the most difficult of circumstances. I would like to thank all the Department Managers who performed admirably in 2021. I'd like to thank the Select Board for their support during 2021 including outgoing member Daryl Browne. I'd also like to thank my assistant, Pam McElroy, for all of her efforts throughout a most challenging year.

Respectfully submitted,

Russell Dean
Town Manager

TOWN CLERK

The year 2021 was a welcome relief from 2020. The Town Election in March was a very low-key event. We used what was left of the Personal Protective Equipment supplied by the State for the 2020 election cycle. For safety, we kept the three areas to vote, masked, unmasked and drive up absentee voting areas. The State allowed us to preprocess absentee ballots on Friday before election day. We had 81 ballots to preprocess and 72 absentee ballots were received from Friday to Monday before election day. We accepted 7 absentee ballots during election day for a total of 160 absentee ballots. We started with 14,492 voters on the checklist and only had 8 new voters for a total of 14,500. The number of ballots cast was 1443 for a voter participation of 9%.

Our 2021 Town Election was the last that our Town Moderator, Paul Scafidi would oversee as he decided not to run for the position and retire. Working with Paul has been an honor and such a joy. I look forward to working with our new Town Moderator, Kate Miller. I know she will do a fabulous job for our Town.

The Checklist Supervisors have been very fortunate as they have not had any staff changes. Vicky Nawoichyk and her team, Michele Burke and John Crowley continue to keep our voter checklist current and accurate, protecting the integrity of our voters.

Also, in March the kindergarten class voted for the 2021 dog tag. We were not allowed in the school so we arranged to drop the ballots, ballot box and "I voted" stickers off at the school. By the end of the day, they voted for the dog head for the 2021 dog tag.

It was decided to discontinue the Top Dog Contest. I felt it was unfair to ask for donations when the Town's businesses were still trying to recover from the COVID outbreak.

Every year we close the office for two days. One in the Spring for the Regional Conference and one in the Fall for the New Hampshire City & Town Clerks Association Conference. This year we were able to attend the Fall Conference. We were excited to learn new processes from the DMV, Vitals, and Elections in person rather than by Zoom.

I am genuinely thankful and grateful for my staff; Deputy, Sonya Littlefield, Assistants, LeeAnn Simpson and Jennifer Shupe. The Town Clerk's Office would not run as smooth as it does without their experience, knowledge, teamwork and support.

I would like to thank the Select Board, Town Manager, Department Heads and all Town employees for their encouragement, support and assistance. Most of all, I would like to thank our residents of this great community for your support, patience and for giving me the opportunity to be your Town Clerk.

FINANCE DEPARTMENT

Doreen Chester – Finance Director
Laura Zogopoulos – Senior Accountant
Gail Morin – Payroll and Human Resources Accountant

Finance prepares and analyzes financial statements and the Finance Director formally presents them to the Select Board and the public on a quarterly basis. The Finance Department assists in the preparation of the annual budget, manages financial audits, prepares accounts payable and payroll, prepares municipal reports for the State, reconciles cash and general ledger accounts, performs cashflow analysis and ensures compliance with GAAP and GASB. Finance also works closely with all Town departments, boards and committees.

In 2021, the Town billed \$53.1 million dollars in property tax revenue and collected \$52.1 million dollars of property tax revenue as of December 31, 2021. Despite the unknowns of the economy, the collection rate stayed strong at 97%.

Revenue from property taxes are collected on behalf of the county and Exeter schools. In 2021, \$2.1 million dollars or 4% of property tax revenue was paid to Rockingham County and \$38.3 million dollars or 72% of property taxes collected were assessed/paid to the Exeter School District and Exeter Region Cooperative School District for operations. The Town portion of property tax revenue is \$12.8 million dollars or 24%.

The Town owns and operates water and sewer utilities which are considered enterprise funds, because they are self-supporting funds. Water and sewer enterprise funds are operated through user fees: water consumption and sewer usage fees. There are approximately 4,000 water and sewer utility accounts that are billed by district on a quarterly basis. In 2021, revenues generated from the water funds were \$3.9 million dollars and sewer fund revenues were \$6.9 million dollars.

During 2021, the Town's financial statements were audited for the 2020 by the independent audit firm, Melanson. The Town received an unqualified opinion from Melanson for the year ended December 31, 2020. An unqualified opinion means a clean opinion and is the highest attainable audit opinion. The audit affirmed that the Town's financial statements are fairly stated in all material respects. These positive results are due to the proper review, recording and analysis of revenues and expenses of the Town, thorough audit workpapers and keeping up with changes in GAAP and GASB standards.

Finance assisted in the planning and preparation of the 2022 operating budgets for the general, water and sewer funds. Many thanks to all members of the Budget Recommendations Committee who spent countless hours of time and commitment for the Town of Exeter. You are all truly appreciated.

Respectfully submitted,

Doreen Chester, Finance Director

Estimated Amount of Taxes to be Raised	\$12,776,216

ASSESSING

The firm of Municipal Resources (MRI) continues to oversee the assessing functions for the Town of Exeter. The primary members of the staff working in Town are, Paul McKinney, Ed Tinker and Paul Moreau. Additional staff members may be assisting. If any of the appraisers come to your property, please support the Town's efforts to keep assessments equitable and proper by answering any questions and allowing them to verify the data of your property.

Municipal Resources personnel are available to meet with taxpayers. If an appointment is desired, the Town's in-house Deputy Assessor, Janet Whitten can schedule one for you. Janet has been and continues to be a great resource should information be desired.

The past year saw the assessing office handle twenty four abatement requests. There were also roughly 450 properties reviewed due to taxpayer inquiries, issued building permits, incomplete status of prior year review and/or site change. As a result, the Town's net taxable value increased roughly \$22,200,000. We are also continuing the process of reviewing a portion of the properties each year to ensure the accuracy of the data listed on the individual property cards.

A review of the annual DRA's equalization sales survey has been completed and the Town's overall median assessment ratio as of April 1, 2021, is 79%.

PROPERTY TAX RATES - TAX YEARS 2016 – 2021

YR	Town	County	Local Educat	State Educat	Total
2016	\$7.09	\$1.07	\$15.67	\$2.41	\$26.24
2017	\$7.08	\$1.10	\$16.24	\$2.35	\$26.77
2018	\$7.25	\$1.14	\$16.72	\$2.39	\$27.50

Any person who has been honorably discharged and received a form DD-214 and who has a total and permanent service-connected disability or is a double amputee or paraplegic because of the service-connected injury, or the surviving spouse of such person if such surviving spouse has not remarried.

BUILDING INSPECTOR/CODE ENFORCEMENT

The Building Department has seen another record-breaking year as the number of permits, construction values and revenues reflect (see Building Inspector Yearly Report). As one can imagine, the number of inspections required for all this construction is substantial -- but thanks to a dedicated staff we are doing it! Special thanks to Barb McEvoy, Kathy Croteau and Kristen Murphy for keeping the Department running as smoothly as possible.

Some of Exeter's largest projects under construction in 2021 were the new Phillips Exeter Academy dormitory on Front Street (in the former Fisher Theater location), the Cancer Center addition at Exeter Hospital, the Exeter Public Library renovations, the new Primrose School day care facility on Epping Road, the renovations and addition to Seacoast Mental Health Center, the new DiBona dental office on Hampton Road, and the addition to the Ridge at Riverwoods, along with the continued development of the multi-family residential condominium project at Ray Farm on Epping Road.

The Building Department also administers the Zoning Board of Adjustment, Historic District Commission and the Heritage Commission and is a substantial resource for engineers, architects, developers, builders and residents who do projects in Exeter.

I would like to thank all other departments, Public Works, Fire and Police for their support and assistance in the past year. It has been my pleasure to serve as Building Inspector for the past 29 years and I look forward to many more.

Respectfully submitted,

Douglas Eastman
Building Inspector/Code Enforcement Officer

ECONOMIC DEVELOPMENT

It is the mission of the Economic Development Department to increase the wealth of the community by expanding the commercial and residential tax base, creating jobs and championing smart, sustainable, right-for-Exeter projects. As it was for 2021, the Epping Road Economic Development Initiative is the top priority of the Department for 2022. In 2015, the Department championed a five hundred and eighty-seven-acre Tax Increment Financing (TIF) District in the Epping Road Corridor designed to “stimulate development of commercial, industrial and residential property.” The TIF Plan, financed by new taxes, has created infrastructure, including water and sewer lines on Route 27 between Continental Drive and Route 101 and an industrial road, with water and sewer to access strategic parcels that otherwise would remain dormant. The amended 2018 TIF also funded a new traffic light at the intersection of Continental Drive and Epping Road. The amended 2020 TIF reallocated existing TIF resources to fund a corridor study on Rt. 27 (Epping Road) between the Route 101 interchange and Route 111-A (Brentwood Road) and infrastructure improvements on Rt. 27 (Epping Road) between the Route 101 interchange and Continental Drive. The corridor study is now complete.

The Epping Road Tax Increment Finance (TIF) District has performed exceptionally well in the five years since its inception raising, to date, over \$4.94 million in new private investment with several other major projects currently underway (Phase 3 Ray Farm Active Adult Community, Primrose School) and still others in the planning stages (Gateway at Exeter, Rinks at Exeter, Nouria Energy). These projects will culminate in the addition of tens of millions of dollars’ worth of new taxable investment with plenty more acreage left in the district for future development. The Epping Road Corridor has seen significant investment since the TIF’s commencement with over \$71 million of new taxable value, including developments such as Gourmet Gift Baskets, C3I, The Residences at Colcord Pond, Aroma Joe’s, Sawbelly Brewing, Unitil, Phase 1 and 2 Ray Farm Active Adult Community and expansions of existing businesses, including FW Webb, The Rinks at Exeter and Northeast Distribution.

The 2020/2021 pandemic has seen Exeter’s Economic Development Department pivot into a facilitator role for state and federal COVID-19 business resources. It is the EconDev Department’s responsibility to disseminate accurate and timely information to Exeter’s businesses and to track down specific answers to questions businesses have regarding COVID-19 resources. A few weeks into the crisis, and with the help of some colleagues, the EconDev Department was able to secure from the NH Secretary of State Exeter’s Businesses-In-Good-Standing (BIGS) List. Said list consisted of email contacts to over 900 Exeter companies. List in hand, and with the assistance of Exeter’s IT Department, we created the Town of Exeter, NH COVID-19 Business Outreach program. This consisted of issuing countless emails with updated and pertinent programmatic information, replying to businesses questions, and, in some cases, assisting businesses with applications and appeals. This effort remains ongoing. As of last month the Department requested and received an updated BIGS List from the Secretary of State.

While the pandemic has wrought severe damage on many NH towns, particularly in the north and western parts of the state, Exeter’s economy has remained resilient, including our downtown, which boasts a nearly 100% occupancy rate. In fact, many new businesses have opened in Exeter this year despite the pandemic, including Ambrose, Epoch Gastropub, Comfort Baking Company, FlyBy Café & Takeaway, Hemp Connection, Charlie’s Ice Cream, Rolleyholer’s Bagels & Baked Goods, Jersey Mike’s and FC Caan. Other projects are in the works as well, including Street, the popular Portsmouth restaurant, which will expand into the site of the former Blue Moon Café. It has been a great joy for the EconDev Department to assist these companies as they gain a foothold in our community. The Department is also: working with existing businesses on current challenges; business

attraction/developer investment; local and state legislation that impacts Exeter economic development efforts, and; other projects of varying size and scope.

The Economic Development Department is strongly supported by the Exeter Select Board, who is critical to the success of the Department. The Town of Exeter Economic Development Department is open for business all hours and all days. Please feel free to contact myself, Director, Darren Winham, at your convenience on my cell phone (603) 773-6122 or via email at dwinham@exeternh.gov.

Respectfully submitted,

Darren Winham
Economic Development Director

EMERGENCY MANAGEMENT

The Division of Emergency Management continued to work closely with regional and local Fire, EMS, and Health Officials to support Covid19 testing and vaccination efforts. The Division of Emergency Management tracked data, consolidated information, and interfaced with the New Hampshire Department of Health the Human Services, and NH Homeland Security and Emergency Management. The Division also led the process of tracking costs associated with Exeter's response to the pandemic and acquisition of necessary personal protective equipment.

Exeter received \$121,698 directly from FEMA in 2021 as reimbursements for PPE and equipment purchased. The Division also aided in securing \$218,721 in reimbursements for wages & benefits for Fire/EMS, Health, and Police Department personnel assisting with the vaccination process.

In addition to supporting the Town Manager, Health Officer, and other department leaders throughout the year, the Division of Emergency Management, prepared and updated the Radiological Response Plan for the Seabrook Station Nuclear Power Plant, and participated in the first of three scheduled exercises on December 8. Ongoing emergency planning activities ran concurrent to the pandemic response and information management.

The Division would like to thank the Town Manager, Select Board, Budget Recommendations Committee, all town committees and department leaders for their continued support, but most importantly, the citizens of Exeter for doing their very best during these very long and trying times to keep Exeter a safe and vibrant community.

Remember preparedness is the key to managing an emergency....

Sincerely,

Eric Wilking
Emergency Management Director

EXETER TV

Exeter TV consists of the Town's government and public access TV channels seen on Comcast channels 22 and 98 respectively. On Channel 22 we cover most government meetings and public hearings as well as other events and programming. Channel 98 is a public platform used by residents to express themselves through original content and features talk shows, events, lectures, and more. Exeter TV staff also assist the Town with overall communications including the website, social media, and more.

Quick Statistics for 2021:

- 205 Government meetings filmed
- 66 events covered
- 44 shows produced by residents
- 194 public access videos
- 99,975 minutes viewed on Facebook
- 525 new Facebook followers (3,402 followers)
- 42,937 views on YouTube
- 161 new YouTube subscribers (901 subscribers)

In 2021, nearly half of all of our programming production took place online. Many government meetings were held virtually via zoom until the Governor's executive order allowing that mode of meetings expired. With the return of in person meetings, we developed hybrid meetings to allow the public to continue to enjoy the benefits of remote access to meetings.

We launched two new shows during 2021 produced by our newest staff members Garret Pray and Darien Castro, along with our Executive Producer Bob Glowacky. On *People of Exeter*, Garret Pray sits down with residents of all backgrounds to talk about what they do and what brought them to Exeter. The show serves to help residents get to know the neighbors they may pass on the street every day but never know their stories. On *Sounds of Swasey*, Darien Castro showcases local bands and musicians to talk about their musical process, what got them into performing, and how COVID has affected their work. These shows and our other programming can be watched on Channel 98, online on exeternh.tv, and on our YouTube page.

Highlights this year include creating live multi camera productions of the Brass Band concerts and the 2021 Holiday Parade. We are always looking for new show ideas. To learn more about the station or get involved, visit our website ExeterNH.TV or contact us at 603-418-6425 or extvg@exeternh.gov.

FIRE DEPARTMENT

In 2021 the Fire Department continued “A Tradition of Service” to the community. In late December, 2020 the first of three vaccines designed to combat the spread of the Coronavirus was available, and throughout the year, Fire Department personnel assisted with local and regional vaccinations. The Exeter Fire Department became the regional distribution point for vaccines and supplies to central and eastern Rockingham County. While we could devote the entire report to the coronavirus, mitigation measures, and vaccinations, much more happened in 2021.

The Fire Department entered 2021 with anticipation of some normalcy after a previous year of transition. In January we were proud to announce the promotions of two new Deputy Fire Chiefs. Lieutenant Donald Matheson was promoted to Deputy Chief of Training & EMS, while Crew Chief Jason Fritz was promoted to Deputy Chief of Fire Prevention & Inspections. Both Chiefs bring more than 30 years of fire service experience to the positions and we know they will do a great job.

We celebrated the 25 year career of Firefighter/Advanced EMT Lee Dawson, after he announced his well-deserved retirement. Lee will be remembered for many things, but one that stands out was his ability to get a job done, whether working at a difficult fire scene or in the station helping train the newest rookie. Lee’s can-do-attitude will be missed.

From mid-January through March we welcomed five new probationary firefighters to Exeter to fill vacancies caused by retirements and promotions. Firefighter/Advanced EMT Hope Moore, Firefighter/Advanced EMT Micah Wonyetye, Firefighter/Advanced EMT Dylan Raymond, Firefighter/Advanced EMT Matthew Sylvester, and Firefighter/Advanced EMT Jared Butler. We wish them all much success, and a long and safe career.

Throughout the year, many fire emergencies and emergency medical calls for service kept the Department busy. We saw a significant reduction on calls for the ambulance in 2020, primarily due to the reluctance of residents to call an ambulance and seek medical attention at the hospital due to COVID. 2021 has certainly made up for any previous reductions, as many health related issues could not be ignored or delayed any longer.

During the mid-summer months, the Fire Staffing and Deployment Analysis completed by the Center for Public Safety Management was used as a guide to help create a Request for Qualifications to select an architect to assist with a Space Needs and Alternative Analysis of sites and possible designs for several versions for renovations, repurposing and/or construction of a new facility. Many thanks to the Exeter Facilities Committee, Budget Recommendations Committee, Select Board, and Town Staff, especially Town Manager Russ Dean, Police Chief Stephan Poulin and Town Planner Dave Sharples, for your help and guidance throughout the review and selection process.

Fifteen firms, both local and throughout New England submitted qualifications. We carefully reviewed all fifteen, scoring each and inviting five for an interview. After careful review and interviews, Lavallee-Brensinger of Manchester was selected. I would like to thank Robert Robicsek, Project Leader and his team for their help. Upon selection, Bob and his team have hit the ground running and we look forward to much more information as we approach 2022.

Changes within the Fire Department continued into the fall with the retirement of Lieutenant Jason Greene. Jason's career spanned 21 years with Exeter and we too celebrate his retirement and wish him and his family all the best in the future. On October 15, Crew Chief Patrick Robicheau was promoted to Lieutenant. Patrick's promotional ceremony helped us catch up with swearing in several previous promotions delayed by the coronavirus and wanting to minimize large gatherings. In addition to Lieutenant Robicheau, Lieutenant Michael Avellino, Deputy Chief Donald Matheson, Deputy Chief Jason Fritz and Chief Eric Wilking were officially sworn in to their new positions.

A particularly notable fire occurred in the early morning hours of December 6. A fire was reported in the alley between Supreme Pizza and an eight-unit multi-family apartment building at 134 Front Street. Crews immediately began evacuating the multi-family building and putting water on the fire. Thankfully there were no injuries reported as a result of the fire, but when it was brought under control an hour and a half later, two units in the apartment building were destroyed as well as the long time location of Supreme Pizza. Due to the efforts of the firefighting crews, resident in six of the apartments, and other adjacent businesses were able to return home and remain in operation.

Throughout 2021, the Coronavirus presented some significant challenges to the Town and the Fire Department. I am confident the leadership we have in place, with the support of town staff and residents, will make 2022 a year to remember.

I remind everyone to remain positive and help your family, friends and your community whenever possible. It is easy to feel overwhelmed and not be able to see an end to this pandemic. Your Fire Department is here to help and support all residents and visitors, and if we all work together and take one step at a time, we will see an end to this pandemic.

Lastly, let's review a few basic fire safety tips... have a working smoke & carbon monoxide detector on each level of your home; plan for two ways out in the event of a fire; and practice your escape routes with your family. Remember, do not delay calling for help... early notification of the Fire Department can aid in quick extinguishment of a fire, and NEVER go back inside your home for any reason.

Respectfully submitted,
Eric Wilking
Chief of Department

HEALTH DEPARTMENT

2021, just as the year prior, continued to provide unique challenges to the Exeter Health Department. The mission of the Exeter Health Department is to ensure that Exeter is a safe place to live, work, visit, and dine out. Coronavirus Disease 2019 (COVID-19) prevention has been one of the primary focuses of the Exeter Health Department this past year. The Health Department was able to work with the Exeter Fire Department and the Seacoast Regional Public Health Network in hosting COVID-19 vaccine clinics throughout the year. Normal operations continued as well with some adjustments made in order to prevent the spread of COVID-19. The Department also gained a Deputy Health Officer this year and hosted the first official Board of Health meeting.

Exeter is one of the 15 towns and cities in New Hampshire that is considered “self-inspecting,” meaning Exeter inspects and licenses its own food establishments. Just as the year prior, the number of routine food safety inspections was lower this year compared to previous years due to the COVID-19 pandemic. In order to limit any potential spread, food safety inspections were only conducted in cases of emergency, after a complaint was filed, or in order to open a new establishment. The Exeter Health Department continued to remain in contact with establishment owners and managers and was able to assist several food establishments by hosting COVID-19 vaccine clinics for their staff.

The Town’s mosquito reduction program was conducted by Dragon Mosquito Control, Inc. The program runs annually from April 1 to October 31. Crews from Dragon monitor catch basins for larval mosquito activity and treat these basins with an organic bacterium to control their populations. Dragon also conducts surveillance and trapping in order to send batches of local mosquitos to the State to be tested for the presence of any diseases that may impact the residents of Exeter. This year, there were no batches of mosquitos from Exeter that were positive for any of the mosquito borne diseases of concern, despite some positive batches in neighboring towns. The rains we experienced over the summer of 2021 may result in a more active mosquito season in 2022, so surveillance and early treatment will be imperative to a safe season ahead.

The Exeter Health Department responds to complaints of public health nuisances. These nuisances can involve anything from landlord and tenant disputes over housing standards to insect and vermin complaints. This year, the Health Department saw an increase in calls related to unsanitary living conditions and rodent infestations. The Health Department also assists in ensuring that minimum housing standards are met in rental units. The Department received less calls than average this year in terms of minimum housing standards.

The COVID-19 pandemic was the most pressing public health concern of 2021. Thankfully, State resources were available to help in the Health Department’s response. This response, however, would not have been possible without the Fire Department. In coordination, the Departments were able to utilize State resources to provide vaccine clinics throughout the town. This

included equity clinics to provide opportunities for more susceptible populations to receive the vaccine.

A by-product of the COVID-19 pandemic was the abundance of virtual and web-based training and education programs. The Health Department was able to take advantage of many of these opportunities and received training and instruction on epidemiology, state laws regarding public health, contact tracing, and many COVID-19 specific response programs just to name a few. In 2022, I plan to finish my Master's Degree in Public Health and will be looking to implement much of what I have learned to improve community health outcomes.

As with the previous year, 2021 presented unique challenges in the face of the global pandemic. The normal day-to-day duties of the Health Department have changed dramatically as compared to years prior, but the Department has been able to adapt to the changing needs of the community and implement new public health interventions to ensure better health outcomes for the community as a whole. The Department is hopeful that the work done over the past couple years in response to COVID-19 will pave the way for a brighter, healthier 2022.

HUMAN RESOURCES

The Human Resources Department works to staff Town jobs appropriately and implement and administer benefit programs, policies, and legal requirements. Human Resources provides recruiting assistance to Town Departments, maintains personnel records, advises managers regarding employment/employee matters, and assists employees and retirees however possible. The Department also works closely with the Finance Department regarding payroll changes, updates, and assists throughout the year.

We want to thank the following individuals for their many years of service and dedication to the Town of Exeter. In 2021, the Town saw six employees retire; James Mahoney, from Parks and Recreation, retired with 12 years of service. Donna Cisewski, Human Resources Director, retired after 13 years of service. Carole Mitchell, Tax/Water/Sewer Collections Clerk, retired after 33 years of service. Furthermore, Exeter Fire saw three retirements; Jason Greene with 20 years of service, Lee Dawson with 24 years of service, and Susan Baillargeon with 34 years of service.

This past year the Human Resources Department saw its Director, Donna Cisewski, retire. We thank her for her unwavering commitment to the employees and residents of Exeter and wish her all the best in retirement.

COVID-19 continues to present daily challenges for the Human Resources Department. Most of the NH Seacoast is experiencing a labor shortage, and the Town of Exeter is no different. We continue to prioritize our current employees while enticing new employees to join our workforce.

The Human Resources Department welcomed a new Director and Human Resources Assistant. Rhea Brown, Human Resources Assistant was hired in April and has already proven to be a valuable asset to the Department and Town. Melissa Roy was promoted in July and named Assistant Town Manager and Human Resources Director.

The Flu Clinic was held at the end of October in the Nowak Room in the Town Offices Building. Everyone receiving a flu shot was masked and socially distanced. The Annual Employee Benefit/Wellness Fair was canceled due to the pandemic.

In 2022 the Department will continue to implement the new Munis Human Resources software and improve efficiencies within the Department.

I would like to thank all Department Managers, Staff, the Town Manager, and the Select Board for their support and assistance during the year.

Respectfully submitted,

Melissa Roy,
Assistant Town Manager & Human Resources Director

EXETER PUBLIC LIBRARY

Vision

Exeter Public Library is to be the informational hub for the Exeter area, a vital institution that attracts and stimulates a vibrant community.

Mission

Exeter Public Library's mission is to promote a literate, enlightened citizenship by providing equal access to a range of media, service, and programs to meet the informational, educational, and recreational needs of the community; and to encourage the discovery and evaluation of ideas and information, especially recognizing the library's responsibility as a place for children to discover the joy of reading.

The library renovation's prime purpose, to help fulfill the Library's Vision and Mission, continued in 2021 with the final changes to the interior of the building.

The large covered decks overlooking the Exeter River have become a place for residents to meet, a place to read, and a place for lunch.

The new area with floor to ceiling windows overlooking the Squamscott River has become a place for residents to sit and read the paper, a book or just enjoy the view.

Book discussion groups, movie matinees, tech teach, and art for adults are all back.

The teen room is once again a place for Exeter's teens to find a book, do homework, meet friends, or join in one of our Teen events.

The Children's Room has its own view of the Exeter River with cushioned seats. Children have more room to explore books, do scavenger hunts, or color. We have brought back Lego Club and the children's hand sewers group, Sew and So, as well as storytimes, book groups and art projects.

We were able to bring back most of our usual programs this fall and plan on adding more in the coming year.

During 2021 we applied for and received a number of grants for the library totaling \$38,910.

Libraries Transforming Communities: Focus on Small and Rural Libraries Implementation Grant (III) \$3,000 for a Town-wide Book Talks on John Lewis. The grant includes, books, e-books, and speakers.

Institute of Museum and Library Services (IMLS), Library Services and Technology Act (LSTA) American Rescue Plan Act (ARPA) Sub-grant Round 1 - \$2,697.00 for 4 tables, 8 rocking chairs and 16 chairs for Deck Furniture

IMLS LSTA ARPA Sub-grant Round 2 - \$22,613.00 for the New Hampshire Video Game Library, to purchase Nintendo Switch (4), Xbox Series, and Playstation 5 and 50 games each for each console. Exeter Public Library will lend video games and consoles to our patrons and interlibrary loan them to other libraries in NH.

Sustaining Humanities through the American Rescue Plan (SHARP) - \$10,000 for digitization of the library's Exeter Public Library microfilm collection with emphasis on The Exeter Newsletter going back to 1831.

NH Humanities to Go \$600 for NH Humanities to Go programs:

"Music in My Pocket" with Jeff Warner.

"The Capital Crime of Witchcraft: What the Primary Sources Tell Us" presented by Margo Burns the 10th-generation great-granddaughter of Rebecca Nurse, who was hanged in Salem in 1692.

"Case Closed on the 1873 Smuttynose Ax Murders" presented by J. Dennis Robinson.

All this and more you have access to at YOUR Library!

Come in, get a library card, sign up for the library newsletter (email exeterpl.ref@gmail.com) or just come in and enjoy a really wonderful space with a group of people happy to see and help you.

PARKS AND RECREATION

Exeter Parks and Recreation was still coping with COVID-19 throughout 2021. The Department works diligently to develop safe programming for the enjoyment of residents and participants. Basketball was cancelled as the Department halted all indoor programming during the winter of 2021. We pivoted our Sweetheart Dance and Easter Egg Hunt to virtual events with great success. As the weather turned, Spring soccer and baseball made a triumphant return bringing a sense of normalcy back to the community with numbers higher than pre-covid. As Spring turned to Summer, our top-rated Summer Adventure Camp returned in a modified fashion serving 165 campers throughout the Summer. The Daniel R. Healy Pool was also open with additional swim times for the general public. Unfortunately, the Department had no other choice but to cancel swim lessons again due to the lack of certified staff. Our first official Pickleball tournament was a colossal hit attracting players from all over the Seacoast! We ran tennis for the first time without the assistance of our long-time instructor, Kyle Littlefield, who retired after many years serving the community. The Fall program was just as strong with Fall soccer and flag football returning. The Department again partnered with the Exeter Area Chamber of Commerce to hold a modified Powder Keg Beer festival. As the leaves changed, basketball registration started with hundreds of youth coming back to play! Programming has returned, but safety is always our number one priority.

Attendance at our parks remained consistent, with hundreds coming out to enjoy the outdoors every day. The Department utilized Park Improvement Funds to address several issues throughout the park system, such as a guard rail at Gilman Park, mini playground renovation, and crack repair on the tennis and basketball courts. The Park Improvement Fund is essential in the revitalization of our park system. The Department started gathering information for replacing the Park Street Common playground. We were pleased with the community's responses and input, with 367 responding to our survey and an additional 45 participating in our public input session. We look forward to the Park Street Common playground installation in the Spring of 2022. The Department also worked on a possible acquisition of 10 Hampton Road to finally address parking and other issues with the recreation park.

Staffing in Parks and Recreation saw turnover with some outstanding employees leaving and new ones coming aboard. Melissa Roy moved to the Assistant Town Manager/HR Director position; longtime employee, David Tovey, was promoted to Assistant Parks and Rec Director; and we hired two new staff, Tara Barker as Recreation Coordinator and Andrew Clawson as Parks Laborer.

We look forward to increasing programming and improving park maintenance. 2022 looks bright for Parks and Recreation.

Respectfully submitted,
Greg Bisson
Parks and Recreation Director

PLANNING DEPARTMENT

The Planning Department had yet another busy year in 2021. Despite the continuation of the pandemic, the Town continued to see new commercial and residential projects move through the planning and development process. The Planning Board, along with other land use boards, resumed in-person meetings in the summer, after the State of Emergency was lifted. Development continued throughout the year with a mix of commercial and residential projects getting underway.

Construction continued with a multi-family project off Epping Road and several commercial projects got underway in 2021 including a new dorm at Phillips Exeter Academy, a new day school on Epping Rd and additions to Exeter Hospital and Seacoast Mental Health Center. Several residential and commercial projects were completed including new single-family homes being built on John West Road and off Brentwood Road and an expansion at McFarland Ford. Several projects were approved by the Planning Board and should be under construction soon, such as a retail motor fuel outlet on Epping Road, a single-family home subdivision off Watson Road and a multi-family condominium project at the end of Charter Street near the Front Street Commercial area.

The Planning Board adopted the 2022 – 2027 Capital Improvement Plan (CIP). The CIP is a planning tool that identifies significant capital needs of the Town and indicates how these improvements might be funded. The document allows Town departments to establish a methodology and priority system to provide efficient and effective services to the community. CIP projects that were funded through the 2021 Town Warrant included significant public infrastructure improvements to the Salem Street area, groundwater source development, a Kingston Road shoulders project, an analysis of the Town's Public Safety Complex, and \$50,000 into the Conservation Fund. Proposed projects in the adopted 2022 – 2027 CIP include the purchase of 10 Hampton Road for the Parks & Recreation Department, funding for a Bike & Pedestrian Master Plan, a Facilities Condition Assessment, upgrades to two sewer pump stations, and other capital projects.

In 2020 the Select Board added duties to the Town Planner with a focus on sustainability efforts. The Planning Department, with the help of the Energy Committee and Sustainability Committee, continued to work on several sustainability efforts that included a potential large-scale solar array at the Cross Road landfill that was approved by voters in March. The town is working with Unitil and ReVision Energy and has submitted an interconnection application to see what upgrades to the electric infrastructure are needed to accommodate the array. Other sustainability efforts included drafting language regarding electric vehicle charging stations and limits on single use plastics on public property. In addition to ongoing efforts, the Planning Department submitted a budget proposal that included making the part-time Natural Resource Planner a full-time position with the new job title of Conservation and Sustainability Planner to further advance sustainability efforts.

Lastly, I would like to recognize all the volunteers that gave their time in 2021 to serve on local boards and commissions. Many town projects would not come to fruition without their dedication and support.

Respectfully submitted,

Dave Sharples,
Town Planner/Sustainability Officer

POLICE DEPARTMENT

The Exeter Police Department employs twenty-five full-time sworn Officers, six Dispatchers, three Administrative Support Staff and 1 part-time Auxiliary Officer. 2021 was a very busy year to include many employee achievements throughout our divisions.

Sgt. Devin West and Community Resource Officer Bruce Page, both received Community Policing Awards from our local McDonald's; Sgt. West for his work in the realm of mental health awareness, and Det. Page for his work with community engagement such as National Night Out. Our National Night Out 2021 was a great success. We met many of our citizens in a fun and informal atmosphere in the Swasey Parkway. We thank all who participated and look forward to the next Night Out in August, 2022.

The Exeter Police Stakeholders Committee formed at the end of 2020 (Chaired by Anne Surman with 8 other appointed community members), worked diligently in 2021 and wrapped up their charge. The meetings were televised on ExeterTV and offer a great insight into the everyday workings of EPD, our employees, hiring, training goals, and the current issues faced within our community. Their major project was an in depth community survey of the Police Department, which yielded valuable input, comments, and ideas. We are very appreciative of everyone's time and commitment on this committee.

In the realm of mental health awareness and training, we continue to be the only New Hampshire Police Department certified as a One Mind Agency with the International Association of Chiefs of Police. In the last quarter of 2021, and through our sustainable partnership with the Seacoast Mental Health Center, the department participated in the use of a pilot "mobile crisis intervention team" model. These teams will be further implemented throughout the region in 2022.

The Exeter Police Department Communications Center is staffed 24 hours a day by six full-time, professionally certified communications personnel who receive all requests for emergency and non-emergency Police, Fire, and EMS assistance.

The facility is equipped with the latest technology to keep the agency on pace with ever-changing community needs. This year, EPD switched mobile communications and cruiser laptop connectivity over to AT&T FirstNet. The FirstNet mission is to deploy, operate, maintain, and improve the first high-speed, nationwide wireless broadband network dedicated to public safety. This reliable, highly secure, interoperable, and innovative public safety communications platform will bring 21st century tools to public safety agencies and first responders, allowing them to get more information quickly and helping them to make faster and better decisions. In the last quarter of 2021, we also contracted with Schreiber News Agency to further assist us with getting out important information and agency happenings/updates in a timely and efficient manner using social media. The feedback has been overwhelmingly positive. During 2021, Communications personnel received a total of 5587 calls for services including 2598 calls from 911.

Uniform police patrol are the men and women responding to your everyday needs and assistance requests. Working 24/7, our uniform patrol function is usually the first officer contact that people will meet when getting or looking for help in a time of need, and is also the first line of defense. The Officers respond to all calls for service, perform proactive investigations, and perform self-initiated and directed patrols of areas needing specific traffic monitoring. This year, the patrol division welcomed:

Officer Nicholas Patterson

We also recognized the following employee service milestones:

Sgt. Joseph Byron 15 years, Sgt. Brian Hanna 5 years, Ofc. Sonya Robicheau 5 years, and Det. John Suglia 5 years.

In addition to these accomplishments, we were greatly honored to have Ofc. Stephen Petroski named D.A.R.E Officer of the Year. This is a huge achievement and is a nationwide recognition for his hard work, dedication, and invaluable connections to fifth grade students at the Lincoln Street School. Ofc. Petroski is always working hard to improve and enhance D.A.R.E. teachings and be a lasting role model for his students.

The Criminal Investigations Division (C.I.D.) of the Police Department is responsible for the investigation of multiple and major crimes including homicide, rape, robbery, arson, burglary, computer, financial crimes, and drug violations. The investigative unit consists of the Deputy Chief, one Sergeant, and four Detectives. This year, for her steadfast victim oriented approach to juvenile crime investigations, Detective Bailey Teixeira was recognized as a Champion for the Children by the Child Advocacy Center of Rockingham County.

In closing, you may be assured that the Exeter Police Department continues to strive to be a model in 21st century policing. We have been awarded grants by the Department of Justice to seek CALEA Accreditation and to assist with the funding of body cameras for all of our sworn officers.

On behalf of the Exeter Police Department I would again like to thank the citizens of Exeter, the Select Board, Town Manager, Russ Dean, Assistant Town Manager, Melissa Roy and all of the Town Department Heads for their continued support of our mission.

Respectfully,
Chief Stephan R. Poulin

The Exeter Public Works Department provides continuous high quality, cost effective and essential services to Town of Exeter residents and visitors. Despite several cases of COVID, the Department continued to provide all necessary services throughout the second year of the pandemic. The nature of public works responsibilities

typically cannot be handled remotely or postponed. Public Works first responders handle emergencies 24 hours a day, 7 days a week, 365 days a year keeping roadways clear; treating drinking water to federal and state standards; treating wastewater to meet permit limits; keeping water, sewer and stormwater flowing; and maintaining access to public buildings that are dry and comfortable. Frequently emergencies arise during challenging conditions – high winds, driving rains,

freezing cold, blinding snow, high heat and humidity – and not infrequently during the middle of the night, on a long holiday weekend or while “on vacation”. The men and women of Exeter Public Works take pride in our work and our service to the community.

The Public Works Department in association with Underwood Engineers and Emery & Garrett/GZA continues to explore for additional groundwater supplies to provide the drinking water needs of the Exeter community in the future. Groundwater, with chemical costs averaging \$89/million gallons, is less expensive to treat than surface water, at \$332/million gallons. Exploration has focused on three general areas with productive aquifers in close proximity to the existing water distribution system. The typical time it takes to acquire, develop and permit a new well for municipal service ranges from 3 to 4 years, so it is important to start exploration before the need exists. Groundwater is already a significant source of the water supply for the Town of Exeter, accounting for 34% of the drinking water supply in 2021. Groundwater could eventually become 70% or more of the Town’s drinking water resources. The Town’s three existing wells, Lary Lane, Gilman and Stadium, are pumped to the groundwater treatment plant on Lary Lane for greensand filtration, disinfection and corrosion control before entering the distribution system.

The Town is fortunate to also have surface water supplies that allow for integrated water management. The Portsmouth Avenue surface water treatment plant provides the majority of the water supply: 238 million gallons provided 66% of the water supply for the year. Water treatment plant operators select the source, based on best water quality available, between the Exeter River and Dearborn Brook reservoir (also known as Waterworks Pond). More treatment processes and chemicals are required at the surface water treatment plant including oxidation, coagulation, flocculation, upflow clarification, dual media filtration, disinfection, pH adjustment and corrosion control. Much of the plant is nearly 50 years old and some sections are much older; the last major upgrade took place nearly 30 years ago. The facility is located in the flood zone, has been damaged by major floods twice in the past 65 years, and projected sea level rise and increasing rainfall intensity increase that risk. Difficult decisions will need to be made with regards to the long-term use of this facility as the major water supply for the Town, but having ample groundwater resources will assist with those decisions.

Drinking Water Statistics	2021	2020	2019	2018
Average Surface Water Flow (MGD)	0.63	0.65	0.58	0.57
Average Groundwater Flow (MGD)	0.32	0.32	0.38	0.44

Total Treated Flow (MG)	346	354	350	369
MGD.....Million Gallons per Day	MG.....Million Gallons			

The wastewater treatment facility located at 13 Newfields Road became operational in June 2019. Over the past 2 years the plant has significantly reduced the amount of nutrients, solids, and biochemical oxygen demand discharged to the Squamscott River. Nitrogen loads have been reduced by over 80%. In 2021, the Exeter treatment plant operators and design engineers from Wright Pierce, respectively, were recognized for their efforts with two prestigious awards: the 2021 EPA Regional Wastewater Treatment Plant Operation & Maintenance Excellence Award and the 2021 Gold Engineering Excellence Award from the American Council of Engineering Companies (ACEC)

The award-winning team of Exeter Wastewater Treatment operators and managers, from left to right, Nils Larson, Stephen Dalton, Joshua Hamel, Cory Mello, Cabot Howard, Joshua Scotton, and Matthew Berube. Photo by Trisha Allen.

NH Chapter. This state of the art, and now award-winning, wastewater treatment facility is improving water quality in the Squamscott River and Great Bay and will continue to perform with distinction for many years.

Wastewater Statistics	2021	2020	2019	2018
Effluent TN (mg/L)	4.6	5.6	16.3	20.8

After thorough review and careful consideration, the Town opted-in to the USEPA Great Bay Total Nitrogen General Permit and joined the Municipal Alliance for Adaptive Management. As previously described, the Town has made significant improvements to wastewater discharges, however there is more to do to reduce stormwater and non-point sources of nitrogen and pollutants. Working in collaboration with other seacoast municipalities and stakeholders to understand and identify the most cost-effective solutions will result in the best use of limited resources and lead to further improvements in water quality in Great Bay and all its tributaries. An adaptive management plan was submitted to EPA in July, and will continue to guide efforts.

Ongoing design work on several sewer projects positioned the Town well for submitting timely and successful applications for federal funding assistance that is more prevalent than it has been in decades. The Squamscott River sewer siphons and Webster Avenue sewer pumping station and sewer forcemain were highly ranked to receive Congressionally directed funding, ARPA grants and principal forgiveness. It is anticipated these projects will go out to bid and start construction in 2022.

The Salem Street Area Utilities project went out to bid and was awarded to Jamco of South Hampton, NH. Sewer construction started in the fall of 2021, has been shut down for the winter, and will restart in the spring with the continuation of sewer, then drainage and water utilities.

Road surface management and paving improvements in 2021 included paving overlays on Beech Hill Road, Birch Road, Fuller Lane, Riverbend Circle, Franklin Street and the southern half of Front Street. Paving was

completed by Bell & Flynn. Cost effective cracksealing was conducted on Watson Road by Nicom. Planning and traffic control for all road surface improvements were provided by the Engineering and Highway Team staff.

Additional road-related improvements were completed by the Highway Team including the replacement of the Tamarind Lane culvert at Scamen Brook, with assistance from Bell & Flynn, and reconstruction of the Garrison Lane bridge deck and rails over the Little River.

Garrison Lane Bridge over the Little River. Photo by Jay Perkins.

The current 5 year solid waste and recycling curbside collection contract with Waste Management ends in May 2022. Contract negotiations started in 2021 in order to provide adequate time to advertise for bids if necessary. The Select Board and Waste Management successfully negotiated a 5 year contract extension effective June 2022 through May 2027, with solid waste tipping fees staying the same in the first year at \$78.79 per ton. Curbside collection costs currently hover near \$1 million per year and landfill capacity in the state of New Hampshire is projected to run out by 2034 which will significantly increase disposal costs in the future.

In an effort to reduce solid waste costs and volumes, the Department initiated two new recycling and waste diversion programs. The first is a residential food waste composting program at the Transfer Station with Mr. Fox Composting which began in March 2021. It has started off small with 8 tons collected and diverted in 2021, but is anticipated to grow in popularity. Residents are encouraged to bring food waste to the collection bins at the Transfer Station which are collected weekly by Mr. Fox. The second diversion initiative is a free curbside textile recycling program with HELPSY. Starting January 30, 2022, residents can schedule a Sunday pick-up in advance with HELPSY to collect all clean, dry, odorless and bagged household textiles. Acceptable materials include clothing (coats, dresses, shirts, pants, suits, socks, pajamas, bathrobes slips, bras, underwear), costumes, uniforms, fashion accessories (hats, gloves, ties scarves, belts), wallets, purses, backpacks, totes, footwear (shoes, sandals, flip flops, boots, sneakers, cleats, slippers), towels, sheets, blankets, comforters, pillows, curtains, tablecloths, placemats, linens, throw rugs and stuffed animals.

Municipal Solid Waste Statistics	2021	2020	2019	2018
Solid Waste, Curbside Collection (T)	2,970	2,942	2,660	2,687

Not every Public Works project or operation necessarily gains the attention of the public or is mentioned in every annual report. Many efforts go about in the background every day to keep the Town operations and public services running smoothly. This in no way diminishes their importance or essential nature.

Exeter Town Hall basement sewer replacement by Dan Dunn Plumbing & Heating, LLC, with support from the Public Works Maintenance Team. Photo by Jeffrey Beck.

Roof repairs, chemical deliveries, employee training, repairing a flat tire, hydrant flushing, street sweeping, payroll processing, water meter reads and change outs, painting an office, assisting a contractor, pump rebuilds, interviewing prospective candidates, tree planting, dewatering sludge, monthly reporting, bathroom cleaning, assistance with holiday lights and decorations, setting up voting booths, wetlands permit applications...the list goes on and on.

The opportunity to work on a myriad of needs certainly keeps things interesting. Sometimes we need to dig deep to find the humor in the day and keep things light-hearted. But ultimately we know our work has meaning and doing it well allows us to take satisfaction in that work. We are grateful to be a part of this team called Public Works.

The Public Works management team acknowledges all Exeter Public Works Department employees for their hard work and dedication to provide essential, quality services to the community. We sincerely appreciate the work of many vendors, contractors and consultants to keep contracts viable and supplies moving forward during these challenging times. We also thank the citizens of Exeter for their support and patience during the busy construction season. We also thank the other Town Departments, Town Manager, Assistant Town Manager and Select Board for their guidance and support throughout the year. It is a pleasure working with you all.

Respectfully submitted,
Trisha Allen, Business Manager
Paul Vlasich, P.E., Town Engineer
Jennifer Perry, Director

Jeffrey Beck, Maintenance Superintendent
Matthew Berube, Water/Sewer Manager
Jay Perkins, Sr., Highway Superintendent

Interested in Serving on a Board or Committee?

The Town of Exeter thrives on volunteerism. Boards, committees and commissions are always looking to maintain a strong list of capable volunteers.

If you are interested in serving on the Budget Recommendations Committee contact the Select Board prior to the Deliberative Session to request your name be added to the “Slate of Officers”, which will be added to the March Town Meeting election ballot.

To apply for other Boards and Committees as listed above, please complete the volunteer application on the Exeter website and forward it to the Town Manager’s Office, 10 Front Street, Exeter, NH 03833 or via email to pmcelroy@exeternh.gov.

Thank you for volunteering!

ARTS AND CULTURE ADVISORY COMMISSION

The Arts and Culture Advisory Commission was formed in early 2021 and held its first meeting on April 6, 2021. The initial members of the Commission were: Anthony Callendrello, Chair; Scott Ruffner, Vice-Chair; Dawn Amey, David Drouin (Alternate), Todd Hearon, Bruce Jones (Alternate), Anne Kenny (Resigned in 2021), Mary Paige-Provost, Marissa Vitolo, Lovey Roundtree-Oliff, Select Board Representative.

The mission of the Town of Exeter Arts & Culture Advisory Commission is to support, encourage and publicly recognize the exceptional and vibrant arts community of Exeter, New Hampshire. To that end, the Commission pursued several priority actions toward achieving its mission.

In June 2021, the Commission identified a grant opportunity from the New Hampshire Council on the Arts for the restoration of significant cultural resources. The Commission worked with the Town of Exeter Parks and Recreation Department to prepare a grant application for funding to restore the sculpture in Founders' Park, created by Emile Birch, which had been damaged by exposure to the elements since its installation in 1988. A grant of \$20,000 for restoration and future preservation of the sculpture was awarded to the Town and the restoration work will take place in Spring of 2022.

The Commission also has set as a priority, making the Town Hall better able to support performing arts, film and visual arts. Under the Master Plan, the Commission is to provide advice to the Town Manager regarding the prioritization of improvements to the Town Hall. The Commission, with the Town Information Technology Department created an online survey that sought public input as to the importance of improvements in a number of areas; heating, air conditioning, seating, lighting, sound, projection equipment and a green room. Over 100 responses were received, and the results were presented to the Select Board in December 2021. Based on this information, the Town Manager, along with other Town Hall stakeholders, are developing a plan to address the highest priority improvements.

The Commission continues to support the activities of arts-related organizations in town such as Lit Fest and TEAM.

Respectfully submitted,
Anthony Callendrello, Chair

BUDGET RECOMMENDATIONS COMMITTEE

The Budget Recommendations Committee (BRC) initiated their budget deliberations in July and met nine times as a group plus countless subcommittee meetings throughout the Fall. The BRC met with department representatives prior to working off the Town Manager's Preliminary Budget to analyze, discuss, and present a draft FY 2022 Budget to the Select Board for their deliberations prior to budget and bond hearings, as well as Deliberative Session.

The BRC's overall perspective in examining the budget and making its recommendations this year was to strike a balance between necessary programs, staff and special projects for continued Town growth and quality of life at an acceptable cost of these initiatives. While COVID-19 restrictions continued to provide some challenges, individual members on five subcommittees devoted countless hours preparing for follow-up meetings with Department Heads and corresponding full BRC presentations.

1. Budget Highlights and Challenges

a. General Fund

- Health insurance increases averaged only 1.6%, a welcome decrease from previous years.
- Information Technology increased due to increased security and hardware requirements.
- Funding of two new firefighters; however, other budget reductions resulted in only 1.1% Departmental increase.
- Increase in DPW vehicle and building maintenance due to aging equipment and facilities. Return of paving budget to pre-Covid level.
- Significant increases in stormwater monitoring and facilities construction due to Federal regulations.
- Support of following initiatives using Federal ARPA funding: Great Bay Total Nitrogen Permit and Winter Street Stormwater Mitigation project.

b. Water Fund

- Initiating new Utility billing software.
- Expanded metering replacement program.
- Significant increases in lab testing equipment, supplies, chemicals and management due to new Federal regulations.
- Support of entering into a 10-year management contract for extending the life of critical equipment at the Portsmouth Avenue Surface Water Treatment Plant.

c. Sewer Fund

- Initiating new Utility billing software.
- Significant increases in lab testing equipment, supplies, chemicals and management due to new Federal regulations.
- Special project requests including dredging Clemson Pond (CSOs) and coating in-ground tank facilities at Newfields Rd. Wastewater Treatment Plant.

d. Capital Improvement Program (CIP)

- Support of purchase of a new Fire Engine #5 to replace current 2002 model.
- Support of continuing with Pickpocket Dam directives using ARPA funds.
- Support of Webster Avenue Sewer pumping station construction. Will be bonded.
- Support of purchase of 10 Hampton Road property for redevelopment into new Parks and Rec operations center.

In general, we applaud the departments for presenting reasonable budget requests coming after a most extraordinary year.

2. Budget comparison, Year Over Year (YOY), 2019-2022

Fiscal Year	General Fund	CIP	Water Fund	CIP	Sewer Fund	CIP
2019	\$19,066,857	\$ 599,236	\$3,253,033	\$1,024,043	\$2,817,866	\$145,000
2020	\$19,605,537	\$ 546,664	\$3,552,795	\$ 200,000	\$7,686,605	\$1,600,000
2021	\$19,891,082	\$1,260,000	\$4,054,184	\$3,500,000	\$7,015,364	\$4,190,000
2022	\$20,385,366	\$2,511,579	\$4,240,178	\$ 204,538	\$7,438,216	\$5,981,838

3. BRC recommendations

- a. The presented FY 2022 budgets include our perspective on a balance between necessary projects and regulatory directives for continued Town growth and improved quality of life and an acceptable cost of these programs.
- b. The BRC recommended using an allocation of \$345,700 of our ARPA funds for the Pickpocket Dam Modification project, the Great Bay Total Nitrogen permit, and the Winter St. Stormwater Mitigation project.
- c. The BRC voted to support the Town Manager's plan for using approximately \$319,770 from the General Fund Balance to defray costs of the Raynes Barn improvements, Parks Improvement Fund, DPW truck and Fire vehicle replacements.

Thank you for the opportunity to serve the Town of Exeter and its Select Board,

Respectfully submitted,

Robert Kelly

BRC Chair

COMMUNICATIONS ADVISORY COMMITTEE

The Communications Advisory Committee (the CAC) was established by the Select Board in 2018 to evaluate how the Town communicates with the public across various platforms and recommend improvements.

In August 2021, the CAC presented its findings to the Select Board in its *Report of Recommendations to Improve Town Communications* (the *Report*), which is available on the town website. The CAC recommended that the Select Board establish guidelines for communications by the departments operating under the umbrella of the “Town of Exeter.”

The Report was favorably received by the Select Board and the Town Manager, and several steps have already been taken to improve town communications.

- Effective January 1, 2022, Bob Glowacky was designated as Communications Coordinator in addition to his position with IT/ExeterTV Department. Bob serves as a resource for all town staff on communications matters and is working with the CAC and town departments to implement “best practices” to ensure that staff communicate with the public clearly, accurately, and effectively. He is available to assist each department to implement a communications strategy appropriate to its work and will conduct training for town staff on the use of various communications platforms and tools.
- *ExeterNH.gov*, the town website, is being redesigned to be more user-friendly and procedures are being put in place to ensure that information on the website is up-to-date, accurate, and responsive to residents’ needs.
- The *Rave Mobile* texting service currently used by the Police and Fire Departments is being expanded to allow general town push notifications and alerts so residents can automatically subscribe to receive information about certain topics instead of having to hunt for it. This will replace *MyExeterNH*, the stand-alone mobile text service the town began to use in 2018, with a more robust way to serve the increasing number of residents who prefer to use their smartphones to get town information.

In 2022, the CAC expects to work on three more topics:

- **Social media.** The CAC plans to review the town’s use of Facebook and other social media and social media policy.
- **ExeterTV.** Since the establishment of three separate access channels in 2010, ExeterTV has been funded by a percentage of the franchise fee charged to customers by Comcast. As viewing habits have changed, the level of funding has declined. The CAC will assist in addressing this concern and evaluating how ExeterTV can best continue to serve the town.
- **Non-Tech Users.** The CAC plans to explore how best to reach members of the Exeter community who do not use computer, tablets, smartphones, or social media.

Following its practice in 2019, 2020, and 2021, the CAC will continue to prepare “plain-English” summaries of Warrant Articles for the Town Meeting. The summaries are posted on the Town website, published in local newspapers, and distributed to residents.

Current members of the CAC are Martha McEntee (Chair); Lindsay Sonnett; Nina Braun; Robert Glowacky, Exeter TV Staff; and Molly Cowan, Select Board Representative. Andy Swanson, IT Coordinator, regularly attends meetings. We thank Daryl Browne, Connor Barry, and Bevin Kennedy for their past service to the CAC. We would welcome new members willing to help with our interesting work, especially individuals experienced in the use social media as an organization’s communication platform and non-tech users.

Respectfully submitted,

Martha McEntee, Chair

COMMUNITY POWER AGGREGATION COMMITTEE

At its May 10, 2021, meeting, the Exeter Select Board voted to commission an electric aggregation committee, a five-member Board, to exist through December 2023, with the charge to investigate community power aggregation for Exeter. The original members of the Aggregation Committee were Cliff Sinnott, Lew Hitzrot, Nick Devonshire and Julie LaBranche. For personal reasons, Julie resigned from the Committee and Stephanie Marshall replaced her.

At its May meeting the Select Board also authorized the Town to Join the Community Power Coalition of New Hampshire (CPCNH), an organization designed to promote and facilitate community power programs in the state. Throughout the summer, members of Exeter's electric aggregation committee (ECPAC) attended webinars and information sessions organized by CPCNH to explain the steps necessary to develop community power programs in NH. It became clear that ECPAC needed to focus its work on two priorities: 1. To inform Exeter residents and businesses about community power and its benefits and, 2. To develop an electric aggregation plan (EAP) to be submitted to the Select Board as required by RSA53-E, the legislation governing community power programs in NH.

In its efforts to meet the first of those priorities, the committee did the following.

- Organized and screened on Exeter TV a panel question and answer session. On the panel were two members of ECPAC, Henry Herndon from CPCNH, Alec O'Meara from Unitil and Julia Griffin, Town Manager for Hanover, NH. Panelists responded to frequently asked questions from the Moderator as well as questions from the live TV audience.
- Produced a tri-fold brochure for local distribution explaining community power with a section for FAQs.
- Developed and distributed a survey to both acquaint residents with community power and to receive input from the community
- Developed the Community Power Aggregation website accessible from the Town website and containing information about community power as well as access to the material mentioned in the three bullets above,
- Held two Public Hearings as required by RSA 53-E

To address the second priority, Cliff Sinnott took on the task of writing the first draft of Exeter's Electric Aggregation Plan (EAP). The Committee attended the December 6, 2021, Select Board meeting where Mr. Sinnott presented and explained the EAP. After incorporating changes suggested by Samuel Golding and Clifton Below of CPCNH, Mr. Sinnott presented a final version of the EAP to the Committee. At our final meeting of the year on December 29, as required by RSA 53-E, the Committee voted on the motion that this draft of the Plan was in the best long-term interest of the residents and businesses of Exeter. The motion passed by unanimous consent. Mr. Sinnott submitted this final draft of Exeter's EAP to the Select Board.

The Exeter Community Power Aggregation Committee would like to thank Bob Glowacky and staff at Exeter TV for their assistance in developing our website, and recording and broadcasting the panel discussion and Public Hearings. We also thank Town Manager, Russ Dean, for his advice and answering our many questions.

Respectfully submitted,

Lewis Hitzrot
Community Power Aggregation Committee

CONSERVATION COMMISSION

Established in 1965, the Exeter Conservation Commission is a volunteer board charged with assisting in the protection of Exeter's natural resources. As we reflect on the past year, we cannot help but recognize that despite the continuance of a global pandemic, much like our natural world companions, we show the ability to adapt and move forward through tough times. We continue our work to protect Exeter's natural environment and are proud of the role we play for, and with, this community.

We would like to recognize the contributions of several members who stepped off the Board for other pursuits. Carlos Guindon, Board Member for 13 years, returned to live at his family home in Costa Rica. He played a significant role in encouraging ecologically based-decisions, led many bird walks, and worked tirelessly on invasive plant removal. Prior to leaving he worked with our Natural Resource Planner to collect game camera data on a major wildlife corridor in Exeter. The highlight was documenting a beautiful female bobcat. The project was presented at the NH Association of Conservation Commission annual meeting, held virtually this year. Sally Ward, as a member for 4 years, also stepped down from the Board but remains involved in the Exeter Tree Committee and activities related to improvements at Raynes Barn, including a recent grant application. Ginny Raub, member of the Commission for 16 years, also no longer formally serves on the Board, but continues efforts in support of our mission through pollinator-friendly programs, development of educational events, and continued participation on the Raynes Farm Stewardship Committee. We are thankful for their continued contributions! We also welcomed several new members this year including Tom Patterson and Kyle Welch.

We were able to continue some outdoor public events throughout the year. They include the Exploring Exeter trail walks in partnership with Exeter Parks and Recreation, our Spring rain barrel sale, and a virtual tree walk filmed with support from EXTV. To promote pollinator habitat, Ginny Raub worked with the kindergarten team from Main Street School and made a monarch story walk based on the book *Gotta Go, Gotta Go* by Sam Swope and Sue Riddle, and created milkweed seed balls for planting with the kindergarteners. We offered Milkweed Grab and Go seed ball kits free at the Exeter library throughout the spring, we hosted a virtual Pollinator Pathways with speaker Vicki Brown and grew milkweed seedlings that were donated to the Lincoln Street School for their pollinator garden. We also promoted local participation in the state-wide Great New England Clean Up and NH Bioblitz programs and had several submissions from Exeter.

The Tree Committee (a subcommittee to the Conservation Commission) worked with the Select Board to adopt a Tree Ordinance governing trees within Town parks and Town-owned right of ways and promotes selecting natural species over ornamentals. They also worked with Parks and Rec to create a memorial tree program and held a commemorative planting ceremony at Park Street Common.

For trail care this year, Dave Short coordinated the installation of a beaver deceiver in Oaklands, funded in part with a grant from the NH Animal Rights League, which lowered the beaver pond level enough to expose a flooded trail bridge while allowing beaver to continue their important ecological roles. Dave also collaborated with Toby Ferdyn and the Fort Rock Riders group with their many dedicated volunteers on day-to-day trail maintenance and bridge repairs. The students of Phillips Exeter Academy's Exeter Student Service Organization helped with bridge repairs.

This year we welcomed the addition of 97 acres of conservation land. This includes over 61 acres of conservation easement in association with the Riverwoods Boulders and Ridge campus, the Griset/Mendez property which includes over 31 acres of fee-owned land abutting Brickyard Park and a 5 acre land donation from the Mary Bower estate, located east of Old Town Farm Road which adds to a large area of previously protected lands.

Lastly, in late December we were thrilled to be among those selected for a Land Community Heritage Improvement Program (LCHIP) grant in support of repairs to Raynes Barn. We look forward to future expansion of use at this beautiful and uniquely historic property.

The Exeter Conservation Commission is:

Andrew Koff, Chair
Trevor Mattera, Vice-Chair
Dave Short, Treasurer
Alyson Eberhardt

Nick Campion
Conor Madison
Kristen Osterwood
Bill Campbell (Alt.)

Don Clement (Alt.)
Tom Patterson (Alt.)
Kyle Welch (Alt.)

ENERGY COMMITTEE

The Energy Committee celebrates its fourth year. Appointed committee members include: Renay Allen, Amy Farnham, Lew Hitzrot, Cliff Sinnott, Elizabeth Stevens, Robin Tyner and Select Board Rep, Julie Gilman. Camille Webber is our EHS Student Liaison. Information is dispersed through our page on the town website, the @ExeterEnergyCmte Facebook page, and our MailChimp newsletter list. We meet monthly on the second Wednesday at 3:30pm. This year the majority of our meetings were on Zoom due to Covid. Thank you to Bob Glowacky and his team for producing the Zooms.

Guest speakers included: Bob Hayden of Standard Power, Joshua Singer of Clean Energy NH, and Henry Herndon of Clean Power Coalition of NH. We worked closely with the Town Manager, the Sustainability Officer, various Town employees, and the energy committees of other NH towns. We attended the annual Local Energy Solutions Conference, and also the Veteran's Energy Forum, hosted by Robin Tyner.

Our third-year projects were as follows:

“Community Choice Power”: On October 1 2019 NH lawmakers approved a Municipal Aggregation law. In the spring, we recruited for a spin-off: Exeter Community Power Aggregation Committee (ECPAC) to work on this most important issue, which was very specialized. The Select Board appointed them on May 10, 2021 . Please see their minutes for more information.

Solar at Landfill: Working with Town Planner, Dave Sharples, our committee voted on an option to own the array, as opposed to leasing. Then, Committee Member, Lew Hitzrot, was chosen by the Town Planner to sit on a small team to vet RFP returns for a 1.77MW array. After the winning bid was chosen, the matter went to town vote (passed 1031/363). Later in the year, the NH net-meter cap was raised from 1MW to 5MW.

Electric Vehicle Charging (EVC) Stations: The Level 3 Corridor Charging contract via the State was Covid-disrupted and bids are now due on February 25, 2022. Exeter hopes to be included in private bids for an off-ramp station. By April 2021 Exeter had 342 hybrids and 60 pure electric vehicles registered. We worked with Building Inspector/CEO, Doug Eastman, to develop a proposed regulation for new site development which would include Level 2 EVC onsite. This will be presented to the Planning Board in January.

Town Hall Attic Insulation: This project has been delayed twice. Once for Covid, and then again when it was requoted, but not in time to procure the \$8K matching grant from NH Saves. The PUC suddenly cut this money from the budget. We met with an ad-hoc team to work on Town Hall issues, including a new HVAC.

Student Liaison: 9th grader, Camille Webber was appointed to this new non-voting associate position in February. See her four articles for EHS newsletter <https://sites.google.com/sau16.org/thetalon/home?authuser=1> In December, she won an internship with a female NH Legislator!

Partnerships: We developed relationships with the folks at Palmer & Sicard HVAC, the team working on the Alewife Festival, and a local group looking to help with insulation in mobile homes.

Public Education: In January, February and May we hosted “ButtonUp NH” and “Heat-Pumps” webinars (average 6 attendees). In April we produced an Earth Day “Green Minute” video in which heads of nine committees spoke of their green efforts. This summer, we created a “Rebates & Solar Exemption” link/webpage, with a social media schedule. On September 26th, we hosted our 4th annual “National Drive Electric” day in person in front of the Town Hall (25 local owners showcased, 2 dealerships gave 30 test-drives). In October ISO-NE hosted a public field trip on Zoom for us. A Tribal Land Acknowledgement was read prior to the regular October business meeting, in honor of Indigenous People's Day. M'squamscook is now called Exeter.

We would like to thank Sustainability Officer, Dave Sharples, for his assistance this year.

EXETER HOUSING AUTHORITY

The Exeter Housing Authority (EHA) continues to provide safe, decent, and affordable housing to residents of Exeter and the surrounding towns. The EHA manages two programs both of which are regulated and subsidized by the Department of Housing and Urban Development. The Public Housing program consists of 107 units which are in Exeter and owned and managed by the EHA. The Housing Choice Voucher Program also referred to as (Section Eight Housing) is a program in which eligible participants are issued a housing voucher which is used to subsidize a portion of the participants rent to private landlords. The EHA manages 169 vouchers, however, the number of vouchers that are issued will vary from year to year depending on the amount of federal funding that congress appropriates. Between both programs the EHA received just under 1.8 million dollars in federal funds in fiscal year 2021 which was used to provide much needed rental assistance to 276 households.

The EHA urges all persons who are in need of housing or are struggling to pay their rent to request and complete an application which can be obtained at the Exeter Housing Authority Office located at 277 Water Street Monday-Friday from 8:00am – 4:00pm or by calling 603-778-8110. We also encourage landlords who are interested in learning more about the Housing Choice Voucher Program to contact our office at the same number.

Respectfully submitted,

Tony Teixeira: Executive Director

Renee O'Barton: Chair Person

Boyd Allen: Co Vice-Chair Person

Vernon Sherman: Co Vice-Chair Person

Maggie Matic: Resident Commissioner

EXETER POLICE STAKEHOLDERS COMMITTEE

The year 2021 was the first full term of the **Exeter Police Stakeholders Committee (“EPSC”)**. The Committee had its first meeting on December 15, 2020. This “workhorse” group of volunteers and various staff and officers of the Exeter Police Department answered the charge of evaluating five (5) specific goals of the Exeter Police Department. We met consistently every other week for six months: Culminating on May 24, 2021 with a presentation to the Select Board. Our meetings were conducted completely virtually for the entire term due to Covid-19 protocols.

Goal #1 - Strengthening partnerships and engaging the community in participation.

The Committee created a Citizen Survey to give our citizens a voice, a forum: a report card on the job performance of the Exeter Police Department. Questions ranged from commenting on the amount of police presence in the community, scope of services provided, to the public’s personal experience with officers. The survey was available for just over a month and we received a total of 347 responses. The responses were predominantly positive and the question that asked the public if overall, they were satisfied with the job that the Exeter Police Department is doing: 94.9% replied “Yes.”

Goal #2 - Provide Effective Police Services:

Seacoast Mental Health Director Dennis Walker presented resources available to the Exeter PD and how the PD can collaborate with his agency in situations where mental health is the main issue. Sergeant Devin West also discussed the Exeter Police’s One Mind Pledge and Certification: the only Police Department in New Hampshire to do so to date.

As part of Goal #2 we discussed recruitment and retention. The current workforce crisis in policing is across the nation and here in New Hampshire. Lieutenant Steve Bolduc led a discussion on the hiring process in Exeter for Officers. Dispatch Supervisor Jessy Shupe reviewed the hiring process for Dispatchers.

Goal #3 – Development of Personnel:

Field Training Officer Tadd Sierad took us through a “day in the life” of Field Training a new Officer. Officer Ben Clouthier discussed his transition from civilian to Officer. He had started down a completely different career path and then realized he was more interested in serving his community. Dispatcher Ashley Gioia described her experiences going through Dispatcher training.

One of the most powerful presentations was from Dr. Nicole Sawyer: a mental health professional with a specialty working with Police Departments. Dr. Sawyer is a highly regarded resource for the Exeter Police Department. She was candid about issues that can affect personal who are in law enforcement daily.

Goal #4 – Preventing Crime - Sergeant Brian Hanna presented detailed traffic and accident statistics for 2021. He discussed data-driven approaches to crime and traffic safety. Community Resource Officer, Bruce Page also announced that the National Night Out date is August 3rd which is the date that all participating towns and cities across the nation create a social evening to get to know local officers combined with information and events to raise awareness about police services.

Goal #5 was the future of the Public Safety Complex. The Committee heard from Town Planner, Dave Sharples who has been working with the Facilities Committee

It was a privilege to lead this committee with Chief Poulin. Questions and answers flowed freely. The Police Department Officers and staff were candid and open in their presentations and responses to questions from the committee members. We are so grateful to the Police Department staff, sworn and unsworn for their time and commitment to this committee and overall to the citizens of Exeter.

Lastly, but by no means least, I wish to thank the Committee for their dedication, participation and time commitment. We are so very grateful to Robert Glowacky and his team for all the assistance in making our meetings happen on schedule and with easy access to the public and the attendees.

Respectfully submitted,

Anne L. Surman, Chairwoman

EXETER -SQUAMSCOTT RIVER LOCAL ADVISORY COMMITTEE

The Exeter-Squamscott River is enrolled in the New Hampshire Rivers Management and Protection Program, a unique partnership between citizens, towns, and state government designed to promote and protect the river's outstanding natural and cultural resources. Established in 1996, the Exeter-Squamscott River Local Advisory Committee (ESRLAC) is comprised of citizen volunteers living in towns in the watershed, vested in working together to protect water quality, water quantity, wildlife habitat and recreational opportunities. The Exeter-Squamscott River is one river with two names, reflecting the fresh water (Exeter River) and salt water (Squamscott River) portions of this major tributary to Great Bay.

2021 marked ESRLAC's 25th year of acting "for the good of the river". Following meeting guidelines set by the Governor because of the pandemic, ESRLAC met virtually for much of the year, utilizing the Zoom platform, to review and comment on proposals for land development along the river. ESRLAC's analysis and comments on development along the river provide landowners, developers, local boards, and state agencies with information designed to protect water quality and wildlife habitat and improve access for public recreation.

ESRLAC has a Facebook page, managed by Committee members and offering information on a wide range of river related topics. Search for Exeter-Squamscott River Local Advisory Committee on Facebook to follow ESRLAC.

ESRLAC seeks members from all communities in the watershed. If you are a resident of Chester, Raymond, Fremont, Sandown, Danville, Kingston, East Kingston, Brentwood, Kensington, Exeter, Stratham, or Newfields and are interested in river stewardship please consider joining ESRLAC. Contact the Rockingham Planning Commission at 603-778-0885 for more information.

ESRLAC Representatives:

Brentwood:	Eric Turer
Chester:	Vacant
Danville:	Vacant
East Kingston:	Vacant
Exeter:	Donald Clement
Fremont:	Ellen Douglas John Roderick
Kensington:	Vacant
Kingston:	Elizabeth Mello
Newfields:	William Meserve
Raymond:	Vacant
Sandown:	Mark Traeger
Stratham:	Eric Bahr Nathan Merrill

**Follow Exeter-Squamscott River Local Advisory Committee
on Facebook**

FACILITIES ADVISORY COMMITTEE

Kris Weeks	Chair	Peter Lennon	Vice Chair
Amanda Kelly	Member	Rob Corson	Member
Mark Leighton	Member	Julie Gilman	Select Board Representative

The Facilities Advisory Committee began its third year assisting the Exeter community by advising the Select Board of facilities maintenance and new projects. The Committee's charge is available on the Facility Advisory Committee page on the Town website. This charge includes a plan to document and develop tools to assist the Town in capital planning on a year-to-year basis, and it includes advising the Select Board, Town, Budget Recommendations Committee, and Department of Public Works on facility-related matters.

As part of the Committee's 2021 goal setting, the following items were identified as targets for the year.

- Continue to pursue the Facility Condition Assessment and database tool for facility maintenance and capital asset management.
- Work with the Town to develop an RFP for a Public Safety Complex feasibility study.
- Complete tours of town properties that was started in 2020.
- Work with DPW to advise on future facility projects.
- Create a more granular milestone schedule so that FAC advice is aligned with the Town's annual budget process, and is provided to the appropriate parties in a timely manner.

Despite the challenges imposed by the pandemic, the Committee did accomplish a number of items on the list, and some not on the list.

- The Committee worked with Town Administration, DPW, and BRC to analyze the need for, and work out the implementation of, the Facility Condition Assessment and facility database tool. Pending Select Board approval, funding for this effort will be included as a warrant article on the town ballot. If approved by the voters, the Committee will work with the Town to issue an RFP, select a vendor, and start the assessment.
- The Committee worked with the Town Administration, Police Department, and Fire Department to develop a project approach for a Public Safety Complex feasibility study. The Committee led the drafting of the RFQ that the Town used to solicit and select a designer. The Committee Chair participated in the designer selection process. The feasibility study is now in progress.
- The Committee met with the Raynes Farm Stewardship Committee, toured the property, and recommended funding for building repairs to the Select Board.
- The Committee visited the site at 10 Hampton Road to review its suitability as the main Recreation Department facility, and recommended approval of the acquisition to the Select Board.
- The Committee reviewed facility-related items for the FY22 Capital Improvement Plan and advised the Select Board of its recommendations.
- The FAC once again did not make progress on establishing working relationships with other committees, and they did not recruit any alternate members.

The Committee looks forward to furthering the work it has done to date and continuing to deliver on its charge.

HERITAGE COMMISSION

The Heritage Commission (HC) met on a monthly basis (with the exception of July) throughout 2021. Faced with the Covid-19 Pandemic, and in accord with the Select Board, meetings were held virtually over Zoom from January through May and resumed in-person for the remainder of the year. Presently, the HC meetings are the third Wednesday of each month taking place at 10 Front Street at 7:00 PM.

The following identify several agenda items and actions taken throughout the year in obligation to our mission and jurisdiction (RSA 673:1 (II) and 674:44-b):

- I. The Demolition Review Committee (DRC) reviewed demolition requests at 10 properties (5 single family homes, 2 multi-family buildings, 2 garage or barn structures, 1 church). Additional hearings were held to invite public comment and discussion for 10 Wadleigh Street (single family), 35 High Street and 8 Gillman Lane (multi-family), 43 Front Street (Baptist Church and proposed renovation).
- II. The HC continues to explore its proposal of a Neighborhood Heritage Area (NHA) in the vicinity of Park, Cass, Oak, Walnut, Forest, Salem, and Wadleigh Streets. This area was identified for its historic significance dating back to Exeter's founding. A complete survey is available on the Commission's website. In February the HC hosted a virtual open forum to engage input from residents in the proposed area and to review the NHA handbook published by the NH Division of Historical Resources. The result was the formation of a neighborhood committee and a neighborhood wide survey to draft the NHA's framework. The proposed NHA is on-going.
- III. The HC submitted a letter of support to join the application by the Exeter Chapter of the Daughters of the American Revolution for a commemorative plaque to be placed at the Winter Street Cemetery. The request is for an *America 250 Patriots Marker* (24"x 24" bronze plaque for mounting) to recognize all Revolutionary War Patriots of Exeter and further memorializes those whose final resting place is the Winter Street Cemetery.
- IV. The HC continues to support efforts for the creation of a pocket park to commemorate the history of early black settlers and individuals who made significant contributions to Exeter's heritage. Exeter's historical black community was located near Swasey Parkway, Water and Green Streets.

Respectfully submitted,

Jay L. Myers, Chair
Exeter Heritage Commission

HOUSING ADVISORY COMMITTEE

The Housing Advisory Committee was approved by the Select Board on February 18, 2015 to review housing issues in Exeter and offer recommendations to the Select Board and Planning Board on various policy issues regarding housing. The committee was restructured by approval of the Select Board on November 13, 2018. The committee typically meets on the second Friday of the month in the Nowak Room at the Town Offices.

Duties are to analyze the following: availability of housing, cost of housing, new housing starts including type and number of units, changing community demographics reflected in various types of housing being promoted in the community by private developers and need for long term housing sustainability including variety of types of housing available (purchase, rent, new housing starts, etc.). Duties also include reviewing a number of issues including, but not limited to, numbers and types of housing units, median costs of various types of housing, review of housing relief programs (Section 8, Property Tax Exemptions, etc.), development of long-term strategies regarding housing, contribute to the update of the Master Plan housing chapter, address relevant Town boards on housing issues in the community, review regional housing patterns in comparison to Exeter.

The Housing Advisory Committee released an initial report which was presented to the Planning Board in May, 2017 and to the Select Board on June 22, 2017. The report included several key findings. These findings included:

1. The Town should perform a realistic assessment of housing growth for the near term (next five years) and long term (10-20 years) based on expected population growth and current zoning conditions.
2. The Master Plan should further examine the cost of current housing and examine opportunities the Town may have to help moderate housing costs.
3. Zoning ordinances should be reviewed to ensure that adequate and desirable forms of residential growth is encouraged while maintaining a balance of housing types within the Town's housing stock. Specifically:
 - Review the appropriateness of allowing multifamily housing development by special exception in all parts of the R-1 district.
 - Evaluate open space/conservation ordinance triggering limits to determine if they are preventing the realistic application of ordinance given remaining development opportunities of this type.
 - Review the density and other incentives established by affordable housing ordinance to determine if they are sufficient to encourage this form of development.
 - Evaluate residential zoning lot size requirements in single family residential zones and their impact on the construction of smaller and more affordable single-family homes.
4. The impact of the Town's property tax exemption programs, including the elderly, alternative energy and downtown rehabilitation (RSA 79E) exemptions, should be quantified and monitored annually.
5. The Planning Board should consider opportunities and incentives to encourage residential infill development. The Board should also monitor changes in the accessory dwelling unit (ADU) building activity with the change in the ADU ordinance and consider taking steps to raise awareness about this housing option to homeowners as needed.
6. As part of the Master Plan update the Town should examine the balance of single and multifamily housing.
7. Using the Master Plan as a basis, the Town should develop a comprehensive housing strategy.
8. The Town should work with Rockingham Planning Commission and Workforce Housing Coalition of the Greater Seacoast as a means to cooperatively engage with surrounding communities about the equitable sharing of affordable housing responsibility in the region.

2021 began with meetings being held virtually. July 9th was the first in person meeting since April, 2020. In January, Economic Development Director, Darren Winham spoke with about how current available housing stock may be affecting current

businesses and potential new businesses interested in coming to Exeter and how we might merge housing needs and economic development potential using a local, regional, and state approach. This issue is listed under Action Agenda/Grow (#1) in the Town's Master Plan (page 47): "Continue to work with surrounding communities to address regional needs for workforce housing and provide more diverse housing options."

The committee asked Mr. Winham to reach out to three or four local businesses and invite them to come to the February 12, 2021 meeting. The committee provided five workforce challenge related questions for each business owner to consider prior to the February 12th meeting. In the first 7 months of 2021 the committee invited additional local businesses, regional business, Chambers of Commerce, Economic Development Directors and others to share their concerns. At each meeting those initial questions were asked of each guest and following each of those discussions the committee discussed what the next steps would be. These meetings led us to invite local and regional businesses, local officials and others to an upcoming forum to be held May 6, 2022: A Regional Conversation on Housing: Tackling the Important Issues. The committee is focusing this forum on workforce housing needs that affect our local and regional business. The committee expresses our sincere thanks to Darren Winham and Sarah Wrightsman for their work on this issue and the planning of the upcoming forum.

Throughout 2021 Town Planner, David Sharples; Economic Development Director, Darren Winham, and Sarah Wrightsman, former Director of Seacoast Workforce Housing Coalition, now Coordinator of Community Engagement with New Hampshire Housing updated the committee on both pending and upcoming legislation throughout 2021. State Representative, Julie Gilman also provided legislative updates.

Looking forward to 2022:

Update goals and data in our 2017 Report: A crucial element to updating our report is the Rockingham Planning Commission's Housing Assessment Needs. This assessment is anticipated to be updated in 2022;

Present our Storyboard Map Project in a public forum: The committee completed work on a storyboard project in 2020, working closely with Robert Pruyne of Rockingham Planning Commission who was instrumental in this integrated map which shows many of Exeter's multifamily properties. Sarah Wrightsman and Town Planner, David Sharples also played a large role in this project from beginning to end. And a special thank you and acknowledgement to two former members of this committee, John Mueller and Dan Chartrand who worked many hours on taking more than 100 photographs of multi-family housing for the committee to choose from at the onset of this project. This project will be used to illustrate both the historic and current status of our multifamily housing stock. Multi-family is described as 3 or more units in a structure. It will also be a useful tool for potential changes to zoning ordinances. The committee will look to expand on the historical background of older neighborhoods and those that have been added through the years. The project was presented to the Select Board on August 10, 2020. Town Planner, David Sharples made an informational video that briefly described the project;

Continue to monitor property tax exemptions and housing trends; and

Compare the findings of Communities and Consequences series II was released in the fall 2020, 10 years after Communities and Consequences I was released.

The Housing Advisory Committee encourages everyone to read the Town's Master Plan updated and adopted February 22, 2018 found at [Exeter Master Plan \(exeternh.gov\)](https://www.exeternh.gov/master-plan) and the Housing Advisory Committees Report dated May, 2017 at [Housing Advisory Committee | Town of Exeter New Hampshire Official Website \(exeternh.gov\)](https://www.exeternh.gov/housing-advisory-committee)

We look forward to collaborating with Exeter's boards and committees in 2022 and beyond.

Respectfully submitted,

Nancy Belanger
Housing Advisory Committee, Chair

HUMAN SERVICES FUNDING COMMITTEE

Established in 2018, the Human Services Funding Committee is charged with recommending a list of agencies, with funding amounts for each, to the Budget Recommendations Committee for inclusion in the Town Budget each fiscal year. In preparation for their recommendation, the Committee:

Notifies area Human Services agencies of the timeline and process for annual Town of Exeter Human Services funding applications.

Reviews all applications submitted for Human Services funding, auditing agencies' services using the Human Services Funding Criteria.

Identifies agencies that meet Human Services criteria and performs a detailed review of each agency's grant application, their financial documents, and their use of prior Town of Exeter Human Service funds, if applicable.

Determines the amount of funding for each approved agency with a total funding recommendation that is within reasonable budget expectations.

The Human Services Funding Committee recommended the following amounts be granted to the listed agencies in the FY 2021 Town Budget. These funding amounts were approved by the Budget Recommendation Committee, included in the FY 2021 Town Budget, and were voted as approved at the Town Meeting vote in March, 2021.

Organization	FY 2021 Recommended Funding
Annie's Angels	\$4,500
Big Brothers/Big Sisters	\$7,200
CASA of NH	\$1,500
Cross Roads House	\$3,500
Exeter Area Charitable Foundation	\$2,400
Friends Program RSVP	\$2,000
Great Bay Kids' Company	\$2,495
Greater Seacoast Community Health Program	\$5,000
HAVEN	\$7,500
The Key Collective	\$1,000
New Generation	\$2,000
One Sky Community Services	\$1,625
Richie McFarland Children's Center	\$10,000
Rockingham Community Action (SNHS)	\$10,000

Rockingham Nutrition – Meals on Wheels	\$9,500
Seacoast Eat Local	\$1,000
Seacoast Family Promise	\$1,500
Seacoast Mental Health	\$9,000
Seacoast VNA	\$3,000
St. Vincent de Paul	\$8,000
Waypoint (formerly Child & Family Services)	\$10,000
Womenade of Greater Squamscott	\$4,000
TOTAL FY 2021 Funding Recommendation	\$106,720

PLANNING BOARD

The Exeter Planning Board is tasked with overseeing appropriate land use in the Town of Exeter, using the Master Plan as a guide for decision making. Responsibilities include reviewing proposals for buildings and land use projects to see that they meet zoning requirements as well as Site Plan Review and Subdivision Regulations. Some plans may first go to the Zoning Board of Adjustment for a variance and most projects are reviewed by the Conservation Commission, who make recommendations to the Board. Additionally, the Board assists by facilitating the annual review of the Capital Improvement Plan (CIP), as well as developing zoning amendments relating to land use to be placed on the annual town warrant.

Exeter is fortunate to have members with varied backgrounds serving on the Board which provides a broad prospective as they carry out roles and responsibilities in accordance with state laws. Throughout the year there are opportunities for training and workshops sponsored by a variety of organizations involved with land use that members attend. The Board works diligently to protect and provide for the public health, safety, and general welfare of the municipality following state laws regarding land use while keeping the best interest of Exeter and its residents foremost at our meetings with developers reviewing proposed plans.

Members also volunteer on other committees and advisory boards lending their expertise and unique perspective to matters at hand. My hat is off to all our Board members for their dedication and many hours of volunteering at board meetings as well as serving on other related committees. We are fortunate to have professional staff in the Planning Department who are truly an asset to the community!

This has been a busy and challenging year especially with COVID 19 which caused us to go to ZOOM for our meetings. Thanks to EXTV for spending that time and supporting our meetings. We added three meetings to our regular schedule to catch up as meetings took longer initially yet improved with time and experience. I can say that the Board surely appreciated getting back to normal meetings in September 2021 in the Nowak Room and working face to face with developers and the public.

This has been a busy year with a full agenda at most of our meetings. Some projects require more time because of challenges they present especially with wetlands and required setbacks. Land for residential development is becoming scarce and more challenging for the Board and developers to work out the details. We are seeing “infill” and “redevelopment” projects more often which are great as they improve neighborhoods and bring property values up. Affordable housing continues to be a challenge especially with property values increasing along with the cost of construction.

Projects under Construction: 1) Ray Farm Multi-family condominiums on Willey Creek Road; 2) Seacoast Mental Health Center expansion; 3) Primrose School daycare facility at 5 McKay Drive; 4) new dormitory on the Phillips Exeter Academy campus on Front Street; and 5) Exeter Hospital Cancer Center addition.

Completed projects: 1) 5 new single-family homes on Thistle Way & Sparrow Lane (former Ellison property off Brentwood Road); 2) 4 new single-family homes on John West Road (former Stone property); 3) McFarland Ford - vehicle storage lot on Holland Way.

Approved projects: 1) Nouria Energy - Retial fuel outlet, convenience store & car wash on Epping Road (former Jaguar Auto dealership); 2) One Home Builders - a multi-family condominium development (11 units) at 32 Charter Street; 3) a 12-lot single-family open space subdivision at 19 Watson Road and 4) 15-unit, single-family open space condominium development on Wild Apple Lane (off Tamarind Lane).

Respectfully submitted,
Langdon Plumer, Chair Exeter Planning Board

RIVER ADVISORY COMMITTEE

The River Advisory Committee is an eleven-member committee which formerly operated under the name River Study Committee. The River Advisory Committee was reconstituted by the Select Board on February 27th, 2017.

The charge of the River Advisory Committee, as adopted by the Select Board, is to provide advice to the Select Board in all matters relating to the management of the Exeter and Squamscott Rivers, tributaries, and watershed within the Town's boundaries, including, but not limited to, flood control, public and private water supplies, land use, environmental habitat, recreation, public safety, and water quality.

Committee members as of December 31, 2021, include the five At-Large citizen members: Richard Huber (Chair), Lionel Ingram, Rod Bourdon, Terrie Harman and Dan Jones. The six Ex-Officio Representatives include Trevor Mattera (Conservation Commission), Niko Papakonstantis (Select Board Representative), Paul Vlasich (Town Engineer), Kristen Murphy (Natural Resource Planner), Carl Wikstrom (Water-Sewer Advisory Committee) and Warren Biggins (Phillips Exeter Academy).

Video recordings of our past meetings are available for viewing on the Town website. Supporting documents providing details related to River Advisory Committee activities are also available on the website. They include reports related to: *The Great Dam Removal*, *The FEMA Flood Map Revisions*, *The Pickpocket Dam Breach Analysis* and *The Nitrogen Control Plan*.

Normally the River Advisory Committee meets on the third Thursday of the month at 3:00 PM in the Nowak Room. This was not a normal year. Because of predictable delays in the ability to report progress, the committee skipped meeting in February, June, August, October, and December. Due to the pandemic, the four meetings conducted from January through May were conducted remotely via Zoom. Meetings in July through November were conducted in the Nowak room, but all attendees were required to wear protective masks.

The major focus of the River Advisory Committee has been the Pickpocket Dam that was determined to be a high hazard dam. In 2020, a warrant article was passed to begin the process of addressing the Pickpocket Dam issues. Ongoing budget considerations and pending grant requests have delayed beginning the needed engineering feasibility study process. Hopefully these issues will be resolved in early 2022.

When a high hazard dam is fixed to remove the hazard, the modified dam is required to have sufficient discharge capacity to pass the runoff generated by a 2.5 x 100-year storm event, with a minimum of one foot of remaining freeboard. A preliminary hydrological evaluation of the Pickpocket Dam environment was conducted by the engineering firm, VHB. Their report is available on the River Advisory Committee website. It is entitled: "River Study Presentation 4/22/2021."

The Town of Exeter was under commitment to achieve results according to the timetable:

06/1/22 - Advise the Dam Bureau on how the Pickpocket Dam deficiency will be fixed

12/1/25 - All fixes complete

A revision of the timetable was requested and granted. The new timetable is:

06/1/24 - Advise the Dam Bureau on how the Pickpocket Dam deficiency will be fixed

12/1/27 - All fixes complete

This year there has been some interesting media attention given to the removal of Exeter's Great Dam:

- In the January 2021 issue of *Scientific American* on page 22 there appears a poem by Alison Hawthorne Deming, Regents Professor of Creative Writing at the University of Arizona, entitled "Letter to 2050." The poem mentions the Squamscott River, the dam removed after 300 years, the return of the alewife fish, and the celebration of the river restoration offered by the Abenaki Native Americans.
- In the *Seacoast Sunday* of December 12th, 2021, there appeared a frontpage article by Alexander LaCasse entitled: "NATURAL SOLUTION – Removal of Exeter's Great Dam offers lessons for other communities."

Also, there is preliminary planning underway for "**The Alewife Festival 2022**" which has been proposed to take place on Saturday, May 14th. This promises to be a major celebration in Exeter, with members of the River Advisory Committee in attendance.

Looking forward, the River Advisory Committee will be focusing on the ongoing programs related to mitigating the hazards associated with the Pickpocket Dam, with particular emphasis on informing the public of all the options, their pros and cons and their costs, as they emerge from the studies. Also, the committee will continue monitoring and supporting improvements focused on reducing the nitrogen loading flowing into the Great Bay.

Respectfully submitted,

Richard Huber, Chairman

ROBINSON TRUST FUND

"The residue or balance of my property, I give and bequeath to the town of Exeter, in the state of New Hampshire, and County of Rockingham, being the place of my nativity; the INCOME of SAID property, and NO MORE; to be appropriated forever, to the support of suitable and proper teachers for the only and sole instruction of females; and I most respectfully suggest that in admitting applicants, all other things being equal, always give the preference to the poor and the orphan."

Excerpted from the will of William Robinson, April 11, 1853

Robinson Female Seminary Photo Credit: Exeter Historical Society

The Robinson Fund is a charitable trust of The Town of Exeter, whose citizens elect its seven members. The funds were given to the Town in 1853 by the will of William Robinson, an Exeter native who attended Phillips Exeter Academy and for whose sister there existed no similar educational facility in the area. Due to the funds left to Exeter by William Robinson, the Robinson Female Seminary was established in 1869 and continued to operate as the only public school in Exeter to serve post-elementary females until 1955. A fire destroyed the building in 1961. The Lincoln Street Elementary School and its playground and playing fields currently sit on the former seminary property.

In 1996, the Rockingham County Probate Court ruled favorably on a petition submitted by the Trustees to establish a new Trust purpose. The Court's decree allowed for funds to be awarded to *"...enrich and enhance the educational experience of post-elementary age individuals within the area served by the Exeter Region Cooperative School District, through the development of programs, scholarships and grants."* As a result, all students who have matriculated through the Exeter Region Cooperative School District's public schools have benefited in some way from the Robinson Trust.

In Spring of 2021, the Robinson Trust awarded \$23,375 to 14 deserving scholars who were currently enrolled in college, and an additional \$4250 for our three newest scholars enrolling in college in the Fall of 2021. As of December 31, 2021, the William Robinson Trust Fund Account was valued at \$2,466,609.38.

The Trustees would like to send our gratitude to Joanna "Jody" Pellerin. Jody finished her seven-year term in March of 2021, after serving consecutive terms since 2000 (and possibly before). She was an alumna of the Robinson Female Seminary and a wonderful asset to the Trustees for her knowledge of, and experience with, both the Robinson Trust and the history of Exeter. She will be missed! We are fortunate, however, to have elected Leslie Haslam to fill her seat. Leslie Haslam comes to us with great experience in education, having served as the Adult Education Director for many years.

Respectfully,

Jamie Sirois, Secretary

The Robinson Fund Trustees: William Perkins, President; Kate Miller, Vice President; Deb Merrill, Treasurer; Jamie Sirois, Secretary, Jane McCaffery, Gwen English, and Leslie Haslam

SUSTAINABILITY ADVISORY COMMITTEE

The Sustainability Advisory Committee (SAC) was formed in July, 2019.

Despite the pandemic and health & safety restrictions in place since March, 2020, the Committee continued to meet via Zoom for most of 2021, and as restrictions were lifted in-person/hybrid meetings were possible.

The SAC members agreed to present the position of a Sustainability Coordinator for the Town to the Budget Recommendations Committee. However, it was seen appropriate to consider the possibility of adding Sustainability duties to a position that was moving from a part-time to full-time role in the Planning Department. The SAC felt that due to the ongoing pandemic and strains placed on Town budgets, that this was more likely to come to fruition as opposed to submitting a proposal for a new role of a Sustainability Coordinator.

Progress with meeting the tasks of the Coastal Resilience Grant which came into effect January 15, 2020 were slow. The Rockingham Planning Commission (RPC) was working with Dave Sharples, Town Planner, who has Sustainability responsibilities. The grant was to have been completed by June 30, 2021 with a final report. Due to various issues at RPC, tasks as laid-out in the grant proposal were not fully met and the final report as of January 12, 2021 has not been submitted.

With health and safety of residents a concern, any Sustainability outreach through events and gatherings were on-hold. However, SAC did manage to work with Laney & Lu once again to collect pumpkins after Halloween. Laney & Lu allowed residents to drop off the pumpkins into the composting bins. Mr. Fox Composting collected the pumpkins. Flyers for the event were posted with information on why pumpkins should not be landfilled as they add to carbon emissions.

The SAC welcomed the opportunity to work with the Department of Public Works, to encourage residents to use Mr. Fox compost bins at the Transfer Station. This allows residents to compost their organic waste for free. It has been a success in reducing the amount of waste to landfill. With continued effort to spread awareness regarding reasons for composting, it is hoped that more composting bins will be added and more people will see a reduction in the number of blue bags they are using for landfill.

The SAC continues to work on outreach through utilizing social media to engage with more of the residents of Exeter. The Committee continues to post environmental tips and articles on its Facebook page, and works closely with DPW to ensure that residents are up-to-date with what is recyclable.

SAC will continue working to fulfill its charge into 2022.

Chetana Parmar
Sustainability Advisory Committee Chair

SWASEY PARKWAY TRUSTEES

2021 has been challenging with the pandemic slowing then coming back with a vengeance. Swasey Parkway has continued to provide the public with a place to go and gather during this time. While the roadway was closed a good part of the year, it was reopened for all to once again enjoy the beauty it offers to the Town and the environment. This has allowed people with mobility challenges to again enjoy the Parkway and its ambiance.

This year has seen more events in the Parkway. TEAM sponsored more musical events in 2021 than in the previous year and people came out to enjoy them. The Chili-Fest was revamped for 2021 and was enjoyed by many, as in past years. The Pavilion received much needed repairs and saw the return of wedding use. I am also happy to report that the Trustees and the Select Board are working together for Swasey Parkway and we all hope this can continue.

The Trustees would like to thank the many volunteers that donate their time to the upkeep of the Parkway and its several planting gardens. Without volunteers a lot of things may not get accomplished to keep Swasey Parkway looking good.

Lastly, I want to thank the Trustees and the Select Board for all they do to keep this green space a viable place for the people of Exeter and visitors to our Town for enjoyment throughout the year.

Respectfully submitted,

Trustees:

Dwane Staples

Dave Short

Darius Thompson

WATER AND SEWER ADVISORY COMMITTEE

The Town of Exeter's **Water and Sewer Advisory Committee** is a volunteer committee of town residents providing technical, financial and planning input to the Select Board and the Department of Public Works (DPW) on facility and infrastructure capital projects, annual budgeting, and long-term management approach. Though many projects and initiatives were put on hold due to COVID-19 budget constraints, the Committee still provided financial and rate impact input of upgrades to aged infrastructure and facilities in an effort to provide quality services to residents and businesses for the next 25 years or more.

Budget recommendations provided for water system and facility improvements at the Portsmouth Avenue Water Treatment Plant continued from the past several years to extend the life and capabilities of the supply operation.

On the sewer side of operations, the Committee provided input to DPW on issues relating to the siphons under the Squamscott River, a critical link in our town-wide system. In addition, funds for construction of various small sewer system projects conducted during the year were recommended in the Capital Improvements Plan (CIP) for the Department.

Our fall budgeting process was a collaborative effort between our Committee and the Town Budget Recommendations Committee. We continued to use the strategy of incorporating several infrastructure improvement projects and equipment upgrades into the budget. This approach has been successfully used for over 20 years and has lessened the rate impacts of planned capital improvements to both systems. The Committee conducted their annual rate analysis of budget impacts in the Spring and proposed a modest increase in both water and sewer rates to keep up with needed projects and staffing.

Our new, state-of-the-art Wastewater Treatment Facility on Newfields Road continues to have successful operations, meeting or exceeding all federal water quality guidelines in the Squamscott River.

On the administrative side, the Committee continued to fine tune the abatement request process, especially with household budgets continuing to be constrained by COVID-19 impacts. With steadily increasing capital and operations costs due to changing environmental regulations, the Committee is looking for ways to lessen impacts of accidental discharges from user's systems.

We will continue to review the current Rate Structure in 2022.

The Committee looks forward to 2022 as a continued interactive process with the Town Manager, Town departments and ratepayers to implement needed facility upgrades for a fair, reasonable and affordable cost.

Respectfully submitted,

Robert Kelly, Chairman

Ben Mosher

Carl Wikstrom

Molly Cowan, Select Board Representative

ZONING BOARD OF ADJUSTMENT

The Zoning Board of Adjustment is a quasi-judicial board that hears and decides on applications for zoning relief such as variances, special exceptions, appeals from administrative decisions, and equitable waivers of dimensional regulations. At the end of 2021, the Board was comprised of regular full voting members and three alternate members. There are currently two open seats for alternates. We invite residents of Exeter who are interested in land use issues to contribute to their community by offering to serve on the Zoning Board as an alternate member. The Zoning Board meets regularly on the third Tuesday of each month at 7:00 pm in the Nowak Room of the Town Office Building.

The Zoning Board of Adjustment continued to conduct regular meetings during the year, as necessary, via Zoom and returned to “in-person” meetings in the summer after the State of Emergency was lifted.

Despite the continuation of the pandemic during 2021, the Zoning Board of Adjustment held eleven meetings and considered a total of seventeen applications for various types of zoning relief. The Board reviewed ten variance requests; eight were granted, one was denied and one was withdrawn. Seven special exception applications were reviewed with six being granted and one denied.

The Board would like to express its appreciation for the dedication and continued support of our fine Building Department staff, Barb McEvoy and Doug Eastman.

Respectfully submitted,

Kevin M. Baum

Exeter

Tax Commitment Verification

2021 Tax Commitment Verification - RSA 76:10 II

Description	Amount
Total Property Tax Commitment	\$52,886,755
1/2% Amount	\$264,434
Acceptable High	\$53,151,189
Acceptable Low	\$52,622,321

If the amount of your total warrant varies by more than 1/2%, the MS-1 form used to calculate the tax rate might not be correct. The tax rate will need to be recalculated. Contact your assessors immediately and call us at 603.230.5090 before you issue the bills. See RSA 76:10, II

Commitment Amount	
Less amount for any applicable Tax Increment Financing Districts (TIF)	
Net amount after TIF adjustment	

Under penalties of perjury, I verify the amount above was the 2021 commitment amount on the property tax warrant.

Tax Collector/Deputy Signature:

Date:

Requirements for Semi-Annual Billing

Pursuant to RSA 76:15-a

76:15-a Semi-Annual Collection of Taxes in Certain Towns and Cities - I. Taxes shall be collected in the following manner in towns and cities which adopt the provisions of this section in the manner set out in RSA 76:15-b. A partial payment of the taxes assessed on April 1 in any tax year shall be computed by taking the prior year's assessed valuation times 1/2 of the previous year's tax rate; provided, however, that whenever it shall appear to the selectmen or assessors that certain individual properties have physically changed in valuation, they may use the current year's appraisal times 1/2 the previous year's tax rate to compute the partial payment.

Exeter	Total Tax Rate	Semi-Annual Tax Rate
Total 2021 Tax Rate	\$24.01	\$12.01

Fund Balance Retention

Enterprise Funds and Current Year Bonds	\$23,559,137
General Fund Operating Expenses	\$61,454,595
Final Overlay	\$170,430

DRA has provided a reference range of fund balance retention amounts below. Please utilize these ranges in the determination of the adequacy of your municipality's unrestricted fund balance, as currently defined in GASB Statement 54. Retention amounts, as part of the municipality's stabilization fund policy [1], should be assessed dependent upon your governments own long-term forecasts and special circumstances. Please note that current best practices published by GFOA recommend, at a minimum, that "...general purpose governments, regardless of size, maintain unrestricted fund balance in their general fund of no less than two months of regular general fund operating revenues or regular general fund operating expenditures." [2],[3]

EXETER TOWN WARRANT – 2022

To the inhabitants of the Town of Exeter, in the County of Rockingham, in the said State, qualified to vote in Town affairs:

First Session

You are hereby notified that the first session (the Deliberative Session) of the Annual Town Meeting will be held on Saturday, February 5th, 2022 beginning at 9:00 a.m. at the Arthur L. Hanson III Center for the Performing Arts at Exeter High School, 1 Blue Hawk Drive. The first session will consist of explanation, discussion and debate of each of the following warrant articles, and will also afford voters who are present the opportunity to propose, debate and adopt amendments to warrant articles, except those articles in which wording is prescribed by state law.

Second Session

The second session of the annual town meeting, to elect town officers by official ballot and to vote on all warrant articles as they may have been amended at the first session, will be held on Tuesday, March 8th, 2022 at the Talbot Gymnasium at the Tuck Learning Center, 30 Linden Street. Polls for voting by official ballot will open at 7:00 a.m. and close at 8:00 p.m.

Article 1

To choose the following: 2 Select Board for a 3-year term; 1 Select Board for a 1-year term; 3 Trustees of the Library for a 3-year term; 1 Trustee of Swasey Parkway for a 3-year term; 1 Trustee of Trust Funds for a 3-year term; 1 Trustee of the Robinson Fund for a 7-year term; 1 Supervisor of the Checklist for a 6-year term.

Article 2 Zoning Amendment #1: By petition, are you in favor of the adoption of an Amendment to the Town of Exeter's Zoning Ordinance to revise the definition of "Bed and Breakfast" contained in Article 2.2.12 as follows:

The proposed Amendment will be underlined text for proposed additions and strikethrough text for proposed deletions.

Bed and Breakfast: The primary dwelling of an owner-operator and or detached accessory structure on the same property, that provides ~~exclusively~~ for the lodging of transient guests and whose posted rates shall include breakfast. ~~A Bed and Breakfast shall not be used for any other hospitality or business related use.~~ A Bed and Breakfast shall have not more than four (4) rentable rooms and a dining area capable of accommodating the number of registered guests.

The Planning Board recommends this article 6-0.

Article 3 - Webster Avenue Pump Station Design and Construction

To see if the Town will vote to raise and appropriate the sum of five million seven hundred thousand and zero dollars (\$5,700,000) for the purpose of design and construction of a new sewer pump station and force main on Webster Avenue, and to authorize the issuance of not more than \$5,700,000 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33); and further to authorize the Select Board to issue and negotiate such bonds or notes and to determine the rate of interest thereon; and further to authorize the Select Board to apply for, obtain and accept federal, state or other aid, if any,

including principal forgiveness, which may become available for this project. The Town will receive funding through a \$1.05 million dollar federal grant, \$1.395 million in state ARPA funds, and \$325,500 in principal forgiveness from the NHDES. Bond payments would begin approximately one year after issuance. Debt service to be paid from the sewer fund.

(3/5 ballot vote required for approval.) Recommended by the Select Board 4-0.

Article 4 – 10 Hampton Road Purchase

To see if the Town will vote to raise and appropriate the sum of one million two hundred fifty thousand dollars (\$1,250,000) for the purchase of land and buildings at 10 Hampton Road (aka the Qessential Building), including making minor renovations to the property, to be used by the Parks and Recreation Department as recreation space, public parking and main offices, and to authorize the issuance of not more than \$1,250,000 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33); and further to authorize the Select Board to issue and negotiate such bonds or notes and to determine the rate of interest thereon; and further to authorize the Select Board to apply for, obtain and accept federal, state or other aid, if any, including principal forgiveness, which may become available for this project. Debt service will be paid from the general fund. (Estimated Tax Impact: assuming 10 year bond at .86% interest: .06/1,000, \$6/100,000 of assessed property value). Bond payments would begin approximately one year after issuance.

(3/5 ballot vote required for approval.) Recommended by the Select Board 4-0.

Article 5 – Westside Drive Reconstruction Design/Engineering

To see if the Town will vote to raise and appropriate the sum of three hundred thirty thousand seven hundred and fifteen dollars (\$330,715) for the purpose of design and engineering of water, sewer and drainage improvements in the Westside Drive area, and to authorize the issuance of not more than \$330,715 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33); and further to authorize the Select Board to issue and negotiate such bonds or notes and to determine the rate of interest thereon; and further to authorize the Select Board to apply for, obtain and accept federal, state or other aid, if any, including principal forgiveness, which may become available for this project. The Town will receive a \$100,000 grant to offset the cost of this project. Debt service will be paid from the general fund, water fund, and sewer fund. (Estimated Tax Impact: assuming 5 year bond at .50% interest: .006/1,000, \$.63/100,000 of assessed property value). Bond payments would begin approximately one year after issuance.

(3/5 ballot vote required for approval.) Recommended by the Select Board 4-0.

Article 6 – Choose Town Officers

To choose all other necessary Town Officers, Auditors or Committees for the ensuing year.

Article 7 – 2022 Operating Budget

Shall the Town of Exeter raise and appropriate as an operating budget, not including appropriation by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$20,387,002. Should this article be defeated, the default budget shall be \$20,084,542, which is the same as last year, with certain adjustments required by previous action of the Town of Exeter or by law, or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the

issue of a revised operating budget only. (Estimated Tax Impact: .17/1,000 assessed property value, \$17/100,000 assessed property value).

(Majority vote required) Recommended by the Select Board 4-0.

Article 8 – 2022 Water Fund Budget

Shall the Town of Exeter raise and appropriate as a water operating budget, not including appropriation by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$4,249,390. Should this article be defeated, the water default budget shall be \$4,161,433, which is the same as last year, with certain adjustments required by previous action of the Town of Exeter or by law.

(Majority vote required) Recommended by the Select Board 4-0.

Article 9 – 2022 Sewer Fund Budget

Shall the Town of Exeter raise and appropriate as a sewer operating budget, not including appropriation by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$7,385,953. Should this article be defeated, the default budget shall be \$7,298,636, which is the same as last year, with certain adjustments required by previous action of the Town of Exeter or by law.

(Majority vote required) Recommended by the Select Board 4-0.

Article 10 – Police Collective Bargaining Agreement (\$38,749)

To see if the Town will vote to approve the cost items included in the four year collective bargaining agreement reached between the Select Board and the Exeter Police Association, which calls for the following increased salaries and benefits at the current staffing levels:

Year	Estimated Salary/Benefits Increase
FY22	\$38,749
FY23	\$37,431
FY24	\$55,513
FY25	\$78,204

And further, to raise and appropriate the sum of thirty-eight thousand, seven hundred and forty nine dollars (\$38,749) for the 2022 fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits over those of the appropriation at current staffing levels. (Estimated Tax Impact: .017/1,000, \$1.73/100,000 assessed property value).

(Majority vote required) Recommended by the Select Board 4-0.

Article 11 – Fire Collective Bargaining Agreement (\$54,408)

To see if the Town will vote to approve the cost items included in the three year collective bargaining agreement reached between the Select Board and the Exeter Firefighters Local 3491, which calls for the following increased salaries and benefits at the current staffing levels:

Year	Estimated Salary/Benefits Increase
------	------------------------------------

FY22	\$54,408
FY23	\$72,593
FY24	\$68,174

And further, to raise and appropriate the sum of fifty-four thousand, four hundred and eight dollars (\$54,408) for the 2022 fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits over those of the appropriation at current staffing levels. (Estimated Tax Impact: .024/1,000, \$2.43/100,000 assessed property value).

(Majority vote required) Recommended by the Select Board 4-0.

Article 12 – SEIU Collective Bargaining Agreement (\$51,227)

To see if the Town will vote to approve the cost items included in the three year collective bargaining agreement reached between the Select Board and the SEIU (Service Employees International Union) Local 1984 covering Public Works and Administrative/Clerical employees, which calls for the following increased salaries and benefits at the current staffing levels:

Year	Water/Sewer Fund	General Fund	Total
FY22	\$22,082	\$29,145	\$51,227
FY23	\$17,538	\$17,899	\$35,437
FY24	\$26,976	\$33,003	\$59,979

And further, to raise and appropriate the sum of fifty one thousand two hundred and twenty seven dollars (\$51,227) for the 2022 fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits over those of the appropriation at current staffing levels. The amounts raised will be \$29,145 through taxation (General Fund), and \$22,082 (Water/Sewer Funds). (Estimated Tax Impact: .013/1,000, \$1.30/100,000 assessed property value).

(Majority vote required) Recommended by the Select Board 4-0.

Article 13 – Engine 5 Replacement (\$745,453)

To see if the Town will vote to authorize the Select Board to enter into a 10-year lease/purchase agreement for \$650,000 for the purpose of lease/purchasing a replacement for Engine 5 in the Fire Department, and to raise and appropriate the sum of eighty-two thousand three hundred fifty-five dollars (\$82,355), which represents the first of 10 annual payments (a total of \$745,453) for this purpose. This lease/purchase will contain an escape (non-appropriation) clause. This sum to come from general taxation. (Estimated Tax Impact: .037/1,000, \$3.68/100,000 assessed property value).

(Majority vote required) Recommended by the Select Board 4-0.

Article 14 -- Fire SCBA Packs Lease/Purchase (\$385,547)

To see if the Town will vote to authorize the Select Board to enter into a 7-year lease/purchase agreement for the purpose of lease/purchasing SCBA (Self-Contained Breathing Apparatus) equipment for the Exeter Fire Department, and to raise and appropriate the sum of \$59,064, which represents the first of 7 annual payments (a total of \$385,547), for this purpose. This lease agreement shall contain an escape clause. (Estimated Tax Impact: .026/1,000, \$2.64/100,000 assessed property value).

(Majority vote required) Recommended by the Select Board 4-0.

Article 15 – Raynes Barn Improvements (\$249,000)

To see if the Town will raise and appropriate the sum of two hundred forty nine thousand dollars (\$249,000) for the purpose of making improvements to the Raynes Barn located on Newfields Road. The appropriation of \$249,000 will be offset by an LCHIP grant (\$100,000) and a withdrawal from the Conservation Fund (\$49,000) with the balance of \$100,000 to be appropriated from unassigned fund balance. (Estimated Tax Impact: None. No amount to be raised by taxation).

(Majority vote required) Recommended by the Select Board 4-0.

Article 16 – Police Body Worn Cameras (\$204,139)

To see if the Town will vote to authorize the Select Board to enter into a 5-year lease/purchase agreement for the purpose of lease/purchasing body cameras and associated equipment for the Exeter Police Department, and to raise and appropriate the sum of \$42,846, which represents the first of 5 annual payments (a total of \$204,139), for this purpose. This lease agreement shall contain an escape clause. (Estimated Tax Impact: .019/1,000, \$1.91/100,000 assessed property value).

(Majority vote required) Recommended by the Select Board 4-0.

Article 17 – Sewer Capacity Rehabilitation (\$200,000)

To see if the Town will raise and appropriate, through special warrant article, the sum of two hundred thousand dollars (\$200,000), for the purpose of engineering services related to sewer capacity rehabilitation. This sum to come from sewer funds.

(Majority vote required) Recommended by the Select Board 4-0.

Article 18 – Appropriate to Capital Reserve Fund – Parks Improvements (\$100,000)

To see if the Town will vote to raise and appropriate the sum of one-hundred thousand dollars (\$100,000) to be added to the Parks Improvement Capital Reserve Fund previously established. This sum to come from unassigned fund balance. (Estimated Tax Impact: None. No amount to be raised by taxation).

(Majority vote required) Recommended by the Select Board 4-0.

Article 19 – Highway Truck Replacement (\$71,801)

To see if the Town will raise and appropriate, through special warrant article, the sum of seventy one thousand eight hundred and one dollars (\$71,801), for the purpose of purchasing a replacement for Highway Truck #9, purchased in 2007. This replacement is for an existing 1 ton truck to a 1.5 ton “Switch and Go” Hook truck F-550. This vehicle is primarily used for light duty hauling, landscaping, asphalt work, drainage and catch basin maintenance. This sum to come from unassigned fund balance. (Estimated Tax Impact: None. No amount to be raised by taxation).

(Majority vote required) Recommended by the Select Board 4-0.

Article 20 – Replace DPW Hotbox Asphalt Reclaimer (\$59,481)

To see if the Town will raise and appropriate, through special warrant article, the sum of fifty nine thousand four hundred and eighty one dollars (\$59,481), for the purpose of purchasing a replacement hotbox asphalt reclaimer for the Highway Department. This is the Department's primary equipment to fill potholes. The current hotbox was purchased in 2005. (Estimated Tax Impact: .027/1,000, \$2.65/100,000 assessed property value).

(Majority vote required) Recommended by the Select Board 4-0.

Article 21 – Intersection Improvements Plan Funding (\$50,000)

To see if the Town will vote to raise and appropriate, through special warrant article, the sum of fifty thousand dollars (\$50,000) for the purpose of conducting and creating an intersection improvement proposal with preliminary designs, to improve intersections and intersection areas, including Pine/Front/Linden Street, Front Street/Water Street, Clifford Street/Water Street, Winter Street/Columbus Avenue/Railroad Avenue, and others. This sum to come from general taxation. (Estimated Tax Impact: .022/1,000, \$2.23/100,000 assessed property value).

(Majority vote required) Recommended by the Select Board 4-0.

Article 22 – Public Works Facility Garage (\$50,000)

To see if the Town will raise and appropriate, through special warrant article, the sum of fifty thousand dollars (\$50,000), for the purpose of design work on a new garage at the Public Works Complex on Newfields Road. This sum to come from general taxation \$25,000, water funds \$12,500, and sewer funds \$12,500). (Estimated Tax Impact: .011/1,000, \$1.12/100,000 assessed property value).

(Majority vote required) Recommended by the Select Board 3-1.

Article 23 – Replace Car 3 Fire Department (\$47,969)

To see if the Town will raise and appropriate, through special warrant article, the sum of forty seven thousand nine hundred and sixty nine dollars (\$47,969), for the purpose of purchasing and equipping a replacement for Fire Department Car 3. This purchase would replace a 2010 Ford Expedition with an F250 Pickup. The vehicle will be used for incident command. This sum to come from unassigned fund balance. (Estimated Tax Impact: None. No amount to be raised by taxation).

(Majority vote required) Recommended by the Select Board 4-0.

Article 24 – Facilities Condition Assessment (\$45,000)

To see if the Town will raise and appropriate, through special warrant article, the sum of forty five thousand and zero dollars (\$45,000), for the purpose of hiring a consultant to conduct a facilities condition assessment (FCA) and set up a database for Town facilities. The assessment will include an accounting and evaluation of all Town buildings and their systems. The consultant will input the data from the assessment into a software system that will be used by the Town for facility maintenance and capital asset planning. This sum to come from general taxation. (Estimated Tax Impact: .020/1,000, \$2.01/100,000 assessed property value).

(Majority vote required) Recommended by the Select Board 4-0.

Article 25 – Replace DPW Jeep Patriot 65 with Hybrid (\$44,750)

To see if the Town will raise and appropriate, through special warrant article, the sum of forty four thousand seven hundred and fifty dollars (\$44,750), for the purpose of purchasing a replacement for Jeep Patriot #65 in the Public Works Department. This purchase would replace a 2013 Jeep Patriot with a Ford Explorer Hybrid vehicle. . (Estimated Tax Impact: .020/1,000, \$2.00/100,000 assessed property value).

(Majority vote required) Recommended by the Select Board 4-0.

Article 26 – Bike/Pedestrian Improvement Plan (\$25,000)

To see if the Town will raise and appropriate, through special warrant article, the sum of twenty five thousand and zero dollars (\$25,000), for the purpose of conducting a town wide bicycle/pedestrian plan as outlined in the Town Master Plan. This sum to come from general taxation. (Estimated Tax Impact: .011/1,000, \$1.12/100,000 assessed property value).

(Majority vote required) Recommended by the Select Board 4-0.

Article 27 – Appropriate to Sick Leave Trust Fund (\$100,000)

To see if the Town will vote to raise and appropriate the sum of one hundred thousand dollars (\$100,000) to be added to the Sick Leave Expendable Trust Fund previously established. This sum to come from the unassigned fund balance. (Estimated Tax Impact: None. No amount to be raised by taxation).

(Majority vote required) Recommended by the Select Board 4-0.

Article 28 – Appropriate to Non-Capital Reserve Fund – Snow and Ice Deficit (\$50,000)

To see if the Town will vote to raise and appropriate the sum of fifty-thousand dollars (\$50,000) to be added to the Snow and Ice Deficit Non-Capital Reserve Fund previously established. This sum to come from the unassigned fund balance. (Estimated Tax Impact: None. No amount to be raised by taxation).

(Majority vote required) Recommended by the Select Board 4-0.

Article 29 – Appropriate to Trust Fund – Swasey Parkway (\$3,625)

To see if the Town will vote to raise and appropriate the sum of three thousand six hundred and twenty five dollars (\$3,625) to be added to the Swasey Parkway Trust Fund previously established. This sum to come from unassigned fund balance. This amount is equivalent to the amount of permit fees collected during the prior year for use of the Swasey Parkway. (Estimated Tax Impact: None. No amount to be raised by taxation).

(Majority vote required) Recommended by the Select Board 4-0.

Article 30 – Town Hall Revolving Fund and Funding (\$5,000)

To see if the Town will vote to establish a revolving fund pursuant to RSA 31:95-h, for the purpose of making capital improvements to, equipping and maintaining the Town Hall building. All revenues received from the rental of space in the Town Hall will be deposited into the fund, and the money in the fund shall be allowed to accumulate year to year, and shall not be considered part of the Town's general fund balance.

The town treasurer shall have custody of all moneys in the fund, and shall pay out the same only upon order of the governing body and no further approval is required by the legislative body to expend. Such funds may be expended only for the purpose for which the fund was created. Further to raise and appropriate the sum of \$5,000 to be placed in the revolving fund as an initial balance. This sum to come from the unassigned fund balance. (Estimated Tax Impact: None. No amount to be raised by taxation).

(Majority vote required) Recommended by the Select Board 4-0.

Article 31 – Arts & Culture Commission – Agents to Expend

To see if the Town will appoint the Arts and Culture Commission as agents to expend from the Exeter Arts Program Donation Trust Fund created by vote of the 2009 Town Meeting in place of the Exeter Arts Committee which no longer exists.

(Majority vote required) Recommended by the Select Board 4-0.

Article 32 – Community Power Aggregation

To see if the Town will vote to adopt the Exeter Electric Aggregation Plan (voted upon by the Exeter Community Power Aggregation Committee on 12/29/21) which authorizes the Select Board to implement a Community Power Aggregation program as described therein. Community Power Aggregation programs, pursuant to State statute RSA 53-E, allow municipalities to purchase electric energy supply on behalf of their residents and businesses with the goals of allowing for more local control of energy sources, lowering relative costs, expanding access to renewable energy sources, and supporting the development of innovative energy projects.

(Majority vote required) Recommended by the Select Board 4-0.

Article 33 – Swasey Parkway

Subject to the Town obtaining approval from both the Rockingham County Probate Court and NH Division of Charitable Trusts, to see if the Town will vote to close and discontinue Swasey Parkway as a public roadway from Water Street to the Pavilion, while still allowing traffic to enter from Newfields Road to park and turn around.

This action, if approved by the voters, will be conditioned on the following:

- a) Retaining the paved surface in the discontinued portion for the use of pedestrians, non-motorized vehicles, maintenance vehicles and emergency vehicles.
- b) The northerly portion of the roadway shall remain a Class V highway.

(Majority vote required) Recommended by the Select Board 4-0.

Article 34 – Citizen's Petition

By petition of Andrew Elliott and others

Washington Street Improvements

Shall the Town vote:

To see if the Town will vote to raise and appropriate the sum of two hundred and sixty thousand and zero dollars (\$260,000) for the design and construction of road improvements (sidewalks, tree work, and traffic calming) on Washington Street. This sum to come from General taxation (Estimated Tax Impact: .046/1,000, \$4.55/100,000 assessed property value).

Could the funds also come from "towns unassigned fund", or "in bonds or notes in accordance with provision of the Municipal Finance Act (RSA 33)."

(Majority vote required) Not recommended by the Select Board 0-4.

Article 35

To transact any other business that may legally come before this meeting.

Niko Papakonstantis, Chair

Molly Cowan, Vice Chair

Julie D. Gilman, Clerk

Lovey Roundtree Oliff

We certify that on the 31th day of January, 2022, we caused a true copy of the within warrant to be posted at the Exeter Town Hall on Front Street, the Exeter Public Library at Founder's Park, Exeter High School at 1 Blue Hawk Drive, Talbot Gymnasium at Tuck Learning Campus, 30 Linden Street, and the Town Clerk's Office, 10 Front Street.

Given under our hands and seal this 31th day of January, 2022.

Niko Papakonstantis, Chair

Molly Cowan, Vice Chair

Julie D. Gilman, Clerk

Lovey Roundtree Oliff

Proposed Budget

Exeter

For the period beginning January 1, 2022 and ending December 31, 2022

Form Due Date: **20 Days after the Annual Meeting**

This form was posted with the warrant on: January 31, 2022

GOVERNING BODY CERTIFICATION

Under penalties of perjury, I declare that I have examined the information contained in this form and to the best of my belief it is true, correct and complete.

Default Budget of the Municipality
Exeter

For the period beginning January 1, 2022 and ending December 31, 2022

RSA 40:13, IX (b) "Default budget" as used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision.

Article 01 Operating Budget

Shall the Exeter School District raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$22,582,125? Should this article be defeated, the default budget shall be \$22,353,794, which is the same as last year, with certain adjustments required by previous action of the Exeter School District or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. The School Board recommends \$22,582,125.

Article 02 Collective Bargaining Agreement

To see if the school district will vote to approve the cost items included in the collective bargaining agreement reached between the Exeter School District and the Exeter Paraprofessional Association which calls for the following increases in salaries and benefits at the current staffing level:

Fiscal Year	Estimated Increase
2023	\$284,614
2024	\$117,606
2025	\$109,986

and further to raise and appropriate \$284,614 for the current fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits required by the new agreement over those that would be paid at current staffing levels. The School Board recommends that the School District approve these cost items and make the appropriation of \$284,614. (Majority vote required)

Article 03 Other

Shall Exeter School District, if article 2 is defeated, authorize the governing body to call one special meeting, at its option, to address article cost items only? (Majority vote)

Article 04 Special Education Expendable Trust

To see if the school district will vote to raise and appropriate the sum of up to \$75,000 to be placed in the Special Education Expendable Trust Fund previously established for the unanticipated special education costs at Exeter Elementary School. This sum to come from June 30 fund balance available for transfer on July 1. No additional amount to be raised from taxation. The Exeter School Board recommends this appropriation. (Majority vote required)

Default Budget of the School District

Exeter Local School

For the period beginning July 1, 2022 and ending June 30, 2023

RSA 40:13, IX (b) "Default budget" as used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision.

Minutes of Exeter School District
First Session of the 2021 Exeter School District Annual Meeting
Deliberative Session – Wednesday, February 3, 2021 – 5:30 PM
Exeter High School Arthur Hanson III Center

Attendance:

School Board Members Present: Neil Bleicken, Dawn Bullens, Patrick O'Day, Patty Surette and Sarah Edwards
SAU 16: Esther Asbell, Associate Superintendent
Administration: Steve Adler, MSS Principal and Drew Bairstow, LSS Principal
Moderator: Christopher Hilson
Clerk: Susan Bendroth

Moderator Hilson called the First Session of the Exeter School district Annual Meeting to order at 5:30 PM on Wednesday, February 3, 2021. The Pledge of Allegiance was said, the school board and administration was introduced and an explanation of the purpose and order of business of the meeting was reviewed highlighting the COVID precautions and arrangements.

Dawn Bullens read Warrant Article #1: Operating Budget

Shall the District raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein totaling \$22,161,571? Should this article be defeated, the default budget shall be \$21,939,729 which is the same as last year, with certain adjustments required by previous action of the Exeter School District or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. The School Board recommends \$22,161,571.

Dawn Bullens reviewed and highlighted the changes and drivers of the budget which are mostly contractual. No questions or discussion followed.

Dawn Bullens motioned to adopt Article #1 and Neil Bleicken seconded.

Sarah Edwards read Warrant Article #2: Special Education Expendable Trust

To see of the school district will vote to raise and appropriate the sum of \$75,000 to be placed in the Special Education Expendable Trust Fund previously established for the unanticipated special education costs at Exeter Elementary School. This sum to come from June 30 fund balance available for transfer on July 1. No additional amount to be raised from taxation. The Exeter School Board recommends this appropriation. (Majority vote required)

Sarah Edwards spoke to the Article explaining that the goal is to get the fund balance to \$300,000 and it has received approval in previous years.

Dawn Bullens motioned to adopt the Article and Neil Bleicken seconded.

Motion to adjourn at 5:42 was made by Dawn Bullens and seconded by Neil Bleicken with 6 voters present.

Respectfully submitted,

Susan E.H. Bendroth, Exeter School District Clerk

Article 01 Operating Budget

Shall the District raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant, or as amended by vote of the first session, for the purposes set forth therein, totaling \$65,154,643? Should this article be defeated, the operating budget shall be \$64,957,700 which is the same as last year, with certain adjustments required by previous action of the District or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. The School Board recommends \$65,154,643 as set forth on said budget. The Budget Advisory Committee does not recommend. (Majority vote required)

Article 02 Collective Bargaining Agreement - Administrator

To see if the school district will vote to approve the cost items included in the collective bargaining agreement reached between the Exeter Region Cooperative School Board and the Exeter Area Administrators' Association which calls for the following increases in salaries and benefits at the current staffing level:

Fiscal Year	Estimated Increase
2023	\$50,564
2024	\$65,996
2025	\$66,752
2026	\$68,737
2027	\$59,082

and further to raise and appropriate \$50,564 for the current fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits required by the new agreement over those that would be paid at current staffing levels. The school board and budget advisory committee recommend \$50,564. (Majority vote required)

Article 03 Collective Bargaining Agreement – Paraprofessional

To see if the school district will vote to approve the cost items included in the collective bargaining agreement reached between the Exeter Region Cooperative School Board and the Exeter Cooperative Paraprofessional Association which calls for the following increases in salaries and benefits at the current staffing level:

Fiscal Year	Estimated Increase
2023	\$205,169
2024	\$134,260
2025	\$110,931
2026	\$115,230

and further to raise and appropriate \$205,169 for the current fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits required by the new agreement over those that would be paid at current staffing levels. The school board and budget advisory committee recommend \$205,169. (Majority vote required)

Article 04 Collective Bargaining Agreement – Teacher

To see if the school district will vote to approve the cost items included in the collective bargaining agreement reached between the Exeter Region Cooperative School Board and the Exeter Educators Association which calls for the following increases in salaries and benefits at the current staffing level:

Fiscal Year	Estimated Increase
2023	\$975,011
2024	\$1,197,238
2025	\$1,107,225

and further to raise and appropriate \$975,011 for the current fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits required by the new agreement over those that would be paid at current staffing levels. The school board and budget advisory committee recommend \$975,011. (Majority vote required)

Default Budget of the Regional School

Exeter Coop

For the period beginning July 1, 2022 and ending June 30, 2023

RSA 40:13, IX (b) "Default budget" as used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision.

Minutes of Exeter Region Cooperative School District
First Session of the 2021 Annual Meeting
Deliberative Session – Saturday, January 30, 2021 2:00 PM
Exeter High School Arthur Hanson III Center

ERCSD Board Members Present:

Helen Joyce, Chair – Stratham

David Slifka – Exeter

Paul Bauer – Newfields

Melissa Litchfield – Brentwood

Kimberly Meyer – Exeter

Travis Thompson, Vice Chair – Stratham

Bob Hall – Kensington

Kathy O'Neill – East Kingston

Maggie Bishop – Exeter

Administration: David Ryan, Superintendent

Mollie O'Keefe, Executive Director for Finances and Operations

Others: Katherine Miller, Moderator

Gordon Graham, Counsel for the School District

David Pendell, Chair of District's Budget Advisory Committee

Susan Bendroth, ERCSD Clerk

Moderator Miller called the meeting to order at 2:04 PM and asked everyone join her in the Pledge of Allegiance. She thanked everyone for coming out in the midst of the COVID-19 pandemic. She encouraged everyone to practice social distancing and if at all possible to wear a mask. She explained the two locations for voters with masks: the auditorium and outside in the Senior Parking Lot and also the two locations for voters who cannot wear masks: inside Door B-5 on the left side of the building, in the small gym and on the far-left side of the Senior Parking Lot. Each location was equipped with at least one mic, a video monitor and a sound system and a Moderator or Assistant Moderator who was designated to manage the venue and make sure voters who wanted to speak got a chance.

Travis Thompson, Vice Chair of the Coop School Board, thanked the many people that came together to make this meeting a possibility during this unique time. He recognized both Maggie Bishop for her time on the Board and David Pendell for his time on the Budget Advisory Committee as neither one will be running for re-election. He referenced the process and time that went into generating the budget.

Moderator Miller presented an explanation of the meeting which is to debate, discuss and amend the warrant articles as the law allows. She reviewed the rules and the procedure for the meeting. She requested permission to allow David Ryan, Superintendent, who does not live in the District, to speak to the article if necessary. Permission was granted.

A brief recess was taken at 2:18 to address connection to the other locations.

Meeting reconvened at 2:25.

Moderator Miller went on to announce that voting on this warrant article would take place at the polling place for your town on Tuesday, March 9, 2021. She encouraged everyone registered to vote to come to vote on that day.

Warrant Article 01: ERCSD Operating Budget

Shall the District raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant, or as amended by vote of the first session, for the purposes set forth therein, totaling \$65,293,750? Should this article be defeated, the default budget shall be \$65,337,663 which is the same as last year, with certain adjustments required by previous action of the District or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. The School Board and Budget Advisory Committee both recommend \$65,293,750 as set forth on said budget. (Majority vote required)

Travis Thompson made a motion to take up the Article.

Kimberly Meyer seconded.

Mollie O'Keefe presented an explanation of the budget and tax impact highlighting the drivers, savings and proposed changes.

Discussion and questions between voters, administration and Board members followed addressing retirement, unreserved fund balance, transportation fees, GBCS tuition and legal fees.

Liz Faria, Brentwood, made a motion to reduce the proposed operating budget to \$63,250,000.

Bob Montegari, Brentwood, seconded the motion.

Discussion followed with some participants expressing support for the amendment and others expressing opposition for the amendment.

Vote was taken with 29 in favor of the amendment and 140 opposed. The amendment did not pass.

Debra Altschiller, Stratham, moved to restrict reconsideration and Paul Royal, Exeter, seconded.

Vote to restrict passed.

Moderator Miller declared the Article would appear on the ballot as proposed.

Motion to adjourn the meeting at 4:03 was made by Travis Thompson, Stratham, and seconded by Lucy Cushman, Stratham with 163 registered voters in attendance.

Respectfully submitted,

Susan E.H. Bendroth, Exeter Region Cooperative School District Clerk

Annual Report of SAU 16

For the Year Ending June 30, 2021

For the Proposed 2022-2023 Budget

SAU16 ANNUAL REPORT FOR THE YEAR ENDING 2021

VISION FOR THE GRADUATE

Each graduate demonstrates engaged learning and citizenship through the ability to solve problems independently and collaboratively with perseverance and resilience, and communicates solutions with confidence and empathy.

School Administrative Unit (SAU) 16 continues to strive to be the state leader in innovative instructional practices, inspiring learning journeys, and efficient use of the precious resources afforded by the community. Our schools thrive in large part due to the support from all six towns while respecting the heavy burden that local property taxes have on residents. It was once stated in a previous annual report that “School board members and administrators are very sensitive to the fact that approximately 80% of SAU 16 households do not have school age children residing in them, while also being very aware that New Hampshire is second only to Florida in its aging average population” (Morgan, 2017). Attention to this sensitivity has not wavered.

As the third largest public school system in the State of New Hampshire, we enjoy a strong reputation of offering a comprehensive career training program that includes intense college preparation, contemporary career and technical education, competitive athletic programs, and multiple experiences in the arts. Our students discover their passion here while building their competency for a bright future. They become our leaders, our caregivers, our communicators, and our neighbors. It is a significant investment of time and money, but given the growth and success of this community over the years, it is worth it.

Our professional educators and staff members throughout the SAU offer a boundless enthusiasm for teaching and learning. As relationships with students are built, so too are the core values of integrity, honesty, trustworthiness, and respect for all human differences. Our professionals are committed to nurturing the children in this community toward adulthood through a high quality curriculum, varied instructional approaches, and social emotional learning experiences.

Last year, we saw a return to in-person learning for all schools and since that time have not returned to any form of remote instruction. Given the impact of the pandemic on school operations all around the nation, we have been very fortunate in being able to remain in person every day. As such, we have turned our primary attention back to advancing our organizational mission of improving instruction for students and engaging stakeholders in advancing student learning.

We have many highlights to share and to maximize efficiency, we encourage all community members to visit our website (www.sau16.org) where up-to-date announcements, celebrations, newsletters, and activities are being reported frequently. Each school website has archived their information for easy access and readers can catch up on all that has happened and is happening in classrooms and on campuses in general.

In this space we do want to welcome new principal **Tonja Neve** (Main Street School in Exeter) and interim principal **Eris Hersey** (Cooperative Middle School) who began their school year on July 1, 2021 at their respective schools. We also want to wish the following SAU 16 members the very best in their retirement as they took that next step at the end of the 2021 academic year. We are so blessed to have had so many years of talent and wisdom, and we are fortunate to have such amazing professionals in our SAU. We will continue to work hard to seek out and hire only the very best educators for our children.

Cooperative Middle School - Renie Carpenter, Susan Garneau, Patricia Glennon, and Catherine Hammond

East Kingston Elementary School - Marne Dohrmann

Exeter High School - Sybille Goldberg-Holzer, Bill Gum, Debra Kimball, Kevin McQueen, and Karlyn Supple

Kensington Elementary School - Lili Spinosa

Lincoln Street School - Cyndy Smith

Main Street School - Lisa Peters

Swasey Central School - Kathy Carson, Mary Johnson, Joanna McBride, Robert Schroeder, and Lisa Swasey

Stratham Memorial School - Diane Griffith, Linda Morrison, Frank Spencer, and Carol Stringham

Maintenance and Facilities - Stephen Pelletier

Finally, we are ever so grateful for the cooperation and collaboration with our towns' mental health and wellness professionals, public health officials, town managers and elected officials, school district employees, and families. We look forward to a banner year in which we celebrate and share more examples of the excellence in our schools.

Respectfully submitted,

A handwritten signature in blue ink, appearing to read "David Ryan", is positioned below the text "Respectfully submitted,".

David Ryan, Ed.D.

SELECT BOARD

Select Board meets every other Monday evening at 7:00 pm at the Town Office Building, Nowak Room. Refer to the website for scheduled meeting dates. Agenda item requests must be submitted to the Town Manager's Office by 12:00 noon the prior Wednesday. For more information call 778-0591 ext. 102

TOWN MANAGER

The Town Manager oversees daily operations of the Town government with exception to the Public Library, which is governed by a separate Board of Trustees. 778-0591 ext. 102

TOWN CLERK

The Town Clerk's Office is located at the Town Office building. Hours are Monday, Wednesday, Thursday 8:00 am - 4:00 pm; Tuesdays 8:00 am - 7:00 pm; and Fridays 8:00 am - 12:30 pm. For more information, call 778-0591 ext. 403

ASSESSING OFFICE

The Assessing Office is located in the Town Office building. Contact Assessing for assessment and/or property exemption information. Hours are Monday thru Friday 8:00 am - 4:30 pm. For more information, call 778-0591 x110

EXETER PUBLIC LIBRARY

The Public Library is located at Founder's Park. For hours and information call 772-3101 or visit the library website at exeternh.gov/library.

EXETER TV

Public Access TV in Exeter is seen on Channel 98. Exeter Education can be viewed on Channel 13, operated by SAU16. Exeter Government programming is found on Channel 22. Tune in to see live broadcasts of the meetings. Refer to the Town website for meeting dates. Contact Exeter TV at extvg@exeternh.gov or 418-6425.

HUMAN SERVICES DEPARTMENT

The Human Services/Welfare Department provides Exeter residents temporary relief who may have fallen on difficult times. 773-6116

PARKS AND RECREATION DEPARTMENT

The Parks and Recreation Department is located at 32 Court Street. The Recreation Department sponsors programs for all ages including sports, trips, public pool, tennis, adventure camp, etc. Refer to exeternh.gov/recreation on the website for upcoming events. 773-6151

PLANNING, BUILDING, ZONING

The Planning Department, Building Inspector, and Natural Resource Planner are located upstairs in the Town Office building. Hours are 8:00 am - 4:30 pm Monday thru Friday. Questions for any of the Departments, call 773-6112.

PUBLIC SAFETY

For non-emergency calls to the Fire and Police Departments, please call 772-1212.

TAX/WATER/SEWER

Tax/Water/Sewer Collection is located in Town Office building. Hours are 8:00 am - 4:00 pm Monday thru Friday. For questions, call 773-6108.

WINTER PARKING BAN

Exeter's winter parking ban is from December 1 thru March 15. During that time **NO PARKING** is permitted on any public street between Midnight and 6:00 am. Call Exeter Dispatch at 772-1212 for more information.
